**The Human Service Coalition Strives to:**

- ✓Improve communication and collaboration among service providers by conducting group meetings, seminars, and joint programs
- ✓Serve as an advocate for legislation and appropriations that will improve the quality and availability of human services
- ✓Establish links with local funding/planning entities to ensure that expertise is available to those desiring such assistance.
- ✓Serve as a link for community coalitions

Pinellas County complies with the Americans with Disabilities Act. To obtain accessible formats of this document, please call (727) 464-4062 (V/TDD).
