On June 10, 2003, the Board of County Commissioners approved an ordinance providing for the repeal of Section 2-441 of the Pinellas County Code, which had previously created the St. Petersburg/Clearwater Area Economic Development Council. The ordinance states that the Council is to be made up of not more than 100 members who are to be appointed by the Board of County Commissioners. Members shall serve two-year terms, and are to be nominated by businesses, business organizations, business trade associations, and the Board of County Commissioners.

December 31, 2008 was the term expiration date for several of our current members. With the Board's approval, the names below are being submitted for re-appointment for another 2-year term, ending December 31, 2010.
