careergoals-- My career goals are mainly focused on engineering. I believe I will be going into the architecture field or civil engineering. My main ambitions are to make things that people can use and enjoy.

extracurricular-- I am currently becoming more involved in my school. I have recently applied to the new English National Honor Society and Rho Kappa (History NHS). I also plan on getting involved in more student organizations throughout the year.

hobbies-- A majority of my hobbies are things done outside. I enjoy camping, hiking, swimming, and backpacking. I also enjoy teaching other people about the outdoors.

communityservice-- I have been heavily involved in this area's Scouting Program for over a decade. I am currently the Junior Assistant Scoutmaster of Troop 337 out of First Baptist Church of Pinellas Park, the President of Venture Crew 337 out of First Baptist, and the President of the Venturing Officers' Association of the West Central Florida Council. While in these positions and throughout my time in Scouting I have done service projects ranging from cleaning trails at local parks to mentoring youth on the nature of leadership, to holding a child safety fair where we distributed 300 child identification kits to families in the community.

goals-- As a member of this Committee I would hope to help define the roles of the YAC along with establishing the annual community service project for the group. I also aspire to bring my experiences from Scouting and school to the group to help make it a better organized body.
