RECYCLING GUIDELINES

No plastic bags please!

Aluminum Cans – Empty aluminum cans used for drinks or food. Rinse and crush if possible.

Glass Bottles and Jars – Empty glass bottles or jars (all colors). Labels okay. No caps or lids.

Newspapers – Clean and dry newspapers (including inserts). No string or twine. It's okay to put the newspapers inside a paper bag.

Plastic Bottles – Empty bottles such as water, soda or mouthwash bottles. Rinse and crush if possible. No need to check for a number—just “check for a neck” (i.e., an opening smaller than the base). Bottles only; no tubs, cups or bags. Labels okay. Caps okay but remove the cap from the bottle so that liquids dry out. Place the cap and the bottle in the bin.

as of 12/15
