RECYCLING GUIDELINES

No plastic bags please!

Aerosol Cans – Empty. No caps.

Aluminum Cans – Empty aluminum cans used for drinks or food. Rinse and crush if possible.*

Cardboard – Clean, empty, dry corrugated (3-layer) cardboard boxes or packaging. Please flatten boxes. Pizza boxes okay if no food or grease. If the bottom is greasy, tear it off and recycle the clean lid only.

Cooking Oil – Used liquid cooking oil (such as oil from a turkey fryer). No solids or motor oil.

Electronics - View a list of [hazardous electronic items](#).

Glass – Empty glass bottles or jars (all colors). Labels okay. No caps or lids.

Mixed Paper – Any clean, dry paper item that tears, such as white or colored paper, shredded paper, office paper, magazines, catalogs, phone books, junk mail, envelopes, wrapping paper, or paperboard items such as cereal boxes. No paper towels or tissues.

Newspapers – Clean and dry newspapers (including inserts). No string or twine.

Plastics #1-7 – Plastic bottles or containers marked with a recycling triangle and a number. Must be empty. Examples: soda bottle, milk jug, shampoo bottle, yogurt cup, margarine tub or deli container. Rinse and crush if possible. Labels okay. Caps okay but remove the cap from the bottle so that liquids dry out. Place the cap and the bottle in the bin. No bags, Styrofoam or items without a recycling triangle (such as straws).

Steel (Tin) Cans – Empty steel cans used for food such as soup or vegetable cans. Labels and lids okay. No aerosol cans or paint cans. Rinse if possible.*

** It is not necessary to rinse or crush cans or bottles for collection. We encourage rinsing for sanitary reasons, and crushing to save space.*
