Introduction

The FY24 Tentative Budget is the term under State law that describes the budget as presented at the First Budget Hearing, scheduled for September 7, 2023. It includes the Proposed Budget as presented to the Board of County Commissioners (BCC) on July 18, 2023, plus minimal recommended changes and updates. The only recommended change to the operating budget as proposed is the recognition of Opioid Abatement Settlement funds that were not ready in July and are now clear. The recommended changes to the capital improvement plan only involve the American Rescue Plan Act (ARPA) and projects that will be able to be completed faster in ARPA exchange with projects that will be completed in a slower timeframe in other funding sources.

As discussed in the Budget Information Sessions in June, the County Administration has developed the budget by both collaborating and challenging County Departments and other stakeholders to keep expenditures as low as possible while delivering high-quality services to the residents, businesses, and visitors of Pinellas County.

The summary below includes all recommended changes.

Summary of Changes

I. Opioid Abatement Settlement – Fund 1088 (New funding – \$23.6M)

- a. \$14.6M increase in Beginning Fund Balance due to updating the FY23 Estimate projections to recognize Opioid Abatement Settlement funds received after the Proposed Budget.
- b. \$9.0M increase in revenue due to additional funds anticipated in FY24.
- c. \$23.6M for associated personal and operating expenses to support future activities and use as approved by the Board of County Commissioners.

II. American Rescue Plan Act (ARPA) – Fund 1045: Increase \$28,722,860 from 93,049,600 to 121,772,460)

- a. (\$926,000) decrease to the FY23 Estimate and a \$28,722,860 increase to the FY24 Budget due to updated spending plan estimates that were not included in the Proposed Budget, with a corresponding increase to FY24 revenue. This includes bringing forward out-year Plan amounts to encumber ARPA funds by the deadline of December 31, 2024.
- b. CIP projects reflected in this change are:
 - i. \$6,289,000 increase to ARPA funding (Flex Act) for 000087A 22nd Ave S from 58th St to 34th St S Roadway Improvements. This includes an overall increase of \$877,000 ARPA allocation for construction and bringing forward the FY25 ARPA amount to place the full ARPA allocation in FY24 to commit ARPA funds by the deadline of December 31, 2024. The ARPA increase offset FY24 Penny funding of \$4,112,000 (see III. Capital Projects Fund).

FY24 OVERVIEW OF THE TENTATIVE BUDGET

- ii. \$4,018,000 increase to 002131A 46th Ave N from 49th St to 38th St N Roadway Improvements due to placing full ARPA allocation in FY24 to commit ARPA funds by the deadline of December 31, 2024.
- iii. \$0 net change to ARPA funding consisting of:
 - a. \$3,693,000 decrease due to replacing the ARPA funding with Penny funding for 006023A McKay Creek Greenway Trail. McKay Creek Greenway Trail will not meet the ARPA deadlines. See the corresponding change to Capital Projects Fund.
 - b. \$4,000,000 decrease in ARPA funding for 005583 Toytown Remediation Phase 1. This project will not meet the ARPA deadlines.
 - c. Move ARPA funding (Flex Act) of \$5,693,000 to 001034A Old Coachman Road over Alligator Creek Bridge. This places the full ARPA allocation in FY24 and offsets Penny funding by \$3,555,000. See Capital Projects Fund change.
 - d. Move the ARPA funding (Flex Act) of \$2,000,000 to 000967A Pinellas Trail North Gap Bridge over Lake Tarpon Outfall Canal. This offsets the Penny funding by the same amount. See Capital Projects Fund change.
 - e. See corresponding changes to Capital Projects Fund 3001.
- iv. \$553,000 increase to 006030A HighPoint: Russell Ave Connection due to moving the FY25 amount forward to place full ARPA allocation in FY24 to commit ARPA funds by the deadline of December 31, 2024.
- v. (\$880,000) decrease to FY23 Estimate and \$4,042,000 increase to FY24 for 006033A Safe Routes to School to align FY23 Estimate with year-to-date expenditures and place full ARPA allocation in FY24 to commit ARPA funds by the deadline of December 31, 2024.
- vi. \$1,304,860 increase to ARPA FY24 funding for 002123A Roosevelt Creek Channel 5 Improvements. This includes an increased funding request of \$401,000 due to updated bids funded by \$360,860 ARPA and \$40,140 Penny funding. This also places the full ARPA allocation in FY24.
- vii. \$2,239,000 increase to ARPA funding for FY24 for 003900A Stormwater Starkey Facility M10. This is an increased funding request of \$2,754,000 due to updated bid results funded by ARPA at \$2,239,000 and Penny at \$515,000. See Capital Projects Fund change. Penny is a decrease of \$155,000 in FY24 but an increase of \$670,000 in FY25.
- viii. (\$1,600,000) decrease to 004243A Palm Harbor Regional Stormwater Facility Improvements due to shifting to Penny funding as this project will not meet the ARPA deadline of being fully committed by December 31, 2024. See Capital Projects Fund change.
- ix. \$1,000,000 increase to 000083A Weedon Island Preserve Salt Marsh Restoration. This was due to an additional funding request of

FY24 OVERVIEW OF THE TENTATIVE BUDGET

\$1,028,000 due to current estimates. The increase is funded by ARPA at \$1,000,000, a \$45,000 State Grant, and a reduction of \$17,000 in Penny funds. This also places the full ARPA allocation in FY24 to meet the deadline to fully commit funds by December 31, 2024. See Capital Projects Fund change.

- x. (\$400,000) decrease to FY23 Estimate and \$4,420,000 increase to FY24 for 006024A Rehabilitation of 119th St Overflow Area – North Garden in Ridgecrest. Budget adjustment is to align the FY23 Estimate with year-to-date activities and place full ARPA allocation in FY24.
- xi. (\$594,000) decrease to FY23 Estimate and \$4,712,000 increase to FY24 for 006025A Dansville Community Park. Budget adjustment to align FY23 Estimate with year-to-date activity and place full ARPA allocation in FY24.
- xii. \$948,000 increase in FY23 Estimate and (\$948,000) decrease in FY24 Budget consisting of:
 - a. \$939,000 increase in FY23 Estimate and (\$948,000) decrease in FY24 for 005015A Manufactured Home Communities Wastewater Collection System Improvements.
 - b. (\$9,000) increase in FY23 Estimate of 005015D Manufactured Home Communities Potable Water System Improvements
 - c. The ARPA funding shifted from the Water project to the Wastewater project. This aligns estimates and budgets with each project accordingly.

III. **Capital Projects – Fund 3001: (Decrease \$1,417,000 from \$482,592,250 to \$481,175,250)**

- a. (\$50,000) decrease in FY23 Estimate and (\$4,112,000) decrease in FY24 Penny funding and for 000087A 22nd Ave S from 58th St to 34th St S Roadway Improvements. Project funding shifted from Penny to ARPA, including the FY25 amount moved forward to FY24. See ARPA Fund 1045 increase.
- b. \$77,000 increase in Penny funding (moved forward from FY25) for 002131A 46th Ave N from 49th St N to 38th St N Roadway Improvements due to placing full project allocation, the majority of which is ARPA, in FY24 to commit ARPA funds by the deadline of December 31, 2024. See ARPA Fund 1045 increase.
- c. \$1,862,000 net decrease in Penny funding in FY24 consisting of:
 - i. (\$3,555,000) decrease in FY24 Penny funding (moved to ARPA funding) for 001034A Old Coachman Road over Alligator Creek Bridge. See ARPA Fund Change.
 - ii. (\$2,000,000) decrease in FY24 Penny funding (moved to ARPA funding) for 000967C Pinellas Trail North Gap Bridge over Lake Tarpon Outfall Canal. See ARPA fund change.
 - iii. \$3,693,000 increase in Penny funding (moved from ARPA funding) for 006023A McKay Creek Greenway Trail. See ARPA fund change.
- d. (\$368,860) decrease to 002123A Roosevelt Creek Channel 5 Improvements due to Penny funding pushed to FY25. This includes a \$40,140 increased

FY24 OVERVIEW OF THE TENTATIVE BUDGET

- funding request funded by Penny. See ARPA fund change.
- e. (\$155,000) decrease to 003900A Stormwater Starkey Facility M10 in FY24. This is part of an increased funding request of \$2,754,000 due to updated bid results funded by ARPA at \$2,239,000 and Penny at \$515,000. Penny is a decrease of \$155,000 in FY24 but an increase of \$670,000 in FY25. See ARPA Fund change.
 - f. \$1,600,000 increase to 004243A Palm Harbor Regional Stormwater Facility Improvement due to shifting funding from ARPA to Penny. This project will likely not meet the ARPA deadline of being fully committed by December 31, 2024. See ARPA Fund change.
 - g. (\$100,000) decrease to FY23 Estimate and (\$811,000) decrease to FY24 for 000083A Weedon Island Salt Marsh Restoration. This was due to an additional funding request of \$1,028,000 due to current estimates. The increase is funded by ARPA at \$1,000,000, a \$45,000 State Grant, and a reduction of \$17,000 Penny. See ARPA Fund change.
 - h. \$4,214,860 increase to Capital Fund Reserves to balance the fund based on the above changes.

July 18, 2023

To: The Honorable Chair Janet C. Long and
Members of the Pinellas County Board of County Commissioners

I am pleased to present the Proposed Fiscal Year 2023-24 (FY24) Annual Operating and Capital Budget, which begins October 1, 2023, and ends September 30, 2024. I, along with all County Departments, Constitutional Officers, Independent Agencies, and Special Districts, have strategically formulated this Proposed Budget based on your guidance and recommendations, which focuses on the following priorities:

- ensuring that our residents and businesses are safe and feel safe,
- continuing to streamline access to behavioral health services,
- improving our transportation infrastructure across the County,
- providing for our workforce,
- advancing affordable housing initiatives in partnership with municipalities, and
- managing our financial situation now and into the future.

The FY24 budget continues to support the Sheriff's Operations with an increase of \$40.2M. This includes salary increases to make the Pinellas County Sheriff's Office (PCSO) competitive with other local law enforcement agencies (\$9.5M), statutorily mandated increases in the Florida Retirement System (\$13.1M), unavoidable contract cost increases (such as jail medical costs, the jail inmate food contract, fuel, and vehicle replacements – totaling more than \$7.1M of increases), and one-time expenses such as a new Jail Information Management System (JIMS) (\$4.7M), an extra day of payroll for leap year (\$770,000), and a new Rapid DNA system (\$900,000).

We are continuing to streamline access to behavioral health services by implementing the Coordinated Access Model (\$1.3M in FY23) – soon to be launched as Care About Me, continuing to fund the Public Defender's efforts in jail diversion and behavioral health, maintaining all behavioral health efforts of our Human Services Department, and the Sheriff's Mental Health Unit (totaling more than \$12 million).

Having completed the sidewalk backlog project in FY23, this Proposed Budget continues our emphasis on transportation infrastructure improvement with two new areas of funding:

- New technologies for the Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) to improve residents' quality of life by moving traffic more efficiently on major corridors across the County with one-time funding of \$18.0M
- A third dedicated millage for the expanded level of service on our roads and bridges (\$2.6M or 0.0281 mills).

This is in addition to continuing the two dedicated millage rates approved in FY22 and FY23 for fund stabilization and an enhanced level of service respectively, totaling \$35.6M in FY24.

The Proposed Budget provides for our workforce by including a 4.5% raise on salaries and other salary enhancements such as raising the lowest wage to \$18 per hour in all Appointing Authorities except the PCSO.

The Affordable Housing Program continues to support the development of new projects in partnership with municipalities, the Pinellas County Housing Finance Authority, and state and federal funding sources. Increased Penny for Pinellas, State Housing Initiatives Partnership (SHIP), and HOME Investment Partnerships Program (HOME) funding will continue the addition of affordable units in FY24. The County will focus on the implementation of the Housing Action Plan in FY24 including new funding for the development of a regulatory tool kit.

As always, this budget strategically manages our financial situation now and into the future. It is a structurally balanced budget with recurring revenues covering recurring expenses. Of course, the main challenge of this budget has been to absorb the effects of the current economic environment (inflation), the local labor situation (retention and recruitment), and the legislative obligations that have been placed on all Florida Counties (the Florida Retirement System, or FRS). This budget maintains the service levels that we have in the current year, even though the cost of those same services continues to rise.

Part of proper financial management is the management of reserves. In addition to the \$18.0M proposed to be transferred to fund enhanced ATMS/ITS technologies across major corridors, the budget includes a transfer to capital for Future Facilities (\$42.8M) and reserves for future-year purchases of equipment for the Supervisor of Elections (\$5.6M), planned equipment at the PCSO's Hangar (\$600,000), equipment at Animal Services (\$330,000), and the strategic use of one-time prior-year fund balance to support one-time expenses in the operating budget (approximately \$16.5M) are expected to set the reserve level at \$177.7M in FY24. The resulting stand-alone reserves are anticipated to be \$171.1M, which is approximately the 20.8% reserve level recommended by my team (or two and one-half months of revenues). The Board of County Commissioners (Board) will be asked to approve a reserve policy with this recommendation as part of this budget process.

Revenues from property taxes in the general fund are growing by \$63.7M. Of this growth, \$40.2M is proposed to go to the PCSO (\$30.7M recurring, \$9.5M one-time). Other expenditure growth includes \$5.1M of personnel costs, \$5.9M more for the dedicated millages for roads and bridges, contract increases such as fuel and insurance (\$2.3M), tax increment financing payments for our Community Redevelopment Agencies (\$1.4M), and growth in reserves according to policy (\$14.9M). Details of the operating and capital budgets are explained in the Budget Overview section (starting on page 29 of this document) and in the departmental pages (starting on page 83 of this document).

I am also pleased to point out that the Penny for Pinellas is balanced for the 10-year term of the sales tax levy. Focusing our efforts on the projects presented in 2017, updating cost estimates, using appropriate additional funding sources (such as the American Rescue Plan Act funding and prior-year General Fund), as well as updated revenue forecasts (based on State data) have brought us to a properly balanced Penny. Guidance from the Board for the past year and strong efforts by each department's capital teams have helped get us to this point. The various capital improvement teams in the County will continue to integrate the capital components of the new Sustainability and Resiliency Action Plan as new projects are contemplated.

I would like to express my gratitude to the Board of County Commissioners, the Constitutional Officers, Appointing Authorities, and all of my Departments for their diligent work in creating this comprehensive budget. My proposed budget reflects the financial realities of our county while aligning with the strategies and policy direction of the Board of County Commissioners.

I look forward to your review of the proposed budget and ongoing discussions in the coming months leading to an adopted budget in September.

Sincerely,

Barry A. Burton
County Administrator

About Pinellas County

Pinellas County was established in 1912 and is located at the approximate midpoint of the west coast of Florida, bounded on the east by Tampa Bay and on the west by the Gulf of Mexico. The County contains a total area of 608 square miles, of which approximately 274 square miles are land, and the remaining is water area. With a 2022 estimated population of 961,739, Pinellas County is the seventh largest County Florida by Population. With the second smallest total land area, Pinellas County is the most densely populated county in Florida with 3,524 people per square mile of land. There are 24 incorporated municipalities in Pinellas County. St. Petersburg is the largest city in the County with a 2021 estimated population of 260,778. Clearwater, the County seat, is the second-largest city, with an estimated 2021 population of 117,800. Approximately 275,985 people reside within unincorporated Pinellas County.

Seven-Member Commission Elected to Govern County

Pinellas County is a political subdivision of the State of Florida. In October 1980, the voters approved a Home Rule Charter for Pinellas County. In accordance with this Charter, the Board of County Commissioners is the legislative body of county government responsible for the formulation of policy. On November 2, 1999, Pinellas County voters changed the composition of the Board from five at-large members to a seven-member commission. Four of the members are elected from single-member districts and three are elected as at-large members.

Commissioners Serve on Other Boards

The Board of County Commissioners also serves as the Emergency Medical Services Authority, Fire Protection Authority, Economic Development Authority, Lealman Community Redevelopment Agency, and Water and Navigation Authority. Individual board members serve on various other boards, authorities, and commissions, including Tampa Bay Regional Planning Council, Tampa Bay Water, Business Technology Services Board, Forward Pinellas (Metropolitan Planning Organization), Pinellas County Cultural Council, Pinellas Suncoast Transit Authority, Election Canvassing Board, Juvenile Welfare Board, and the Tourist Development Council.

Elected Officials

Elected Officials include the Board of County Commissioners, the Judiciary, the State Attorney, Public Defender, and five Constitutional Officers: the Clerk of the Circuit Court and Comptroller, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector. Constitutional Officers are elected to administer a specific function of County government and are directly accountable to the public for its proper operation. The Board funds all or, in some cases, a portion of the operating budgets of the Elected Officials. The Constitutional Officers maintain separate accounting systems and budgets.

Other Government Agencies

Based on the degree of budgetary authority, taxing authority, and reporting and alignments with independent boards/councils, several other governmental entities also have their budgets reviewed and approved by the Board of County Commissioners. These independent agencies include Business Technology Services, Human Resources, and the Office of Human Rights. The budgets of these agencies and the Constitutional Officers, as well as the County portion of support for Courts, are included in this document.

Role of the County Administrator

In 1964, Pinellas was the first Florida county to adopt the Commission/Administrator form of Government. The County Administrator is appointed by the Board of County Commissioners and is responsible for carrying out the directives and policies of the Board. The County Administrator is also responsible for the management and supervision of all functions and personnel under the Board of County Commissioners in accordance with Section 4.01 of the Pinellas County Charter.

Strategic Plan

The Pinellas County Strategic Plan consists of five strategic goals. Each goal incorporates four to six strategies supported by actions carried out by County departments. These actions, in turn, provide the building blocks for reaching the strategic goals. Visit pinellas.gov/strategic-plan to learn more about the current Strategic Plan and updates under way for fiscal years 2025-2030.

Deliver First-Class Services to the Public and Our Customers

- 5.1 Maximize partner relationships and public outreach
- 5.2 Be responsible stewards of the public's resources
- 5.3 Ensure effective and efficient delivery of county services and support
- 5.4 Strive to serve the needs of all Pinellas County residents and customers

Foster Continual Economic Growth and Vitality

- 4.1 Proactively attract and retain businesses with targeted jobs to the county and the region
- 4.2 Invest in communities that need the most
- 4.3 Catalyze redevelopment through planning and regulatory programs
- 4.4 Invest in infrastructure to meet current and future needs
- 4.5 Provide safe and effective transportation systems to support the efficient flow of motorists, commerce, and regional connectivity
- 4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

Practice Superior Environmental Stewardship

- 3.1 Implement green technologies and practices where practical
- 3.2 Preserve and manage environmental lands, beaches, parks, and historical assets
- 3.3 Protect and improve the quality of our water, air, and other natural resources
- 3.4 Reduce/reuse/recycle resources. Including energy, water, and solid waste
- 3.5 Foster a sustainable and resilient community that is prepared for sea level rise and a changing climate

Ensure Public Health, Safety, and Welfare

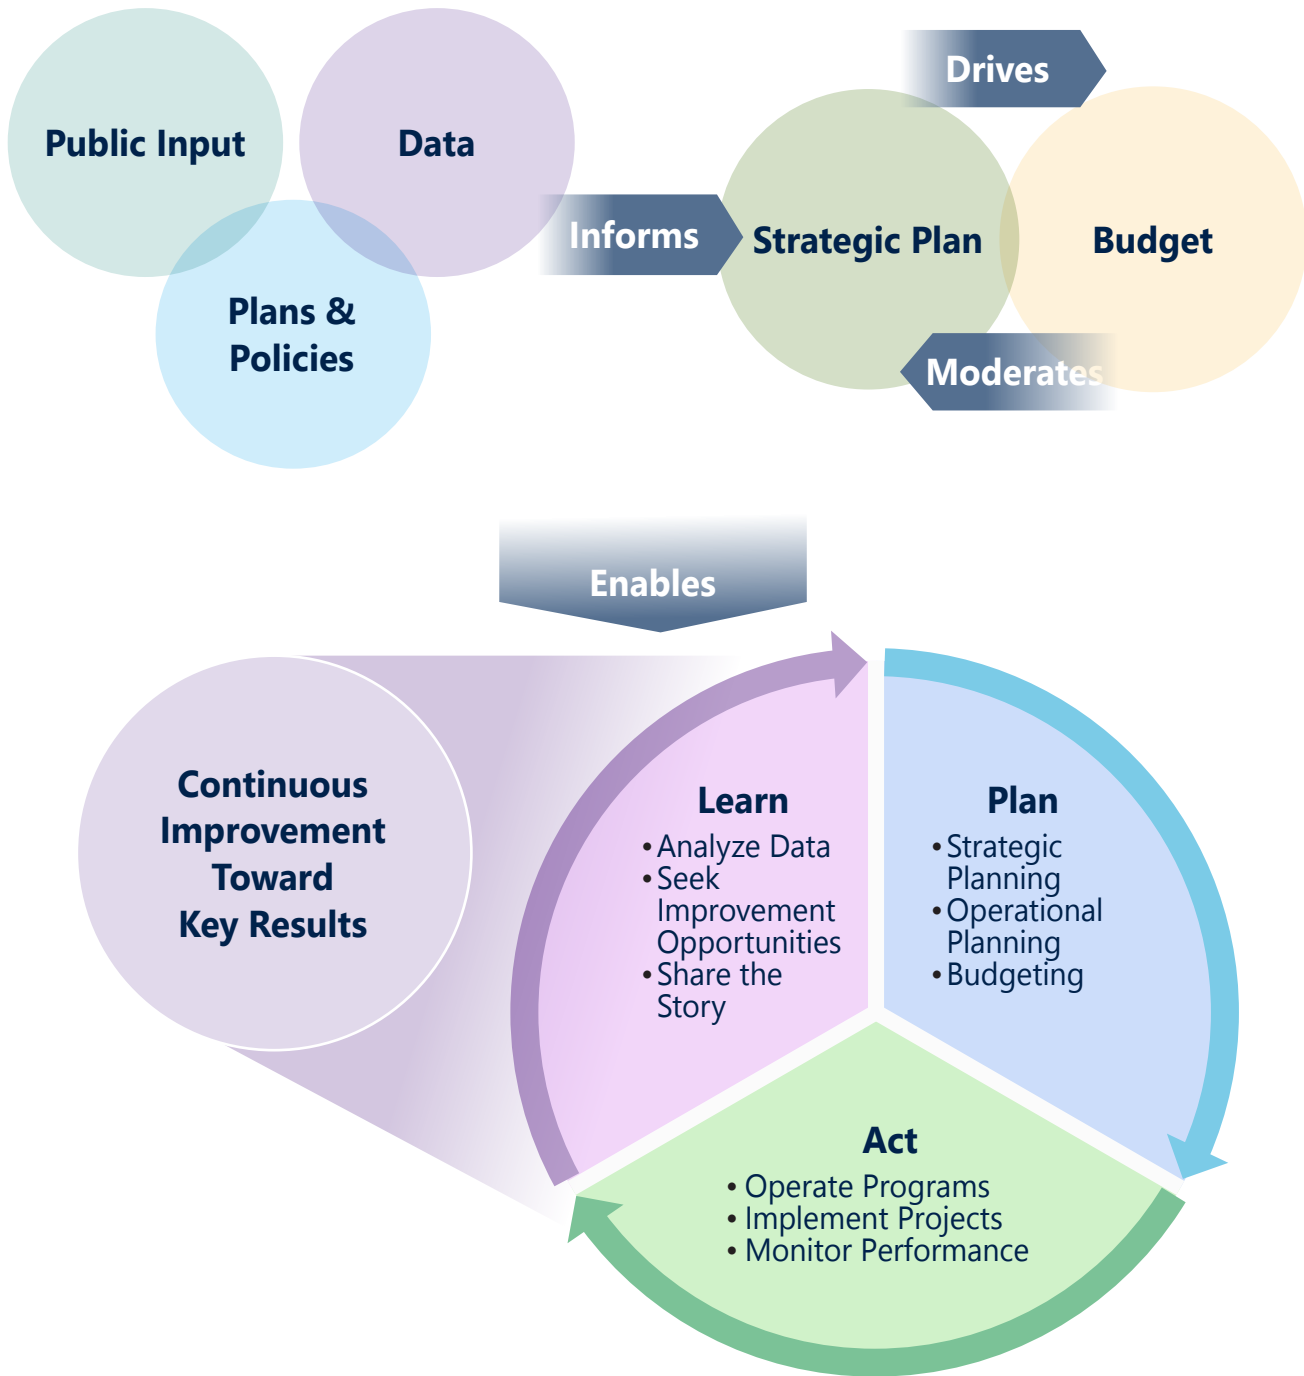

- 2.1 Provide planning, coordination, prevention, and protective services to create and enhance a safe, secure, and healthy community
- 2.2 Be a facilitator, convener, and purchaser of services for those in need
- 2.3 Provide comprehensive services to connect our veterans and dependents to the benefits they have earned
- 2.4 Support programs that seek to prevent and remedy the causes of homelessness and move homeless individuals and families to permanent housing
- 2.5 Enhance pedestrian and bicycle safety

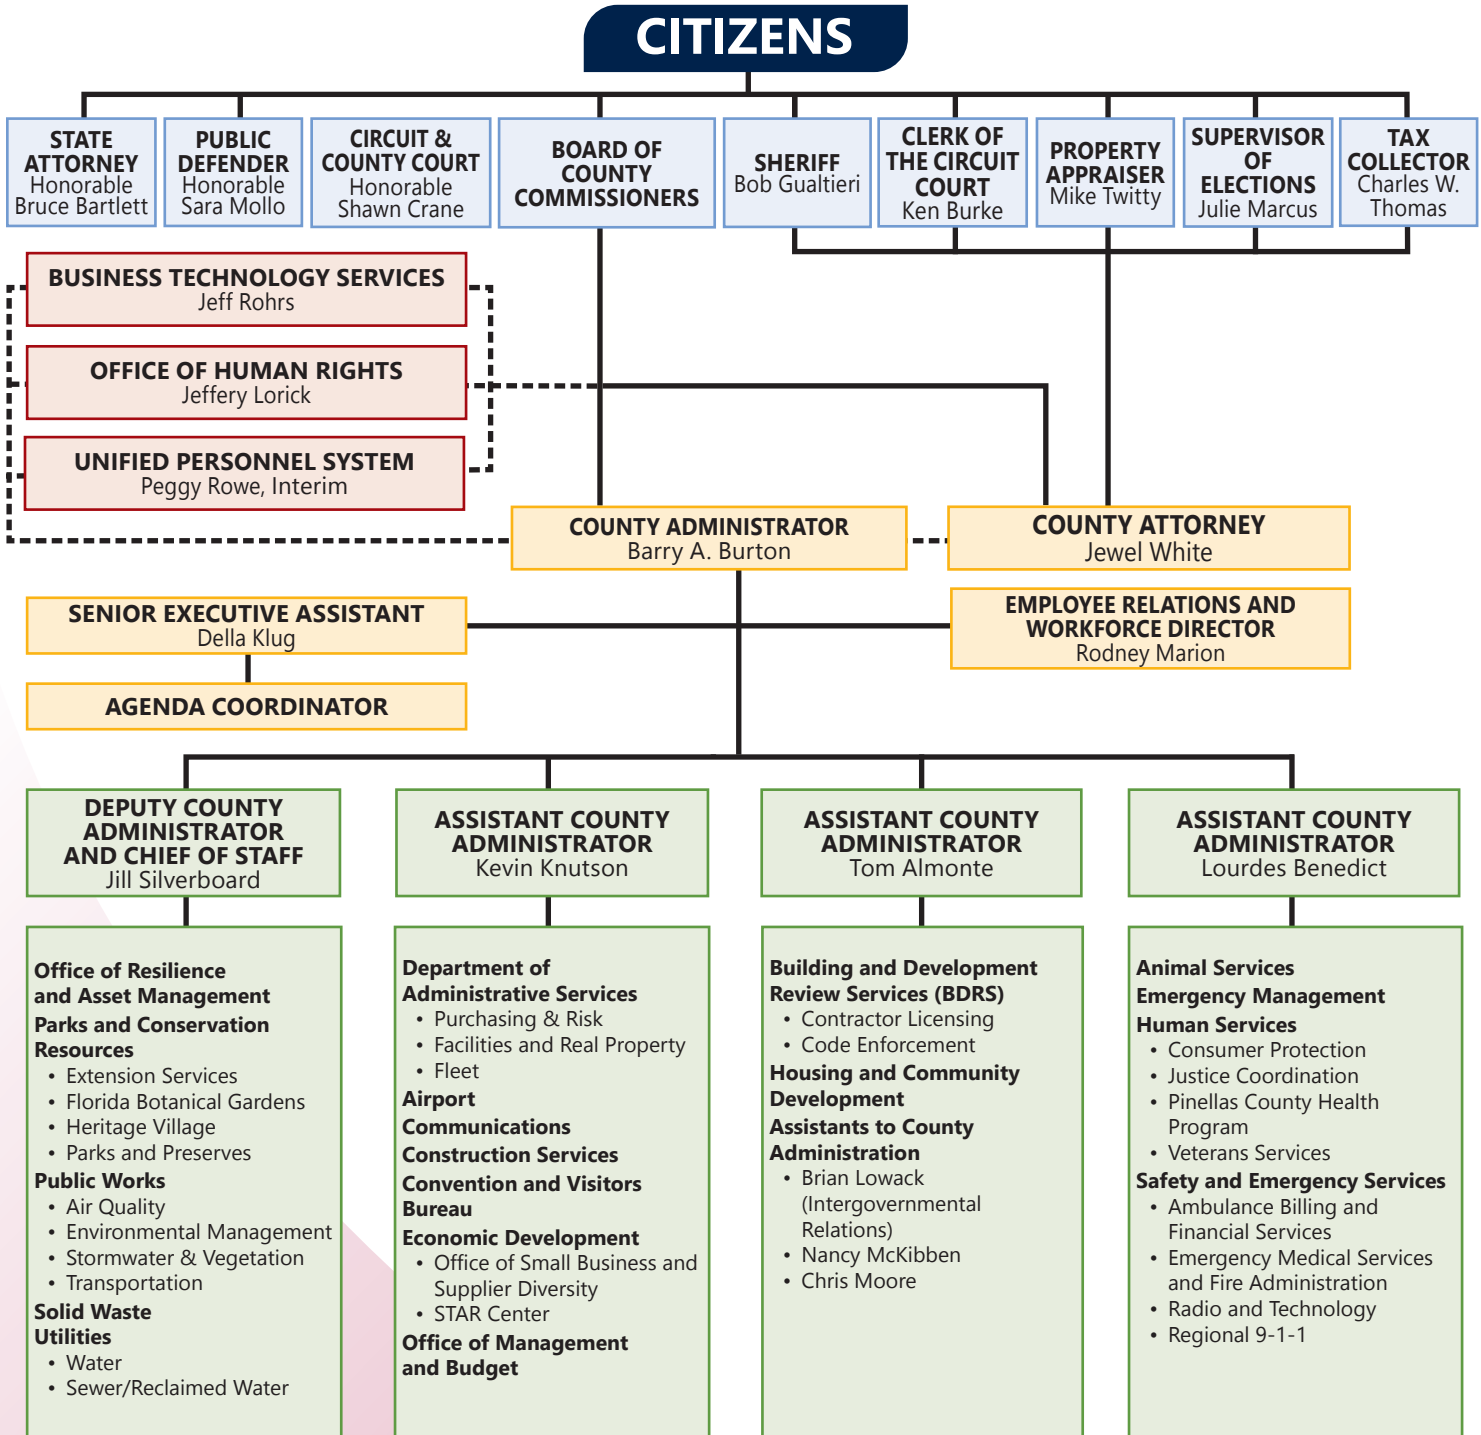

Create a Quality Workforce in a Positive, Supportive Organization

- 1.1 Recruit, select, and retain the most diverse and talented workforce
- 1.2 Leverage, promote, and expand opportunities for workforce growth and development
- 1.3 Make workforce safety and wellness a priority
- 1.4 Maintain a fair and competitive compensation package

Strategic Planning Process

FY24 Operating & Capital Budgets

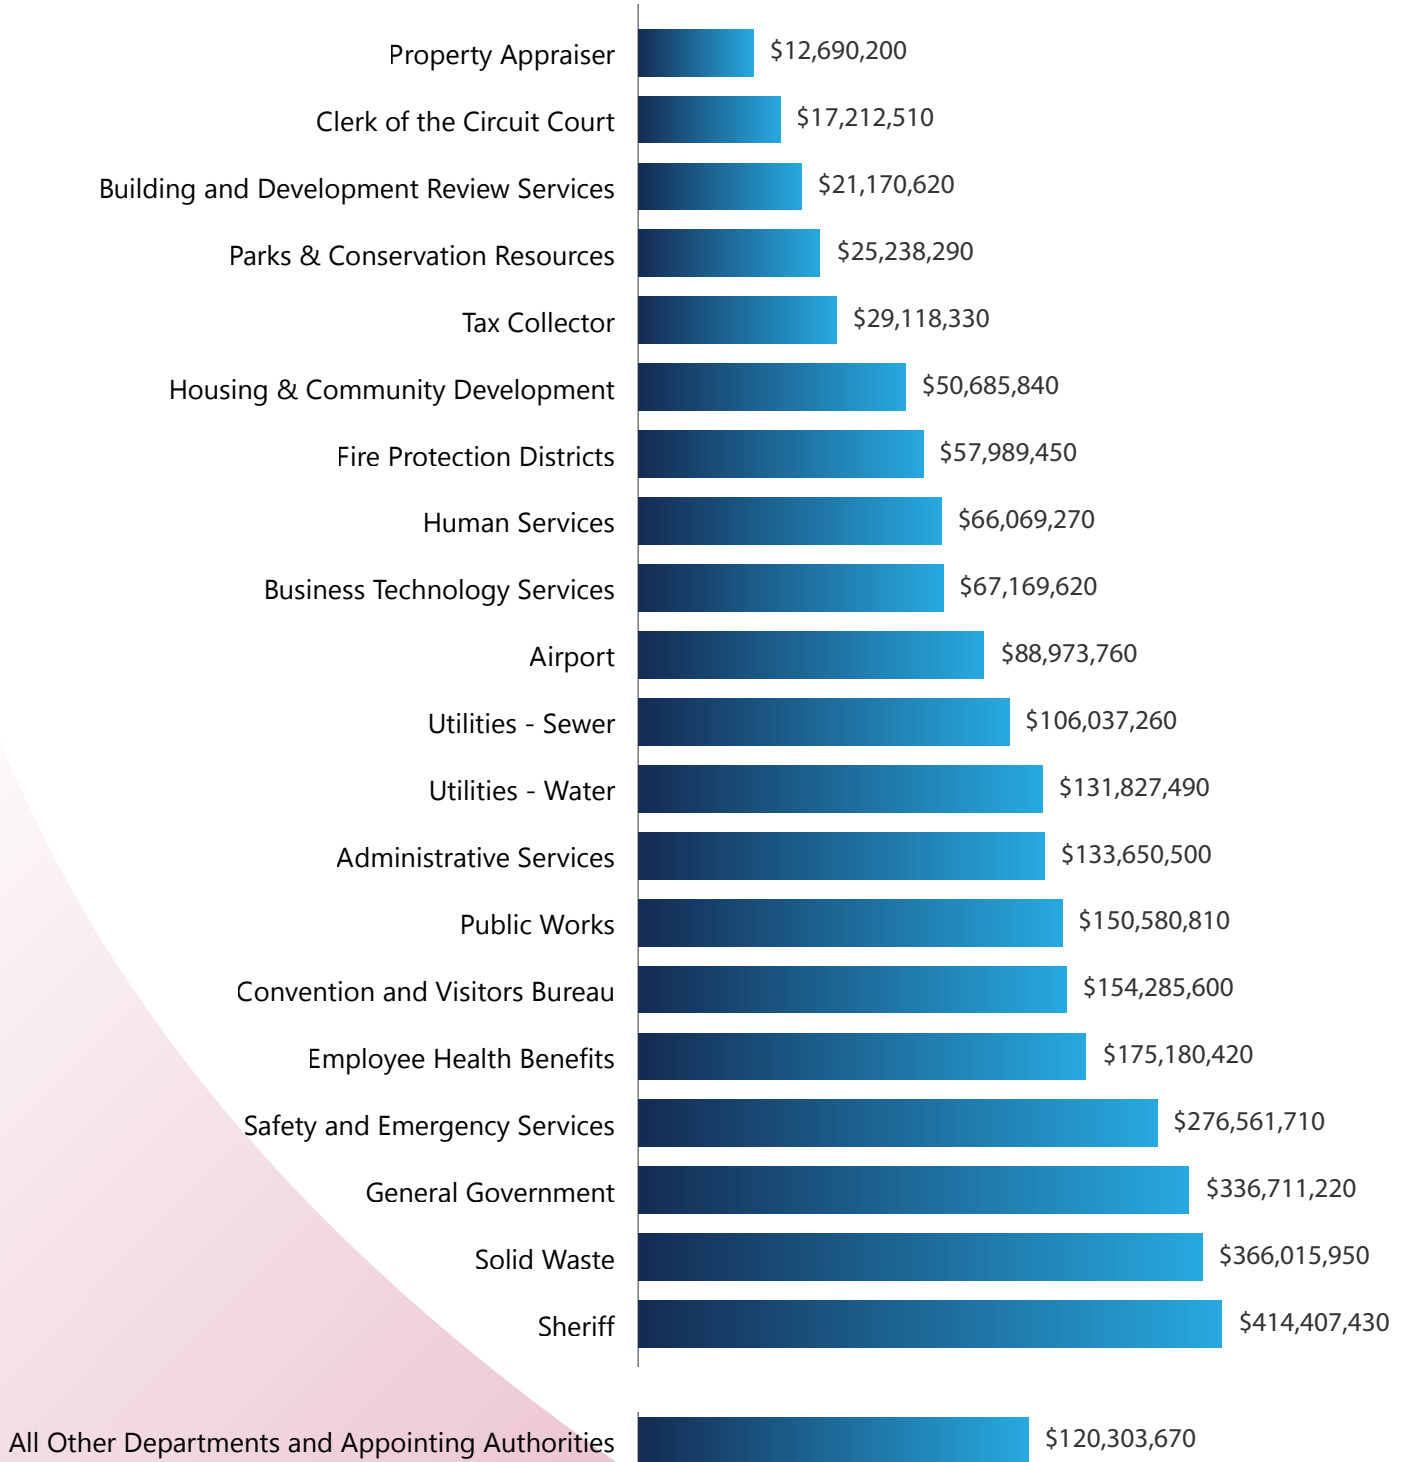

The County's budget is divided into an Operating Budget and a Capital Budget

The capital budget is the first year of a six-year capital program. The remaining five years are a guide for the future development of the County's new and replacement infrastructure needs. The capital budget funds projects that have a discreet beginning and end and have capital asset that is constructed throughout the project (such as a park, a road, a bridge, a building, or a community center). The County's Proposed Capital Budget for FY24 is \$1,057,000,000.

The operating budget includes appropriations for recurring and certain one-time expenditures within the fiscal year to provide for day-to-day operations (e.g., salaries and related benefits, operating supplies, contractual services, and equipment). The County's Proposed Operating Budget for FY24 is \$2,802,000,000.

Impact on Taxpayer

Millage is a tax rate defined as the dollars assessed for each \$1,000 of value; one mill is one dollar per \$1,000 of assessed value. Mathematically the equation is "Taxable Value ÷ 1,000 × Millage Rate = Property Tax Owed."

	FY24 City Example	Percent of Tax Bill	FY24 Unincorporated Example	Percent of a Tax Bill

Millage History & Property Tax Roll History

This graph shows the net assessed valuation of all taxable property in Pinellas County by year (the orange area behind the vertical bars). It also shows the Countywide millage rate adopted in each of those years (the blue vertical bars).

General Fund Balance History

This graph shows the beginning fund balance in each fiscal year, the actual revenues collected each year, and the actual expenditures for FY17-FY22. The FY23 and FY24 balances and budgets are projected.

Penny Explanation

The graphic below shows the Penny IV distributions by category for the decade ending December 31, 2029. Please note, this is the County's distribution of the Penny after the distribution to the countywide investment categories of Economic Development Capital Projects and Housing, and Jail and Court Facilities.

Penny IV - Proposed County Distributions by Category (\$1.03B)

FY 2024 Proposed Budget Overview

Introduction

The Pinellas County FY24 Proposed Budget serves many purposes for those that live, work, visit, and play in this vibrant community. First and foremost, it acts as a financial planning tool, allowing County officials to assess the current and projected financial resources and needs of the County. The budget provides a framework for decision-making, enabling officials to allocate resources effectively and efficiently to various departments, programs, and services. Arguably the budget is the most important policy document any government produces each year.

Secondly, the budget serves as a prioritization tool by allocating financial resources to different Constitutional Officers, Appointing Authorities, and Departments covering a vast array of services. Through the budgeting process, County staff evaluate the details and the larger landscape of the County's finances. Simultaneously, County Elected Officials evaluate the needs and demands of the community and make informed decisions about which areas to prioritize for funding.

Third, this budget is a communication tool that fosters transparency, accountability, informed decision-making, and long-term planning. It allows County staff to communicate the diligence, responsibility, and care that they put into their jobs every day. This budget focuses on:

- ensuring that our residents and businesses are safe and feel safe,
- continuing to streamline access to behavioral health services,
- improving our transportation infrastructure across the County,
- providing for our workforce,
- advancing affordable housing initiatives in partnership with municipalities, and
- managing our financial situation now and into the future.

The Structure of the Budget

As has been stated in the past, the Budget is not one, singular budget. It is instead a series of budgets that, taken as a whole make up the entirety of the Pinellas County spending plan and spending authority for FY24. Throughout the document, "FY24" is shorthand for Fiscal Year 2024, which runs from October 1, 2023, to September 30, 2024.

The total budget contains an Operating Budget of \$2.8B (excluding transfers) and a Capital Budget of \$946.5M, which is the first year of the multi-year Capital Improvement Plan. The operating budget funds the day-to-day expenses of the County such as personnel, materials and supplies, electricity, insurance, service contracts, etc. The capital budget funds projects, usually construction projects with discrete beginnings and ends. These include transportation improvements such as roads, bridges, and trails, drainage and flood control, parks projects, and facilities construction and renovation.

The operating budget is comprised of many funds and fund types. The County's primary operating fund is the General fund (\$1.072B). There are also proprietary funds that account for revenues that are restricted to specific purposes (grants, fees for service, the Transportation Trust Fund, and donations are some examples). The County has several fully self-contained enterprise funds – the Airport Fund, Solid Waste Funds, and Utilities Funds. Additionally, there are internal service funds that account for internal cost allocations between various cost centers (such as fleet, risk, or technology funds).

The General Fund has the most flexibility in spending and therefore has the most pressure upon it. Most County services are paid for through this fund. The largest revenue source for the General Fund is property taxes (\$612.0M). The second and third largest revenue sources in the General Fund are State Sales Tax (\$56.5M) and State Revenue Sharing (\$26.1M).

FY 2024 Proposed Budget Overview

Of course, the main challenge of this budget has been to absorb the effects of the current economic environment (inflation of goods and services), the local labor situation (retention and recruitment of employees), and the legislative obligations that have been placed on all Florida Counties (including increases to contributions to the Florida Retirement System, or FRS). This budget maintains the same service levels as in the current year, even though the cost of those same services continues to rise.

The Budget Development Process

Multiple steps have been taken to arrive at the point of proposing the budget. Preparation, monitoring, and execution of the budget is a year-round process as shown in the graphic below.

New Fiscal Year - In October, the new fiscal year begins based on the Adopted Budget and the annual budget process starts. Departments and the Office of Management and Budget (OMB) are also working to close the books on the prior fiscal year during this time. For specific dates applicable to the current budget process, see the Budget Calendar on the Budget website at www.pinellascounty.org/budget.

Refresh the Strategic Plan (December/January) - During this period, the Board reviews its Strategic Plan and shares feedback and guidance that departments use to refine operational plans and build their budget requests. Departments under the County Administrator report on ongoing and emerging tactics - the projects and programs - that link back to the Board's Strategic Plan. This process ensures that projects and programs funded in the annual budget support the five goals of the Strategic Plan, using sound strategy to drive budget decisions.

Budget Guidelines (January/February) - Also in January, County Administration develops budget guidelines based on the Financial Forecast. These guidelines, along with instructions and resources for preparing budget requests, are communicated to the County's departments and agencies for use during budget development.

Budget Forecast (March) - The Budget Forecast, also called the budget estimate, was presented to the Board of County Commissioners in March. OMB updates the Budget Forecast annually to inform the

FY 2024 Proposed Budget Overview

development of the budget guidelines. The forecast is built upon an individual assessment of 10 of the County's major funds: General Fund, Tourist Development Tax Fund, Transportation Trust Fund, Surface Water Utility Fund, Capital Projects Fund, Emergency Medical Services Fund, Airport Fund, and Water, Sewer, and Solid Waste Funds. The Forecast development process starts shortly after the new fiscal year begins in October and includes updating prior fiscal year projections with actual revenue and expenditure information. At the same time, current fiscal year revenues and expenditures are projected on a preliminary basis by analyzing the actual year-to-date numbers and projecting the remaining months left in the fiscal year. Later in the process, these projections are further refined as departments update revenue and expenditure projections. The forecast for the upcoming budget year is based on available information and serves as the foundation for developing the strategy to balance the budget. In addition to focusing on the upcoming fiscal year, the Forecast's multi-year horizon helps determine the long-term financial position of the County and the impact of today's budget decisions on the future. The "out-years" through the end of the six-year horizon are forecasted using various projection methods such as trend analysis, linear regression, and moving averages. Developing a multi-year forecast provides decision-makers with at least three key benefits: assessing the long-term financial sustainability of the County's funds; understanding the impact of today's decisions on the future; and providing a holistic financial picture.

Budget Submissions (March/April) - County departments and agencies provide their completed budget submissions in March and April, except for the Constitutional Officers who have a due date of May 1 each year. OMB staff analyze budget submissions in preparation for budget workshops with the County Administrator and then Budget Information Sessions with the Board. These workshops lead to further refinement of the budgets and help inform the Budget that is presented in July.

Budget Information Sessions (June) - Budget Information Sessions this year were held in June, allowing the Board to be engaged in the development of key elements of the Proposed Budget such as millage rate policy, proposed program enhancements or reductions, and revenue adjustments. All departments, agencies, and Constitutional Officers participate in these work sessions.

Proposed Budget (July) - In July, the County Administrator prepares the Proposed Budget based on feedback from the Budget Information Sessions and the County's Strategic Plan priorities. The Proposed Budget document presents a balanced budget for the coming year and represents the County Administrator's recommended budget. The maximum millage rate is also adopted at the end of July or very early in August each year.

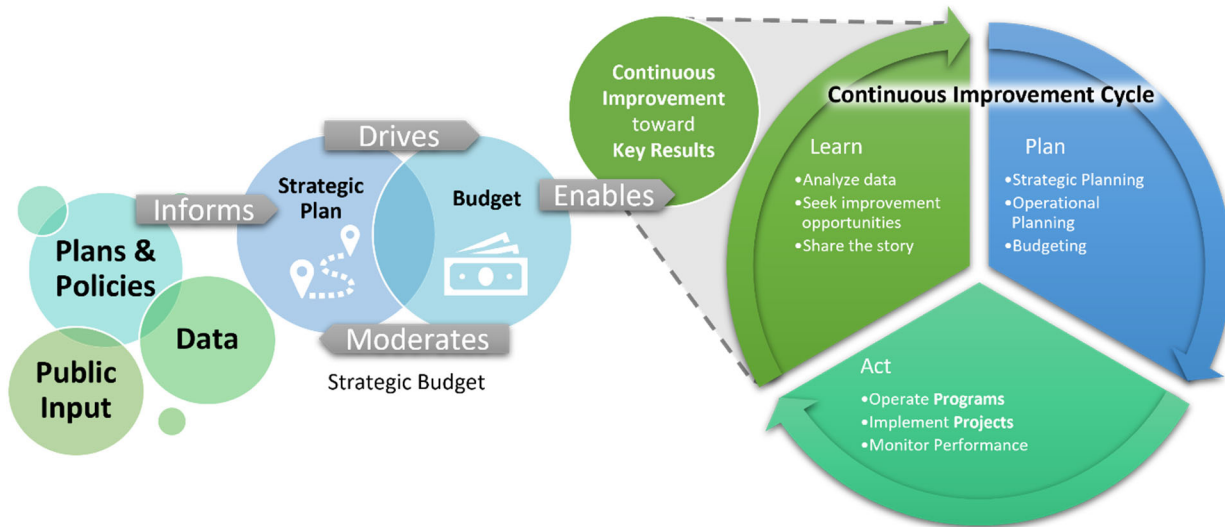

Public Hearings to Adopt the Budget (September) - Once the Proposed Budget is presented, additional Budget Information Sessions may be held to provide further guidance to the County Administrator. All changes to the Proposed Budget are finalized and announced at two public Budget Hearings as required by State Law. The public hearings represent an opportunity for residents to provide input to the Board regarding the budget process. In accordance with state statutes, the Board approves the tentative millage rates and budgets at the first public hearing. The Board adopts the final millage rates and budgets at the second public hearing.

New Fiscal Year - In October, the new fiscal year begins based on the Adopted Budget and the annual budget process begins again.

FY 2024 Proposed Budget Overview

Strategic Planning

The budget is the annual implementation of Pinellas County's Strategic Plan and the associated Board of County Commissioner priorities. Informed by input from the public, the Board of County Commissioners, available data, and other County plans and policies, the Strategic Plan by identifying the desired community outcomes that drive budget development. Likewise, the budget process moderates the Strategic Plan by prioritizing resources to support service delivery. The resources made available through the budget enable continuous improvement toward the key results desired by the Board of County Commissioners and the public at large (as shown in the graphic below).

As presented to the Board in July, the County's Strategic Plan is being updated and will be presented for the Board's consideration in August 2023. The proposed framework centers around the four key results of:

- *Economic Opportunity and Prosperity*
- *Healthy and Safe Communities*
- *Resilient Infrastructure and Environment*
- *Smart Service Delivery*

The Vision Statement is proposed to remain the same: *To Be the Standard for Public Service in America.*

The Mission Statement is proposed to be updated to: *Meeting the needs and concerns of the community today and tomorrow.*

Until the updated Strategic Plan is adopted, the FY24 budget continues to align the organizations' resources to support the work - the ongoing programs, capital projects, and workplan initiatives – being delivered to advance the goals of the existing Board of County Commissioners Strategic Plan:

- *Create a Quality Workforce in a Positive, Supportive Organization*
- *Ensure Public Health, Safety, and Welfare*
- *Practice Superior Environmental Stewardship*
- *Foster Continual Economic Growth and Vitality*
- *Deliver First Class Services to the Public and our Customers*

Each department that reports to the County Administrator undertook extensive operational planning in the Fall of 2022, with assistance from OMB. This annual process of revisiting key programs, services,

FY 2024 Proposed Budget Overview

performance indicators, and workplans, helped prepare for the FY24 budget cycle by defining and clarifying priorities.

During the annual Strategic Planning Workshop in January, the Board reflected on key accomplishments and current initiatives, shared perspectives on the elements of the Board Strategic Plan, discussed select economic and operational concerns, and emphasized the significance of County efforts related to infrastructure and community well-being. A list of accomplishments from the prior fiscal year (FY22) can be found at <https://pinellas.gov/2022-accomplishments-report/>.

Priority Topics

As discussed in detail in the next sections of this overview, there are internal and external issues and forces that have affected the development and proposal of the County's Budget. Some are discussed in this overview, though the following discussions are by no means exhaustive.

Workforce Retention and Recruitment

Pinellas County employee salaries play a crucial role in the recruitment and retention of highly skilled workers; however, it is not the only consideration. Employee compensation refers to the total package of pay and benefits that an employee receives in exchange for their work. It includes salary, as well as other benefits such as health insurance, retirement plans, vacation time, and more.

Competitive compensation is essential for attracting high-quality candidates during the recruitment process and then quickly becomes vital in the effort to retain them. If employees feel that they are fairly compensated for their work, they are more likely to stay with the organization for the long term. Right now, nationwide, the job market is quite competitive causing employers to make higher offers than in a non-competitive market. This is certainly true in Pinellas County with unemployment at a very low rate of 2.5 percent in May 2023 (hovering between 2.1 percent and 2.8 percent over the last 18 months) and with the labor force up 20,000 over the same time last year to 529,000.

As such, the Proposed Budget includes:

- a 4.5% raise on salaries (calculated on the total salary, not on the mid-point of the salary range in FY24)
- an additional \$600 increase to the base salary (meaning that it will continue in future years)
- a one-time payment of up to \$600 (meaning that it will not continue in future years)
- funding for all known career paths and ladders
- raising the lowest wage to \$18 per hour for any employees below that amount

This is true for all Appointing Authorities except the Sheriff which has funding for similar compensation enhancements independently included in that proposed budget.

Some of this is offset by accounting for lapse savings in General Fund-supported County Administration Departments totaling approximately \$4.4M to recognize the fact that not all positions are filled for the entire fiscal year. This has been calculated on a department-by-department basis and will be monitored during FY24. Hiring will not be slowed by this budgetary approach. To provide a safety valve for this new approach, half of these savings have been placed in a dedicated account in General Government in the event that hiring occurs faster than the historic average.

FY 2024 Proposed Budget Overview

Transportation Funding

This Proposed Budget continues the focus on transportation infrastructure improvements, having just completed the sidewalk backlog project and increasing the level of service with expanded resurfacing on local roads, improved trails and signage, while enhancing bridges and other road-related infrastructure. The budget continues the two dedicated millage rates approved in prior years:

- for Stabilization of the Transportation Trust Fund, approved in FY22 (0.1279 mills) (\$15.0M in FY24)
- for an Enhanced Level of Service, approved in FY23 (0.1752 mills) (\$20.6M in FY24).

The Proposed Budget continues our emphasis on transportation infrastructure improvement with two new funding proposals:

- New technologies for the Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) to improve residents' quality of life by moving traffic more efficiently on major corridors across the County with one-time funding of \$18.0M
- A third dedicated millage for the expanded level of service on our roads and bridges (\$2.6M or 0.0281 mills).

Behavioral Health

The County continues to prioritize the behavioral health needs of its residents. Multiple initiatives are in place and in development to promote mental wellness, provide access to care, and support individuals experiencing a mental health condition. Through the Pinellas Integrated Care Alliance (PICA), the County works with other public funders to establish a Comprehensive Behavioral Health Continuum that links various services and resources to address mental health and substance use. This continuum includes county-funded resources such as coordinated access into treatment, outpatient counseling, withdrawal management, post-overdose response, and various prevention efforts.

The Optimal Data Set (ODS) is a data-informed approach that is being incorporated to guide system-level planning and evaluation of local service access, quality, and capacity. Available data is already informing us that visitors and new residents of Pinellas County are often unaware of how to access non-crisis care. The ongoing implementation of the coordinated access model, *Care About Me*, is to serve as that first contact to identify and schedule the right outpatient services before a crisis develops.

Pinellas County works with crisis stabilization units, emergency departments, and law enforcement to connect individuals in crisis to appropriate care and prevent future crises.

Pinellas MATTERS is a new program that provides emergency departments with addiction professionals to increase the administration of medications for opioid use disorder to optimize follow-up to medication-assisted treatment. Quick Response Teams work with law enforcement and Emergency Medical Services personnel who encounter individuals who have overdosed to provide ongoing community-level support and financial assistance to treat opioid, stimulant, and other substance use conditions.

Due to the County's robust participation in the response efforts of the opioid overdose epidemic, the Human Services Department supports the Opioid Abatement Funding Advisory Board as it allocates settlement funds to mitigate the ongoing effects of this epidemic. New funding agreements, aligned to the requirements of the Settlement Agreement and strategic plan of the participating entities, will be managed by the Human Services Department.

The County emphasizes access to community-based care to ensure that individuals receive mental health services in their communities, preventing avoidable use of acute care services. By integrating mental health

FY 2024 Proposed Budget Overview

and substance use treatment services into primary care settings, treatment needs are identified more efficiently through partnerships with local treatment organizations. These covered services include screening and assessment, counseling, therapy, detoxification, residential treatment, and peer support. For those who require intensive support and case management, Human Services has created programs like the Pinellas Integrated Care Team (PIC) or Pinellas County Empowerment Team (PCET 2.0) to provide robust community-level support to engage higher utilizers of services into treatment and rehabilitative services (PIC) or provide deep-end wrap-around psychiatric services (PCET 2.0) to support community-level stabilization.

The County prioritizes the prevention of fatal drug overdose and suicide through education, awareness campaigns, and training programs. They collaborate with local organizations to provide naloxone administration training, suicide prevention resources, and implement strategies to reduce fatal drug and suicide death rates including conducting Overdose Fatality Reviews and reviewing suicide data for future prevention and intervention service planning. The County conducts public awareness campaigns to reduce the stigma surrounding accessing mental health services. These efforts aim to educate the community about mental health, promote help-seeking behaviors, and increase awareness of available resources and the evidence associated with these services.

Sustainability and Resiliency

The impact of Pinellas County's sustainability and resiliency efforts has accelerated in FY23 and will continue to grow and progress in FY24. At nearly every level, staff considers the current and future needs of residents, the natural environment, and the economy while simultaneously ensuring that the County is adaptable and prepared for abrupt changes.

The Board of County Commissioners signed the first resolution in support of sustainability efforts in 2006. The County has made strides to achieve those original goals and newer, additional goals.

This includes the creation of Green Pinellas, adopting an energy and water conservation directive, using a unique tool to analyze flooding impacts on capital infrastructure, and creating a new Strategic Plan objective committing to fostering a sustainable and resilient community that is prepared for sea level rise and a changing climate.

Much of the progress in FY23 can be attributed to the finalization and launch of the Resilient Pinellas Action Plan, which can be viewed at <https://tinyurl.com/Resilient-Pinellas>. As well, the Sustainability and Resiliency Program merged into the Office of Asset Management to create the Office of Resilience and Asset Management (ORAM). The main goal of this was to seek more collaborative opportunities and synergies with the existing Enterprise Asset Management and Energy and Water Conservation Programs to provide better services to internal departments and the constituents of Pinellas County. This reinvigorated culture and strategic approach will solidify the Resilient Pinellas Action Plan's goals, guiding principles, focus areas, and fifty-six new initiatives.

In FY23, the County began to quantify and track outcomes relevant to sustainability and resiliency. For instance, new performance measures were instituted to track progress on new initiatives and the use of the Flood Resiliency Tool. Additionally, the following list of activities was embedded within the budget document:

- relevant projects funds spent for hazard mitigation facilities retrofits,
- resources allocated to preserve and maintain green space planning for the community, and
- neighborhood revitalization savings from flood insurance.

FY 2024 Proposed Budget Overview

In FY24, the County will focus on developing a robust structure to inform internal processes, such as annual budgets, performance measures, and departmental workplan items that will enhance sustainable impacts throughout the organization and community.

Also in FY24, the County will start to compile data trends regarding performance as well as see several pivotal projects come to fruition. For instance, the County will complete Phase 2 updates to the Flood Resiliency Tool for Capital Planning, complete a Flood Mitigation Action Plan, and begin Phase 2 vulnerability assessment to future climate impacts. The Office of Resilience and Asset Management also anticipates the completion of a Hazard Zone Analysis and Business Risk Exposure score for enterprise-wide assets and the launch of Infrastructure Score Card Reports for the most pivotal public-facing infrastructure. Most notable are the investments in the Capital Improvement Program and the resulting impacts from those expenditures. Moving forward, the Sustainability and Resiliency Administrator will continue to work with OMB staff to add additional value to the budgeting process and quantify the results of these efforts.

Florida Retirement System

In the 2023 Regular Legislative Session, the Florida Legislature passed Senate Bill 7024 that included new employer contribution rates, most notably the regular class rate changed from 13.57% to 16.57% per employee and the special risk class rate changed from 32.67% to 35.67% per employee. Employee contributions remained the same at 3.00%. As well, the deferred retirement option program (DROP) rules changed to allow eligible members to elect to remain in DROP for eight years instead of the previous five years. Further, the health insurance subsidy requires a contribution of 2.0% of compensation for each employee. Lastly, the changes allow members of the special risk class to retire at age 55, if vested, or 25 years of service. These changes, in addition to normal actuarial updates, increase the County's FY24 contributions to the FRS greatly.

Priority Topic - Penny for Pinellas

"Penny" revenues are proceeds of a 1.0% Local Government Infrastructure Surtax on sales in Pinellas County, pursuant to Section 212.055(2) of the Florida Statutes. The Penny surtax is collected on the first \$5,000 of all purchases excluding groceries and medications. The authorized use of these funds is generally restricted to infrastructure projects only and cannot be used for ongoing operation or maintenance costs. The Penny became effective February 1, 1990, for an initial period of 10 years and has been extended by referendums in 1997, 2007, and 2017 for additional 10-year periods (currently lasting until December 31, 2029). The Penny revenue is distributed in accordance with statutory requirements and an interlocal agreement with all 24 municipalities in Pinellas County using a population-based formula. Beginning January 1, 2020, according to the referendum vote, the interlocal agreement sets aside 11.3% of net proceeds for countywide investments consisting of Economic Development Capital Projects and Housing (8.3%) and Court and Jail facilities (3.0%). The County's percentage for the Penny ending December 31, 2029, referred to as Penny IV, is 51.75%, after the countywide investment distribution. Approximately 65% of the County's governmental Capital Improvement Program for FY24 is funded with Penny for Pinellas revenues.

One of the primary focuses is transportation, including road improvements, intersection upgrades, bridges, trails, and sidewalks. These transportation projects aim to alleviate traffic congestion, enhance mobility, and improve overall transportation infrastructure within the county. Drainage, stormwater management, and flood control projects are also essential for preserving all infrastructure. The funds are also used for public safety initiatives. This may involve constructing or renovating public safety facilities, hardening buildings for emergency sheltering, and improving the overall safety and security of the community. Environmental preservation is another important aspect of the Penny for Pinellas. The funds are allocated toward

FY 2024 Proposed Budget Overview

protecting and preserving natural areas, including parks, preserves, and waterfronts. This includes acquiring land for conservation, renovating and replacing existing parks assets and recreational facilities, and promoting environmental sustainability. Lastly, the Penny for Pinellas funds a broad range of improvements including the construction or renovation of public buildings, libraries, and other essential community facilities.

Penny funding can be used as a match to leverage grant funding for projects. In FY24, projected grant funding for governmental Capital Improvement Program projects is \$84.9M, of which \$50.4M is funding from the American Rescue Plan Act.

The Penny for Pinellas initiative is typically presented to voters for approval every 10 years. It requires a majority vote in favor to be renewed, and the revenue generated from the tax is specifically earmarked for the designated uses outlined in the initiative. During the 2017 Penny renewal education campaign, priority projects were identified. OMB has worked with the departments and agency partners to prioritize the identified projects, determine realistic schedules, and build preliminary construction estimates in the CIP. Nearly all the projects on the “2017 list” are included in the CIP, with updated estimates. The exceptions are the Sheriff’s vehicles and hazmat vehicles which now have other funding sources, and three watershed projects that are pending completion of project development studies. All projects in the CIP are funded based upon current estimates and the Penny Ten-Year Plan is balanced within projected revenues.

There are several “2017 list” projects completing beyond FY30, the end of this Penny decade. Their current construction estimates are marked “Funding Source to be Determined” pending renewal approval of the Penny, borrowing, or other funding source:

126th Avenue N Improvements from 34th Street N to US Hwy 19 (Project: 002925A): the plan is to complete the Project, Development, and Environment (PD&E) study by 2030; begin design and construction after FY30, with the funding source to be determined.

East Lake Rd (CR 611) from S of Curlew Road to N of Trinity Blvd. (CR 966) (Project: 003879A): The timeframe to complete the studies and design for the road widening project pushes construction past FY30. Note that FDOT’s US 19 project north of Curlew Road will be under construction through FY29 - it would not be prudent to have these two major north/south corridors under construction at the same time. By doing this in phases, may be close to advertising Phase 1 of the road widening by the time the US19 project completes. Other projects that will alleviate congestion will be done over the next few years such as extending left turn lanes, intersection improvements, and bridges; then begin Phase 1 of road widening. Road widening construction beyond FY30, funding source to be determined.

Spring Branch Floodplain Preservation and Habitat Improvement Area (Project: 005542A): Design scheduled for FY28-FY30. Construction is scheduled for FY31-FY32, funding source to be determined.

Overall, the Penny for Pinellas serves as a significant funding mechanism for improving transportation, surface water quality and flood control, public safety, environmental conservation, and other capital projects, ensuring continued development and quality of life in Pinellas County.

Legislative Updates

Pinellas County’s budget is not solely dependent on local revenues and policies. State and federal governments impact the County’s budget through legislation, tax policy, and the appropriations process. The Board of County Commissioners is continuously engaged in the development and oversight of its federal and state legislative programs.

FY 2024 Proposed Budget Overview

During the 2023 state legislative session, the County secured legislative appropriations for Airco Infrastructure Improvements (\$2.5M) and Weedon Island Salt Marsh Habitat Restoration (\$500,000). These appropriations are included in the \$117B FY24 State Budget signed by the Governor in June 2023.

The state budget also includes \$611.0M for Affordable Housing. The County will receive approximately \$5.8M in State Housing Incentive Program funding in FY24, an increase of \$972,800 over the previous year.

As noted above, the legislature passed SB 7024, which provides for substantial reform of the Florida Retirement System. The bill requires that the state, school boards, counties, and cities that participate in the retirement fund to substantially increase employer contributions to fund the increased benefits for retirees and employees in the system.

At the federal level, the County secured two Congressional Community Project Funding awards in the FY23 Federal Budget in the amount of \$2.0M for Anclote Road Stormwater and Roadway Improvements, and \$3.0M for the Baypointe Regional Stormwater Treatment Facility.

Housing and Community Development received \$2.4M in Community Development Block Grant funds, \$214,490 in Emergency Solution Grant funds, and \$1.4M for HOME Investment Partnership Funding in FY23, commensurate with the previous year.

As part of the FY23 federal budget, Congress passed the State, Local, Tribal, and Territorial Fiscal Recovery, Infrastructure, and Disaster Relief Flexibility Act. The legislation provides additional flexibility for the \$350 billion Coronavirus State and Local Fiscal Recovery Fund authorized under the American Rescue Plan Act, which provided for a direct payment to Pinellas County in the amount of \$189.4M. The increased flexibility allows for a wider array of infrastructure projects to be paid for with State and Local Fiscal Recovery Funds. Additionally, the legislation decreases the length of time these funds must be spent by three months, from December 31, 2026, to September 30, 2026.

Pinellas County's three federally authorized beach nourishment projects, Sand Key, Treasure Island, and Long Key have benefitted from federal funds being used as a cost share to fund the projects since their inception. The County has been notified by the U.S. Army Corps of Engineers that these three projects are on hold and will not receive federal funding if 100% of the properties within the boundaries of the projects do not provide perpetual public easements.

The County continues to work with members of Congress, the White House, and the U.S. Army Corps of Engineers to resolve this issue and preserve federal funding for the projects.

Unincorporated Area Municipal Services Taxing Unit (MSTU) Budget

MSTU Expenditures include both direct and indirect costs in unincorporated areas of the County and consist of the following activities:

- **Sheriff's Office Law Enforcement:** The Sheriff provides law enforcement services to the unincorporated area. The Sheriff's Office determines the budget based on an analysis of these resources (patrol officers, vehicles, etc.). The methodology for this allocation is based on an independent consultant review in 2003. Year-end financial reporting for the previous six (6) fiscal years, from FY16 through FY21, indicates that an average of 27.0% of the Sheriff's law enforcement activity is dedicated to the MSTU. The following budget summary table applies 27.0% to the calculated MSTU portion of the Law Enforcement budget for FY22 and FY23.

FY 2024 Proposed Budget Overview

- Departments or programs entirely dedicated to the MSTU: Several agencies are engaged in providing services exclusively to the unincorporated area. In the FY24 Budget, these activities include building services, development review services, code enforcement, surface water management, and lot clearing. Additionally, three County employees provide focused support to unincorporated communities, work with local organizations to ensure strong communication, and help guide local projects to fruition. These staff liaisons will help coordinate priorities with these communities and improve the overall quality of life for our residents.
- An allocation of \$220,000 is included in the MSTU budget each year to fund special projects in the unincorporated areas.
- Departments or programs partially dedicated to the MSTU: Departments whose services, and therefore costs, are allocated between countywide and MSTU activities include zoning services and Economic Incentive Grants for job creation.
- Activities associated with revenue collection: The budgets for the elected Property Appraiser and Tax Collector are determined by statutory formulas that spread their costs in proportion to the property tax and other revenue they are responsible for supporting. Their budgets are approved by the State Department of Revenue. After the fiscal year, any charges exceeding what these agencies require to operate are returned to the supported funds in the same manner, proportionate to the property tax and other revenue collected.

MSTU projects in the Capital Improvement Program (CIP) are not included in this summary, except for the transfer from the General Fund to the Capital Projects Fund to support MSTU Road Projects.

Program	Fund	FY23 Adopted Budget	FY24 Budget
Sheriff	General	\$55,922,760	\$56,089,360
Surface Water	Surface Water	\$25,648,610	\$25,723,230
Building Permits	Building Services	\$9,622,120	\$8,558,920
Development Review Services	General	\$3,687,010	\$4,293,520
Code Enforcement	General	\$2,590,110	\$2,644,660
Housing & Community Development w/ Economic Development	General	\$1,314,650	\$1,336,860
Local Road Program	General & Capital Projects	\$650,000	\$650,000
MSTU Projects with PCR Youth Sports	General	\$868,590	\$868,590
Tax Collector & Property Appraiser Fees	General & Surface Water	\$1,686,790	\$1,820,090
Total		\$101,990,640	\$101,985,230

Housing Affordability

Housing affordability remains a top issue in Pinellas County and the Tampa Bay region as home prices and rents have risen dramatically in recent years. Pinellas County housing programs include home buyer counseling classes, down payment and home repair loans, rental assistance, and funding for affordable housing development that includes both homeownership and rental housing. Housing program funding is provided by the federal government and Florida's State Housing Initiatives Partnership program.

FY 2024 Proposed Budget Overview

Current initiatives include partnering with local not-for-profit agencies, other local government jurisdictions, State partners, and Federal partners in the following ways:

- The 2023 Homes for Pinellas Summit was held on April 28, 2023, with more than 160 attendees. The Summit moved beyond just local government policy to ways private industry and nonprofits work together to produce more housing choices with the presentation of the Housing Action Plan. This was the second summit, and more are planned to occur every other year in Pinellas County.
- A groundbreaking ceremony for Valor Preserve in Seminole with Pinellas County, Norstar Development USA, the Pinellas County Housing Authority, and other partners. The development will offer 64 affordable units, with half set aside for people with disabilities and a preference to veteran applicants.
- The commencement of construction of Seminole Square, a 96-unit apartment building.
- Seminole Square will offer 1- and 2-bedroom apartments for individuals and families with incomes ranging from 30 to 80 percent of the area's median.
- The Board granted conditional approval in May for an additional 307 affordable units across four projects: Skyway Lofts 2; Burlington Post 2; Lealman Heights; and Heritage Oaks in Rainbow Village.

Applications for affordable housing funding are accepted on an ongoing basis. Since the Penny IV program was initiated in 2020, approximately \$33.9 Million has been committed to support new developments that provide homes that are affordable to people at all income levels; 4 developments completed with 157 affordable units, 4 developments are currently under construction, including 213 affordable, 65 workforce units and 290 market-rate units, and 7 developments are approved for funding, including 571 affordable and 144 workforce units.

Fiscal Responsibility

The County continues its commitment to fiscal responsibility in its budgeting practices in FY24. Pinellas County places a strong emphasis on financial stewardship and transparency to ensure the effective and efficient use of public funds.

Of course, the County continues to have the lowest per capita debt among large Florida counties, thanks to strong budget planning and a pay-as-you-go approach. This fiscally conservative approach has been embedded in the culture over the last few years, flowing from the Board of County Commissioners and expected by the County Administrator. Any additions or service enhancements to the budget are based on data and analysis that clearly support the need for those enhancements to provide for the efficient and effective delivery of services.

The Budget is structurally balanced with recurring revenues covering recurring expenses to ensure that the County remains financially strong in future years. In other words, the county's recurring income is sufficient to cover its recurring expenses without relying on one-time or temporary revenue sources or borrowing. A structurally balanced budget indicates that the County's financial management is sustainable and that it can meet its ongoing obligations. The County has taken measures to align its spending with its available resources and has implemented sound fiscal policies to maintain stability and avoid deficits.

Having a structurally balanced budget is generally considered a positive indicator of financial health and responsible governance. It demonstrates the County's ability to operate within its means and maintain stability in its fiscal affairs, which can contribute to the overall economic well-being and confidence in the County's financial management.

FY 2024 Proposed Budget Overview

The Government Finance Officers Association (GFOA) adopted a formal recommendation in 2012 that states, “GFOA recommends that governments adopt rigorous policies, for all operating funds, aimed at achieving and maintaining a structurally balanced budget. The policy should include parameters for achieving and maintaining structural balance where recurring revenues are equal to recurring expenditures in the adopted budget.” It tempers this recommendation with some guidance, “for a variety of reasons, true structural balance may not be possible for a government at a given time. In such a case, using reserves to balance the budget may be considered but only in the context of a plan to return to structural balance, replenish fund balance, and ultimately remediate the negative impacts of any other short-term balancing actions that may be taken.”

This budget merges some departments into the County Administration to provide greater visibility and streamline the County’s organizational chart (Communications, Construction Services, and Resilience and Asset Management are joining Workforce Relations as Offices within County Administration).

The County engages in long-term financial planning to anticipate future needs and align its resources accordingly. This involves forecasting revenue trends, considering expenditure priorities, and planning for capital improvements and infrastructure investments. Pinellas County utilizes performance measurement tools and continuous improvement techniques to assess the effectiveness of its programs and services. By tracking key performance indicators, the County can identify areas for improvement, make informed budgetary decisions, and allocate resources more efficiently. The County employs various cost-containment strategies to manage expenses. These strategies include annual “stress testing” of departments (analyzing the service impacts of three percent and five percent reductions of funding), seeking competitive bids for services, negotiating contracts to secure favorable terms, implementing cost-saving measures without compromising service quality, modernizing its technology portfolio, and updating its policies and procedures. By streamlining processes and prioritizing results, the County seeks to maximize its financial resources and achieve cost savings.

The Pinellas County budget has been recognized with the GFOA Distinguished Budget Presentation Award for the 18th year in a row. This is the only award that a budget can win. GFOA established the program in 1984 to encourage and assist state and local governments to prepare budget documents of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA’s best practices on budgeting and then to recognize individual governments that succeed in achieving that goal. Approximately 1,800 governments, including states, cities, counties, special districts, school districts, and more have been recognized for transparency in budgeting. To earn recognition, budget documents must meet program criteria and excel as a policy document, financial plan, operations guide, and communication tool.

As well, Pinellas County is a GFOA “triple crown” winner. This means that the County has received GFOA’s Certificate of Achievement for Excellence in Financial Reporting, Popular Annual Financial Reporting Award, and the Distinguished Budget Presentation Award. The most recent complete year of Triple Crown winners is 2020. In that year, according to the GFOA website, only 317 Counties and Cities across the United States received all three awards with only 33 governments in Florida gaining that distinction.

Reserves

The County has a current policy of maintaining minimum reserves of 15% in the operating budget. The proposed one-time transfer to capital mentioned above for enhanced ATMS/ITS technologies (\$18.0M) as well as a proposed transfer to future facilities (\$41.3M), future year purchases of equipment for the Elections Department (\$5.6M), planned equipment at the Sheriff’s Hangar (\$600,000), and future equipment at

FY 2024 Proposed Budget Overview

Animal Services (\$330,000), and the strategic use of one-time prior-year fund balance to support one-time expenses in the operating budget set the reserve level at \$177.7M in FY24.

The resulting stand-alone reserves are anticipated to be \$171.1M, which is approximately the 20.8% reserve level recommended by OMB (or two and one-half months of revenues).

The Board will be asked to approve a reserve policy with this recommendation as part of this budget process.

ARPA Overview

The Federal Government has made \$189.4M available to Pinellas County through the American Rescue Plan Act (ARPA). The ARPA is a federal law enacted in March 2021 to provide economic relief in response to the COVID-19 pandemic.

The Pinellas County ARPA Fund is an account that the County is using for a wide range of purposes that fall into specific categories defined by the ARPA. These categories include public health, economic support, premium pay for essential workers, water, sewer, and broadband infrastructure, as well as addressing negative economic impacts caused by the pandemic. The County is adhering to Federal Treasury Department guidelines and regulations for the use of these funds including the deadline to obligate all funds by December 31, 2024, and spend all funds by December 31, 2026. There are additional regulations surrounding an amendment to the ARPA enacted in December 2022, called the ARPA Flex Act that does give some additional flexibility in spending, sets a new date for those funds to be expended by September 30, 2026, and does not allow supplanting of funds covered under the Flex Act.

The County has allocated the \$189,381,543 to the following areas of focus:

Public Health	\$4,469,375
Negative Economic Impacts	\$74,727,511
Services to Disproportionately Impacted Communities	\$6,700,000
Infrastructure: Water, Sewer, and Broadband	\$66,617,560
Provision of Government Services (Revenue Replacement)	\$25,570,760
Administrative Expenses	\$4,827,028
Flex Act Provision	\$1,000,000
Unallocated Funds	\$5,469,309
TOTAL ARPA	\$189,381,543

The County is including legislative findings in the budget resolutions this September that will address the proposed projects to be allocated under the Flex Act provision, along with determinations supporting each project funded by ARPA, of the factual or policy features, that make it appropriate under the designated expenditure category. Those resolutions will also clearly state that the current approved budget is considered the “ARPA Spending Plan” henceforth.

FY 2024 Proposed Budget Overview

Economic Outlook

Pinellas County has a diverse economy with concentrations in the tourism, healthcare, education, technology, manufacturing, and defense sectors. Tourism plays a significant role due to attractions like the beautiful beaches, resorts, and cultural sites in the area. The county is also home to major employers, including hospitals, educational institutions, and corporate headquarters.

The housing market has experienced strong growth in recent years. Property values have generally been rising, and there has been a demand for both residential and vacation homes. However, fluctuations in interest rates, changes in Federal government policies, and overall economic conditions can and do influence the housing market.

According to the Rocket Homes June 2023 Pinellas County Housing Market Report (<https://www.rockethomes.com/real-estate-trends/fl/pinellas-county>), there were 6,486 homes for sale in Pinellas County, FL real estate market. The inventory of homes for sale in Pinellas County, FL between May 2023 and June 2023 decreased by 5.5%. Listings spent 35 days on the market in June 2023 and had a median list price of \$385,240 during the same period. Between May 2023 and June 2023, the cost of 1-bedroom properties went up by 13%, prices of 2 bedrooms properties increased by 9.2%, prices of 3 bedrooms properties increased by 8.6%, 4 bedrooms properties prices increased by 9.2%, prices of 5 bedrooms properties increased by 5.3%. The volume of homes for sale in this real estate market has generally decreased with 3 bedrooms homes becoming 7.2% less available. Over 309 listings were sold over their listed price in June 2023. In the same period over 1,030 listings were sold below the listed price and 335 listings were sold for the listed price.

The County has a thriving business environment, with numerous small and medium-sized enterprises. The region encourages innovation and provides resources to support startups and business growth. The presence of business incubators, accelerators, and co-working spaces contributes to a dynamic entrepreneurial ecosystem. As well, the County has a robust financial sector, with a wide range of banking institutions, credit unions, and other financial services providers. These institutions offer banking, lending, investment, and insurance services to individuals, businesses, and organizations in the county.

FY 2024 Proposed Budget Overview

The best source of up-to-date information about the County's economic outlook is the Pinellas County Economic Development Data Center (<https://www.pced.org/data>) maintained by the Economic Development Department. According to the most recent *Pinellas County Quarterly Economic Indicators Scorecard* (updated at the above website), as of May 2023, key economic indicators include:

Economic Indicators	As Of Date	Prior Month/Week	Prior Year/Month	Most Recent Data Available	Monthly Change	Yearly Change
Pinellas County Real GDP	Dec-21	45,430,228,000	46,122,587,000	48,581,314,000	6.90%	5.30%
Pinellas County Unemployment Rate	Apr-23	2.40%	2.10%	2.10%	-12.50%	0.00%
Tampa MSA Unemployment Rate	Apr-23	2.60%	2.60%	2.30%	-11.50%	-11.50%
Florida Unemployment Rate	Apr-23	2.60%	2.70%	2.30%	-11.50%	-14.80%
US Unemployment Rate	Apr-23	3.60%	2.70%	3.10%	-13.90%	14.80%
Pinellas Labor Participation Rate	Apr-23	54.20%	51.50%	54.20%	0.00%	5.20%
Pinellas Average Weekly Wages	Sep-23	\$1,123	\$1,050	\$1,169	4.10%	11.30%
PIE Passengers	Apr-23	245,576	233,403	222,959	-9.20%	-4.50%
Pinellas Taxable Sales Collected	Mar-23	110,831,108	111,126,494	115,357,821	4.10%	3.80%
Pinellas Single Family/Townhomes "Closed Sales"	Apr-23	1,879	1,985	1,567	-16.60%	-5.30%
Tampa MSA Inflation	Mar-23	8.90%	9.60%	7.70%	-13.50%	-7.30%
Florida Weekly Unemployment Claims	May-23	5,869	4,930	5,578	-5.00%	13.10%
Pinellas Average Gasoline per Gallon	May-23	\$3.63	\$4.50	\$3.39	0.90%	-24.70%
Pinellas Average Diesel per Gallon	May-23	\$3.63	\$5.56	\$3.69	1.70%	-33.60%

Based on the July 1, 2022, Census Bureau estimates, Pinellas County's 2022 estimated population is 961,739. This represents an increase of 2,632, or 0.2%, from the population total of 959,107 in 2020. Population in the County is remaining relatively flat recently and is projected to continue to do so into the near future.

Technology Horizon

In 2023, the Business Technology Services (BTS) department completed the first-ever Application Roadmap documenting the anticipated funding for each business system relied upon by the County. Every application has a lifecycle and creating a roadmap that includes an end-of-life date must be in place to either migrate or eliminate that application from the portfolio. A methodology has been developed by BTS to analyze the County's application portfolio each year to assess what actions will be needed to manage the technical quality and total cost of ownership versus the business value of each application.

The application portfolio management and modernization process assesses key factors such as operational performance, security risk analysis, and impact to business processes to determine the business value for each application in the portfolio. This analysis also provides a visual mechanism to identify clusters of similar applications for future consolidation and migration to common, enterprise-wide products. Ultimately, the process categorizes each application into one of four groups to determine a high-level strategy for each application in the portfolio:

- Invest: applications that provide high business value and have good technical quality. These applications will remain an active part of the portfolio and should be actively enhanced to increase their value and usage.

FY 2024 Proposed Budget Overview

- Migrate: applications that provide high business value, however, the technical quality is low which makes them difficult and more expensive to maintain. These applications should be modernized and migrated to another technology or platform.
- Tolerate: applications with relatively low value to the business but cause few technical concerns or problems. These applications will remain in the environment for usage but have no emphasis on future investment or enhancement.
- Eliminate: applications which no longer provide enough business value and have low technical quality and should be evaluated for retirement.

In recent years, BTS embarked on an aggressive IT modernization strategy and updated most of the major IT systems that support business functionality. Some examples of critical business systems that were modernized include asset/work management (Citiworks), permitting (Accela), electronic plans review (EPermitHub), and Computer Aided Dispatch (Hexagon CAD).

Cybersecurity and the protection of Pinellas County's digital assets continues to be a major challenge for BTS in the current IT landscape. The BTS cybersecurity team applies protective strategies for Pinellas County's systems and data and advises the technical services team on threats and industry best practices for system design and remediation. The cybersecurity team also manages a 24/7 Security Operations Center through contractual agreements with private sector entities. This service continually scans the Pinellas County network for threats, malware, and ransomware and alerts the appropriate teams so that remediation strategies can be applied. Aside from defensive strategies, the cybersecurity team also provides forensic services to BTS stakeholders for law enforcement investigations involving County IT systems. The cybersecurity team has worked with the Department of Homeland Security and Pinellas County Utilities to perform Countywide penetration testing and vulnerability scanning for all County IT assets. This led to the creation of a prioritized action plan to further harden County IT assets and systems from potential threat actors.

Trust in Local Government

According to the 2023 Edelman Trust Barometer, "a lack of faith in societal institutions triggered by economic anxiety, disinformation, mass-class divide, and a failure of leadership has brought us to where we are today – deeply and dangerously polarized."

On a more positive note, the National Community Survey Report of Results for Pinellas County from the National Research Center and Polco stated that perceptions of Pinellas County Government's performance were generally strong and similar to comparison communities across the nation. About 7 in 10 residents offered excellent or good marks to the overall customer service by Pinellas County employees and the County's public information services. Pinellas County government received favorable reviews from two-thirds of respondents for the quality of the services provided. The County received similarly positive marks for generally acting in the best interest of the community, treating all residents fairly, welcoming resident involvement, being honest, informing residents about issues facing the community, and being open and transparent to the public.

Civic engagement in local government is extremely important but is in a current state of high tension. 70% of Americans report feeling angry "because our political system seems to only be working for the insiders with money and power". The US is polarizing faster than other developed democracies, public rhetoric is more hostile and violent, and trust in local government's ability to handle its problems has decreased. Though confidence in government has decreased, customer expectations for government have increased and forecasts predict this trend to continue. COVID-19 highlighted this phenomenon as people turned to the internet for information and assistance. To serve constituents effectively, government needs to have

FY 2024 Proposed Budget Overview

the public's trust and if an agency's website or digital services are difficult or confusing to use, constituents may question the service reliability. Pinellas County departments are tackling this issue with a multifaceted approach. Some examples are:

- Developing public engagement standards and training for employees
- Launched an updated website with smoother searching capabilities and a more intuitive design
- Implemented e-permitting to allow building permit applications to be submitted and tracked online

Budgetary Topics to Explore After the Proposed Budget

County Administration, OMB staff, and key Departments will continue to revise and refine the budget even after the proposed budget is presented. There will also likely be new information causing revenues and expenses to be amended at that time. In particular, additional information will likely be forthcoming from the State of Florida regarding revenue estimates. As well, staff may have better estimates of what will be spent in FY23 and propose that some funds not spent in FY23 be amended into the FY24 budget.

Conclusion

Following this introductory overview are a series of charts and reports that make up the budget of Pinellas County. Immediately following are descriptions of the existing policies of the County followed by details of the budgets of each Constitutional Officer, Appointing Authority, County Department, and Independent Agency. Lastly are appendices that provide additional budgetary information and explanation.

TOTAL DEBT ISSUES		\$81,111,000		\$11,692,000

DEBT SERVICE SUMMARY

Pinellas County has historically assumed a "pay-as-you-go" philosophy in the funding of infrastructure. However, when circumstances have dictated that this is not a viable approach, the County has utilized the bond market to generate additional capital.

CATEGORIES OF DEBT

There are several categories of governmental debt:

General obligation bonds are backed by the full faith and credit of the local government, and they are required to be approved by voter referenda. Revenues collected from the ad valorem taxes on real estate and other sources of general revenue are used to service the government's debt. Pinellas County has no general obligation bond issues outstanding currently.

Self-supporting revenue bonds and notes, unlike general obligation bonds, are financed by those directly benefiting from the capital improvement. Revenue obtained from the issuance of these bonds and notes is used to finance publicly owned facilities, such as water, sewer, and solid waste systems. Charges collected from the users of these facilities are used, in turn, to retire the bond and note obligations. In this respect, the capital project is self-supporting. The debt service payments for the County's enterprise activities are budgeted in their respective funds.

Non-self-supporting revenue bonds, which pledge specific sources of revenue other than ad valorem taxes, are used to fund non-enterprise infrastructure needs. Pinellas County has no bond issues supported from general revenues at this time.

DEBT LIMITATIONS

The Florida Constitution (Article VII, Section 12) requires County bonds supported by ad valorem taxes to be approved by public referendum. Chapter 130 of the Florida Statutes defines the purposes for which County debt may be issued and procedural restrictions. There are no statutory limitations on the amount of debt that may be issued in terms of total dollars, millage rates, or percentage of assessed values. Self-supporting revenue bonds are limited by the requirement to maintain adequate revenue streams to cover debt in ratios prescribed by the authorizing Bond Resolutions.

DEBT CAPACITY, ISSUANCE, & MANAGEMENT POLICIES

The County has established the following budget policies related to debt:

- Minimize debt service costs through the judicious use of available debt instruments, consistent with the desirability of maintaining stable current tax rates and distributing the costs of certain long-lived facilities among all users, present and future.
- Define appropriate uses for debt.
- Define the maximum amount of debt and debt service that should be outstanding at any one time (target financial ratios).
- Maintain a high credit rating while making attempts to strengthen credit rating; identify factors and strategies to address them.
- Consider investment in equipment, land or facilities, and other expenditure actions, in the present, to reduce or avoid costs in the future.
- Capital project proposals should include cost estimates that are as complete, reliable, and attainable as possible.
- Prior to undertaking a capital project, all ongoing Operating & Maintenance (O&M) costs should be identified and considered as part of the policy discussion.

SUMMARY OF EXISTING & ANTICIPATED DEBT

There are presently five outstanding debt issues for Pinellas County: the \$42,005,000 Sewer Revenue Bonds, Series 2008A; the \$32,700,000 Sewer Revenue Refunding Bonds, Series 2008B; the \$14,733,000 Sewer Revenue Refunding Note, Series 2016; the \$44,400,000 Taxable Sewer Revenue Refunding Note, Series 2021A; and the \$5,292,000 Sewer Revenue Refunding Note, Series 2021B. All debt issues are bank loans.

EXISTING DEBT: CURRENT SELF-SUPPORTING (ENTERPRISE) REVENUE BONDS:

\$42,005,000 Sewer Revenue Bonds, Series 2008A*

These bonds were issued in the form of a bank loan to finance improvements at the South Cross and W.E. Dunn Facilities and various improvements to pump stations, force mains, and the collection systems; as well as the required deposit to the reserve fund; and to pay related costs and expenses in connection with the issuance of the Series 2008 Bonds. Payments of principal and interest are supported by the net revenues derived from the operation of the County's Sewer System.

\$32,700,000 Sewer Revenue Refunding Bonds, Series 2008B*

These bonds were issued in the form of a bank loan to refund a portion of the County's outstanding Sewer Revenue and Revenue Refunding Bonds, Series 1998. Payments of principal and interest are supported by the net revenues derived from the operation of the County's Sewer System.

\$14,733,000 Sewer Revenue Refunding Note, Series 2016*

This note was issued in the form of a bank loan to refund the outstanding principal amount of the County's Sewer Revenue Refunding Bonds, Series 2006, maturing on and after October 1, 2017. Payments of principal and interest are supported by the net revenues derived from the operation of the County's Sewer System.

\$5,292,000 Sewer Revenue Refunding Note, Series 2021B

This note was issued in the form of a bank loan to refund the outstanding principal amount of the County's Sewer Revenue Bonds, Series 2003, maturing on and after October 1, 2032. Payments of principal and interest are supported by the net revenues derived from the operation of the County's Sewer System.

\$40,862,000 Taxable Sewer Revenue Refunding Note, Series 2022

This note was issued in the form of a bank loan to refund the outstanding principal amount of the County's Sewer Revenue Refunding Bonds, Series 2012, maturing on and after October 1, 2031. Payments of principal and interest are supported by the net revenues derived from the operation of the County's Sewer System.

* Minimum annual debt service coverage of 115% is required by the Bond Resolution rate covenant. If net revenues together with Impact Fees are pledged and legally available to meet the Debt Service requirement, then 125% minimum annual debt service coverage is required.

ANTICIPATED DEBT

No new debt issues are included in the FY24 Budget.

Self-Supporting (Enterprise) Revenue Bonds Requirements (in thousands)

BUDGET POLICIES

Pinellas County budget policy guidelines are based on the Government Finance Officers Association (GFOA) and the National Advisory Council on State and Local Budgeting Practice adopted, best practices. The policies below outline and reflect those best practices.

General Fund Reserve (Ending Balance)

The General Fund Reserve (Ending Balance) should be budgeted at a level of no less than 15.0% of total revenues. The Governmental Accounting Standards Board (GASB) has defined the following categories for fund balances:

- Non-spendable Fund Balance – amounts that are not in a spendable form (such as inventory and prepaid expenses) or are required to be maintained intact
- Restricted Fund Balance – amounts constrained to specific purposes by external providers (such as grantors, bondholders, and higher levels of government)
- Unrestricted Fund Balance – amounts that are not Non-spendable or Restricted are defined as unrestricted and divided into three categories:
Committed, Assigned, and Unassigned
 - **Committed Fund Balance** – amounts constrained to specific purposes by the Board of County Commissioners (BCC). To be reported as committed, amounts cannot be used for any other purpose unless the BCC approves a change by Board Budget Amendment.
 - Reserve for Contingencies shall be budgeted at a minimum of 5.0% operating expenditures. The total amount shall not exceed 10.0% of total appropriations pursuant to Florida Statute 129.01.
 - May be used, with BCC approval, for unanticipated expenditures or to address revenue shortfalls.
 - **Assigned Fund Balance** – amounts the County intends to use for a specific purpose. Intent can be expressed by the BCC or recommended by the County Administrator. Less formality is necessary to impose, remove, or modify assigned fund balance.
 - The Reserve - Fund Balance shall be budgeted in the following categories
 - Cash Flow Reserve:
 - Budgeted at a minimum of one-twelfth of budgeted revenue
 - May be used for any authorized expenditure, including supplementing the Disaster Response Reserve
 - Encumbered Contracts Reserve:
 - Calculated as the average month-end value of outstanding encumbrances over a preceding twelve-month period
 - May be used for any authorized expenditure, including supplementing the Disaster Response Reserve
 - Disaster Response Reserve:
 - May be used for any expenditure incurred as the result of an emergency event
 - The total amount budgeted shall not exceed 20.0% of total appropriations pursuant to Florida Statute 129.01.
 - For annual financial reporting purposes, specific amounts for each category in the Reserve - Fund Balance is determined by the County Administrator based on fiscal year end data.
 - **Unassigned Fund Balance** – The General Fund, as the principal operating fund of

the government, often will have net resources in excess of the categories already described. One reason for this is the Florida Statutes requirement that most revenues are budgeted at 95.0% of the total estimated amount. If there are additional net resources, the surplus is presented as unassigned fund balance. Other funds, by their nature, are established to account for revenues that are expended for specific purposes and therefore do not have unassigned fund balances.

- General Fund Balance in excess of that which is Non-spendable, Restricted, Committed, and Assigned at the end of the fiscal year shall be designated as Unassigned.
- Unassigned Fund Balance should be used for non-recurring purposes whenever possible.
- Preference should be given to expenditures that result in future efficiencies or other cost savings.
- In the event of severe financial stress resulting from unanticipated revenue decreases or expenditure increases, Unassigned Fund Balance may be used to mitigate the negative impact on public services on a short-term basis.
- **Restoration of General Fund Reserves:**
 - If General Fund Reserves are depleted below the levels established by policy, the County Administrator will develop a plan to restore the balances over time, which requires BCC approval.
 - The restoration plan should include such recommendations for rate or fee adjustments and/or expenditure reductions as may be appropriate.
 - The plan for restoration should be reviewed and updated on an annual basis until the policy level guidelines are achieved.

Other Operating Funds Reserves

- At a minimum, the Reserves (Unrestricted Balance) of Enterprise Funds should be budgeted at a level of 5.0% to 15.0% of regular operating revenues, or no less than one month of operating expenditures.
- Similar Reserve (Unrestricted Balance) amounts should be budgeted in other funds (i.e., one to two months of operating expenditures or an adequate working capital reserve) on a case-by-case basis.
- Fund reserve policy should be linked to a potential increase or decrease of rates/fees if reserve levels reach certain thresholds.

Balanced Budget

- Recurring expenditures should be equal to or less than recurring revenues.
- Annual operating expenditures should be fiscally balanced with revenues or income estimates that can reasonably and normally be projected to be received during the fiscal year.
- Disclosures should be provided when a deviation from a balanced operating budget is planned or when it occurs.
- Anticipate actions to be made to bring the budget into balance if adjustments are needed in the course of a fiscal period.
- Develop a structurally balanced operating budget that requires a balance be maintained between recurring expenditures and revenues over the long term, not just during the current operating period.
- The first year of the Capital Improvement Program (CIP) Six-Year Plan is the basis for actual appropriations and must be balanced when adopting the annual budget.

Long-range Planning

- Develop a financial planning process that assesses long-term financial implications of current and proposed policies, programs, and assumptions and develop appropriate strategies to achieve its goals.
- The forecast should extend at least six years and should be regularly monitored and periodically updated.
- The forecast should include fund forecasts for all significant funds.
- The forecast, along with its underlying assumptions and methodology, should be clearly stated and made available to participants in the budget process.
- Variances between previous forecast and actual amounts should be analyzed and identification made of the factors that influence revenue collections, expenditure levels, and forecast assumptions.

Physical Asset Inventory

- Accurate inventories of all physical assets, their condition, life spans, and cost should be created and maintained to ensure proper stewardship of public property.
- Maintain assets at an acceptable level to protect the County's capital investment and to minimize future maintenance and replacement costs.

Asset Preservation

- Ensure asset preservation encompasses supportive infrastructure (processes and databases), intellectual capacity, and effective use of human capital, as well as physical capital assets.
- Prioritize the inclusion of physical and non-physical asset maintenance in the budget process.

Revenue Diversification

- Encourage revenue diversification to the extent feasible; enhance flexibility within the constraints of available revenue sources (e.g. property tax- diversify the tax base on which the tax is levied).
- Whenever possible, pay general operating expenses from sources other than ad valorem taxes.
- Increase the level of self-support for new program initiatives and enhancements.
- The use of concession and licensing agreements (i.e. vendors operating in County parks) should be encouraged so long as these measures are consistent with the public good.

Fees and Charges

- Where appropriate, fees should be set to recover the direct and indirect costs associated with the service provided.

County services that provide private benefit should be supported by fees and charges to provide maximum flexibility in the use of general revenues to meet the cost of services of broader public benefit.

- State whether the intention is to recover full or partial costs of providing goods and services.
- If the cost of a good or service is not recovered, then an explanation of the rationale should be provided.
- Charges and fees should be reviewed and updated periodically based on factors such as the impact of inflation, other cost increases, the adequacy of the coverage of costs, and current competitive rates.
- Seek to implement small, incremental increases to fees and charges annually as opposed to large increases periodically when justified based on increases in cost of service and

other factors.

- Information on charges and fees should be available to the public.
- Enterprise Operating Funds should contribute to the General Fund their proportionate share of the cost of general administrative departments and a payment-in-lieu-of-taxes and other accepted reimbursement approaches as limited by outstanding Bonds or Bond resolutions.
- A review of the cost of service and rate structures for Enterprise operations should be performed on an annual basis.

Use of Grants

- To the degree that grant funds are relied upon to support recurring expenses, a provision should be made to allow expenditure reductions should the grant funding be reduced or eliminated.
- Revenues and expenditures associated with grants should only be budgeted after grant awards or letters of commitment have been received.
- Overhead or indirect costs should be included in all grant proposals where permitted.
- Local discretionary funds should not be relied upon to automatically replace lost grant funds.
- For grants with a required match, evaluate how costs exceeding the total cost estimated in the grant will be funded prior to applying for a grant.

Debt Capacity, Issuance, and Management

- Minimize debt service costs through the judicious use of available debt instruments, consistent with the desirability of maintaining stable current tax rates and distributing the costs of certain long-lived facilities among all users, present and future.
- Define appropriate uses for debt.
- Define the maximum amount of debt and debt service that should be outstanding at any one time (target financial ratios).
- Maintain a high credit rating while making attempts to strengthen credit rating; identify factors and strategies to address them.

Strategic and Work Planning and Performance Management

- Establish work plans to document and track initiatives and projects that are aligned with strategic objectives.
- Where possible and appropriate, define the resources dedicated to each work plan item, and the performance measures the activity seeks to impact.
- Institute meaningful measures of performance efficiency, effectiveness, and outcomes and analyze results.
- Define levels of service and review annually considering identified priorities and any changed conditions that may afford an opportunity to modify the frequency of service and reduce costs.
- Link work plans, performance metrics, and levels of services with the most relevant goal of the County Strategic Plan to organize and structure items.

Operating/Capital Expenditure Budget Formulation and Accountability

- Consider whether programs and services and associated levels of service are mandated or discretionary when evaluating the prioritization of limited resources.
- Seek expenditure reductions whenever possible through efficiencies, reorganization of services, and through the reduction or elimination of programs, policies, and practices that have outlived their usefulness.

- Encourage productivity improvements through training, technology, and incentives.
- Leverage efficiency savings to enable inflationary increases in expenditures without requiring increases in taxes, rates, fees, and other supporting revenues.
- Seek inter-department and inter-agency opportunities to improve efficiency and productivity through sharing resources and other strategies.
- Analyze multi-year expenditure and revenue trends and compare to current - year estimates and new year budget requests.
- Analyze appropriation lapses from prior years and justify continuing appropriations where lapses have been historically experienced.
- Consider outsourced services to manage workload needs that vary over time to minimize long term costs or provide maximum flexibility to accomplish tasks. Create appropriate proficiency measures to be accountable for justifying workloads needs.
- Permanent County positions should support the performance of recurring activities while temporary positions and contract labor should support activities that are not recurring and/or subject to variations in workload.
- Consider an investment in equipment, land or facilities, and other expenditure actions, in the present, to reduce or avoid costs in the future.
- Capital project proposals should include cost estimates that are as complete, reliable, and attainable as possible.
- Prior to undertaking a capital project, all ongoing operation and maintenance costs should be identified and considered as part of the policy discussion.
- For agreements with partners (e.g. – joint participation agreement), evaluate how costs exceeding the total cost estimated in the agreement will be funded prior to the execution of the agreement.
- Capital Improvement Program (CIP) projects will be submitted, reviewed, and managed through the CIP Project Portfolio Management (PPM) processes.

Internal Service Funds

- Internal Service Funds may be used for allocating the costs of central service functions and for risk financing.
- Cost allocations of central service functions are charged ratably to other funds, departments, and agencies of the primary government. The goals are to measure the full cost of providing the central service and to fully recover that cost through fees and charges.

Risk financing internal service funds are used to account for all risks of a given type in individual funds of each type. Interfund premiums are charged to other funds to cover both current costs and provide a reserve for anticipated future losses.

BASIS OF ACCOUNTING – FINANCIAL STATEMENTS

The **modified accrual** basis of accounting is utilized for the Governmental Funds. Under this basis, revenues are recognized when they become both measurable and available. “Available” means collectible within the current period and thereafter available to be used to pay liabilities of the current period. Expenditures are generally recognized in the period that the liability is incurred. The exception to this general rule is that expenditures for principal and interest on general long-term debt are recognized when due, and expenditures for compensated absences are recorded when paid.

The **accrual** basis of accounting is utilized for the Proprietary Funds. Under this basis, revenues are recognized in the period earned, and expenses are recognized in the period the liability is incurred. In contrast to Governmental Funds, depreciation is recorded.

Encumbrance accounting commits and reserves appropriations under purchase orders for contracts and other commitments for the expenditure of monies and is employed as an extension of formal budgetary integration. Although encumbrances outstanding at fiscal yearend are carried forward if not cancelled, the corresponding budget is not carried forward and must be re-appropriated in the following year if not anticipated in that year’s approved budget.

BASIS OF ACCOUNTING – BUDGET

Budgets presented for Governmental Funds are prepared in accordance with generally accepted accounting principles (GAAP), using the modified accrual basis of accounting. Budgets presented for proprietary funds have also been prepared using the modified accrual basis of accounting, which is not in accordance with GAAP for proprietary funds. Proprietary fund budgets differ from GAAP in the following areas: depreciation and amortization are not included in budgetary statements since these do not use spendable resources, and payments for debt service and capital outlay are also budgeted to be expensed under the modified accrual basis.

BUDGET PROCESS

The County’s budgetary process is governed by Florida Statutes (F.S.), in particular Chapters 129 and 200. Chapter 129 sets forth specific requirements for the form and content of county budgets and their execution and amendment. Chapter 200 details the requirements for adoption of local government ad valorem millage rates.

In addition to Florida Statutes, the County Charter and the County Code of Ordinances define the County’s budget approval process. It includes additional steps designed to provide the Board of County Commissioners (BCC) and the public with opportunities for early input into budgetary decisions. Florida law requires that the budget be balanced. Further, there are very specific and detailed rules known collectively as the “Truth in Millage” or “TRIM” law. These rules dictate the approval process for the budget in general, and particularly property taxes. The TRIM law sets the timetable for the County Property Appraiser to deliver estimated and certified tax rolls to the taxing authorities, including the County. It further requires that a tentative millage rate be approved by the County by a certain date; that the Property Appraiser mail notices of proposed taxes (TRIM notices) to all property owners by a certain date; that two public hearings be held within certain specific time periods; and that the County run newspaper advertisements which follow exact specifications for wording, size, and

placement prior to the final public hearing. The public hearings must be conducted in accordance with the prescribed format and sequence of BCC actions. This includes the calculation and announcement of “rolled back” millage rates which result in no additional property tax revenue (for comparison purposes), and the percentage change in property tax revenue from the prior year resulting from the actual proposed millage rate. Finally, the County must document its compliance with the TRIM rules and submit this documentation to the State Department of Revenue for review and approval.

Article IV, Section 4.01c(5) of the County Charter, approved by referendum in 2004, designates the County Administrator as the county budget officer. F.S.129.03(3) specifies that the county budget officer must submit a recommended budget to the BCC after estimated taxable values are certified by the Property Appraiser. This budget must contain information outlined in F.S.129.02. In addition to the budget document, supplemental information is provided to the BCC and the public and posted on the County’s website.

The budgets of the Constitutional Officers are approved by the BCC and are subject to the control of those elected officials. Additionally, the budgets of the Tax Collector and Property Appraiser are submitted to the State Department of Revenue for approval. The Sheriff’s budget may be appealed to the State cabinet.

Special committees of County Commissioners, other elected officials, staff, or citizens recommend allocations in some programs. These include the Business Technology Services (BTS) Board, the Unified Personnel System (UPS), and the Social Action Funding Committee.

Major planning processes which may impact the budget include the County Comprehensive Plan, which defines infrastructure requirements and levels of service according to Florida State statutes. The Comprehensive Plan includes a Capital Improvements Element, which is updated in conjunction with the Capital Improvement Program and budget. Many of the County’s operations also have ongoing planning activities which can affect both operations and capital projects. Examples of these are the Airport Master Plan and the BTS Strategic Plan.

BUDGETARY CONTROL AND ADJUSTMENTS

The operating funds are subject to budgetary control by combined major object expenditure categories (e.g., Personal Services + Operating Expenses + Capital Outlay + Grants & Aids) on a cost center basis in each fund. The cost center structure was modified in FY12 and FY13 to accommodate program budgeting. In FY19, the BCC formally adopted a budgetary control policy and modified the budgetary control to include debt service accounts. To protect bond and loan holders, debt service appropriations for bonds and loans financed by external entities and any such intra-fund loans utilized as alternative financing vehicles to same are excluded from this grouping. The BCC approves supplemental appropriations by Resolution and Board Budget Amendments between departments during the fiscal year. The County Administrator is authorized to execute Budget Amendments between cost centers within individual departments provided that the amendment does not realign more than 50% of the department’s total budget. These amendments are reported quarterly to the BCC.

Major capital facilities and improvements are accounted for within the Capital Projects Funds and are subject to budgetary control on a cost center basis. The County Administrator is authorized to execute Budget Amendments between cost centers within functional categories (e.g., Transportation) if the amendment does not realign more than 50% of the total functional category budget. As with administrative operating amendments, these are reported quarterly to

the BCC. Reallocations between functional categories require Board Budget Amendments.

Any budgetary action that involves the Reserve for Contingencies in a fund requires a Board Budget Amendment. A budgetary action that involves the Reserve for Future Years requires a Board Resolution. A budgetary action that involves the Reserve - Fund Balance and transfers between funds requires a public hearing in conjunction with a Board Resolution.

Budgetary supplements require the preparation of a Board Resolution. Budgetary supplements are needed when actual receipts or revenues from a source not anticipated in the budget are received for a particular purpose (i.e., grants) and recognized, and these receipts increase the bottom line of the budget. The Board Resolution recognizes the unanticipated receipts and appropriates the funds accordingly for the purpose intended and to maintain budgetary balance.

FUND ACCOUNTING AND FUND TYPES

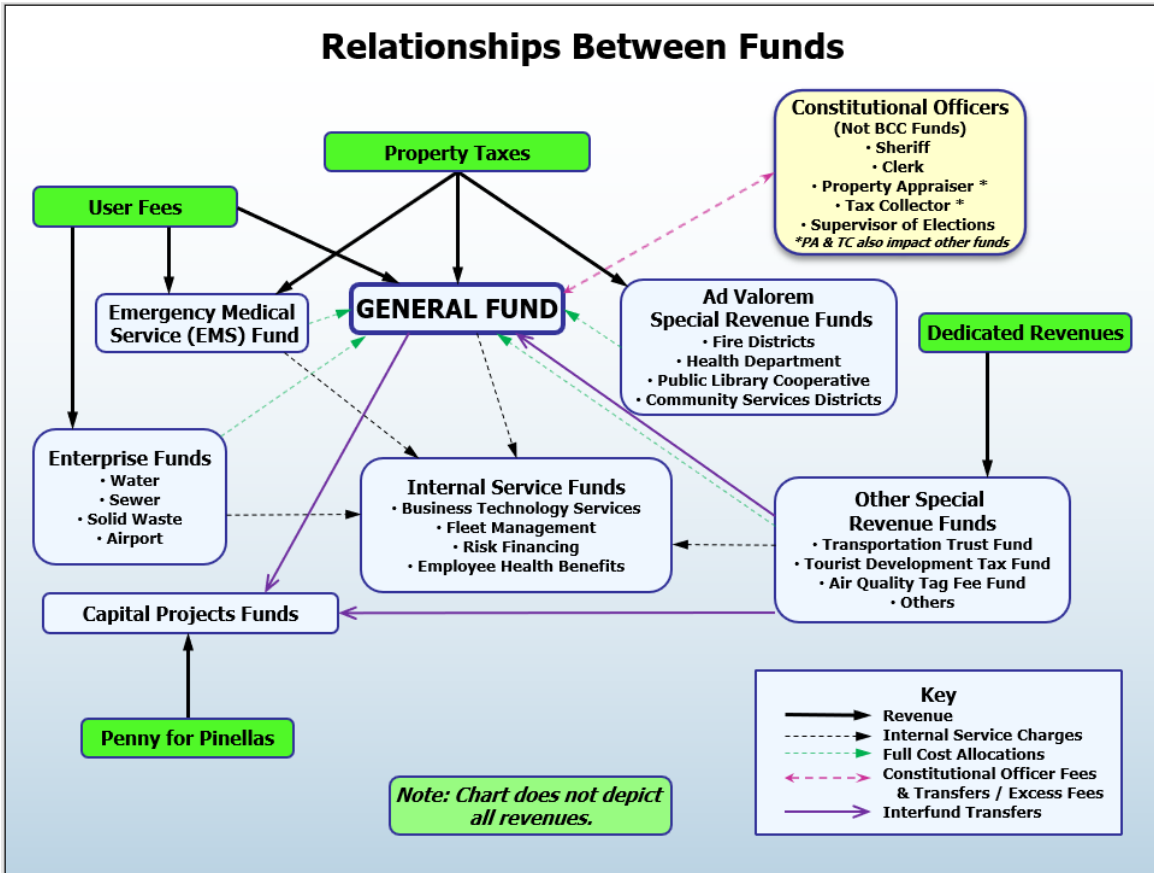

To track financial activity, governments and nonprofit organizations use **Fund Accounting** systems. Fund Accounting Systems emphasize accountability in contrast to private business accounting systems, which focus on profitability. In a fund accounting system, a **Fund** is an entity with a complete set of self-balancing accounts that monitors the financing of a specific function or activity. The resources and uses are segregated from other resources and uses for the purpose of carrying on specific activities or attaining specific objectives in accordance with special regulations, restrictions, or limitations. There are two primary types of funds. **Governmental Funds** account for “governmental” activities not fully supported by charges for the services received. Pinellas County’s governmental funds include the General Fund, Special Revenue Funds, and Capital Project Funds. **Proprietary Funds** account for “business-like” activities supported by charges for the services received. Pinellas County has two types of proprietary funds: Enterprise Funds and Internal Service Funds.

The **General Fund** accounts for all financial transactions except those required to be accounted for in other funds. The fund's resources, ad valorem taxes, and other revenues provide services or benefits to all Pinellas County residents as well as specific revenues and expenditures for the unincorporated area known as the Countywide Municipal Services Taxing Unit (MSTU). **Special Revenue Funds** account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes. **Capital Project Funds** account for revenues and expenditures related to the Capital Improvement Program (CIP), which is a plan for financing long-term work projects. Pinellas County defines CIP projects as improvements or acquisitions of major facilities, roads, bridges, buildings, or land with a useful life of at least five years and a projected cost of \$50,000 or more.

Pinellas County does not currently have any Governmental **Debt Service Funds** for the payment of debt service requirements (i.e., principal and interest) because there are no outstanding bond issues that are supported by property taxes, utility taxes, or other general (non-enterprise) revenue.

Enterprise Funds account for operations financed and operated like private business enterprises. The costs of providing goods and services to the general public are financed and recovered primarily through user charges. **Internal Service Funds** finance and account for services and commodities furnished by one department to another department on a cost reimbursement basis.

While activities are accounted for within each fund, which must balance resources with requirements, the funds interact with each other in various ways. The following illustrates the key relationships between funds.

This chart illustrates the relationships between the funds and revenue sources. Property taxes are a key source of revenue for the General Fund, the Emergency Medical Service (EMS) Fund, and the Fire Districts Fund. User fees are the primary revenue source for the self-supporting Enterprise Funds and are also important to the General Fund and the EMS Fund. Other funds have revenue sources that are specifically designated for certain types of expenditures, such as fuel taxes for the Transportation Trust Fund and Penny for Pinellas revenues for capital projects.

The Internal Service Funds are supported by charges to the various operating funds for information technology, fleet maintenance, and other provided services. The General Fund receives Full Cost Allocation revenues from the Enterprise and other funds to ensure that these funds pay their fair share of administrative costs such as purchasing and building maintenance. In some cases, transfers between funds are made for specific purposes, as in the case of beach renourishment projects. Beach renourishment projects are supported by transfers from the Tourist Development Tax Fund to the Capital Projects Fund.

The independently elected Constitutional Officers maintain their own accounting systems and are not part of the County Budget. The Pinellas County Sheriff, Clerk of the Circuit Court & Comptroller, and Supervisor of Elections receive payments from the General Fund to support their operations based on budget requests. Budgets for the Pinellas County Tax Collector and Property Appraiser are approved by the State Department of Revenue and receive fees and commissions from the General Fund and other funds based on statutory formulas. At the end of each fiscal year, revenues that are not needed to support the Constitutional Officers' expenditures are returned to Pinellas County's funds in the form of excess fees.

(a) Most recent population information obtained from the Office of Economic & Demographic Research (April 1, 2022).

(b) Most recent Personal Income provided by the Bureau of Economic Analysis of the U.S. Dept. of Commerce is 2020, which was applied to 2020 population estimates.

(c) Duval County is a consolidated city/county political entity where all municipalities (except Jacksonville Beach, Atlantic Beach, Neptune Beach, and the Town of Baldwin), authorities, and public agencies (except Duval County School Board) were consolidated.

(d) The debt and taxable assessed property value amounts for Pinellas County were obtained from the September 30, 2022 ACFR. The September 30, 2021 ACFR was utilized for the remaining counties.

Community Profile: Pinellas County

History

Pinellas County is the second smallest of Florida's 67 counties in land area, and the sixth largest in population (2020 estimates). It was established in 1912, with the county seat in Clearwater. The following is an overview of the history, geography and climate, population, and other data about the County.

After the Florida Purchase Treaty was negotiated in 1819, Spain ceded Florida to the United States, and it became a territory in 1821. In 1834, the US Legislative Council for the Florida Territory established Hillsborough County, which included the Pinellas peninsula and the large region that would eventually be split into several counties (Pinellas, Charlotte, Hardee, Pasco, Polk, Sarasota, and Hillsborough). Florida was granted statehood in 1845.

In 1887, the Orange Belt Railroad arrived to end the isolation of the Pinellas peninsula from the rest of Florida. The arrival of this railway, and later the Tampa and Gulf Coast Railroad, along with the dissemination of a leading doctor's conclusion in 1885 that the Pinellas peninsula was the healthiest place on earth, precipitated a movement of people from colder climes. Most of these people settled in St. Petersburg, which was at the terminus of the railroad. In addition to St. Petersburg, other small settlements had been established, and with few exceptions were located on the coast. Examples of these communities include Disston City (now Gulfport), Clearwater, Anona, Dunedin, Ozona, Tarpon Springs, and Safety Harbor. After the arrival of the railroads, these communities continued to grow, albeit slowly, and a few small towns were established away from the coast along one of the railroads, often serving as centers for the local citrus industry (Largo is an example).

Unlike development on the east side of Tampa Bay, which was concentrated around the Port of Tampa, settlement in the Pinellas peninsula was more dispersed because there was no single economic center. In Pinellas County, the economic catalysts at the end of the 19th century, and in the early 20th century, were the citrus industry, tourism, and the sponge industry (the latter focused on the community of Tarpon Springs), which allowed for a dispersed settlement pattern of small towns. These three elements of the local economy did not depend on access to the urban services provided by large towns and cities, and there was no city whose direct or indirect influence was felt through the length and breadth of the peninsula. By the 1920s, the barrier islands began to be settled, their narrow linear geography encouraging several discrete communities including Pass-a-Grille, Indian Shores and Clearwater Beach. It was this dispersed settlement pattern that has had such a marked impact on the county's existing urban environment and system of governance. The diversity is seen not only in the variety of communities but in the large number of local governments.

The lack of an adequate road system was a principal cause for the creation of Pinellas County when it split away from Hillsborough County in 1912. The deficient road system was one consequence of having politicians in Tampa making decisions on how to spend tax dollars collected across the bay. After secession was affected, a road building program during the 1910s and 1920s further connected the numerous Pinellas communities and helped enable them to grow until the 1926 Florida real estate bubble burst. The Great Depression put a stop to economic growth and noticeably slowed development. By the time growth resumed after World War II, the economic underpinnings of the local economy had changed. While tourism was still important, the citrus industry was declining and being replaced by retirees and manufacturing as major components of the local economy. A surge of development occurred throughout the county as the numerous small towns and cities established in the late 19th and early 20th centuries began to expand outward, eventually coalescing into a large urban area covering almost four-fifths of the county by the end of the 20th century. The residential development consisted primarily of single-family dwellings on separate lots, while commercial development eschewed the historic downtown areas for the new and upgraded roadway corridors. In these respects, Pinellas County's development followed a pattern similar to other urbanizing areas around the country. Primarily shaped by the requirements and demands of an automobile-oriented society, Pinellas County's growth and development exhibited characteristics that have come to exemplify Post-WW II urban areas throughout the United States.

Geography and Climate

- Land Area: 273.71 square miles (US Census 2020)
- 587.77 miles of coastline
- Highest natural elevation: 110 Feet NGVD (near State Rd. 580 and Countryside Blvd.)
- Average annual temperatures: high 81.6 °F, low 66.8 °F, average 74.2 °F
- Average annual precipitation: 50.81 inches

Pinellas is a small peninsula roughly 24 miles in length and 5.2 to 15 miles in width, situated west and north of a large, natural harbor and estuary along the Gulf of Mexico called Tampa Bay. This fact of geography has had a tremendous influence on the establishment of the county.

Geologically, Pinellas is underlain by limestone formations. The limestone is porous and stores a large quantity of water; it also forms a prominent ridge down the spine of the county. The highest natural elevation of the county is along this formation.

The Gulf Intracoastal Waterway divides the mainland peninsula from the county's barrier islands. There are 35 miles of sandy beaches on 11 barrier islands. The beaches are what attracted many residents to move here, and they attract visitors from throughout the world. The beaches are vital to our way of life, and the quality of our life, because of the economic support they provide. They are also essential to the sea life that depends on the shore for its existence: sea turtles and nearshore hard bottoms (reef positions).

Pinellas, like the rest of the Tampa Bay area, has a humid subtropical climate, resulting in warm, humid summers with frequent thunderstorms, and drier mild to cool winters. Pinellas County's geographic position, lying on a peninsula between Tampa Bay and the Gulf of Mexico, introduces large amounts of humidity into the atmosphere and serves to moderate temperatures.

The Pinellas peninsula gets on average 51 inches of rain per year. Precipitation as snowfall is zero. The peninsula experiences daily patterns of sea breeze associated rainfall mainly during the summer months of June through August. On average, there are 244 sunny days per year.

Form of Government

Pinellas County is a political subdivision of the state of Florida. The County operates under a Home Rule Charter originally approved by referendum in 1980. The Board of County Commissioners (Board) is the legislative body of county government responsible for the formulation of policy. The County Administrator is a professional appointed by the Board who is responsible for implementing the Board's policies.

The Board is composed of seven commissioners, four from single member districts and three elected at large. The commissioners elect a Chair and Vice-chair from among their members. The current commissioners are:

District 1 (at-large): Janet C. Long, Chair
District 2 (at-large): Brian Scott, Commissioner
District 3 (at-large): Charlie Justice, Chair
District 4: Dave Eggers, Commissioner
District 5: Chris Latvala, Commissioner
District 6: Kathleen Peters, Vice Chair
District 7: René Flowers, Commissioner

The appointed County Administrator is Barry A. Burton.

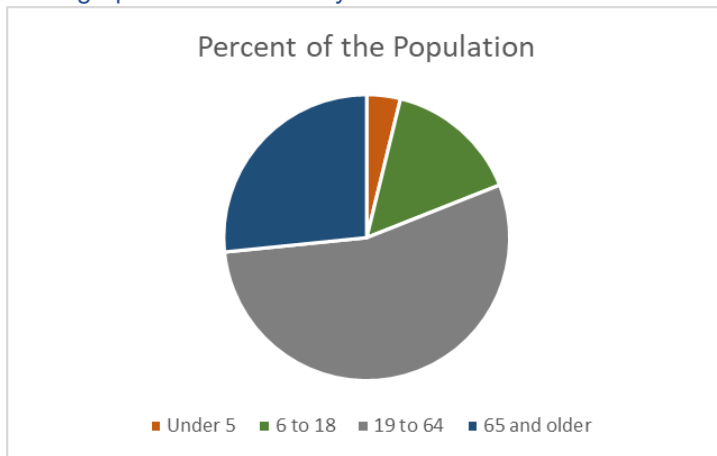

The appointed County Attorney Jewel White.

Maps of the Board of County Commissioners (BCC) districts are presented on page four of the Budget-in-Brief.

Municipal, special district authorities, and the Pinellas County School Board are separate governmental units from the County. The Pinellas County School Board is responsible for K-12 public education in the school district, which has the same jurisdictional boundaries as the County. The school district's administrative headquarters is located in the City of Largo.

Pinellas County currently has 24 incorporated municipalities and 13 census designated places (CDP) within the unincorporated area: Bardmoor, Bay Pines, Bear Creek, East Lake, Feather Sound, Greenbriar, Harbor Bluffs, Lealman, Palm Harbor, Ridgecrest, South Highpoint, Tierra Verde, and West Lealman.

Demographics and Economy

The significant number of retirees who moved to Pinellas County in the decades following World War II had a tremendous impact on local demographics and the local economy. Those 65 years of age and older represented 21.2% of the county's population in the 2010 census. The percentage is projected to increase to 28.7% by 2025. This large retiree population, in combination with a healthy tourist industry, helped to make retail and services the dominant sectors of the local economy.

The manufacturing sector of the Pinellas economy did not develop to any great extent until the advent of the space program in the late 1950s, when new industry, primarily electronic and electronic component firms, began moving to Pinellas, helping to diversify the economy. Although the manufacturing sector grew steadily during the 1960s, the service and trade sectors continued to dominate the county's economy. The nascent electronics industry of the 1950s matured in Pinellas County such that 17% of all jobs in this industry within the state of Florida were located here in the year 2000.

The local economy maintained a similar pattern of development throughout the 1970s and into the 1980s. Many new companies, including high technology firms, were established in Pinellas County or relocated here from other areas. The financial sector, including the insurance and real estate industry, grew to meet the demands resulting from this economic growth and development. The transition from an economic base dominated by the tourism industry and retirees has helped strengthen and diversify the local economy. Additionally, expansion of the technology and services sectors of the economy in Pinellas has created job opportunities that helped attract large numbers of young working-age people. One result was that the county's median age decreased by 3.8 years between 1980 and 1990.

Population Composition

Based on the July 1, 2022, Census Bureau estimates, Pinellas County's 2022 estimated population is 961,739. This represents an increase of 2,632, or 0.2%, from the population total of 959,107 in 2020. For comparison purposes, Pinellas County is compared to peer counties used for policy, performance and other comparisons: (Pasco [New Port Richey], Hillsborough [Tampa], Orange [Orlando], Palm Beach [West Palm Beach], and Broward [Fort Lauderdale]).

County	2020 Population Estimate	Population per Square Mile
Pinellas County	959,107	3,504.2
Pasco County	561,891	752.6
Hillsborough County	1,459,762	1,428.5
Orange County	1,429,908	1,585.2
Palm Beach County	1,492,191	759.7
Broward County	1,944,375	1,616.6

Ranked by county population size, out of the 67 counties in Florida, Miami-Dade County is 1st, Broward County is 2nd; Palm Beach, 3rd; Hillsborough, 4th; Orange, 5th, and Duval 6th. Pinellas County is ranked as 7th largest county in the state by population and is outpaced by the others in population growth over the 10-year period. However, Pinellas County is ranked 1st in density of its residential population, due to its geographic size. Pinellas is the second smallest county in Florida based on land area per the 2010 Census: 274 square miles. The City of St. Petersburg's (Pinellas County) population is ranked number five in the State after Jacksonville (Duval County), Miami (Miami-Dade County), Tampa (Hillsborough County), and Orlando (Orange County).

Pinellas County Municipalities

Pinellas County is home to 24 municipalities that have a variety of different needs and structures. In addition to the municipalities, the County is responsible for providing services to the 275,985 residents who live in the unincorporated areas. The following table lists 2019 population estimates for Pinellas County, the unincorporated area, and the 24 municipalities within the county. City incorporation dates are also provided.

County/ Municipality	2021 Population Estimate	2020 Census	% Change 2020 to 2021	*Year Incorporated
Pinellas County	964,490	959,107	0.6%	1912

Housing Features

Median Value of a House \$238,400

Median Gross Rent \$1,237

Owner Occupied Housing Rate 68.6%

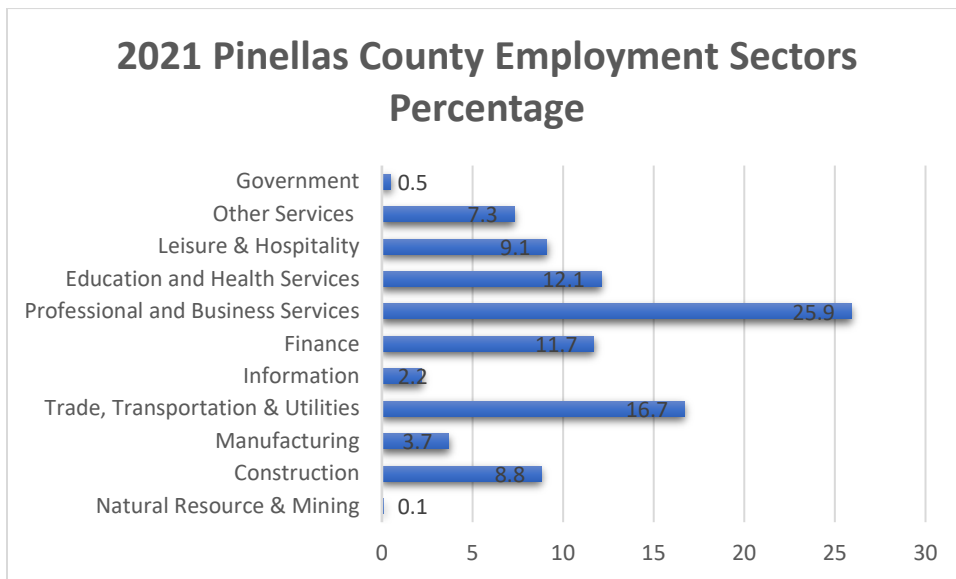

Most residential housing units in Pinellas County were built between 1970 and 1990. This is the period when air conditioning moved from being mainly in commercial structures to being embraced by residential developers to cater to visitors who chose Florida as a place to live. This time period was also prior to the adoption of the Florida Building Code (a result of Hurricane Andrew’s effect on South Florida). The number of housing units increased has increased from 516,324 in the 2020 census to 519, 812 in 2022, according to the Census Bureau.

Economic Characteristics

Anchored by the urban markets of Clearwater and St. Petersburg, Pinellas has the second largest base of manufacturing employment in Florida. This results in excellent availability of a quality workforce in engineering, production, research, and management of manufacturing firms.

The county has well-developed targeted industry clusters in medical technologies/life sciences, aviation/aerospace, defense/national security, business services, financial services, information technology, and microelectronics. This means there is an extensive network of suppliers, service-providers, joint venture partners and business associations to support operations in these fields.

Median annual household income in Pinellas is \$60,451 in 2021.

Physical Features and Attractions

Infrastructure

The county is served by several major highways: Interstate-275, Interstate-175, Interstate-375, U.S. Highway 19, U.S. Highway 60, and U.S. Highway 92.

There are 115 bridges in the county. The original Gandy Bridge, the first to cross Tampa Bay, opened in 1924 and shortened the traveling distance between St. Petersburg and Tampa from 43 to 19 miles. The spans constructed in 1975 and 1997 are currently being used for vehicle traffic. The first span of the Sunshine Skyway Bridge opened in 1954, linking south Pinellas County with Manatee County. The current bridge, with a four lane, cable-stayed concrete 1,200-foot main span, was completed in 1987. Vertical clearance in the shipping channel is 190 feet.

Aviation history was made in Pinellas County as Tony Jannus piloted the world's first scheduled commercial airline flight from St. Petersburg to Tampa. Local airports include:

St. Petersburg-Clearwater International Airport (PIE)
Clearwater Executive Airpark
Albert Whitted Airport

Cultural, Educational, Environmental, and Research

The St. Petersburg/Clearwater area is the leading destination on Florida's Gulf Coast, drawing more than 16 million visitors annually to its parks, beaches, museums, and eclectic communities. Visitors staying in commercial lodgings numbered over 4.2M in 2020. Two of the top beaches in the United States are in Pinellas County, according to America's Best Beaches list. The County's Fort De Soto Park in 2005 and Caladesi Island State Park in 2008 and 2020 were named "America's Number One Beach" by Dr. Stephen Leatherman of the Laboratory for Coastal Research (aka Dr. Beach). The county has over 35 miles of sandy beaches and 588 miles of coastline.

Pinellas is home to The Dali Museum, Clearwater Marine Aquarium and the cities of Tarpon Springs and Dunedin. The Dali Museum may be the largest collection of Salvador Dali works outside of Europe, and the Clearwater Marine Aquarium is the home of Winter, the dolphin whose story was told in the movie "Dolphin Tale." The aquarium is a leader in marine life rescue, rehabilitation and release, environmental education, research, and conservation.

The cities of Tarpon Springs and Dunedin are just two examples of the 24 cities within the county that draw both visitors and residents to experience again and again. One can experience Greek culture and the sponge industry in Tarpon Springs, and a rich Scottish heritage in Dunedin.

Post-secondary education institutions in Pinellas County include: The University of South Florida, St. Petersburg Campus; Eckerd College; St. Petersburg College; Pinellas Technical College, and Stetson University College of Law.

BOARD OF COUNTY COMMISSIONERS

Janet C. Long, Chair

Phone Number: (727) 464-3000

<https://pinellas.gov/pinellas-county-board-of-county-commissioners/>

Department Purpose

The Board of County Commissioners (BCC) is the chief legislative and governing body for Pinellas County. The BCC formulates policy and strategy and directs the County Administrator to implement these policies and the Strategic Plan. As such, the accomplishments and strategic initiatives attributed to each of the departments under the County Administrator are a direct result of the guidance provided by the BCC. The BCC consists of seven commissioners elected by the voters of Pinellas County for terms of four years each. The composition of the BCC is four members elected from single districts and three members elected as at-large members.

FY23 Accomplishments

- The most recent accomplishments report can be found on the County's new website at <https://pinellas.gov/2022-accomplishments-report>.

Budget Analysis

The BCC FY24 Budget increases \$140,630 (5.9%) to \$2.5M. Personnel Services increase \$141,730 (6.2%) to \$2.4M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for all non-elected personnel. The number of FTE remain flat at 15.0.

Operating Expenses decrease \$1,100 (1.1%) to \$101,910 due to the standardization of each District Office budget in FY24. Each office budget is \$11,440 in FY24, which is a total increase of \$17,630 across all seven Districts.

The Community Event Fund remains flat in FY24 at \$15,000 and is budgeted separately from each District office budget.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

COUNTY ATTORNEY

Jewel White, County Attorney

Phone Number: (727) 464-3354

<https://pinellas.gov/department/county-attorney/>

Department Purpose

The Office of the County Attorney is responsible for the representation of the Board of County Commissioners, Constitutional Officers, and all of the departments, divisions, regulatory boards, and advisory boards of county government in all legal matters relating to their official responsibilities. The Office of the County Attorney is also responsible for the prosecution and defense of all civil actions for and on behalf of County government and reviews all ordinances, resolutions, contracts, bonds, and other written instruments.

Budget Analysis

The County Attorney's FY24 Budget reflects an overall increase of \$153,530 (1.5%) to \$6.2M due to an increase in Personnel Services (\$101,830), the purchase of PCs for the Business Technology Solutions (BTS) purchase plan (\$46,360) and an additional subscription for legal research and review (\$5,710).

Personnel Services reflects a net increase of \$101,830 (1.8%) to \$5.7M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. County Attorney has experienced higher than normal turnover rates and to alleviate this, County Administration approved an overall increase of \$115,500 to base salary and wages in FY23. Despite these increases, the retirement and resignation of senior staff and the hiring of new staff has offset the impact of salary adjustments. Furthermore, FTE are decreasing by 0.3 to 33.0 due to two double encumbrances ending in FY23.

Operating Expenses reflect a net increase of \$51,700 (11.8%) to \$491,810 due to the BTS purchase plan, which is a cyclical charge that occurs when PC hardware is due for replacement and an additional subscription for legal research and review previously mentioned.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

COUNTY ADMINISTRATOR

FY23 Accomplishments

County Administration

- Rolled back the property tax rate for the second consecutive year through smart budgeting.
- Strengthened support for behavioral health initiatives.
- Championed housing solutions such as the Pinellas Housing Summit.
- Increased investments in roads, bridges, and sidewalks.
- Developed partnerships to accomplish more for our residents.
- Responded to Hurricane Ian and the opioid crisis.
- Accelerated job growth and the local economy.

Workforce Relations

- Coordinated efforts with the Human Resources Department to clear up a back log of 150 positions (affecting about 350 employees) where job audits had not been performed in three years.
- Started an exit interview program for employees who voluntarily resign, retire or are transferred to another department to help supervisors/departments in addressing identified areas of concern.

Communications

- Handled a monthly average of 660 LiveChat interactions, 350 phone calls and 100 public records requests.
- Created an anti-complacency hurricane safety communication plan to increase compliance with emergency messaging during named storm events.

Construction Services

- Entered into agreements with firms to provide professional cost estimating for our projects to produce more effective bid reviews.
- Ensured buildings are constructed as per specifications and code by utilizing inspectors and testing materials.

Sustainability and Resiliency

- Finalized Resilient Pinellas plan and started the first action items within the plan.

Asset Management

- Performed an Energy Building Audit for the Courthouse complex, evaluating potential energy reduction, projects, and incentives with Duke Energy. Sustainability and Resiliency

COUNTY ADMINISTRATOR

Work Plan

County Administration

- Continue Joint Regional Meeting Discussions with Hillsborough and Pasco Counties on Regional Issues
- Continue to Address Challenges to Increase Investments in Roads, Bridges, Sidewalks, Traffic Lights and other Transportation Infrastructure
- Continue to Support Qualified Development and Rehabilitation Projects to Expand Affordable Housing in Pinellas County
- Develop an Action Plan for the Downtown Palm Harbor Activity Center
- Implement One Pinellas Business Alliance to Make This a Solutions Driven Group that will Re-establish Cooperative Relationships with Partner Organizations across the County and Region
- Working with our Partners to Establish the Coordinated Access Model with Centralized Intake Process and Continue our Commitment to Improving Behavioral Health in our Communities

Workforce Relations

- Create a Quality Workforce by Providing Additional Training, Employee Recognition and Competitive Compensation
- Develop Career Paths and Ladders for BCC Departments
- Reevaluate Employee Performance Appraisal System

Communications

- Hurricane Season Public Education
- Launch of External Newsletter
- Public Participation Training & Guidelines

Sustainability and Resiliency

- Complete Vulnerability Assessment Standards for Resilient Florida Program
- Develop and execute Resilient Pinellas external launch (SRAP EC 10)
- Develop Countywide Flood Mitigation Action Plan
- Develop Sustainability and Resiliency Action Plan (SRAP)
- Implementation of the Flood Resiliency Tool for Capital Planning
- Working with all Departments to Incorporate Sustainability and Resiliency in their Everyday Work Plans

COUNTY ADMINISTRATOR

Budget Analysis

General Fund

The County Administration department will be undergoing a reorganization in FY24. Two previous departments, Communications and the Office of Resilience and Asset Management (ORAM), will now become offices within the County Administration department. A new office, the Office of Construction Services, will be created by realigning the Building Design and Construction team from the Department of Administrative Services (DAS) to the Office of the County Administrator to support vertical construction projects in the County. As a result of this reorganization, the County Administration department will be comprised of five offices in total: County Administration, Communications, Construction Services, Resilience and Asset Management, and Workforce Relations. The FY24 Budget reflects a net increase of \$2.2M (30.6%) in comparison to the FY23 Budget.

Personnel Services reflects a net increase of \$2.1M (30.56%) to \$9.1M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24.

The FTE reflects the combination of offices and is increasing by 43.0 for a total of 65.0 for the department. The FY24 budget also supports the continuation of two ICMA Fellowship program interns for career development. Additionally, \$1.4M of the \$2.1M is due to the creation of the Construction Services office in FY24. The two positions dedicated to serving the Lealman Community Redevelopment Agency (CRA) are budgeted in the Lealman CRA Trust Fund.

Please note, the budget summary tables below have the history for Communications and ORAM reflected in the FY21 actuals, FY22 actuals, and FY23 budget even though they will not be moving into County Administration until FY24. The FY23 budget for Construction Services Personnel does not show in the FY23 Budget summary. The reason for the increases described above account for this presentation in the financial and FTE data.

Operating reflects an increase of \$49,770 (10.5%) to \$521,080. This increase is primarily driven by the creation of Construction Services (\$74,000) in FY24. Additionally, the Office of Resilience and Asset Management is increasing by \$13,130 (33.1%) to cover the expense of new asset management software. County Administration has been able to identify some cost-savings, therefore their budget has decreased by \$11,420 (9.1%). Communications has also identified cost-savings and have decreased their budget by \$26,440 (11.1%).

The Capital Outlay budget is increasing by \$14,500 (49.0%) over the FY23 budget. This increase is due to the Communications equipment replacement plan for their broadcasting equipment.

Budget Summary

	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total
Expenditures

Vendors in Compliance With Assigned Insurance Requirements	Percent	81.2 %	81.0 %	80.0 %	80.0 %

FY23 Accomplishments

- Hired a firm to assist with design of an electric vehicle (EV) charging infrastructure for Fleet Management.
- Negotiated agreement for an upgrade to Fleet Management software.
- Fully implemented the Grainger Keep Stock program for efficiency in Facilities operations.
- Completed implementation of Global Positioning System (GPS).
- Completed Public Safety Campus fuel site design.
- Decommissioned four fuel sites as per DAS Work Plan.
- Completed implementation of Open Gov Procurement software.

Work Plan

- Conduct County Space Study and Analysis
- Implement New Vehicle and Equipment Global Positioning System (GPS) Program

ADMINISTRATIVE SERVICES

Budget Analysis

The Department of Administrative Services' (DAS) FY24 Budget, excluding reserves, reflects an overall increase of \$9.5M (10.7%) to \$98.9M and is supported by three funds: General Fund (0001), Fleet Management Fund (Fund 5002), and Risk Financing Fund (Fund 5005).

General Fund

The General Fund budget reflects an increase of \$1.9M (4.5%) to \$44.0M.

Personnel Services reflects a net decrease of \$1.5M (11.1%) to \$12.1M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. These increases are being offset by a realignment of 10.0 FTE, and the associated \$1.4M in salary and benefits, to County Administrator. FTE are also reducing overall by 8.8 FTE due to this realignment as well.

Operating Expenses reflect a net increase of \$3.5M (12.5%) to \$31.6M due increased costs for utility services (\$3.0M), repairs and maintenance (\$899,400), and contractual services (\$163,070), which have been impacted by inflation and supply chain disruptions.

Capital Outlay reflects a net decrease of \$100,000 (27.4%) to \$265,000 due to less equipment and machinery purchases in FY24.

Fleet Management Fund

The Fleet Management Fund budget, excluding reserves, reflects an increase of \$3.9M (16.0%) to \$28.4M.

Personnel Services reflects a net increase of \$151,540 (5.3%) to \$3.0M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24.

Operating Expenses reflect a net increase of \$1.2M (11.9%) to \$11.4M due to an increased need for parts and service on an aging County fleet. Also, fuel, parts, and external repair services have all recently experienced increases in costs due to inflation and supply chain disruptions

Capital Outlay reflects a net increase of \$2.6M (22.2%) to \$14.1M due to an increase in the total number of vehicles planned for procurement in FY24 and overall increases to vehicle costs due to inflation and supply chain disruptions (\$1.3M). Furthermore, the department intends to replace seven generators that have aged beyond life (\$1.2M).

The recent rise in costs is also causing an increase of \$4.0M (23.4%) to \$20.9M for charges for services to departments utilizing DAS' Fleet Management services. This will have a direct impact on the FY24 Budgets of multiple departments and funds, including the General Fund (\$3.5M). Additionally, in coordination with the Office of Management and Budget (OMB), DAS has updated the process for charging these services to client departments. This is expected to improve efficiencies by reducing manual tasks and improve the budget process by providing known costs during budget development as opposed to the current model where client departments may receive unexpected costs throughout the fiscal year.

The department is also focusing on sustainability by finalizing an enterprise-wide Global Positioning System (GPS)/telematics initiative on all rolling stock assets under the Board of County Commissioners (BCC) in FY23. Following completion, Fleet will provide reports on applicable asset idle times and client departments can begin to take meaningful steps to reduce idle time and the County's carbon footprint. Furthermore, DAS also finalized a competitive procurement process with an engineering and design firm to develop and build an electric vehicle infrastructure master plan. American Rescue Plan Act (ARPA) funding has been secured to fund the three-year design project which will result in construction requirements that support DAS' plan to convert the County's light duty fleet of 654 internal combustion engine powered vehicles to electric vehicles over the next 10 years.

Risk Financing Fund

The Risk Financing Fund budget, excluding reserves, reflects an increase of \$3.7M (16.4%) to \$26.5M, which is primarily due to a rise in property and casualty insurance rates in FY23 and projected increases in FY24.

Personnel Services reflects a net increase of \$92,470 (1.2%) to \$7.5M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24.

ADMINISTRATIVE SERVICES

Operating Expenses reflect a net increase of \$3.6M (23.7%) to \$18.9M primarily due to a \$1.5M (16.8%) increase to property and casualty insurance rates in FY23 and projected increases in FY24. The department has also experienced increased general liability claims and increased costs of those claims for two years and the stagnant budget of \$1.2M continues to be depleted before the end of the fiscal year, making it difficult for the County to settle claims efficiently. The FY24 budget reflects an increase of \$200,000 (16.7%) to \$1.4M for general liability claims. Furthermore, the department will purchase 60 replacement automated external defibrillators (AED) and maintenance packages for \$166,800. The current AEDs are at the end of life (10 – 15 years) and the replacements will have a similar lifespan.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

<https://fly2pie.com/>

Department Purpose

The St. Pete-Clearwater International Airport (PIE) is a financially self-supported department that operates and maintains airport facilities and equipment and provides aviation fire protection services. The airport provides a full range of customer, aviation, and facility services to support transportation and commerce infrastructure and fosters continual economic growth in the region.

FY23 Accomplishments

- St. Pete-Clearwater International Airport (PIE) was named the Transportation Security Administration's (TSA) 2022 Airport of the Year in the small to medium-sized airports category. To win the award, PIE competed with 333 airports of similar size in the Transportation Security Administration's annual Honorary Awards.
- Added two new commercial airlines, Sun Country and Swoop, which offers our customers more destinations, including Canada.
- Exceeded 2.4M passengers in 2022, the highest in PIE's history.
- Submitted new Passenger Facility Charge (PFC) application to the FAA (#7), which approved the application on April 24, 2023, which enables PIE to continue to fund smaller capital projects that are not eligible for Airport Improvement Program (AIP) entitlements.
- Acquired a new airport firefighting vehicle, which gives PIE firefighters the most current technology to answer emergency calls and respond to aircraft incidents and accidents.
- Installation of new exit lane technology for existing gates 7-11 area, which enables PIE to continue to follow security directives and prevents persons from entering the secure areas of the airport from the non-secure areas.
- Completed the new cell phone lot restrooms, which gives our ride-share customers access to facilities while waiting for rides in the cellphone lot.
- Installed a new gate management system for air carrier utilization, which enables PIE to control gate traffic more efficiently during times of busy airline arrivals and departures.

AIRPORT

Work Plan

- Install Airport Common Use Service Software Solution
- Begin the Airport's Wildlife Hazard Assessment (WHA)
- Produce New Disadvantaged Business Enterprise (DBE) for Airport Projects

Budget Analysis

Airport, doing business as St. Pete-Clearwater International Airport (PIE), has an overall increase of \$12.1M (30.6%) to \$51.7M in the FY24 Budget with Reserves excluded. Excluding Capital Improvement Program (CIP) projects and Reserves, the total PIE operating budget is increasing by \$412,530 (2.5%) to \$17.1M.

Personnel Services reflects a net increase of \$371,010 (5.6%) to \$7.0M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE are also increasing by 0.3 due to a part-time position becoming full time in FY23.

Operating Expenses reflect a net increase of \$438,730 (4.7%) to \$9.8M due to increased costs for parts, supplies, and approved vendor contracts due to inflation and supply chain disruptions.

Capital Outlay reflects a net increase of \$11.1M (46.7%) to \$34.7M due to increased Capital Improvement Program (CIP) related projects (\$11.7M). Excluding CIP, the Capital Outlay is decreasing by \$644,650 (90.5%) to \$68,000 due to a reduction in the total equipment needed to be purchased in FY24.

Grants and Aids reflect a net increase of \$247,440 (1,374.7%) to \$265,440 due to an agreement with Customs and Border Protection (CBP) to reimburse the agency in the amount of \$245,550 for new equipment required for the processing of international travelers. An additional \$19,940 will also be required annually over the next four years for software updates and maintenance related to the equipment.

Revenue, excluding fund balance, is decreasing by \$131,470 (0.3%) due to reductions in American Rescue Plan Act (ARPA) revenue and interest earnings.

Budget Summary

	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

ANIMAL SERVICES

Doug Brightwell, Director

Phone Number: (727) 582-2607

<https://pinellas.gov/department/animal-services/>

Department Purpose

Pinellas County Animal Services (PCAS) is the largest open-admission shelter for dogs and cats in Pinellas County that is responsible for ensuring animal-related health, welfare, and safety for the citizens and animals of Pinellas County. Animal Services provides pet adoption services, spay and neuter grant programs, microchipping, found pet reunification services, rabies control, animal bite investigations, dangerous dog investigations, pet licensing, kennel permitting, pet dealer permitting, hobby breeder permitting, code enforcement, and cruelty investigations.

Performance Measures

Volunteer Hours Contributed	Hours	17,430.2	23,238.9	24,000.0	24,000.0

FY23 Accomplishments

- Increased active licenses to 206,521 for a 41.0% compliance rate among pet owners.
- Maintained the Live Release Rate through FY23. To date: Cats = 78.0%, Dogs = 84.0%, Total = 81.0%.
- Worked with 117 rescue organizations.
- Assisted 285 cats and 194 dogs belonging to 403 families through the Animal Welfare Trust Fund voucher program.
- Sterilized nearly 900 cats through the Florida Animal Friend Grant funding.
- Provided nine dog houses to citizens through Community Outreach Program to improve animal welfare.

ANIMAL SERVICES

Budget Analysis

The Pinellas County Animal Services (PCAS) FY24 Budget, excluding Reserves, reflects an increase of \$448,910 (7.2%) to \$6.7M and is supported by two funds: the General Fund and the Animal Welfare Trust Fund.

General Fund

The General Fund FY24 Budget reflects an increase of \$421,980 (6.9%) to \$6.6M due to increases in Personal Services. Personal Services reflects an increase of \$448,320 (9.3%) to \$5.3M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, budgeted lapse savings, a long-term employee's retirement, the addition of three County temporary staff to operate the additional overflow shelter at 49th Street, as well as career path incentives. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE are increasing by three to 61.0 as a result of adding three County temporary staff.

The renovation of Animal Services Ulmerton facility, buildings 200, 300, 400, and 600 is commencing in FY23. The department is opening an additional facility on 49th Street to shelter dogs that exceed the Ulmerton facility capacity for the duration of the renovation. As a result, three County Temp staff (mentioned above) are being hired in FY23 to operate this overflow facility.

Operating Expenses reflect a decrease of \$26,340 (2.2%) to \$1.2M. The primary drivers are a decrease in Intergovernmental Charges for vehicle replacement not needed in FY24, as well as a decrease in the animal population and subsequent need for animal and medical supplies.

Revenues from Rabies Licensing Fees are increasing \$200,000 (6.4%) to \$3.4M due to an increase in user fees implemented in FY23 for market alignment. Revenues from Animal Control and Shelter Fees are decreasing \$11,400 (4.4%) to \$245,100. This is driven by the reduction in the animal population and resulting revenue from animal adoptions and reclaims.

Animal Welfare Trust Fund

The Animal Welfare Trust Fund FY24 Budget, excluding Reserves, reflects an increase of \$26,930 (21.1%) to \$154,400. This is for a part-time grant worker position that was partially budgeted in FY23 and subsequent increases in Personal Services which includes the general salary increase of 4.5% of salary, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees. The county will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 0.5.

Revenues from Contributions are decreasing a net of \$11,490 (17.3%) to \$55,010. This is due to a reduction in the number of stores participating in cat adoptions and reduced number of cats available for adoption. Contributions revenues consist of donations used to supplement the General Fund and designated to specifically benefit the animals (\$40,000) along with the Florida Animal Friend Grant (\$15,010). The Florida Animal Friend Grant is used to fund a voucher program that reimburses veterinary and nonprofit partners for providing low-cost and/or no cost spay/neuter services for community cats and the cats of low-income citizens of Pinellas County.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

BUILDING AND DEVELOPMENT REVIEW SERVICES

Kevin McAndrew, Director

Phone Number: (727) 464-3888

<https://pinellas.gov/department/building-and-development-review-services/>

Department Purpose

Building and Development Review Services (BDRS) oversees development and construction activities within Pinellas County to ensure compliance with codes and ordinances and help shape and safeguard the County's built environment while protecting its natural habitat.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Building Inspections Completed	Count	79,611.0	76,474.0	77,000.0	-
Building-Related Permits Issued	Count	28,217.0	30,402.0	28,000.0	-

Total Value of Permitted Construction Projects in Unincorporated Pinellas County	US Dollars	558,588,017	882,005,485	-	-

FY23 Accomplishments

- Launched Permitting 24/7 and Digital Plan Review (ePermit Hub). All permits are filed electronically and reviewed simultaneously by staff. All building, right of way utilization and habitat permits are now paperless.
- Fully deployed the Project Management program managing site plans, the early assistance program, and the updated petition to vacate process. Development Review Committee (DRC) Process Updates have delivered predictability to the site plan process with defined review periods, empowered staff to participate as DRC members, and prominently features the Project Management team managing site to reduce the number of review cycles and the overall approval timeline.
- Overhauled the outdated "telephone tree" call answering system to ensure that all calls are answered by a subject matter expert. The new system allows the department to collect data and monitor operations in real time.
- Launched the first phase of virtual inspections (VuSpex), providing contractors and homeowners the ability to save time by completing virtual building inspections for certain high-volume permit types.
- Code Enforcement successfully foreclosed on its first-ever property lien, mitigating a long standing, blighted and unsafe residential property. All hard costs were recovered and surplus funds were collected by the heirs of the property owner.
- Contractor Licensing improved the registration process for state-certified contractors and registered nearly 1,000 new state contractors, an increase of 8.4% over same period last year. 10.5% of state-certified contractors are from out-of-state, an increase of 10.0% over same period last year.
- Improved application process for new contractors, reducing the number of days from the time an application received to the committee meeting date from 74 days in FY21 to 26 days in FY23. This is part of our goal to get new applicants approved faster so they are eligible to schedule their trade and business law exams required for licensure.

BUILDING AND DEVELOPMENT REVIEW SERVICES

Work Plan

- Configure and Deploy Electronic Plan Review Software
- Review BDRS Application and Intake Forms
- Deliver Customer Service Standards of Excellence
- Develop BDRS Career Ladders / Career Paths
- Evaluate DRS System Improvements: Phase 3
- Improve Insurance Processing
- Introduce VuSpex Virtual Inspections Software
- Test and Implement DRS Project Management Program
- Update Local Technical Amendments – Florida Building Code
- Manage the State Adoption of HB 735 – Preemption of Local Licensing to the State / HB 1383 Specialty Licensing
- Implement Accela
- Improve Communications and Community Outreach
- Improve Unpaid Citations Collections
- Manage Contract Services
- Deploy Code Enforcement Foreclosure Initiative

BUILDING AND DEVELOPMENT REVIEW SERVICES

Budget Analysis

Building and Development Review Services FY24 Budget, excluding Reserves, reflects a net decrease of \$957,000 (5.7%) to \$15.9M compared to the FY23 Budget and is supported by three funds: the General, Building Services Fund, along with the new addition of the Construction License Board Fund. Building and Development Review Services is being reorganized the beginning of FY24 to incorporate the Contractor Licensing Department to more efficiently align customer services for the County's built environment.

General Fund

The General Fund budget reflects an increase of \$184,550 (3.3%) to \$5.7M. The primary drivers are increases in Personal Services and Operating Expenses.

Personal Services increase by \$73,960 (1.5%) to \$4.9M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. This is partially offset as a result of backfilling positions at a lower rate. FTE remains flat at 53.8.

Operating Expenses reflect an increase of \$149,590 (20.6%) to \$877,600. This is primarily driven by a few factors. The first is a request for temporary staff and/or outside consultants to maintain progress in attaching digital files to the appropriate electronic records in Accela as well as archiving paper files. This cost is being split between the General Fund (\$75,000) and the Building Services Fund (\$50,000). In addition, the department has requested funds to update its website to reduce redundancy, update subject areas with important information, and improve cross-referencing to deliver information efficiently and effectively to the public (\$60,000). Last, intergovernmental charges are increasing \$32,970 over the FY23 Budget.

Capital Outlay reflects a decrease of \$39,000 (100%) due to funds being utilized in FY23 to replace/repair equipment and therefore not needed in FY24.

Special Magistrate Fee revenues are decreasing \$372,290, or 80.3%, to \$91,200. The department implemented a lien reduction program which reduces revenue but incentivizes properties to come into code compliance.

Building Services Fund

The Building Services Fund budget reflects a decrease of \$1.1M (11.1%) to \$8.6M. This is largely due significant reductions in Contractual Services (described below) and Intergovernmental Charges.

Personal Services increase by \$234,540 (4.0%) to \$6.0M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE decreased by three to 59.9.

Operating expenses reflect a net decrease of \$1.3M (34.1%) to \$2.5M. This is primarily due to a decrease in full-service and information technology cost allocations (\$1.2M). The department has also committed to reduce its reliance on third-party contractual services and utilize their services only when there are staff vacancies or spikes in workload, which decreases Contractual Services by \$146,800.

Building Permits Fee Revenues are increasing \$519,140 (6.7%) to \$8.3M. The number of building permits is expected to remain steady through FY24. However, the department has proposed a fee increase based on its three-year schedule, and will also be closing out approximately 13,000 expired permits in FY23-24 which will generate additional revenue. Municipality Building Inspection Fee revenues reflect a decrease of \$90,000 (47.4%) to \$100,000. The department has reduced the number of inspections it performs for non-contracted municipalities, prioritizing the services provided to its own customers.

Construction License Board Fund

Personal Services increase by \$64,620 (7.1%) to \$969,320. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 10.3.

Operating Expenses reflect a decrease of \$143,130 (19.6%) to \$586,530. This is contributed to a decrease in Intergovernmental Charges of \$143,090 (28.6%) compared to the FY23 Budget. The department has requested continued funding for two temporary positions to perform essential administrative and clerical tasks, process contractor insurance certificates, and provide customer service. Both are non-recurring, temporary positions concluding at the end of the fiscal year with a total fiscal impact of \$78,000.

BUILDING AND DEVELOPMENT REVIEW SERVICES

Revenues reflect a net decrease of \$86,000 due to legislation and resulting unfunded mandates. These mandates specifically impact revenues from Licensing Fees which are decreasing \$143,080 (19.3%) to \$600,160. The implementation of the Preemption of Local Occupational Licensing, also known as House Bill 735 (HB735), eliminates 18 local specialty license classifications thereby reducing the number of licensed contractors by about 1,500. Partner House Bill 1570 extends the timeline of HB735 to July 1, 2024, which still impacts FY24 revenues but postpones most of that impact to FY25. Revenues from Administrative Fines are anticipated to increase \$88,440 (36.1%) to \$333,450 which partially offsets part of the decrease from Licensing Fees. Revenues from Administrative Fines are collected for expired permit violations and the department now has the capacity and technology available to process more of these violations.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

CONVENTION & VISITORS BUREAU

Brian Lowack, Interim Director

Phone Number: (727) 464-7200

<https://partners.visitspeteclearwater.com/>

Department Purpose

The Convention & Visitors Bureau (CVB), doing business as Visit St. Pete/Clearwater (VSPC), partners with local stakeholders to develop and implement year-round domestic and international sales and marketing programs that are aimed at expanding the overall economic impact of tourism to the County.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Direct Visitor Spending	US Dollars	9,192,932,195	16,827,038,208	5,700,000,000	6,700,000,000

Revenue Returned to Tourist Development Tax (TDT) Fund per VSPC Marketing Dollar Invested	US Dollars	1.58	2.32	1.38	2.00
Tourist Development Tax Collected	US Dollars	72,578,505	95,107,928	86,611,210	95,000,000
Visitor Spending Attributed to VSPC Marketing	US Dollars	2,165,909,785	3,093,374,615	2,500,000,000	3,000,000,000

FY23 Accomplishments

- Developed a countywide Tourism Strategic Plan.
- Launched “Let’s Shine” Brand including new creative assets.
- Updated Elite Event Funding Guidelines/Process resulting in \$1.5 million in grant funds being distributed to over 32 events.
- Won U.S. Travel Destiny Award - Best Destination Website Relaunch.
- US Travel Destiny Award – Finalist, PR Campaign (Super Bowl).
- Silver Flagler Award – Resource/Promotional Material – Consumer (Destination Magazine).
- Meetings team booked 397 conferences generating 148,794 room nights and direct spending of \$136 million for the county.
- Sports & Events team booked 104 events for the county bringing over 592,000 visitors, spending over \$100.0M in the community and generating 149,470 room nights.

Work Plan

- Implement Feasibility Analysis and Study for Sports and Events Facilities
- Develop Countywide Strategic Plan for Tourism
- Implement FY23 Elite Event Funding Cycle
- Develop a Countywide Cultural Plan
- Implement FY24 Capital Funding Program Cycle
- Implement FY24 Elite Event Funding Cycle

CONVENTION & VISITORS BUREAU

Budget Analysis

The FY24 Budget for the Convention & Visitors Bureau (CVB), excluding reserves, increases \$1.5M (3.0%) from the FY23 Budget to \$53.2M. Including reserves, the FY24 Budget increases \$61.8M (29.0%) to \$275.1M.

Personnel Services for the department increase \$414,490 (7.2%) to \$6.2M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. Staffing remains at 49.5 FTE in FY24.

The CVB budget includes advertising and promotions in targeted markets in the United States and select international markets in Europe, South America, and Canada, as well as to bring high-profile events to Pinellas County. Compared to the FY23 Budget, the budget for the Sales & Marketing program reflects an increase of \$393,440 (1.1%) to \$36.9M. The budget requests for both digital (\$6.0M) advertising (ex. Online ads) and traditional (\$15.5M) advertising (ex. Print, TV, etc.) remains unchanged. Compared to FY22 actuals, traditional advertising is 12.0% (\$1.7M) higher in FY24, while digital advertising is 12.3% (\$1.2M) higher.

The FY24 budget for the Tourism Support program increases by \$76,380 (1.5%) to \$4.7M. This program includes annual funding for local Chambers of Commerce, which increase \$100,000 to \$600,000.

The Board of County Commissioners (BCC) has historically dedicated one-half of the 3rd percent of the TDT to capital improvement projects for the beaches, which supports the BCC's goal to Practice Superior Environmental Stewardship, as well as attracting visitors to Pinellas County. The budget for renourishment reflects an increase of \$971,980 (10.4%) from the FY23 Budget to \$10.3M. This amount includes additional dedicated revenue collected in FY22 that was not distributed during that fiscal year.

The budget for the Capital Outlay Program increases \$100,000 (17.9%) to \$658,000. The FY24 Budget Request includes funding for the Florida Holocaust Museum in St. Petersburg (\$350,000), as well as a consultant \$300,000 to evaluate the economic impact of a potential new stadium in St. Petersburg for the Tampa Bay Rays and other project requests, and \$8,000 for costs associated with the grant program. There are several projects that have requested funding that have not received final approval. If any of these projects are funded by the BCC, they will be included in the appropriate budget.

The Tourist Development Tax Fund, which provides all funding for CVB, maintains total reserves of \$222.1M, an increase of \$60.4M (37.4%), from the FY23 Budget. Reserves for operating increase \$28.8M (34.5%) to \$112.2M, while reserves for capital projects increase \$31.6M (40.4%) to \$109.9M. In total, the fund maintains reserves of 222.8% of FY24 revenues.

The Pinellas County CVB is supported by the collection of a 6.0% Tourist Development Tax (TDT) on rents collected for temporary lodging, also known as the bed tax. Budgeted revenue from the bed tax remains flat in FY24, at \$95.6M. Revenue collection is at an all-time high but remains vulnerable to economic and environmental conditions well beyond Pinellas County's borders. Total revenue, which includes TDT revenue, interest, and other miscellaneous revenues, increases \$8.2M (8.9%) to \$99.7M.

Budget Summary

Expenditures	FY23		FY23 Total	FY24		FY24 Total

ECONOMIC DEVELOPMENT

Dr. Cynthia Johnson, Director

Phone Number: (727) 464-7445

<https://www.pced.org/>

Department Purpose

Pinellas County Economic Development (PCED) fosters a pro-business climate that focuses on business retention, expansion, and attraction of targeted industries, entrepreneurial development, and redevelopment. PCED is committed to retaining and attracting high wage jobs, supporting small businesses, and building a resilient, equitable economy and strong workforce.

Unemployment Rate Relative to Florida Average	Percent	(0.9)%	(0.3)%	(0.2)%	(0.2)%

FY23 Accomplishments

- Successful implementation of two rounds of Employment Sites Employment program, with \$20.0M in conditional approvals.
- Awarded over \$439,860 in workforce training grants for Pinellas companies leading to a total of 1,382 jobs created/retained.
- Achieved 100% retention or replacement of 230 Small Business Enterprise vendors whose registration had expired.
- Processed an Industrial Development Revenue Bond of up to \$10.0M for Oldsmar manufacturing company OL Products.
- The STAR center was able to retain and expand the lease agreement with the anchor tenant.
- Decommissioned the wastewater treatment plant at the STAR Center, which lead to a cost savings for the County.

ECONOMIC DEVELOPMENT

Work Plan

- Redesign of Pinellas County Economic Development Council
- Develop a Master Plan for STAR Center Redevelopment
- Develop the Tampa Bay Innovation Center (TBIC) Incubator
- Prepare a Countywide Economic Development Strategic Plan
- Ad Valorem Tax Exemption Renewal

Budget Analysis

The Pinellas County Economic Development's (PCED) FY24 Budget reflects an overall decrease of \$140,200 (1.0%) to \$13.5M and is supported by two funds: the General Fund and the Young-Rainey Science Technology and Research (STAR) Center Fund.

General Fund

The General Fund budget reflects a increase of \$241,080 (7.2%) to \$3.6M.

Personnel Services reflects a net increase of \$106,240 (4.0%) to \$2.8M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 22.0

Operating expenses reflect an increase of \$131,930, (23.3%) primarily due to expenses for the Employment Sites Program (ESP) (\$150,000). These costs include the hiring of a consultant (\$100,000) to establish applicant evaluation criteria for the infrastructure round. Additionally, there will be a cost to market the program throughout the partner municipalities (\$50,000).

Grants and Aid expense reflect an increase of \$2,910 (2.7%) in FY24. This allows the department to provide economic development incentive grants to business partners within the community.

The General Fund is supported by intergovernmental revenues, charges for service, and others miscellaneous revenues. Revenue from these three revenue sources are expected to remain flat, in FY24. These may be used to supplement administrative costs and employee salaries as outlined in Florida Statutes, County Code, and the grant agreements.

STAR Center Fund

The STAR Center Fund budget reflects an decrease of \$381,280 (3.7%) to \$10.0M.

Personnel Services reflects a net increase of \$21,180 (1.6%) to \$1.4M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 13.0.

Operating expenses reflect an increase of \$309,080 (6.2%) to \$5.3M primarily due to an increase in professional services for design expenses related to the STAR Center master redevelopment plan (\$170,000). Additionally, there is an increase in contractual services due to new contracts for maintaining the facility. These contracts will cover maintenance of the building such as painting and replacing the air handler units (\$581,030).

Capital Outlay expenses reflect a decrease of \$1.8M (49.2%) for planned Capital Improvement Projects (CIP) in FY24. This decrease allows the STAR Center Fund to remain balanced through FY24; however, the STAR Center CIP will require reductions and reprioritization beginning in FY25. In addition to CIP expenses, the STAR Center will also be replacing some necessary equipment (\$128,000) in FY24.

The Economic Development (STAR Center Fund) maintains total reserves of \$1.4M, an increase of \$1.1M from the FY23 Budget. This increase in reserves is due to a reduction in the CIP budget for FY23.

The STAR Center Fund is supported by the collection of rents, interest, and other miscellaneous revenues. Revenue is expected to increase slightly by 2.0%, to \$7.2M in FY24. This is mostly due to a slight rise in rents for tenants within the STAR Center. These revenue sources may be used to fund operating costs as outlined in Florida Statutes, County Code, or rental agreements.

ECONOMIC DEVELOPMENT

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

FY23 Accomplishments

- Developed and distributed Hurricane Ian After Action Report.
- Implementing corrective actions from Hurricane Ian Improvement Plan.
- Hosted annual Hurricane Preparedness event with Largo Fire with over 500 attendees.
- Implementing Accela project for health care plan reviews.
- Developed the 2023 Hurricane Guide and expanding our relationship with Pinellas County Schools for curriculum development across various grades.
- Conducted a Regional Risk Messaging workshop with the National Weather Service, surrounding County Emergency Management, Communications, and social science partners.
- Added Spanish language to Ready Pinellas App.
- Updated the Special Needs registrants through a call down and mail out.

Work Plan

- Expand Medical and Special Needs Equipment Capabilities FY2023
- Develop and Implement Operational and Tactical Plans to Achieve Comprehensive Emergency Management Plan Objectives

EMERGENCY MANAGEMENT

Budget Analysis

The Emergency Management (EM) Department FY24 Budget is increasing \$156,050, (7.6%), from the FY23 Budget.

Personnel Services increased by \$111,220 (6.5%) to \$1.8M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees and budgeted lapse savings. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 16.

Operating expenses are increasing \$45,330 (13.7%), due to the increasing costs of Shelf Stable Meals Ready to Eat (MRE) and the Annual Service Plan for Mobile Wireless (MiFi). Freight and postage are also included in this increase due to the increased need to contact special needs groups grow.

FY23 Accomplishments

- Updated and adopted PLANPinellas Comprehensive Plan- adopted October 2022, effective January 2023.
- Developed Implementation Actions for Manufactured Housing Strategy-presented to BCC Dec. 8, 2022.
- Administered the AHD program (all funding sources) to award and fund eligible projects with 5 affordable developments have been completed in 2022, providing 223 new homes to residents, with another 5 projects with 755 units currently approved or under construction.
- Adopted the Tenants' Bill of Rights and coordinated implementation with other departments.
- Adopted the Housing Compact following adoption by the five partners: Forward Pinellas, St. Petersburg, Clearwater, Largo, and Pinellas Park.
- Prepared the Downtown Palm Harbor Streetscape and Parking Plan.
- Developed Manufactured Home Community implementation strategies for presentation to BCC.

HOUSING & COMMUNITY DEVELOPMENT

Work Plan

- Update Multimodal Impact Fee
- Study Food Access in Under-served Pinellas
- Complete Lealman Form Based Code
- Develop Surplus Lands Program for Affordable Housing in compliance with new legislation
- Update Affordable Housing Development Code and Manual
- Implement Housing Action Plan near term strategies
- Develop Affordable Housing Toolkit
- Prepare 5 Year Consolidated Plan
- Implement TEILS study and legislative provisions affecting affordable housing
- Joe's Creek Industrial Park Improvement Strategy
- Implement Lealman Pilot Project for Manufactured Housing Strategy
- Designate US 19 as a Multimodal Corridor
- Prepare Local Mitigation Strategy Plan 5 Year update

HOUSING & COMMUNITY DEVELOPMENT

Budget Analysis

The Housing and Community Development (HCD) Department FY24 Budget increases \$4.2M (9.0%) to \$51.0M and it is supported by four funds: General Fund, Community Development Grant Fund, State Housing Initiatives Partnership (SHIP) Fund, and Community Housing Trust Fund. Overall Personnel Services increase by \$44,250 (1.8%) to \$2.5M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24.

General Fund

Excluding Emergency Events program, the FY24 Revenue within General Fund is increasing \$2,850 (3.2%) over FY23 Budget due to a collection increase in Zoning Fees. Emergency Events Program revenues are increasing by \$3.5M (100.0%) due to issuance of new FY24 Emergency Rental Assistance (ERA2) grant funding.

The FY24 Budget for the HCD's General Fund, reflects an increase of \$38,460 (1.4%) from the FY23 Budget of \$2.7M. Personnel Services decrease by \$116,090 (5.4%) to \$2.0M, which is mainly attributed to budgeted lapse savings (\$127,740), a shift of grants in Lealman CRA project charges from HCD to Lealman CRA, and Covid-19 project administrative costs sunsetting. FY24 staffing levels remain flat at 16.0 FTE. Operating expenditures increase by \$154,550 (28.7%) to \$692,640, which is mainly attributed to addition of two initiatives: Update to Economic Impacts of Poverty Report (\$90,000) and an update to Multimodal Impact Fee (\$100,000), a joint study with Forward Pinellas. There are no Capital Outlay costs within the General Fund.

Community Development Grant Fund

Community Development Grant Fund Revenue comes from numerous federal grants: Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnerships Program (HOME), Neighborhood Stabilization Program Grant (NSP). Excluding Emergency Events program, the FY24 Revenue is projected to increase by \$1.6M (8.3%) over FY23 Budget, with \$1.5M (8.2%) increase in intergovernmental revenue for FY24 CDBG & HOME grants entitlements and carryforward funds. Emergency Events program revenues within the fund are decreasing by \$3.1M (72.0%) due to a decrease in COVID-19 supplemental funding (\$1.9M) and decrease in CDBG CARES Act funding (\$1.2M).

The FY24 Budget for Community Development Grant Fund decreases by \$858,420 (3.0%) from the FY23 Budget of \$29.0M. Personal services increase by \$160,340 (50.4%) to \$478,630. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. Personnel changes also include decrease in administrative charges to the grants. Operating Expenditures decrease by \$109,310 (7.6%) from the FY23 Budget. This is attributed to a decrease in Intragovernmental Community Development Administrative services, which is a budgeting method for these costs within the grant. Capital Outlay is increasing by \$165,400 (516.9%) due to a funding shift for Lealman Community Campus Courtyard from Penny for Pinellas. Grants and Aids decrease by \$1.1M (4.1%) from the FY23 Budget of \$27.5M, which is attributed to a decrease in COVID-19 CARES Act.

State Housing Initiatives Partnership (SHIP) Fund

Revenues for SHIP Fund are derived from state grants, program income and interest on loans. FY24 Revenue increases by \$828,190 (12.8%) compared to FY23 Budget of \$6.5M. Intergovernmental revenue increases by \$973,540 (20.2%) resulting from increase in state entitlements. The FY24 Budget for SHIP Fund expenditures increases by \$4.0M (29.8%) over the FY23 Budget of \$13.4M, which is attributed to an increase in entitlements, carryforward, and program income for Owner and Rental Housing programs.

Community Housing Trust Fund

Revenue for Community Housing Trust Fund is supported by program income and loan principal and interest payments. FY24 Revenue increases by \$222,730 (233.6%) over FY23 Budget of \$95,330. This increase is attributed to properly aligning the budget with year-over-year actuals. FY24 Budget for Community Housing Trust Fund expenditures increases by \$1.0M (64.8%) over the FY23 Budget of \$1.6M. The primary increase is in Grants and Aids carryforward, and program income for Affordable Housing Program.

HUMAN SERVICES

Karen B. Yatchum, Director

Phone Number: (727) 464-5045

<https://pinellas.gov/department/human-services/>

Department Purpose

Human Services facilitates access to critical support programs and services across Pinellas County. Through both direct administration of programs and coordination with a broad array of contracted partners, the department seeks to support services, capacity, and community solutions to promote health and stability. Human Services strives to protect consumers, connect veterans to benefits and resources, expand justice system supports, reduce homelessness and housing instability, improve access to health and behavioral health resources, fight food instability, support local emergency response, and coordinate with local system partners for program development, service planning, and continuous improvement.

HUMAN SERVICES

FY23 Accomplishments

- Increased response to online rental scams aimed at residents – initiated a proactive program to identify and remove fraudulent online rental ads targeting the Pinellas housing market. In the first year, department investigations identified over 200 fraudulent advertisements which were flagged and removed from online sites to prevent victimization.
- Human Services worked with community partners to implement the County’s first syringe exchange program under the State of Florida Infectious Disease Elimination Act (IDEA). The new program is designed to help prevent the spread of infectious diseases while providing expanded access to treatment and supportive community services. In the first 60 days the program collected over 3,000 syringes and provided over 2400 new syringes. 100% of participants received onsite counseling and wound care services and 400 Naloxone kits were distributed.
- Continued efforts to expand substance use initiatives including Quick Response Teams and Overdose Fatality Reviews, successfully implemented the Pinellas MATTERs program at Bayfront/Orlando Health and established the Opioid Abatement Funding Advisory Board to distribute the regional settlement funding with year one funding of \$13.4M.
- Continued Implementation of the Coordinated Access Model (Care about Me) intended to go live in 2023. The Coordinated Access Model will serve all Pinellas Residents in need of a behavioral health appointment and will provide screening, triage, and follow-up to ensure the right service was provided at the right time.
- Procured Vendors for Emergency Shelter Staffing Support and Behavioral Health Staffing during storm activation to support residents who have evacuated and needed safe sheltering from the storm.
- Funded under the HRSA American Rescue Plan Act Funding, successfully designed the new Street Medicine Van to bring critical lifesaving services to individuals who are unsheltered across the County. The new van and medical team went into service February of 2023 and has had over 300 encounters to date.

Work Plan

- Implement the Sterile Syringe Exchange Program
- Elevate Behavioral Health System - Phase 3 Coordinated Access Model (CAM)
- Implement Grant Funded Street Medicine Pilot
- Elevate Behavioral Health System - Phase 2 Optimal Data Set (ODS)
- Implement a Multi-Phase Grant Funded Bayside Clinic Expansion Project
- Implement Opioid Mitigation to Reduce Community Impact
- Modernize Local Information and Referral Processes
- Modernize and Upgrade Human Services Information and Management Systems

HUMAN SERVICES

Budget Analysis

The Human Services Department is showing an increase of \$22,942,310 (34.4%) to 89.7M in FY24 compared to the FY23 Budget and is supported by three funds: the General Fund, the Opioid Settlement Fund and the Drug Abuse Trust Fund.

General Fund

The Human Services Department General Fund is showing a decrease of \$664,730 (1.0%) to 66.1M in FY24 compared to the FY23 Budget.

Personnel Services decreased by \$201,320 (1.9%) to \$10.3M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees and budgeted lapse savings. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 100.0. Personnel Services also reflect increases for Career Path and Ladder initiatives.

Operating Expenses are decreasing by \$591,590 (1.3%). This reduction is due to the end of some grants, along with the reduction in services provided by the Department of Health. An additional \$4,700 has been included in the budget to provide cell phone stipends consistently in the department. Human Services is currently working with Workforce Relations regarding market-based increases and have increased the Certified Veteran Officer pay by 2.0% in FY23. An additional \$46,000 was added to the FY24 Budget to address future retention and recruitment needs in this area. An additional \$6,600 has been included in the budget to provide wireless internet and phone services for 10 Guardian Ad Litem staff members.

Drug Abuse Trust Fund

The Drug Abuse Trust Fund Program is additional assessments levied by the court against drug offenders pursuant to Sections 893.13(4) and 893.165, Florida Statutes. These funds are used for assistance grants to local drug abuse programs throughout the county.

The Drug Abuse Trust Fund revenues are increasing by \$5,550 (19.6%), totaling \$33,900 in FY24. Trust Fund expenditures are remaining flat at \$35,000 in FY24.

Opioid Settlement Funds

In 2018, the State of Florida sued manufacturers, distributors, and dispensers (pharmacies) of opioids in the Circuit Court in Pasco County for causing the opioid epidemic. The State sued eleven corporate families for wrongful conduct. After the State sued, approximately 100 Florida cities, counties, school boards, and public hospital districts filed similar suits. After four years of discovery, the State went to trial in April 2022. All but one corporation settled with the State pretrial. The last corporation settled during the trial and post-trial a twelfth corporation, not in the original suit, approached the State with a settlement offer. From these settlements, the State and various sub-divisions are expected to collect over \$3.1 billion, over the 18 years. The two types of funding that Pinellas County will receive are Regional Funds and City/County Funds.

Personnel Services are budgeted at \$320,860 for FY24. The amount being budgeted to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees and budgeted lapse savings. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. The FTE count for this fund is 2.

Operating Expenses are being budgeted at \$23.3M for the FY24 budget. These expenses include but are not limited to \$22.3M in professional services, \$863,240 in contractual services and \$15,000 in supplies.

Revenue for the Opioid Settlement Fund is expected to be \$23.7M which is being broken out by three appropriations: Regional \$19.0M, City/County \$3.5M and Administrative 1.2M.

OFFICE OF MANAGEMENT & BUDGET

Chris Rose, Director

Phone Number: (727) 464-3596

<https://pinellas.gov/department/management-and-budget/>

Department Purpose

The Pinellas County Office of Management & Budget provides financial and strategic insight for improved performance.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Reserves as a Percent of Annual Revenues	Percent	24.6 %	22.1 %	15.0 %	15.0 %
Variance of General Fund Year-End Actuals Compared to Projected Revenues	Percent	0.8 %	(0.3)%	2.0 %	2.0 %

FY23 Accomplishments

- Received the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award for the FY23 Budget for the 18th consecutive year.
- Recovered \$6.2M in Reimbursement for open disasters – Hurricane Ian (2022) and COVID-19 Emergency Events (2020).
- Identified key outcomes through Board of County Commissioners (BCC) Strategic Plan Alignment.
- Integrated budget and performance systems by migrating performance data from Socrata to Questica budget software.
- Experienced improved workload visibility and productivity in client and employee satisfaction following change in service delivery model for the Strategic Performance Management team.
- Registered more than 60 employees for the Business Intelligence Users Group, an informal staff-level group sharing updates and best practices around using and visualizing data for decision making. Generally, 25-30 people tune in for the quarterly updates.
- Improved workload visibility and productivity as well as anecdotal improvement in client and employee satisfaction following change in service delivery model. Since October 2022, the Strategic and Performance Management team has received over 100 support requests from 40+ employees across representing every County Administrator department and Human Resources.
- The Capital Improvement Program uses the Flood Resiliency Tool to evaluate whether new project requests will foster a sustainable and resilient community that is prepared for sea level rise and a changing climate.

Work Plan

- Launch Updated Countywide Administrative Policies Site
- Streamline Business Intelligence (BI) Dashboards
- Initiate Quarterly Performance Report to Leadership
- Pursue the Capital Certificate of the GFOA Budget Award
- Update BCC Strategic Plan for FY25-FY30
- Guide American Rescue Plan Act (ARPA) Funding to Completion

OFFICE OF MANAGEMENT & BUDGET

Budget Analysis

The Office of Management & Budget's (OMB) FY24 Budget reflects an overall increase of \$417,890 (11.4%) to \$4.1M and is supported by two funds: the General Fund and the American Rescue Plan Act (ARPA) Fund.

General Fund

The General Fund budget increases \$292,630 (7.8%) to \$4.0M. Personnel Services reflects an increase of \$234,290 (6.4%) to \$3.9M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. In addition, approximately \$60,000 in leave payout for the planned retirement of a long-time employee is included. These increases are partially offset by backfilling vacant positions at a lower wage based on experience.

FTE remains consistent at 29.0, however, the planned realignment of two grant worker positions dedicated to managing American Rescue Plan Act (ARPA) funding reallocated 1.5 FTE to the ARPA Fund. In prior years, the budget for these positions was only allocated in the General Fund and direct billed to ARPA grant projects.

Operating expenses increase \$58,340, primarily due to expenses for the annual PC replacement program (\$13,840). Additionally, there are increased costs for budget book printing (\$2,210), and the recruitment of a Questica System Administrator for temporary budget software support (\$24,100). An increase of \$10,000 is included to promote professional development and growth by investing in professional memberships for OMB staff to increase knowledge, skills, and competencies.

American Rescue Plan Act Fund

The ARPA Fund reflects a budget of \$183,600 for two OMB positions for ARPA program administration and support. These positions have been realigned from the General Fund, as referenced above, and are fully funded by the ARPA Program. These positions also include the aforementioned personnel services changes.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

PARKS & CONSERVATION RESOURCES

FY23 Accomplishments

- Attained Bee City USA Designation.
- Began implementation of Unincorporated Seminole Youth Sports Masterplan.
- Implemented License Plate Recognition Software for parking enforcement.
- Awarded a \$25,000 grant for Heritage Village Virtual Rendering of Historic Resources and completed new concrete pathways at Heritage Village.
- Prepared ReDiscovery software for the web for Heritage Village's publicly searchable database; digitization of maps and photographs, creation of item level records, 200 rare book records, Turner Collection records, 500 General Photograph Collection records.
- Installed Mobi-mats at Fred Howard and Sand Key Parks to assist with Americans with Disabilities Act (ADA) access.
- Completed American Rescue Plan Act (ARPA) Playground Replacement request for proposal, awarded contract, and commenced design on the first project slated for John Taylor Park.
- Installed new playground at Ray Neri Park 46th St. entrance.
- Planted 400 pine trees (2 acres) and 15,000 sea oats (1 acre) at Fort De Soto Park and installed a message board at the Fort De Soto entrance to assist customers with park notifications.
- Completed renovation of Chester Ochs 4-H Educational Center to expand education and training opportunities.

Work Plan

- Park Ordinance Update
- High Point Community Park Interlocal Agreements
- Continue Acquisition of Parks/Environmental Lands
- Develop a Countywide Community Gardens Program
- Assist the City of Dunedin with the Development & Management of the Gladys Douglas Property

PARKS & CONSERVATION RESOURCES

Budget Analysis

Excluding reserves, Parks and Conservation Resources' (PCR) FY24 Budget reflects an increase of \$663,140 (2.8%) to \$24.2M and is supported by two funds: the General Fund and the Tree Bank Fund.

General Fund

The General Fund budget reflects an increase of \$568,640 (2.4%) to \$24.0M.

Personnel Services reflect a decrease of \$168,560 (1.1%) to \$14.9M and include a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24.

Personnel Services also include position upgrades to undertake increased financial tasks and responsibilities, position upgrades to maintain a more equitable workforce and correctly account for current workloads, position underfill due to the retirement of tenured employees, and a recalculation of staffing hours from part-time seasonal to full-time seasonal for the existing Lifeguard positions in the Beach and Water Safety Program.

There is a variance of 5.2 FTE, primarily driven by personnel adjustments to the Beach and Water Safety Program (5.0 FTE), as mentioned. The remaining 0.2 FTE variance is due to staffing hour adjustments for two positions in the Visitors Services Program.

Operating Expenses reflect an increase of \$831,340 (10.1%) to \$9.1M and include substantial inflationary increases (averaging 14.0%) across all utility accounts (water, sewer, garbage, and electric) (\$260,370), inflationary increases (up to 12.0%) for operating supplies (bathroom, cleaning, landscape, general maintenance) for daily operations of park services (\$94,330), new park repairs for replacement fountains and shower towers throughout parks (\$100,000), the refurbishment of exterior interpretive signs at Heritage Village that explore the site's history, structures, and historic buildings (\$71,340), the design, fabrication, and installation of a new interpretive exhibit in the newly restored Turner Bungalow that tells the story of the Turner Bungalow, the Turner Family, and the early history of Clearwater Harbor (\$34,890), and increases in PC purchases for laptop and monitor replacements (\$26,700).

Operating Expenses are partially offset by decreases that include contractual services for pressure washing (\$90,000), park residence repairs (\$47,000), credit card transaction fees associated with the department's transition to the convenience fee model in March 2023 for transactions processed through reservation system (\$62,000), and a contract modification due to the reallocation of a position from the General Fund to the Lealman CRA Fund to continue providing support to the Lealman Community Center Youth Development Financial Education program and the Pinellas County Affordable Housing initiative (\$33,000).

Capital Outlay reflects a decrease of \$94,140 (57.4%) to \$70,000 primarily driven by the removal of funding for capital equipment (radios, utility carts, vehicles, etc.) used to support additional personnel due to the department not moving forward with recommendations from the FY21 Level of Service study to increase personnel for FY24.

Revenues reflect an increase of \$523,780 (6.9%) to \$8.1M and include campground site rental fees at Fort De Soto (\$213,750), an interlocal revenue sharing agreement with Saint Petersburg Beach, Indian Rocks, Redington Shores, and Indian Shores for a County-owned parking lot maintained by the City (\$77,900), annual grant funding from Tampa Bay Water for the Florida Friendly Yards program (\$41,760), concessionaire services for park patrons and at Fort De Soto (\$34,770), and park shelter fees (\$26,700). Revenues are partially offset by an overall decrease in beach access parking (\$35,620 or 1.4%) due to the implementation of mobile parking technology at Fort De Soto Beach in September 2022.

Tree Bank Fund

Excluding reserves, the Tree Bank Fund budget reflects an increase of \$94,500 (102.2%) to \$187,000.

Personnel Services are remaining flat for FY24. Operating Expenses reflect an increase of \$94,500 (370.6%) to \$120,000 solely driven by an increase in contractual services for tree planting to take advantage of growing reserves.

Reserves reflect an increase of \$494,660 (95.4%) to \$1.0M and are budgeted at 84.4% of the Tree Bank Fund's FY24 Budget. Tree Bank Fund Reserves provide 4.0% of funding for Parks and Conservation Resources for FY24.

Revenues reflect an increase of \$34,600 (25.8%) to \$168,650 primarily driven by the collection of Civil Penalty (Ordinance 76-16) fines used to levy for the County's tree ordinance when trees are removed without being replaced when land is purchased for alternative uses as outlined in County Code, Chapter 166, Article II, Section 166-57.

National Flood Insurance Program Community Rating System Annual Rating	Number	5.0	5.0	3.0	2.0
Transportation System Efficiency and Safety (ATSPM)	Number	-	-	-	-

FY23 Accomplishments

- More than 75 employees completed a career path within their current position; 29 completed a career ladder advancing to the next level in their professional development, and three employees graduated from the Certified Public Manager program.
- Developed dashboards showing past and planned mosquito control services, areas, and requests, mosquito trap data, treatment strategies, and other information that helps inform the public.
- Added 7.2 miles of sidewalk and multipurpose trail and completed over 14 miles of sidewalk repairs to enhance pedestrian and bicycle safety.
- Installed 700 linear feet of offshore oyster reef habitat at Philippe Park that included approximately 1,100 hours of volunteer participation. The new oyster reef provides wildlife habitat, protects the shoreline, and will improve the water quality in Old Tampa Bay.
- As part of Public Works' commitment as a Tree City, 250 trees were planted in County parks and the first release of a biological control for Brazilian Pepper was completed to enhance green spaces, improve air quality, and support local biodiversity.
- Developed a Resilient Pinellas Action Plan coordinating team to guide and oversee implementation within the Department including a performance dashboard to track progress.
- Completed the Lake Shore Estates Roadway and Drainage Improvements Phase 2, North Highland Ave Drainage and Roadway Improvements, South Myrtle Ave Drainage Improvements (ARPA), Curlew Creek Channel D Bank Stabilization, Sutherland Bayou Boat Ramp Driveway Improvements Phase 1, Brooker Creek Boardwalk Rehab, Boardwalk rehab at Wall Springs and Sawgrass Lake Parks, and Philippe Park North Bayshore Loop Improvements.
- Verified and improved the County's Community Rating System from a Class 3 rating to a Class 2 rating saving National Flood Insurance Program (NFIP) policyholders approximately \$10.4M. Pinellas County is the only coastal community in Florida to achieve a Class 2 rating
- Resurfaced over 170 lane miles of roadways and developed a performance dashboard to track program implementation.
- Collaborated with the Office of Resiliency and Asset Management to identify approximately \$200,000 in cost savings through a Duke Energy program to convert all street light districts to light-emitting diode (LED) which will reduce energy consumption and save Pinellas County residents money on their annual assessment.

PUBLIC WORKS

Work Plan

- Prepare a Sidewalk Condition Assessment
- Develop and Implement a Sidewalk Maintenance Program
- Develop a Transportation dashboard that displays travel time and safety information
- Implement and Monitor FY23 Local Road Paving Plan
- Partner with Creative Pinellas to Implement Traffic Signal Cabinet Art Program
- Complete Update to Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) Master Plan
- Establish a Dunedin Causeway Management Plan
- Execute State Road 60 (SR60) Smart Corridor Project
- Treasure Island Long Key Beach Nourishment 2023
- Develop a Regional Stormwater Facilities and Credit Policies for Palm Harbor
- Implement Traffic Signal Mast Arm Hardening plan
- Develop ARPA Project Delivery Plan
- Execute Pinellas Connected Community Project
- Implement Traffic Signal Mast Arm Hardening Plan - HMGP COVID
- Develop a Regional Stormwater Facilities and Credit Policies for Lealman

PUBLIC WORKS

Budget Analysis

Excluding reserves, the Public Works' FY24 Budget reflects an increase of \$25.6M (22.5%) to \$139.5M primarily driven by Capital Outlay. The department is supported by four funds: the General Fund, the County Transportation Trust Fund, the Air Quality Tag Fee Fund, and the Surface Water Utility Fund. The department also receives funding from the American Rescue Plan Act Fund. The Street Lighting Districts Fund is included in this review though this fund is not within the department's budget.

There is an FTE increase of 5.6 FTE, primarily driven by 5.0 FTE that were approved as part of the enhanced level of service millage that were not included at the time of budget adoption. The remaining variance is due to two positions not allocated correctly in FY23 (1.1 FTE) and the deletion of a part-time position (0.5 FTE) as part of a position reclassification in FY23.

General Fund

The General Fund budget reflects an increase of \$856,210 (3.6%) to \$24.5M.

Personnel Services reflect an increase of \$699,260 (6.0%) to \$12.4M and include a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. Personnel Services also includes salary increases resulting from career path and ladder advancements.

Operating Expenses reflect a net increase of \$248,360 (3.2%) to \$8.0M and includes increases in professional services to prepare the 126th Landfill for site grading and engineer control installation, consulting costs for the Surface Water Assessment Rate and Governance Study update, increases in consulting costs for the flood forecasting model for flood early warning and risk reduction across the County, and decreases in contract services for the Pinellas County Flood Mitigation Action Plan grant and mosquito control services.

Capital Outlay reflects a decrease of \$91,410 (2.2%) to \$4.1M and includes non-recurring costs for the replacement of aging standard field equipment. Capital Outlay also includes a \$4.0M reallocation from FY23 to FY24 due to a delay in receiving the mosquito control helicopter.

Revenues reflect a decrease of \$52,100 (1.8%) to \$2.9M and include a reduction in Water and Navigation Permits (approximately \$139,300), a reduction in Federal ARPA Assistance one-time grant in the Air Quality Program (\$100,300), a reduction in grant funding for the Pinellas County Flood Mitigation Action Plan (\$422,170), and the inclusion of grant funding for the Pinellas County Vulnerability Assessment Phase II (\$500,000).

County Transportation Trust Fund

Excluding reserves, the County Transportation Trust Fund budget reflects an increase of \$24.4M (38.9%) to \$87.2M.

Personnel Services reflect an increase of \$2.5M (12.6%) to \$22.0M and include the aforementioned salary general increase, retirement contributions increase, employer-paid health benefits increase, payment adjustments, minimum wage increases, and career paths and ladders. Personnel Services also include adjustments for positions allocated to certain capital projects.

Operating Expenses reflect an increase of \$4.0M (9.9%) to \$44.9M primarily driven by designated millage rates. The designated millage rate approved in FY23 (0.1752 mills for an enhanced level of service) reflects an increase of \$2.3M to \$20.6M. The budget includes a third designated millage rate for the expanded level of service on the County's roads and bridges (\$2.6M or 0.0281 mills). Operating Expenses no longer include the County's share of local funding for the Tampa Bay Area Regional Transportation Authority (TBARTA) due to its discontinuation in July 2023.

Capital Outlay reflects an increase of \$17.9M (2,915.6%) to \$18.5M primarily driven by a one-time transfer of \$18.0M from the General Fund into the Transportation Trust Fund for new technologies for the Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) to improve residents' quality of life by moving traffic more efficiently on major corridors across the County. Capital Outlay also includes a reduction in costs of the Fiber Pilot Project (\$225,000) for the installation of fiber optic cable in the existing Pinellas transportation conduits network to support public non-transportation uses at Sunstar, the Pinellas County Sheriff's complex, and the Courthouse on 49th Street.

Debt Service reflects an increase of \$14,650 (22.5%) to \$79,800 for costs and interest from a street sweeper lease.

Grants and Aids reflect an increase of \$2,410 (5.0%) to \$50,510 due to a 5.0% increase in the annual Jolley Trolley contract.

Reserves reflect an increase of \$925,980 (4.1%) to \$23.6M. A planned draw down of funds will take advantage of growing reserve levels, currently budgeted at 21.3% of the County Transportation Trust Fund's FY24 Budget.

PUBLIC WORKS

Revenues reflect an increase of \$25.0M (41.5%) to \$85.4M primarily driven by the implementation of new technologies for ATMS/ITS (\$18M) and a third designated millage rate (\$2.6M or 0.0281 mills), as mentioned. The budget continues the two designated millage rates approved in FY22 (0.1279 mills for stabilization of the Transportation Trust Fund, \$15.0M) and FY23 (0.1752 mills for an enhanced level of service, \$20.6M). Combined, the two designated millages reflect an increase of \$4.0M to \$35.6M. Collectively, these revenues make up 65.8% of the total revenues for this fund. Revenues also include Fuel Tax, Fuel Use Tax, and Gas Tax revenues.

Air Quality Tag Fee Fund

Excluding reserves, the Air Quality Tag Fee Fund budget reflects an increase of \$6,400 (0.4%) to \$1.5M.

Personnel Services reflects an increase of \$73,670 (6.9%) to \$1.1M and includes the aforementioned salary general increase, retirement contributions increase, employer-paid health benefits increase, payment adjustments, minimum wage increases, and career paths and ladders.

Operating Expenses reflect a decrease of \$3,950 (1.4%) to \$285,030 and include a reduction in costs for the replacement of aging computers (laptops).

Capital Outlay reflects a decrease of \$63,320 (45.4%) to \$76,100 due to a reduction in costs for an air monitoring shelter that is reimbursed through Environmental Protection Agency American Relief Plan funding and equipment required for maintenance of air monitoring efforts that is reimbursed through the Tag Fee.

Reserves reflect an increase of \$137,270 (26.6%) to \$652,760, budgeted at 30.3% of the Air Quality Tag Fee Fund's FY24 Budget.

Revenues reflect an increase of \$93,310 (7.0%) to \$1.4M primarily driven by the Air Quality Control Tag Fee revenue that reflects an increase of \$85,500 to \$1.4M. Tag Fee revenue makes up 99.5% of the total revenues for this fund. Revenues also include interest earnings.

Surface Water Utility Fund

Excluding reserves, the Surface Water Utility Fund reflects an increase of \$74,620 (0.3%) to \$25.7M.

Personnel Services reflect an increase of \$213,420 (2.2%) to \$9.7M and include the aforementioned salary general increase, retirement contributions increase, employer-paid health benefits increase, payment adjustments, minimum wage increases, and career paths and ladders. Personnel Services also includes a reduction in overtime.

Operating Expenses reflect an increase of \$323,930 (2.5%) to \$13.5M primarily driven by general consulting costs (\$526,970). Operating Expenses also include recurring costs to continue temporary staffing for red tide monitoring as existing staff resources cannot assume the additional duties (\$23,450). These costs are reimbursable through the Florida Department of Environmental Protection (FDEP) red tide mitigation funding. Operational increases are partially offset by reductions for invasive species site clearing and contract maintenance for ditch drainage (\$364,100).

Capital Outlay reflects a decrease of \$469,150 (18.5%) to \$2.1M primarily driven by a reduction in expenditures for pipe lining (\$519,000) as costs are based on the timing of projects. Capital Outlay also includes non-recurring costs for a boat purchase for the Water Quality Monitoring Program to address an aging vessel that needs to be replaced (\$58,000).

Constitutional Officers reflect an increase of \$6,420 (2.1%) to \$310,100 for contracted service charges.

Reserves reflect an increase of \$520,980 (10.5%) to \$5.5M, budgeted at 17.6% of the Surface Water Utility Fund's FY24 Budget.

Revenues reflect an increase of \$806,370 (4.0%) to \$20.9M primarily driven by the Surface Water Special Assessment Fee that reflects an increase of \$555,540 to \$19.3M due to a 3.0% rate increase from \$117.74/ERU in FY23 to \$121.27/ERU in FY24. Per the master ordinance, the rate is allowed to increase by a maximum of 3.0% per year up to a rate of \$128.66/ERU. This revenue makes up 92.3% of the total revenues for this fund. Revenues also include local grant funding and projected interest on investments.

American Rescue Plan Act (ARPA)

American Rescue Plan Act (ARPA) funding reflects an increase of \$224,000 (60.1%) to \$592,000 and includes costs for the American Rescue Plan Act (ARPA) Sidewalk Condition Index and the Americans with Disabilities Act (ADA) Assessment (\$262,000). This item was not budgeted in FY23.

Street Lighting Districts Fund

Excluding reserves, the Street Lighting Districts Fund budget reflects an increase of \$225,020 (16.7%) to \$1.6M. This fund is used to account for the operation and maintenance of street lighting services for districts in the unincorporated areas of Pinellas County. All lighting services within the districts are provided by Duke Energy Corporation. The property owners in each district are assessed annually based on their pro-rata share of the costs of operation and maintenance.

Operating Expenses reflect a net increase of \$219,020 (16.6%) to \$1.5M primarily driven by increases in electricity costs from Duke Energy Corporation. As a result, Fund Balance reflects a decrease of \$208,100 (93.8%) to \$13,660. Due to the substantial increases in energy costs and low reserves, this fund will be monitored closely during FY24.

PUBLIC WORKS

For more information regarding the Street Lighting Districts Fund, see Support Funding section (Street Lighting Districts).

SAFETY AND EMERGENCY SERVICES

Jim Fogarty, Director

Phone Number: (727) 464-3835

<https://pinellas.gov/department/safety-and-emergency-services/>

Department Purpose

Safety and Emergency Services (SES) ensures the effective delivery of public safety services to residents and visitors within Pinellas County. The department collaborates with partner agencies through administration of the following six (6) programs: Sunstar Ambulance, First Responder, Regional 911, Radio Communications, Fire Regional (Hazardous Material & Technical Rescue Responses), and 12 Dependent Fire Districts.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
911 Calls Answered Within 10 Seconds	Percent	87.0 %	87.0 %	90.0 %	90.0 %
Advanced Life Support (ALS) First Responses within 7.5 Minutes	Percent	94.0 %	91.0 %	93.0 %	93.0 %
Ambulance Responses within 10 Minutes	Percent	88.0 %	86.0 %	93.0 %	93.0 %
Cardiac Patients with a Pulse Upon Delivery to a Hospital	Percent	35.0 %	33.0 %	31.0 %	31.0 %
Net Percent of Ambulance Service Charges Collected	Percent	72.0 %	83.0 %	70.0 %	70.0 %
Priority Technology Needs Resolved within 24 Hours	Percent	-	-	75.0 %	75.0 %

FY23 Accomplishments

- The Department is reporting over 100 specific and notable accomplishments that demonstrate the dedication, effectiveness, and attention to the public trust our employees internalize in creating such results.
- Revenues from user fees that support the Emergency Services system have increased 13.0% over last year due to successful efficiency initiatives implemented within the Financial Services Division.
- Successfully passed more than 15 External Audits without exception and in full compliance with all Center for Medicare & Medicaid Services (CMS) regulatory rules.
- Responded to over 629 public records requests per month with an average processing time of 2.5 days within the Support Services Division.
- Completed major Radio System Capital Improvements and hardening while also cataloging and confirming system capability and adopting a signal strength standard Countywide that is safe and reasonable.
- Improved 911 call answering time by 7.0% with a quality call standard that meets accreditation standards by the R911 Division.
- Reduced average vacancies by 9 while also reducing monthly overtime usage by 700 hours per month.
- Implemented multiple system response improvements including new units in East Lake, Largo, Tarpon Springs, St Petersburg while also reducing the EMS millage Countywide by our Fire and EMS Administration Division.
- Updating contractual relationships with key contractors include Sunstar Ambulance, the Medical Director and several funding agreements with Fire Agencies involving fire stations and vehicles.

SAFETY AND EMERGENCY SERVICES

Work Plan

- Implement Deductible Management Program.
- No Surprises Act (NSA) – Monitor and prepare for the pending expansion of NSA to ground-ambulance transportation.
- Formalize Ambulance Billing Contracting.
- Collaborate to Consolidate All Dispatch Functions onto a Single Platform (CAD Project).

SAFETY AND EMERGENCY SERVICES

Budget Analysis

The Safety and Emergency Services budget consists of four funds: The General Fund, Emergency Medical Services Fund, Intergovernmental Radio Communication Program Fund, and the Emergency Communications E911 System Fund. Between the four funds, Safety and Emergency Services FY24 Budget is increasing \$24.3M (9.6%) over the FY23 Budget.

Personnel Services increase by \$1.3M (6.5%) to \$21.5M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 197.2.

General Fund

The General Fund supports the operations of Regional 911, Radio Communications, and Fire Regional Services. Total Expenditures increased \$603,540 (5.0%), from \$12.0M to \$12.6M over the FY23 Budget.

Emergency Medical Services Fund (EMS)

The Emergency Medical Services Fund supports Ambulance, First Responders, Financial Administration and Ambulance Billing, and Emergency Medical Services Grants. Excluding reserves, expenditures are increasing \$18.6M (11.4%), from \$163.1M to \$181.7M.

The FY24 Budget includes an increase of \$8.8M for the Ambulance Contract from \$65.3M to \$74.2M (13.5%). The contract is based on transportation volume, medical supplies for the entire EMS system, and the Consumer Price Index.

FY24 Budget includes an increase of \$1.7M, from \$9.2M to \$10.9M (18.2%) for County approved vendor contract cost increases.

The FY24 Budget includes an increase of \$5.9M, from \$68.3M to \$74.2M (8.6%) in Grants and Aids from First Responders Agency Funding contract for actual costs identified in the Resolution 09-37 EMS Level of Service, and Resolution 09-38 Reasonable and Customary Costs.

The FY24 Budget includes an increase for Subscriptions & Memberships of \$952,350, from \$35,850 to \$988,200 (2,656.5%) mainly for the electronic Patient Care Reporting (ePCR) and Computer Aided Dispatch (CAD) Record Management System.

The FY24 Budget Revenues, excluding fund balance, are increasing \$17.3M (10.8%), from \$160.3M to \$177.6M. Beginning Fund Balance is increasing \$5.9M (9.0%), from \$65.5M to \$71.4M.

The FY24 Budget includes an increase in revenues of \$8.5M, from \$46.7M to \$55.2M (18.2%) for ambulance service fees collected in the Emergency Medical Services Fund.

The FY24 Budget includes an increase in revenues of \$1.8M, from \$15.8M to \$17.6M (11.4%) for ambulance services fees from Medicare in the Emergency Medical Services Fund.

Reserves for the Emergency Medical Services Fund are increasing \$4.6M (7.4%), from \$62.7 to \$67.4M.

Intergovernmental Radio Communication Program Fund

The Intergovernmental Radio Communication Program Fund is a special revenue fund for Radio. Excluding reserves, expenditures are projected to remain the same as the FY23 Budget with Communication Services Repair and Maintenance budgeted at \$1.1M.

Revenues, excluding fund balance, for the Intergovernmental Radio Communication Program Fund are increasing \$22,730 (2.5%), from \$895,150 to \$917,880. Beginning Fund Balance is decreasing \$21,290 (6.6%), from \$322,510 to \$301,220.

Reserves for the Intergovernmental Radio Communication Program Fund are increasing \$1,440 (1.2%), from \$120,130 to \$121,570.

Emergency Communications E911 System Fund

The Emergency Communications E911 System Fund is a special revenue fund for Regional 911. Excluding reserves, expenditures are projected to increase \$318,840 (2.8%), from \$11.5M to \$11.8M.

Revenues, excluding fund balance, for the Emergency Communications E911 System Fund are decreasing \$1.3M (12.7%) from \$10.3M to \$8.9M. Beginning Fund Balance is increasing \$1.8M (60.3%), from \$2.9M to \$4.7M.

Reserves for the Emergency Communications E911 System Fund are increasing \$154,380 (9.1%), from \$1.7M to \$1.9M.

SAFETY AND EMERGENCY SERVICES

Budget Summary by Program and Fund

Regional 911

24/7 operation of the countywide consolidated emergency communications call center, or Regional 911 (R911), where telecommunicators determine the nature of emergency calls and dispatch appropriate emergency response units, such as Emergency Medical Services and Fire Departments, as necessary to a specific location. Provides management and administration of the Emergency Communications E911 system.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 4,333,861	\$ 4,640,412	\$ 8,811,900	\$ 8,938,760
Emergency Communications E911 System	9,841,579	9,556,272	11,860,480	11,837,760
Total Expenditures	\$ 14,175,440	\$ 14,196,684	\$ 20,672,380	\$ 20,776,520
FTE by Program	131.8	130.6	131.0	129.9

Emergency Events

Expenditures incurred during a disaster event to allow for accurate tracking of those expenses in support of reimbursement of eligible expenditures from the Federal Emergency Management Agency's (FEMA) Public Assistance Grant Program or other funding sources, as applicable.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 2,365	\$ 0	\$ 0	\$ 0
Emergency Medical Service	1,927,333	633,892	0	0
Emergency Communications E911 System	5,147	0	0	0
Total Expenditures	\$ 1,934,845	\$ 633,892	\$ 0	\$ 0
FTE by Program	0.0	0.0	0.0	0.0

EMS Ambulance Program

Single contract ambulance provider for all ambulance transportation needs to include emergencies, non-emergencies, critical care, and mental health transports. Operates under the County's tradename of Sunstar. Administers the billing operations for Sunstar transports and manages the "First Care Membership" program, which is offered to help citizens defray the cost of ambulance transports not covered by insurance.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Emergency Medical Service	\$ 67,799,529	\$ 71,313,768	\$ 80,532,610	\$ 90,667,440
Total Expenditures	\$ 67,799,529	\$ 71,313,768	\$ 80,532,610	\$ 90,667,440
FTE by Program	43.2	43.7	46.0	46.5

SAFETY AND EMERGENCY SERVICES

EMS First Responders Program

Fire Department-based First Response to medical calls. Administers contracts with numerous city or independent fire departments that operate Advanced Life Support (ALS) First Responder Units. Funding is utilized for Firefighter/Paramedic salary/benefits, EMS equipment and vehicles, supervision, and overhead specific to Emergency Medical Services operations. Program support includes Medical Direction, Continuing Medical Education (CME), EMS Administration, and Medical Supplies.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Emergency Medical Service	\$ 65,024,273	\$ 73,157,904	\$ 85,949,050	\$ 88,246,100
Total Expenditures	\$ 65,024,273	\$ 73,157,904	\$ 85,949,050	\$ 88,246,100
FTE by Program	8.5	9.8	12.8	13.3

Fire Regional Services Program

Administrative oversight for the countywide hazardous materials and technical rescue response teams using teams of specially trained firefighters from designated fire departments. Supports specialized training, equipment, and vehicles.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 1,037,022	\$ 1,379,459	\$ 2,090,940	\$ 1,840,940
Total Expenditures	\$ 1,037,022	\$ 1,379,459	\$ 2,090,940	\$ 1,840,940
FTE by Program	1.2	1.1	1.1	1.2

Property Appraiser Program

Places a fair and equitable just/market value on all property in Pinellas County, for the purpose of providing taxable values to the Taxing Authorities for their property tax levies. Administers any tax exemptions granted by statute such as permanent resident's Homestead Exemption, Portability, Seniors, Widows and Disabled exemptions, etc.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Emergency Medical Service	\$ 609,895	\$ 605,500	\$ 655,890	\$ 664,620
Total Expenditures	\$ 609,895	\$ 605,500	\$ 655,890	\$ 664,620
FTE by Program	0.0	0.0	0.0	0.0

Radio & Technology

Management and administration of the countywide intergovernmental radio and data system used for public safety communication and incident response and non-public safety use by various agencies and regional partners such as Pinellas Suncoast Transit Authority (PSTA) and the Pinellas County School District. Provides a secure, countywide computer network connecting nearly 100 remote sites to the Regional 911 Center.

Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 2,845,243	\$ 1,944,960	\$ 2,102,290	\$ 1,867,390

SAFETY AND EMERGENCY SERVICES

Tax Collector Program

Collects, bills, and distributes all taxes for the County, municipalities, Tourist Development Council, School Board, and taxing districts, including the sales tax on vehicles, vessels, and mobile homes. Collects delinquent taxes and sells certificates for unpaid taxes. As the agent for state government, the Tax Collector issues licenses and titles for cars, trucks, boats, and mobile homes; collects fees for fishing and hunting licenses; issues Driver Licenses and Birth Certificates; processes applications for Concealed Weapons Licenses; and takes applications for voter identification cards.

SOLID WASTE

Paul Sacco, Director

Phone Number: (727) 464-7500

<https://pinellas.gov/department/solid-waste/>

Department Purpose

The Solid Waste Department administers and manages solid waste disposal services for Pinellas County citizens and businesses in a safe, sustainable, and cost-efficient manner.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Business Waste Assessments Return to Compliance Rate	Percent	44.7 %	29.0 %	50.0 %	50.0 %
Contamination Rate for Countywide Recycling (biennial)	Percent	-	18.8 %	-	-
Projected life of the landfill (years remaining)	Years	76.0	82.0	82.0	82.0
Traditional Recycling Rate (as reported to FDEP, not including combustion credit)	Percent	49.6 %	48.6 %	-	-
Waste-To-Energy Availability	Percent	85.3 %	94.3 %	85.0 %	85.0 %

FY23 Accomplishments

- Attained solid waste organization American Public Works Association (APWA) Accreditation in January 2023.
- Requested and received FDEP’s approval to increase the outward gradient reporting from 30 to 90 days and to increase Landfill Cell-1 elevation from 90’ to 150’ to increase lifespan.
- Created processes to list and sell Renewable Energy Credits (RECs) on the open market. The result is a new revenue source that yielded \$450,000 in revenue in 2022 and should continue to yield approximately \$250,000 per year going forward.
- Successfully coordinated with the Waste-to-Energy Operator, Covanta, to locate their ferrous metals cleaning process to the Solid Waste Facility, resulting in a transportation cost avoidance of \$175,000 and a new revenue source of \$250,000 per year.
- Staff successfully planned and implemented communications to cease the collection and recycling of household generated electronics waste effective October 1, 2022. In addition to this program change improving electronics waste handling and reduced liability for information handling, it also reduces third party contractual costs by \$300,000 per year. The Household Electronics and Chemical Collection Center (HEC3) was rebranded to Household Hazardous Waste (HHW) on June 1st.
- As of May 31st, the DSW team reached the milestone of 1,230 days without a lost-time injury. Property damage incidents are also trending lower by 20.0% compared to FY22.
- The Solid Waste Department team has initiated Career Path and Ladder for 60% of employees. Revised the ‘Where Does It G tool and published the 2023 recycling guide.
- Assisted the cities of Belleaire and Madeira Beach to better understand the full impact of pulling back on recycling programs to reduce costs.

Work Plan

- Determine Feasibility for a Publicly-Owned Materials Recycling Facility (MRF)
- Implement Commercial Sector Food Waste Collection Program
- Develop a Residential Sector Food Waste Diversion Program

SOLID WASTE

Budget Analysis

The Solid Waste Department's FY24 Budget, excluding reserves, reflects an increase of \$2.9M, or 2.9% when compared to the FY23 Adopted Budget. The Department uses two funds to fulfill its purpose. The Revenue and Operating Fund is for day-to-day operations, and the Renew and Replacement Fund is for current capital expenditures and reserves for future capital projects.

Solid Waste Revenue and Operating Fund

Personnel Services decreased by \$16,830 (0.2%) to \$7.3M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE are decreasing by 2.0 to 72.0 (2.7%) due to attrition and a pilot program outsourcing one maintenance position.

Operating Expenses reflect an increase of \$2.9M (4.7%) from the FY23 Adopted Budget. The main drivers of this increase are contractually negotiated Waste-to-Energy operator (Covanta) cost increases of \$2.9M (11.3%) and the addition of \$1.7M for tip trailer and traffic management operational expenditures.

Revenues, excluding beginning fund balance, reflect an increase of \$10.4M (7.7%) in FY24, and are supported by electricity sales from the Waste-to-Energy plant, electrical capacity charges, and collection of tipping fees. Collection of tipping fees will increase by \$2.8M (5.5%) in FY24 due to the Implementation of the second of three approved 6.8% rate increases. Sale of Renewable Energy Credits yielded \$250,000 in FY24 and are projected to stabilize at this level in following years. Miscellaneous revenues include scrap metal sales generating \$250,000 in new revenue, and interest earnings.

Expiration of The Power Purchase Agreement with Duke Energy in December 2024 is projected to cause a \$42.5M (55%) decrease in FY25 revenue and continuing to significantly reduce revenues future years.

Solid Waste Renewal and Replacement Fund

The Solid Waste Renewal and Replacement Fund FY24 Budget, excluding reserves, reflects a \$2.2M (8.5%) increase over the FY23 Adopted Budget. This increase is primarily driven by Capital Improvement Program (CIP) inflationary costs and scope expansion.

Budget Summary

	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total
Personnel Services	\$ 0	\$ 7,284,940	\$ 7,284,940	\$ 0	\$ 7,268,110	\$ 7,268,110

UTILITIES

Jeremy Waugh, Interim Director

Phone Number: (727) 582-2300

<https://pinellas.gov/department/utilities/>

Department Purpose

Pinellas County Utilities (PCU) distributes clean drinking water, collects and treats wastewater, and delivers reclaimed water to County residents, businesses, and visitors. These vital and reliable services sustain life; support the local economy and a vibrant community; and protect public health and the environment.

Performance Measures

Measure	Unit of Measure	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Average Call Time	Count	-	-	8.0	8.0
Department Vacancy Percentage	Percent	-	-	15.0 %	15.0 %
Planned Maintenance Hours	Percent	-	-	70.0 %	70.0 %
Potable Water Flushing	Gallons	-	-	693,000,000.0	1,260,000,000.0
SSO Events	Count	48.0	38.0	0	0
Unplanned Maintenance Hours	Percent	-	-	30.0 %	30.0 %

FY23 Accomplishments

- Finalized multi-year rate study and recommendations for FY24-27 for water, sewer, and reclaimed water rates. The Board approved the rate plan and public outreach plans on June 13, 2023.
- Established a central Data unit with existing staff from different divisions for more focused and effective gathering and management of information for decision-making, performance management, and strategic planning.
- Began implementation of the Private Sewer Laterals Program Initiative.
- Began implementation of the Advanced Metering Infrastructure (AMI) project. Issued the Notice to Proceed.

Work Plan

- CIP Program Management Contract
- Belleair Water System Acquisition
- Comply with Senate Bill 64 - Elimination of non-beneficial surface water discharge
- Septic-to-Sewer Program (ARPA Funded)
- Implement Advanced Metering Infrastructure (AMI) Project
- Manufactured Home Communities Infrastructure Improvements working in conjunction with Housing and Community Development (Restore Act, Resilient Florida, ARPA Funded)
- Develop plan for Regional Resource Recovery Facility

UTILITIES

Budget Analysis

The FY24 Utilities Department requirements total \$465.6M, decreasing \$11.2M (2.4%) from the FY23 Adopted Budget. Net of reserves and transfers within the department's funds, expenditures total \$288.8M, a decrease of \$2.1M (0.7%) from FY23. The net decrease reflects a reduction in operating capital and capital improvement projects (\$9.3M) offsetting increased personnel (\$3.3M) and operating expenses (\$3.7M). Total Water and Sewer Capital Improvement Program (CIP) appropriations for FY24 are decreasing \$7.0M (5.7%) from \$122.4M in FY23 to \$115.4M in FY24.

Personnel Services increase by \$3.3M (8.1%) to \$44.1M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 438.9.

Water Revenue & Operating Fund

The Water Revenue & Operating Fund, which provides 31.1% of the funding for FY24 Utilities Department expenditures, budgets reserves of \$41.6M, an increase of \$18.9M (83.3%) over the FY23 Budget. The net increase in reserves reflects a \$17.0M decrease in the annual internal transfer from the Water Revenue & Operating Fund (R&O) to the Water Renewal & Replacement Fund (R&R), which has sufficient funding for FY24 capital projects. Fund reserves are at 41.1% of revenues, above the target threshold of 25.0%, and will be drawn down over several years to fund planned water infrastructure projects.

Revenue is expected to increase by \$6.1M, to \$101.2M in FY24. The 6.4% increase reflects a full-year of changes to user fees approved in FY23 and year-1 of the four (4) year rate plan approved by the Board on June 13, 2023. A new use fee is added for FY24 to recover the County's incremental cost of compliance with the U.S. Environmental Protection Agency's new Lead and Copper Rule Revision (LCRR). This unfunded federal mandate expands required testing of water samples from daycare centers and primary schools. The new user fee is included in the Summary of Changes and the Utilities User Fee Schedule in the Appendix of this document.

Excluding reserves and transfers within the Water Program, the FY24 Budget for expenditures (\$89.8M) reflects an increase of \$4.8M, or 5.7% over FY23. In addition to the Personnel Services increases noted above for the department, operating expense increases \$2.5M (3.8%) over FY23. At \$44.5M, purchased water from Tampa Bay Water accounts for 49.6% of the total Water R&O fund expense budget, with an increase of \$300,000 (0.7%) over the FY23 Adopted Budget. Primary cost increase drivers include \$805,300 for water treatment chemicals (89.5%), \$389,330 for other supplies (20.0%), \$224,900 for electricity (23.0%), \$392,000 for repair and maintenance of water lines (56.0%), and \$355,230 for internal service from County departments (3.3%). These increases are largely due to Duke Energy rate increases and supply chain disruptions, followed by inflationary pressure on commodities, services, and contract work. Offsetting reductions in expenses include \$207,510 in general consulting (14.8%), and \$293,090 in operating capital for machinery and equipment, vehicles and heavy equipment, and software (29.9%).

Water Renewal & Replacement Fund

The Water Renewal & Replacement Fund, which provides 18.1% funding for FY24 Utilities Department expenditures, budgets total reserves of \$30.3M, a decrease of \$40.3M (57.1%) from the FY23 Budget. The decrease in reserves partially reflects a \$16.9M decrease in the annual Water Revenue & Operating Fund (R&O) internal transfer to the Water Renewal & Replacement Fund (R&R). The R&R fund has sufficient reserves for FY24 capital project budgets. Beyond the annual water transfer from the R&O Fund, revenue supporting capital projects consists of state or federal grants. Grant funds are budgeted at \$1.2M for FY24, with \$930,060 added to the \$306,940 budgeted in FY23. Excluding reserves, the total budget for capital improvement project expenditures increases \$2.9M (5.9%), from \$49.0M in FY23 to \$51.9M for FY24. The listing of water CIP projects proposed for FY24 through FY29 is provided in the 6-year Capital Improvement Plan.

Water Impact Fees Fund

The Water Impact Fees Fund budgets projected revenue of \$151,950, with the total to be transferred to the Water R&O Fund. The drawdown leaves \$0 in the fund balance at the end of FY24.

Sewer Revenue & Operating Fund

The Sewer Revenue & Operating Fund, which provides 23.7% funding for FY24 Utilities Department expenditures, budgets total reserves of \$23.0M, an increase of \$11.0M (90.9%) over the FY23 Budget. The net increase in reserves reflects a \$2.1M decrease in the annual internal transfer from the Sewer Revenue & Operating Fund (R&O) to the Sewer Renewal & Replacement Fund (R&R). At \$40.0M, the transfer to Sewer R&R for CIP is still substantial to support capital projects in FY24. Fund reserves are budgeted at 20.5% of revenues (below the target threshold of 25.0%). The transfer to the Sewer Interest & Sinking Fund for FY24 debt service payments is \$14.0M.

UTILITIES

Revenue is expected to increase by \$7.6M, to \$112.5M in FY24. The 7.3% increase reflects a full-year of changes to user fees approved in FY23 and year-1 of the four (4) year rate plan approved by the Board on June 13, 2023. The FY24 Budget for expenditures, excluding reserves and transfers within the Sewer Program, reflects an increase of \$193,910 (0.3%) over FY23. Including transfers and reserves, the FY24 Budget increases \$8.9M (6.5%) to \$145.4M. In addition to the Personnel Services increases noted above for the department, operating expense increases \$1.2M (2.9%) over FY23. The primary cost drivers include \$430,600 for sewer treatment chemicals (9.2%), \$401,720 for other supplies (13.5%), \$711,000 for electricity (17.1%), \$355,080 for sludge recycling (19.8%), and \$376,000 for repair and maintenance of sewer lines (28.9%). These increases are largely due to Duke Energy rate increases and supply chain disruptions followed by inflationary pressure on commodities, services, and contract work. Offsetting reductions in expenditures include \$660,070 in general consulting (7.7%), \$563,800 in other contract services (16.3%), \$170,420 in repair and maintenance of buildings (36.1%), and \$2.0M in operating capital for machinery and equipment, vehicles and heavy equipment, and software (56.9%).

Sewer Renewal & Replacement Fund

The Sewer Renewal & Replacement Fund, which provides 14.9% funding for the Utilities Department expenditures, budgets total reserves of \$27.4M, an increase of \$21.2M (341.3%) over the FY23 Budget. Revenue decreases by \$9.7M (89.4%) to \$1.2M in FY24. This reflects moving ARPA funding to a separate fund for accounting and reporting on the federal grant. Excluding reserves, the total budget for capital improvement project expenditures decreases \$25.6M (37.2%), from \$68.7M in FY23 to \$43.1M for FY24. The listing of sewer CIP projects proposed for FY24 through FY29 is provided in the 6-year Capital Improvement Plan.

Sewer Interest & Sinking Fund / Debt Service

The Sewer Interest & Sinking Fund budgets total reserves of \$375,150, a decrease of \$68,090, or 15.4%, below the FY23 Budget. The only revenue to this fund is the annual transfer from the Sewer Revenue & Operating Fund, which provides separate accounting for debt service payments in compliance with bond and note covenants and generally accepted accounting principles (GAAP). The FY24 Budget for expenditures, excluding reserves, increases \$169,240, or 1.2% over FY23. The net increase reflects the scheduled increase in principal payments, with offsetting decreased interest expense after the conversion of refunded notes to tax-exempt status in FY2022.

Solid Waste Revenue & Operating Fund

The FY24 Utilities Budget is partially funded by the Solid Waste Department's allocated share of costs for water quality monitoring and SCADA systems. The cost allocation decreases from \$779,180 in FY23 to \$418,360 in FY24, which is 0.1% of Utilities Department budgeted expenses. The \$360,820 (46.3%) decrease reflects a redistribution of lab costs due to the testing of samples for Solid Waste moving to an outside lab.

American Rescue Plan Act (ARPA) Fund

The Water and Sewer CIP budgets for FY24 partially funded with \$20.4M from the federal ARPA grant are: 1) Manufactured Home Communities Wastewater Collection System Improvements - includes replacing up to fifteen (15) manufactured home communities wastewater collection systems in unincorporated southern Pinellas County; 2) South Cross Bayou Dewatering Improvements - evaluate, design, and construct a new upgraded dewatering system to replace the old equipment that has ended its useful lifecycle; 3) South Cross Bayou Denitrification Filter Rehab - rehabilitate South Cross Bayou the denitrification filter to increase treatment; and 4) Septic to Sewer Program Phase 1 - First phase in a multiyear septic to sewer conversion project that will extend Pinellas County Utilities' wastewater collection system into neighborhoods that are within PCU's service area but 100 feet away from the collection system.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

CLERK OF THE CIRCUIT COURT AND COMPTROLLER

Ken Burke, CPA, Clerk

Phone Number: (727) 464-3341

<https://www.pinellasclerk.org>

Department Purpose

Pursuant to Revision 7 of Article V of the State Constitution, the Clerk has three distinct functions: recording legal documents such as real estate transfers, performing statutorily mandated support for the court system and the legal community, and providing services to the Board of County Commissioners. The Clerk serves as Accountant and Clerk to the Board of County Commissioners (BCC), Custodian of county funds, Ex-Officio County Auditor and Clerk of the Water and Navigation Control Authority. Additionally, the Clerk provides printing services and mail services to County departments. Many of the Clerk's varied court responsibilities are not reflected in the County budget, as they are a separate state budget responsibility, supported by fees. The recording function is also supported by fees, and if the revenues exceed expenditures the County receives excess fees from the Clerk.

Budget Analysis

The overall FY24 Budget for the Clerk is \$17.2M, which is identified as a transfer to the Clerk from the BCC's General Fund, reflects a decrease of \$47,400 (0.3%) as compared to the FY23 Budget.

Personnel Services decrease by \$384,540 (2.4%) to \$15.4M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, an increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. Personnel Services also include a correction of \$337,640 for FY24. Additional 3.6 FTE reflected in FY24 represent an increase of two (2.0) FTE in Finance Division, two (2.0) FTE in Accounts Payable, 0.6 FTE increase due to changes in allocations, and a decrease of one (1.0) FTE in Payroll.

Operating expenditures increase by \$355,460 (26.0%) to \$1.7M. Capital outlay expenditures decrease by \$18,320 (26.1%) over FY23 Budget.

In FY23, Board approved a budget amendment in the amount of \$825,000 to cover unexpected revenue reductions in the Recording Budget. As the Recording revenues have remained historically low and due to the fact that metrics that result in lower Recording revenue, including higher interest rates, have a lagging effect, Clerk will request any unexpended Recording revenue be reverted, pursuant to S. 218.36 (2), F.S., and immediately reappropriated for the same purpose.

Budget Summary

PROPERTY APPRAISER

Mike Twitty, MAI, CFA, Property Appraiser
<https://www.pcpao.org/>

Phone Number: (727) 464-3207

Department Purpose

The Property Appraiser is responsible for placing a fair, equitable, and just value on all property in Pinellas County. While the Property Appraiser determines the value on over 450,000 parcels of real estate and tangible personal property accounts, for the purpose of levying taxes, the Property Appraiser does not set tax rates. These tax rates are set by the Board of County Commissioners, by municipalities, by the Pinellas County School Board and other tax levying boards such as the Southwest Florida Water Management District and Pinellas Suncoast Transit Authority, etc. The Property Appraiser also administers any tax exemptions granted by statute such as widows and disabled exemptions and the standard Homestead Exemptions. The Property Appraiser is elected by the citizens of Pinellas County every four years.

Budget Analysis

The total FY24 Budget for the Property Appraiser (\$15.3M) reflects an increase of \$362,895 (2.4%) above the FY23 Budget (\$14.9M). Capital outlay items remain at \$0 in FY24. The cost of personnel services increased by a net of \$218,212 (1.6%) over the FY23 Budget. One (1) vacant position is eliminated, with the total number of positions decreasing from 129.0 to 128.0 FTE. Operating expenses increased a net of \$144,683 (10.6%) above the FY23 Budget. Aerial photography services, budgeted at \$25,000 in FY23, is eliminated in FY24. With completion of the new Property Appraiser website, professional services for Electronic Data Processing (EDP) reflects a decrease of \$14,412 (100.0%). Subscriptions decrease by \$29,800 (31.0%). Office supplies decrease \$5,400 (21.3%). Contractual services increase \$35,484 (15.2%). Repair and maintenance expense for EDP reflects an increase of \$157,412 (32.3%). Leasing expense for vehicles increases \$22,000 (55.0%).

The table below reflects only the General Fund transfers appropriated for Property Appraiser (PA) services, which are expected to increase \$144,970, or 1.2% to \$12.7M. The General Fund supports 82.9% of the Property Appraiser's total FY24 Budget, while the other taxing authorities pay their proportional share of the total expenditure budget based on each authority's share of ad valorem taxes levied in the preceding year. Collectively, Emergency Medical Services, Juvenile Welfare Board, Pinellas Suncoast Transit, Southwest Florida Water Management District, Pinellas Planning Council, the Health Department, the Fire Districts, and all other special districts, will pay \$2.6M to support 17.1% of the PA's total budget.

SHERIFF

Bob Gualtieri, Sheriff
<https://www.pcsoweb.com/>

Phone Number: (727) 582-6200

Department Purpose

Pursuant to Florida Statutes, the Sheriff is the chief law enforcement officer within the County. The Pinellas County Sheriff's Office (PCSO) is required to provide basic services to all citizens residing within Pinellas County. These include law enforcement, jail operations, and court security. The Sheriff also tracks sexual predators/offenders, conducts flight operations, serves civil process, manages pre-trial services, administers the misdemeanor probation program, and conducts joint operations with state and federal law enforcement agencies. The Sheriff serves as the primary law enforcement officer to the unincorporated areas of Pinellas County and to 13 of the county's 24 municipalities pursuant to contract. Additionally, the Sheriff provides a variety of law enforcement services to the other 11 municipalities and contracts with many of these cities for specialized services.

Budget Analysis

For the FY24 Budget, the Sheriff's Office is requesting \$414.4M, an increase of \$40.2M (10.7%) above the FY23 Budget. Personnel Services increased \$31.4M (10.2%) to \$338.2M. Operating Expenses increased \$10.2M (23.2%) to \$54.4M. Excluding the one-time payments in FY23 for the Computer Aided Dispatch (CAD) (\$7.4M) and for vehicle replacement (\$1.8M), Capital Outlay increased \$9.9M (102.6%) to \$19.6M. Debt Service decreased \$2.2M (50.7%) to \$2.1M. Of these increases, \$9.5M has been identified as one time non-recurring expenses.

Law enforcement is budgeted to increase \$24.6M (12.5%) over the FY23 Budget. Personnel Services increased \$16.1M (10.2%). Operating increased \$6.5M (25.5%). Capital Increased \$4.2M (44.0%). Debt Service decreased \$2.2M (50.7%).

Detention and Corrections is budgeted to increase \$21.1M (15.6%) over the FY23 Budget. Personnel Services increased \$12.0M (10.0%). Operating increased \$3.5M (22.5%). Capital Increased \$5.7M (100.0%).

Judicial Operations is budgeted to increase \$3.6M (12.0%) over the FY23 Budget. Personnel Services increased \$3.4M (12.0%). Operating increased \$213,840 (11.0%).

Total staffing increased by twenty-four positions to 2,468. Staffing within the Law Enforcement Division increases by twenty-six to 1,175, decreased by five within the Detention & Corrections Division to 1,038, and increased by three within the Judicial Operations Division to 255.

Sheriff: Judicial Operations

Judicial Operations provides security and support to the Circuit and County court system. Sheriff's deputies are at the front doors and at the judges' sides at five courthouses in Pinellas County. They ensure the security of hundreds of courthouse employees and thousands of citizens who come to the courthouses every day to conduct business, appear for proceedings or serve on a jury. Florida State Statutes also require the Sheriff's Office to serve all enforceable civil processes (writs, warrants, subpoenas, and other legal documents). Judicial Operations is also responsible for the operation of the misdemeanor/probation program which handles over 2,500 cases at any given time.

Sheriff: Law Enforcement

Full primary law enforcement services in the unincorporated area of the County as well as 13 cities. The cities currently under contract with the Sheriff's office to provide full services are Belleair Beach, Belleair Bluffs, Belleair Shore, Dunedin, Indian Rocks Beach, Madeira Beach, North Redington Beach, Redington Beach, South Pasadena, Oldsmar, Safety Harbor, Seminole, and St. Pete Beach. The Sheriff's Office also has contractual agreements with other cities in the county for specific services, which includes a wide range of countywide services, including SWAT, canine, the Sexual Predator and Offender Tracking (SPOT) unit, and the airborne Flight Unit. This also includes supporting services, such as fleet maintenance, training, records, and evidence.

SUPERVISOR OF ELECTIONS

Julie Marcus, Supervisor of Elections

Phone Number: (727) 464-VOTE (8683)

<https://www.votepinellas.gov/>

Department Purpose

The Supervisor of Elections (Supervisor) conducts Federal, State, County, and Municipal elections. The Supervisor registers voters and maintains accurate voter registration records using the Florida Voter Registration System (FVRS), in accordance with federal and state law. The Supervisor recruits, trains, and assigns poll workers, locates and contracts with polling places, and surveys polling places, to make improvements to comply with Americans with Disabilities Act (ADA) accessibility requirements. The Supervisor conducts voter registration and education for college, high school, middle and elementary students. In accordance with Florida law, the Supervisor is responsible for producing and providing sample ballots to voters. The Supervisor complies with bilingual requirements of Section 203 of the Voting Rights Act (VRA).

Budget Analysis

The Supervisor of Elections FY24 Budget reflects an increase of \$2.3M (22.7%) to \$12.5M and is supported by the General Fund. This increase is due to election cycle adjustments to conduct the 2024 Presidential Preference Primary election, as well as increases to Personnel Services and Operating Expenses primarily driven by new voter eligibility list maintenance requirements and the addition of four FTE due to an unfunded mandate.

A new law, Florida Statute 98.075(5)(b), became effective July 1, 2023. It mandates that Supervisors of Elections assume responsibilities previously delegated to the Department of State. As a result of these changes, the Supervisor will establish a dedicated Eligibility Division within the Voter Services Department, which will increase the department's FTE by four. This new division will be responsible establishing communication channels with the Pinellas County Clerk of the Court and Comptroller, obtaining the required information as specified in F.S. 98.093, assessing information credibility, and adhering to the procedures outlined in Florida law for the removal of voters under F.S. 98.075(7). These procedures also include sending certified correspondence to voters and publishing notices in the newspaper, ensuring compliance with legal requirements.

TAX COLLECTOR

Charles W. Thomas, Tax Collector

Phone Number: (727) 464-7777

<https://pinellastaxcollector.gov/>

Department Purpose

The Tax Collector bills, collects, and distributes all taxes for the County, municipalities, Tourist Development Council, School Board, and taxing districts. The Tax Collector issues licenses and titles for cars, trucks, boats, and mobile homes; issues fishing and hunting licenses; processes applications for Concealed Weapons Licenses; issues Drivers Licenses and Birth Certificates; and takes application for voter ID cards. This budget reflects the funds associated with the Tax Collector fees related to the collection of the Countywide and Unincorporated Area (MSTU - Municipal Services Taxing Unit) millage. The Tax Collector is elected by the citizens of Pinellas County every four years.

Budget Analysis

The total FY24 Budget for the Tax Collector (\$35.4M) reflects an increase of \$1.3M (3.8%) above the FY23 Budget (\$34.1M). The cost of personnel services increased by \$523,300 (2.1%) over the FY23 Budget. There is no change in the total number of positions from FY23 to FY24 (285.0 FTE). Operating expenses increase by \$190,396 (2.1%) above the FY23 Adopted Budget. The primary driver of the overall 3.8% increase is in capital outlay. The increase of \$574,050 (111.0%) over FY23 is in office furniture and equipment.

The table below reflects only the General Fund transfers appropriated for Tax Collector services. These transfers, which cover commissions for General Fund Countywide, County MSTU, and the School District, are expected to increase \$657,040 (2.3%) to \$29.1M. The other taxing authorities served by the Tax Collector also pay their share of the total expenditure budget based on the applied statutory collections formula on FY24 ad valorem tax revenue.

CONSOLIDATED CASE MANAGEMENT SYSTEM

Department Purpose

The Consolidated Case Management System (CCMS) serves the Pinellas County portion of the 6th Judicial Circuit for Criminal, Civil, Juvenile, Probate, and Traffic courts. CCMS serves as the central database for all the various justice related agencies including State Attorney, Public Defender, Sheriff, Clerk of the Circuit Court, and Judiciary. CCMS is the responsibility of the County pursuant to Article V, Revision 7 of the Constitution of the State of Florida.

Budget Analysis

Operating expenditures for the FY24 budget reflect a decrease of \$3.0M (51.4%), over the FY23 Budget. This decrease is attributed to a decrease in business projects. Costs are calculated and charged to this department via the County's cost allocation process.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

JUDICIARY

Shawn Crane, Chief Judge

Phone Number: (727) 453-7401

<https://www.jud6.org/default.htm>

Department Purpose

The Judiciary includes operational and administrative support for the Circuit and County Courts within Pinellas County. The Board of County Commissioners provides funding for statutorily required positions, communications, technology, and certain local option programs. Facilities maintenance is budgeted in the Real Estate Management Department under the County Administrator. Court security is included in the Sheriff's budget. All other personnel and operating expenses are either funded through grant awards, fines, and court costs, or are the financial responsibility of the State pursuant to Article V, Revision 7 of the State Constitution.

Budget Analysis

The Pinellas County Judiciary FY24 Budget reflects an overall increase of \$292,250 (5.4%) to \$5.7M and is supported by the General Fund. The Judiciary budget funded by the County provides statutorily mandated technology and operational support as well as various local options, including drug court, teen court, and juvenile alternatives.

General Fund

Personnel Services increase by \$245,520 (5.9%) to 4.4M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 46.3.

Operating expenses reflect an increase of \$51,660 (5.2%) primarily due to expenses for the computer replacement plan. Additionally, the Capital Outlay decreased \$4,930 (2.1%) primarily due to expenses for the computer replacement plan.

The Judiciary budget is supported by intergovernmental revenues, and charges for service. Revenue is expected to increase by \$109,490 (7.0%) to \$1.7M in FY24. These revenue sources may be used for to fund operating costs as outlined in Florida Statutes, County Code, or grant agreements.

The Judiciary's FY24 Budget consists of nine programs: Court Technology, Court – County's Statutory Requirements, Juvenile Alternatives, Teen Court, Juvenile Behavioral Evaluation, Administrative Office of the Courts, Drug Court, Court Counsel, and Law Libraries.

The Court Technology program budget increases by \$194,100 (9.3%) to 2.3M. This increase is due to the personnel services cost increases referenced above. Also included in this program are software license renewal, maintenance contracts, and other technology items.

For some Judiciary programs, outside grants are a significant portion of funding. If any of these grant programs end, the associated programs will not be able to continue without additional funding from the Board of County Commissioners.

Non-judicial juvenile diversion program for youth under 18 years of age as part of the Juvenile Arbitration Program. Teen Court's purpose for the teen offender is to interrupt developing patterns of criminal behavior in juveniles by promoting self-esteem, motivation for self-improvement, and a healthy attitude toward authority.

Juvenile Behavioral Evaluation

Supports the Unified Family Court by providing information regarding the social, emotional, behavioral, and cognitive abilities of juveniles, the overall functioning of the family, the child/adult's competence to understand proceedings, and recommended sanctions based on treatment needs. Enhances the safety and well-being of the community through client referrals for psychiatric evaluations and further treatment as deemed appropriate. The program was expanded with new Juvenile Welfare Board funding in FY18 to: 1) provide follow-up assistance to families in connecting with needed resources; and 2) to coordinate stakeholder communications and family support resources for participants in the Early Childhood Court. Promotes child safety while aiming to reunify families where possible by addressing trauma histories of parents that interfere with safe parenting.

PUBLIC DEFENDER

Sara Mollo, Public Defender

Phone Number: (727) 464-6516

<http://www.flpd6.gov/>

Department Purpose

The Public Defender's office provides legal advice, counsel, and defense services to needy and financially indigent citizens accused of crimes, as required by Florida law. The County portion of the budget funds Article V-related technology requirements, the Mitigation, advocacy, and treatment (Previously Jail Diversion) program, and the Incompetent to Proceed program.

Budget Analysis

The Pinellas County Public Defender's FY24 Budget reflects an overall decrease of \$773,150 (27.4%) to \$2.1M and is supported by the General Fund. The decrease is primarily due to the loss of grant funding and not needing to replace as many computers in FY24.

General Fund

The County's portion of the Public Defender's budget is used to maintain and replace various technology according to planned replacement schedule, as well as various programs. A portion of General Fund support is derived from the Document Recording Fee which is applied to Article V court technology expenses, while the other programs are funded through grants and other General Fund revenues. The Public Defender's budget consists of expenses related to technology and communications that are statutorily required to be funded by the County, as well as programs focused on Mitigation, Advocacy, and Treatment (MATT).

The Public Defender's budget consists of three programs: Technology; Mitigation, Advocacy, and Treatment– BCC Funds; and Special Programs.

The Technology program's budget reflects a decrease of \$352,690, (50.4%) to \$347,700. The decrease is primarily due to the various computer replacements taking place last year. The Public Defender also upgraded a conference room to allow for more virtual interactions last year and that work has since completed.

The Public Defender's budget also includes a Mitigation, Advocacy, and Treatment program to divert individuals with mental health or substance abuse issues from the criminal justice system to more effective and less costly alternatives. County funding for MATT in FY24 is \$886,040, an increase of \$85,050 (10.6%). This increase is due to a 10.6% increase in personnel costs as well as a \$50,000 increase in funding for additional services. This program's funding has been provided by the BCC in recent years to replace grant funding that is no longer available.

The remainder of the Public Defender's budget includes funding for two Crossover Case Manager positions to continue support of juvenile offenders transitioning out of foster care. This program began in FY18 as a pilot program, and has continued through the current budget, providing consistent guidance for their clients between the ages of 12 to 19. Total FY24 budget for the Public Defender's Special program decreases \$505,510, (38.1%) to \$819,990. This decrease is attributed to the loss of grant funding.

STATE ATTORNEY

Bruce Bartlett, State Attorney
<https://www.sao6.org/default.htm>

Phone Number: (727) 464-6221

Department Purpose

The State Attorney represents the State of Florida in the circuit and county courts and is responsible for conducting criminal prosecutions of all persons charged with violating state, county, and/or local laws and ordinances. The State Attorney reviews charges and complaints to determine whether they warrant prosecution and trial. In addition to court duties, the State Attorney provides legal advice in criminal matters to all law enforcement agencies and works with these agencies to provide in-service training. The County portion of the budget funds Article V related technology requirements.

Budget Analysis

The FY24 Budget for the State Attorney's Office increased by \$89,710 (17.0%) from the FY23 Budget to \$617,530.

General Fund

The State Attorney's Office does not have county-funded employees. The County's portion of the State Attorney's budget is used to maintain and replace various technology according to a planned replacement schedule. Operating Expenses are increasing by \$89,710 (17.0%) to \$617,530 due to the technology replacement schedules. A portion of General Fund support is derived from the Document Recording Fee, which is applied to Article V court technology expenses, with the remaining amount funded with other non-dedicated General Fund revenues.

BUSINESS TECHNOLOGY SERVICES

Jeff Rohrs, Director

Phone Number: (727) 453-3455

<https://pinellas.gov/department/business-technology-services/>

Department Purpose

BTS is the central IT service provider to Pinellas County Government. BTS provides a full suite of technology services to all BCC departments as well as continuing services to the Constitutional Officers, agencies, and the Courts. BTS is governed by the BTS Board, which consists of representation from the BCC, each Constitutional Officer, and the Judiciary.

Budget Analysis

Excluding Transfers and Reserves, the Business Technology Services (BTS) FY24 Budget reflects an overall increase of \$8.2M (14.1%) to \$66.4M and it is supported by two funds: Business Technology Services Fund and American Rescue Plan Act (ARPA) Fund.

Business Technology Services Fund

Excluding Transfers and Reserves, the FY24 Budget Business Technology Services Fund increases by \$4.0M (7.1%) to \$61.0M.

BTS is fully supported by the intergovernmental allocations to Board of County Commissioners (BCC) departments and non-BCC departments, and custom Information Technology (IT) services to various Constitutionals. FY24 Charges for Services decrease by \$4.0M (7.9%) from FY23 Budget. Former Office of Technology and Innovation Cost Allocation is now part of BTS cost allocation and is not being developed separately resulting in lower cost allocation spread from BCC and non-BCC departments.

Personnel Services increase by \$1.4M (5.7%) to \$25.3M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. There is a decrease in FTE count by one position (179.0 FTE) responsible for Database Administrative Services (DBA) to fund a recurring operating budget for the procurement of Bourntec managed DBA professional services.

Operating expenditures increase by \$3.1M (10.4%) over FY23 Budget. This increase is primarily attributed to a \$1.7M (15.7%) increase in professional services: \$1.6M increase in Strategic Projects, which reflects both unallocated balances to support future BCC approved efforts and current approved allocated efforts; \$400,000 increase for a LiDAR Effort (FY17 Decision Package (DP) with 5-year cyclical nature), and a \$332,000 decrease in Oracle Modernization Phase 2 of 3 (FY22 Approved DP) due to project completion. There is a \$1.7M (19.6%) increase related to additional licensing, capacity and inflationary and/or contractual increases.

Capital Outlay is decreasing by \$379,300 (10.2%) over FY23 Budget. This decrease is attributed to current network, service, and storage growth, and end-of-life equipment replacement schedules.

ARPA Fund

The FY24 Budget for ARPA Fund increases by \$4.2M (334.5%) over the FY23 Budget. Human Services Software System Modernization project is budgeted within Strategic Projects cost center in the amount of \$5.5M for FY24, an increase from \$250,000 in FY23. ARPA Operating Projects are being fully loaded due to ARPA requirements. The project is expected to begin January 2024. This system modernization would improve efficiencies of Human Services staff members, partners such as Department of Health, and contracted vendors relied on by the County to provide services to Pinellas County citizens. Along with operational efficiencies, the County and clients would also benefit from drastically improved self-service reporting capabilities, automation, integration capabilities, Business Intelligence and cybersecurity improvements. Because these systems house sensitive information subject to Health Insurance Portability and Accountability Act (HIPAA), an improvement to the security posture of these information systems is warranted. The ARPA Cybersecurity Project is set to finalize in FY23. \$12,224 will be spent in FY24 for Training on Digital Forensics Bootcamp.

BUSINESS TECHNOLOGY SERVICES

HUMAN RESOURCES

Peggy Rowe, Interim Director

Phone Number: (727) 464-3367

<https://pinellas.gov/department/human-resources/>

Department Purpose

The Human Resources Department (HR) provides a central personnel servicing function for the following appointing authorities: Board of County Commissioners, Clerk of the Circuit Court, Property Appraiser, Supervisor of Elections, Tax Collector, County Attorney, Office of Human Rights, Forward Pinellas, and Department of Business Technology Services. The Human Resources Department is governed by a Personnel Board, consisting of seven members: two members appointed by the Board of County Commissioners, two members appointed by the Constitutional Officers of the County, two members appointed by the Employees' Advisory Council, and one member selected by the other six members.

FY23 Accomplishments

- HR met or exceeded all Service Level Goals in all three categories: HR Customer Satisfaction Survey, New Employee Orientation Survey, and Time-to-Fill Positions. These goals were set in collaboration with the Appointing Authorities and the Unified Personnel Board.
- Collaborated with Appointing Authorities to enhance the Employee Referral Program. 125 employees were hired via our Employee Referral Program. Use of Employee Referral Program increased 76.0% from 2021.
- Conducted four County career fairs.
- Attended 47 recruitment and community events, resulting in 47 new hires.
- Worked with the Appointing Authorities to develop a retention supplement to reward employees who remain employed with the County through 2023. The first of two payments was made in February 2023.
- Redesigned our foundational leadership program and held a pilot for 21 supervisors. Boot Camp: Leadership Essentials will run for 4 sessions in 2023.
- Organizational & Talent Development (OTD) customized 46 learning opportunities at the request of department leadership to help employees up-skill, re-skill, and new-skill on a wide variety of topics.
- Improved dental benefits design and added voluntary benefits with approximately 1,500 participants.
- Coordinated approximately 63,000 hours of volunteer services with an estimated value of \$1.8M.

Budget Analysis

The FY24 Budget for the Human Resources Department increases \$132,790 (2.8%) from the FY23 Budget to \$4.8M. The Human Resources Department is funded by General Fund revenues.

Personnel Services for the department increase \$108,800 (2.5%) to \$4.5M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. Staffing decreases by one FTE to 35.4 due to the transfer of one training position to Workforce Relations in FY24.

Operating expenses increase \$23,990 (7.7%) to \$336,750. This increase is mostly due to the cyclical replacement of department computers (\$15,660) and an upgrade to the employee training room (\$9,800) in the County Annex building. The department will continue providing training classes for employees to increase job skills and growth opportunities as well as help recruit new employees for the Appointing Authorities.

Human Resources also manages the Employee Health Benefits Fund, an internal service fund that is used to account for all employee paid premiums, employer contributions, and claims for the employee health and dental plans. The budget for the Employee Health Benefits Fund is presented in the Support Funding section of this book.

OFFICE OF HUMAN RIGHTS

Jeffery Lorick, Director

Phone Number: (727) 464-4880

<https://pinellas.gov/department/office-of-human-rights/>

Department Purpose

The Office of Human Rights (OHR) is committed to protecting all residents of Pinellas County from cases of discrimination in the areas of fair housing, employment, public accommodations, wage theft assistance, and government programs and assistance.

FY23 Accomplishments

- Received a \$20,000 HUD grant to sponsor an outreach event on April 20th at North Greenwood Recreation & Aquatic Complex. The grant covered venue rental, interpretation services (American Sign Language & Spanish), marketing in both English and Spanish, as well as giveaways such as pens, cups, bags, etc.
- Continued supporting County departments with the following activities: provided civil rights assurances that allow departments to obtain federal grants, assisted with Americans with Disabilities Act (ADA) modification and accommodations which help ensure that people with disabilities have full use of County premises, provided anti-harassment training for all county departments upon request to help maintain a safe workplace environment. 36 classes were provided with 651 employees total in attendance.
- Recovered over \$36,000 from over 70 cases through the department's robust wage theft program.
- Received grants that continue to provide valuable funding for the department. \$20,000 was received to assist with legal funding for discrimination cases under Title VI of the Civil Rights Act of 1964.
- Supported employee education and learning. Two additional staff members are working on obtaining mediator certifications, which is useful if the department's contractor is unavailable and helps reduce their caseload.

Budget Analysis

The Office of Human Rights (OHR) FY24 Budget reflects an increase of \$91,170 (6.9%) to \$1.4M and is supported by the General Fund.

Personnel Services increase by \$87,240 (7.7%) to \$1.2M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and merit increases. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 10.0.

Operating Expenses reflects an increase of \$3,930 (2.2%) to \$186,630. This is the result of anticipated growth in the number of language interpretation services requested, as well as an expected increase in legal services due to the growing number of Fair Housing hearings. The department received a \$24,000 Housing and Urban Development (HUD) grant in FY23 to replace all laptops and purchase additional equipment. This will eliminate the need for computer replacement expenses for the next three years.

Equal Employment Opportunity Commission (EEOC) Reimbursements are expected to decrease \$10,950 (from \$54,150 to \$43,200). These are revenues received for processing cases and conducting training. The department is projecting receiving 45 EEOC cases in FY24.

Budget Summary

DRUG ABUSE TRUST

Karen Yatchum, Director

Phone Number: (727) 464-5045

<https://www.pinellascounty.org/justice/grants.htm>

Department Purpose

The Drug Abuse Trust is utilized to account for additional assessments levied by the court against drug offenders pursuant to Sections 893.13(4) and 893.165, Florida Statutes. These funds are used for assistance grants to local drug abuse programs.

Budget Analysis

The Drug Abuse Trust Fund revenues are increasing by \$5,550 (19.6%), totaling \$33,900 in FY24. Trust Fund expenditures are remaining flat at \$35,000 in FY24.

Trust fund Reserves are increasing by \$4,570 (42%), totaling \$15,450 due to an increase in revenue.

EAST LAKE LIBRARY SERVICES DISTRICT

Lois Eannel, Director

Phone Number: (727) 773-2665

<https://www.eastlakelibrary.org/>

Department Purpose

The East Lake Library Services District (East Lake Library SD) is a municipal services taxing district within unincorporated Pinellas County. This special taxing district was established in May 2013 by the Board of County Commissioners for the purpose of providing library facilities, services, and programs to the residents within the East Lake Fire District boundaries. These facilities and services are funded by ad valorem taxes. Property owners within the East Lake Library SD are levied a separate millage for this purpose. The maximum millage rate that can be levied is 0.25 mills.

Budget Analysis

Excluding Reserves, the FY24 Budget for East Lake Library Services District expenditures totals \$983,610, reflecting an increase of \$96,980 (10.9%) over the FY23 Budget. Of the total expenditure budget, \$957,110 (92.8%) will be utilized for the program and \$26,500 (2.6%) for Tax Collector and Property Appraiser service commissions, as required by State statute. At a total resources of \$1.0M, the FY24 Revenue Budget increased \$100,520 (10.8%), over the FY23 Budget, primarily due to the increase in taxable property values. For the total budget, reserve levels are \$47,320 (4.6%), and expenditures are \$983,610 (95.4%).

EAST LAKE LIBRARY SERVICES DISTRICT

Tax Collector Program

Collects, bills, and distributes all taxes for the County, municipalities, Tourist Development Council, School Board, and taxing districts, including the sales tax on vehicles, vessels, and mobile homes. Collects delinquent taxes and sells certificates for unpaid taxes. As the agent for state government, the Tax Collector issues licenses and titles for cars, trucks, boats, and mobile homes; collects fees for fishing and hunting licenses; issues Driver Licenses and Birth Certificates; processes applications for Concealed Weapons Licenses; and takes applications for voter identification cards.

EAST LAKE RECREATION SERVICES DISTRICT

Mark Sanders, Director

Phone Number: (727) 938-4300

<https://www.eastlakerecreation.org/>

Department Purpose

The East Lake Recreation Services District (East Lake Recreation SD) is a municipal services taxing district within unincorporated Pinellas County. This special taxing district was established in June 2014 by the Board of County Commissioners for the purpose of providing recreation services and facilities within the East Lake Fire District boundaries. These services and facilities are funded by ad valorem taxes. Property owners within the East Lake Recreation SD are levied a separate millage for this purpose. The maximum millage rate that can be levied is 0.25 mills.

Budget Analysis

Excluding Reserves, the FY24 Budget for East Lake Recreation Services District expenditures totals \$983,610 reflecting an increase of \$97,020 (10.9%) over the FY23 Budget. Of the total expenditure budget, \$957,110 (92.8%) will be utilized for the program and \$26,500 (2.6%) for Tax Collector and Property Appraiser service commissions, as required by State statute. At a total resources of \$1.0M, the FY24 Budget increased \$100,560 (10.8%) over the FY23 Budget, primarily due to the increase in taxable property values. For the total budget, reserve levels are \$47,320 (4.6%), and expenditures are \$983,610 (95.4%).

EMPLOYEE HEALTH BENEFITS

Peggy Rowe, Interim Director

Phone Number: (727) 464-3367

<https://pinellas.gov/department/human-resources/>

Department Purpose

Employee Health Benefits accounts for the costs associated with medical benefits, dental benefits, and the wellness program for County employees. The cost of these self-insured benefits are funded through an internal service fund established for the purpose of administering the County's comprehensive coverage for employees. The Employee Health Benefits Fund is administered by the Human Resources Department, whose budget is listed under Independent Agencies. In FY08, the reserve for accrued liabilities represented the County's cumulative funding for Other Post Employment Benefits (OPEB) obligations per Governmental Accounting Standards Board (GASB) Statement #45 requirements. With the issuance of the new GASB statement #75 effective for fiscal years starting after June 15, 2017, the rule requires that the entire obligation to be recorded at implementation and updated each year. The expense to the County will be the change in the total obligation each year. This is a change of approach by the GASB.

Budget Analysis

The FY24 Budget for the Employee Health Benefits Fund decreases \$6.1M (-3.4%) from FY23 Budget, including reserves of \$175.2M.

Personnel Services increase \$2,990 (1.4%) The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees. The county will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. Staffing remains at 2.0 FTE.

Operating expenditures, which is mainly comprised of payments for healthcare related claims, increase \$5.5M (8.5%) above the FY23 Budget to \$70.5M. Medical claims increase \$5.6M (9.2%) to \$66.3M. Current year medical claims are tracking higher than anticipated, with estimates being \$9.2M over the original budget, driven by high dollar claims (over \$50,000).

Reserves, which are used to keep the fund in compliance with requirements from the State of Florida Office of Insurance Regulation for self-insured benefit plans, and to partially address the County's OPEB liability, decrease \$11.6M (-10.0%).

FEATHER SOUND COMMUNITY SERVICES DISTRICT

Calvin Warren, President
www.feathersoundcscd.org

Phone Number: (813) 898-2836

Department Purpose

The Feather Sound Community Services District (FSCSD) is a special taxing district within unincorporated Pinellas County. This special taxing district was created by a vote of the residents of Feather Sound. It was established for the purpose of providing street lighting and the acquisition, development, and maintenance of recreational areas and greenspace for the residents of Feather Sound. The services are funded by ad valorem taxes. Property owners within the district are levied a separate millage for this purpose. The maximum millage rate that can be levied is 1.0 mill.

Budget Analysis

The Feather Sound Community Service District's (FSCSD) FY24 Budget of \$363,760 reflects an increase of \$59,240 (19.5%) over the FY23 Budget. The increase is due to increases in budgeted ad valorem collections.

The Feather Sound Community Services District (FSCSD) is supported by a dedicated property tax levy, currently at 0.7000 mills. The FY24 estimated tax revenue is \$296,660. The FY24 payment of \$245,000 to FSCSD reflects a variance of \$51,660 (17.4%) less than estimated tax revenues. The increase in tax receipts allows the County's Fund Reserve Balance to increase with the disbursements at \$245,000. The district is a non-profit entity which provides street lighting and parkland maintenance services for the area. The annual payment to the non-profit sometimes exceeds the property tax revenues collected, due to various community improvements needed. This overage has historically been funded by reserves held both at Pinellas County and FSCSD.

FIRE PROTECTION DISTRICTS

Jim Fogarty, Director

Phone Number: (727) 464-3835

<https://www.pinellascounty.org/publicsafety/default.htm>

Department Purpose

The Fire Districts Fund accounts for the cost of operating 12 Fire Districts throughout the County which provide fire and suppression services to unincorporated areas of Pinellas County. Each fire district levies an ad valorem tax on real properties within the district. These funds are distributed via contract to cities and other independent agencies to finance the provision of fire protection services to the Fire Districts. The fund is administered by the Safety and Emergency Services Department - EMS and Fire Administration Division.

GENERAL GOVERNMENT

Chris Rose, Director

Phone Number: (727) 464-3596

Department Purpose

General Government is a non-departmental category which aggregates and allocates countywide funding needs that benefit all departments and agencies, as well as unincorporated area Municipal Services Taxing Unit (MSTU) expenditures, that are not attributable to specific departments. The following significant items are included: tax increment financing payments; enterprise technology services charges; miscellaneous government costs; county memberships in organizations; and General Fund Reserves.

Budget Analysis

The total General Government FY24 Budget, excluding transfers and reserves, increases \$50.1M (62.4%), from the FY23 Budget to \$130.3M. This includes General Fund expenses as well as those in the American Rescue Plan Act (ARPA) Fund. Including transfers and reserves, total General Government budget increases \$135.2M (49.1%) to \$410.6M.

General Fund

Within the General Fund, the total FY24 Budget increases \$92.3M (36.3%). This includes an increase transfer to the Transportation Trust Fund of \$24.6M (77.7%) to \$56.2M, increase transfer to the Capital Projects Fund of \$40.3M (2,520.8%) to \$41.9M, and an increase in reserves of \$21.4M (13.7%).

The Transfers from the General Fund to other funds increases by \$63.7M (163.6%). The increase is due in part to the non-recurring transfer of \$41.9M to the Capital Projects Fund to support future facilities. For FY24, the transfer to support the Emergency 911 Fund is decreases by \$1.2M (22.8%) to \$4.1M. There are also four transfers from the General Fund to the Transportation Trust Fund. The first is \$15.0M which is the continuation of the 0.1279 in dedicated millage that was approved by the Board to help stabilized the Trust Fund in FY22. The second transfer is an additional \$20.6M, which is the equivalent millage of 0.1752, to address level of service gaps related to resurfacing and road or bridge maintenance. A third transfer of \$2.6M of dedicated millage (0.0218) for additional resurfacing and road or bridge maintenance is included in FY24. A one-time transfer of \$18.0M for the ATMS project is included in FY24 as well for a total of \$56.2M.

General Fund reserves increase \$21.4M (13.7%) to \$177.7M. Included in the reserves is \$6.5M for future one-time needs to replace election equipment (\$5.6M) for the Supervisor of Elections, and \$930,000 for building needs for the Sheriff and Animal Services. Excluding the one-time items in reserves, reserves are 20.8% of revenue, equal to 2 ½ months.

American Rescue Plan Act Fund

The FY24 Budget for General Government in the ARPA Fund increases \$42.8M (201.3%) to \$64.1M. ARPA funded projects are located throughout the county, including Mullet Creek Channel B Bank Stabilization (\$3.8M), Safe Routes to Schools sidewalk improvements (\$6.3M), and Raymond H. Neri Park (\$7.0M). As projects are approved and funded, the budget is realigned to account for the remaining fund within the grant.

HEALTH DEPARTMENT SUPPORT

Dr. Ulyee Choe, Director

Phone Number: (727) 824-6921

<https://pinellas.floridahealth.gov/>

Department Purpose

The Health Department Fund accounts for the collection of local ad valorem taxes and the subsequent distribution to the Florida Department of Health in Pinellas County (DOH-Pinellas) to fund health-related services to County residents. The majority of the budget comes from the State, local grants, and contracts. The DOH-Pinellas promotes and protects the health of citizens and visitors to Pinellas County through programs of disease prevention, diagnosis and treatment of disease, and environmental monitoring. Clinical services of the DOH-Pinellas include child health, maternity, family planning, refugee screening, and communicable disease services. Services are available in St. Petersburg, Clearwater, Pinellas Park, Largo, and Tarpon Springs. The current tax rate approved by the Board of County Commissioners is 0.0790 mills. The maximum millage cap is 0.5000 mills.

FY23 Accomplishments

- More than 12 million services have been provided by DOH-Pinellas from April 2022 through April 2023.
- This past school year, more than 6,300 children in Title 1 elementary schools received dental sealants to prevent tooth decay.
- In collaboration with the Pinellas County School Board, 632,294 services were provided to Pinellas's students with a return to class rate of 87% along with 26,637 referrals, including to mental health, were made.
- DOH-Pinellas staffed three special needs shelters during Hurricane Ian in 2022 and provided care for 398 of our most vulnerable residents.
- Pinellas was one of the few large counties in the state to see a decrease in new HIV cases for three consecutive years from 19.6 per 100,000 in 2019 to 13.1 per 100,000 in 2021 due to the increased availability of pre-exposure prophylaxis, partnership with community HIV providers, and the Ending the HIV Epidemic Initiative.
- Drug overdoses remain the top health priority in Pinellas County. DOH-Pinellas leads the Pinellas County Opioid TASK Force, participates in the Opioid Abatement Funding Advisory Board, and supports PERC with the Syringe Exchange Program. DOH-Pinellas distributed over 1,200 naloxone kits from November 2022 to May 2023 and conducted 39 Overdose-to-Action outreach events in 2022.
- Since July 2022, 15,374 families have benefited from WIC & Nutrition services to provide healthy supplemental nutrition for mothers, and babies and children up to age five.
- Environmental Health has provided 7,940 inspections in areas such as tattoo businesses, mobile homes, school cafeterias, and healthy beaches.

Budget Analysis

The FY24 Budget for the Health Department Fund reflects an increase of \$967,030 (9.4%) from the FY23 Budget.

The Health Department Fund, which provides 100.0% funding for the Health Department, maintains total reserves of \$3.3M for FY24, an increase of \$1.2M (57.8%), from the FY23 Budget. The increase in reserves is due to increases in estimated ad valorem revenues from FY23, with a decrease in expenditures from the St. Petersburg facility roof replacement project in the FY23 Budget.

Expenditures, less reserves, decreased \$218,080 (2.6%) from \$8.3M in the FY23 Budget to \$8.1M for the FY24 Budget. Within Core Services, reductions include the roof replacement costs from \$1.3M in the FY23 Budget to \$550,000 for the FY24 Budget. Within Core Services, increases include the need for the Clearwater facility air conditioning replacement of \$250,000; and the Governor's approved 5.0% increase in salaries and fringe for State employees of \$247,150. For the School Nurse Program, increases include a \$48,820 (3.0%) for License Practical Nurse Expansion funding.

LEALMAN CRA TRUST

Christopher Moore, Agency Assistant to County Administration

Phone Number: (727) 464-8219

<https://pinellas.gov/lealman-community-redevelopment-area>

Department Purpose

The Lealman Community Redevelopment Area (CRA) Trust was established June 7, 2016, by the Board of County Commissioners (BCC) to support redevelopment activities specified in the Lealman CRA Plan. The CRA Trust undertakes activities/projects for the elimination and prevention of identified deterioration and economically distressed conditions in the designated area. Public funding is used to stimulate private sector investment in this endeavor. Public revenues to the CRA Trust are generated through Tax Increment Financing (TIF) as defined by State statute. Since this district is in the County's unincorporated area, the General Fund contributes TIF resources based on both the Countywide and the Municipal Service Taxing Unit (MSTU) property tax collections.

FY23 Accomplishments

- Launched the Home Investment Program, which provides funding for land acquisition and construction costs in exchange for the development of affordable single-family homes built by Habitat for Humanity. Eleven homes have been completed as of May, with four more projected for the remainder of FY23, with a total investment of \$500,000 expected by the CRA.
- Completed construction of 40th St. N. sidewalk connecting 46th Ave. N. to a Neri Park entrance located at the intersection of 40th St. N. and Lown St.
- Completed construction of improvements to Neri Park, including cleanup of a blighted pond, paving the parking lot and installation of new trail connection and playground equipment on three contiguous parcels at the 46th Ave. N. entrance, and new fencing, signage, bike racks, and covered seating area at the entrance located at the intersection of 40th St. and Lown St.
- Completed improvements to Lealman Park including installation of a new rubber playground surface, decorative split rail fencing, paving the parking lot and installing landscaping with irrigation.
- Initiated the Lealman Promotional/Special Events Program, which formed an Events Committee with key community stakeholders to plan three inaugural events in the CRA: the Lealman Holiday Tree Lighting at Lealman Park, the Honey and Arts Festival, and a Fourth of July Celebration. The Lealman Holiday Tree Lighting and Honey and Arts Festival were well-attended and much appreciated by community members and drew the attention of many residents from within and outside of the CRA who were not familiar with Lealman, the CRA, or the parks being in the area.

LEALMAN CRA TRUST

Budget Analysis

The Lealman CRA Trust Fund revenues are supported by ad valorem taxes. The overall revenue for Lealman CRA is expected to increase by \$270,160 (8.8%) over FY23 Budget to the total of \$3.3M. Ad valorem tax revenue is increasing by \$200,540 (6.6%) over FY23 Budget, which is consistent with the forecast assumptions for FY24. There is a \$70,000 (100.0%) increase in funding from nongovernmental sources revenue as part of a pass-through grant from Community Foundation of Tampa Bay to St. Petersburg Foundation.

Personnel Services increase by \$47,410 (13.8%) to \$391,450. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. The personnel increase also includes a shift in Lealman CRA administrative grant project charges from Housing and Community Department. FTE remains flat at 3.0 FTE.

Operating expenditures increase by \$308,950 (495.8%) to \$371,270, which is attributed to an increase in Professional Services County TIF for Joe's Creek Master Plan development. Forward Pinellas recently completed an update to the Targeted Industrial and Employment Lands Study (TIELS), which creates a new land use category, Target Employment Center (TEC) Local, which would allow for mixed use development. The purpose of the proposed Joe's Creek Industrial Area Master Plan is to evaluate the desired future land uses and infrastructure needs for continued success and revitalization of the Joe's Creek Industrial Park and surrounding area. There is a \$33,000 reallocation to Lealman CRA from Parks and Conservation Resources for an Extension Family Consumer Science Agent to continue providing support to the Lealman Community Center Youth Development Financial Education program and the Pinellas County Affordable Housing initiative.

Capital Outlay FY24 Budget remains flat at \$300,000.

Grants and Aids increase by \$2.1M (37.7%) to \$7.7M, which is mainly attributed to an increase in the allocation of projects for future years. The CRA is statutorily required to appropriate all TIF, and grants and aids reflect the appropriation of TIF budgeted but not yet assigned to a specific project or program.

Budget Summary

Expenditures	FY23 General Fund	FY23 Non-General Fund	FY23 Total	FY24 General Fund	FY24 Non-General Fund	FY24 Total

LEALMAN SOLID WASTE

Lealman District Coordinator

Phone Number: (727) 464-7500

<https://pinellas.gov/lealman-garbage-and-recycling-collection/>

Department Purpose

The Lealman Solid Waste and Collection Fund accounts for the revenues and operating expenditures associated with the Lealman Municipal Service Benefit Unit (MSBU). It is a stand-alone fund administered by Solid Waste Department staff. The Lealman MSBU was established to provide for residential waste collection and disposal services within the unincorporated Lealman area. A non-ad valorem special assessment is levied on Lealman MSBU property owners' tax bills annually to provide funding for these services.

Budget Analysis

The Lealman Solid Waste franchise FY24 Budget is increasing by \$85,220 (4.8%). Revenue is growing by \$345,660 (26.3%) primarily due to a proposed 12.5% increase in per household collection fees from \$16/month (\$192/year) to \$18/month (\$216/year). Expenses, less reserves, increased by \$238,060 (14.9%). They consist of increases in operating expenses by \$221,690 (14.1%), special assessment expenses by \$4,950 (19.1%), and previously unallocated personnel services costs by \$11,200. Both increased revenues and expenses are driven by 700 (9.5%) households being added to the franchise service area. A \$300,000 loan from the Solid Waste Revenue and Operating Fund is needed to stabilize the Lealman Solid Waste Collection and Disposal Fund. This loan is to be paid back at 2.0% interest in FY25-FY30.

MEDICAL EXAMINER

Dr. Jon R. Thogmartin, Medical Examiner
<https://forensics.pinellas.gov/default.htm>

Phone Number: (727) 582-6800

Department Purpose

The Medical Examiner safeguards the rights of each citizen who dies in Pinellas County by determining the cause and manner of death according to the responsibilities and obligations in Chapter 406, Florida Statutes. The Medical Examiner's Office provides both forensic medicine services (investigation of sudden, unexpected, or suspicious death) and forensic laboratory services (chemical and drug analyses) to Pinellas County on a contractual basis.

FY23 Accomplishments

- Medical Examiner
Continued performing to the accreditation standards set by the National Association of Medical Examiners.
Recertification of accreditation by the National Association of Medical Examiners. Identified a long-term unidentified body from 2016.
- Forensic Lab
Received American Society of Crime Laboratory Director's Maximus award for the second consecutive year.
This award is presented to crime laboratories that operate at 90.0% or better peak efficiency.
Re-accredited by ANSI National Accreditation Board (ANAB) to the International Standard for Testing Laboratories (ISO 17025).
Returned average analytical turnaround times to pre-COVID numbers, with current averages at less than 30 days.

Budget Analysis

The Medical Examiner FY24 Budget is increasing by \$395,480, (5.0%) from the FY23 Budget. This increase is mostly related to a rise in operating expenses resulting from Professional Services.

Personnel Services increased by \$21,120 (8.7%) to \$263,570. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, and a one-time payment of up to \$600 for eligible employees and budgeted lapse savings. The County will also increase the minimum wage for County employees to \$18.00/hour beginning in FY24. FTE remains flat at 2.0.

Operating expenses (ME contract) shows a net increase of \$409,410 (5.4%). The increase is attributed to a rise in salary costs, health benefits and the addition of 6 FTE positions. These positions are part of Professional Services because the employees of the Medical Examiner work directly for the ME. These increases were not part of the County or State-wide standard inflationary increases. Operating Expenses are also decreasing \$35,050 (50.5%), due to the removal of costs associated with equipment used for medical examinations and analyzing DNA. This reduction is offset with the planned purchase of a body lift, multi-purpose copier and additional stretchers.

Facility related costs not captured within the ME cost center total \$457,700, an increase of \$99,740 from prior year (these costs are reflected in the Administrative Services department budget).

MEDICAL EXAMINER

Medical Examiner-District Six

Determines the cause and manner of death according to the responsibilities and obligations in Florida Statutes 406. Performs toxicology on Medical Examiner cases, determines the concentration of alcohol and controlled substances in DUI cases, and determines the DNA profile of samples and chemical composition of items submitted by law enforcement. Additionally, two DNA Specialists are Pinellas County employees and are not included in the Medical Examiner's contract which allows the County to maintain accreditation and provides the lab with access to the National Combined DNA Index System (CODIS).

PALM HARBOR COMMUNITY SERVICES DISTRICT

Erica Lynford, Gene Coppola

Phone Number: (727) 771-6000, (727)
784-3332

<https://www.palmharborlibrary.org/> and <http://csapalmharbor.org/>

Department Purpose

The Palm Harbor Community Services District (PHCSD) is a special taxing district within unincorporated Pinellas County. This special taxing district, voted for by the residents of Palm Harbor, was established for the purpose of providing library and recreation facilities, services, and programs to the residents of Palm Harbor. These facilities and services are funded by ad valorem taxes. Property owners within PHCSD are levied a separate millage for this purpose (1985 voter referendum). The maximum millage rate that can be levied is 0.5 mills.

Budget Analysis

Including Reserves, the FY24 Budget for the Palm Harbor Community Services District totals \$3.4M, reflecting an increase of \$399,800 (13.3%), over the FY23 Budget. The FY24 Budget increase is primarily due to additional revenue from the increase in taxable property values. For the total district library and recreation services budget, reserve levels are \$156,660 (4.6%), and expenditures are \$3.3M (95.4%).

Excluding Reserves, the FY24 Budget for the Palm Harbor Library expenditures totals \$1.6M, reflecting an increase of \$192,780 (13.4%) over the FY23 Budget. Of the total expenditure budget, \$1.6M (92.5%) will be utilized for the program and \$43,710 (2.6%) for Tax Collector and Property Appraiser service commissions, as required by State statute. Total program funding increased by \$141,860 (10.0%) over the FY23 Budget, primarily due to the increase in taxable property values. For the Library program budget, reserve levels are \$78,330 (4.6%), and expenditures are \$1.6M (95.4%).

Excluding Reserves, the FY24 Budget for Palm Harbor Recreation expenditures totals \$1.6M, reflecting an increase of \$192,720 (13.4%) over the FY23 Budget. Of the total expenditure budget, \$1.6M (92.5%) will be utilized for the program and \$43,630 (2.6%) for Tax Collector and Property Appraiser service commissions, as required by State statute. Total program funding increased by \$141,860 (10.0%) over the FY23 Budget, primarily due to the increase in taxable property values. For the Recreation program budget, reserve levels are \$78,330 (4.6%), and expenditures are \$1.6M (95.4%).

Tax Collector Program

Collects, bills, and distributes all taxes for the County, municipalities, Tourist Development Council, School Board, and taxing districts, including the sales tax on vehicles, vessels, and mobile homes. Collects delinquent taxes and sells certificates for unpaid taxes. As the agent for state government, the Tax Collector issues licenses and titles for cars, trucks, boats, and mobile homes; collects fees for fishing and hunting licenses; issues Driver Licenses and Birth Certificates; processes applications for Concealed Weapons Licenses; and takes applications for voter identification cards.

PUBLIC LIBRARY COOPERATIVE

Cheryl Morales, Director

Phone Number: (727) 441-8408

<https://www.pplc.us/>

Department Purpose

The Public Library Cooperative (PLC) serves residents of Pinellas County and its member public libraries. The PLC serves these groups through the management of county, state, and federal funds for library development and by facilitating the sharing of materials and resources among its members. The PLC is funded by a millage levy in a portion of the unincorporated areas of the County. These funds support PLC administration and its member libraries pursuant to an interlocal agreement among the members and the County. The maximum millage rate that can be levied is 0.5 mills. Talking Book Library and Deaf Literacy Center services provided by PLC are primarily supported by the State Aid to Libraries annual grant funding from the State of Florida, although these funds are not reflected in the County's budget.

Budget Analysis

Excluding Reserves of \$492,910, the FY24 Budget for the Public Library Cooperative (PLC) totals \$8.2M. The increase of \$958,220 (13.2%) over the FY23 Budget is due to ad valorem tax revenue generated by the current tax rate of 0.5 mil applied to increased property values. As required by State statute, \$225,890 (2.8%) is allocated for fees/commissions paid to the Tax Collector and Property Appraiser as compensation for their services. For FY24, \$8.0M (97.2%) will be utilized for member library programs and services, and for PLC operations. Payments to the fourteen (14) member libraries recognize and support the services provided to unincorporated residents who are assessed the PLC millage.

PUBLIC LIBRARY COOPERATIVE

Public Library Cooperative

Serves residents of Pinellas County and its member public libraries through the management of county, state, and federal funds, and the coordination of activities and marketing services. Receives State Aid to Libraries grant funds due to the offering of cooperative library services. State Aid funds are not reflected in the County's budget. These funds support a variety of countywide programs including the Talking Book Library that serves people who have difficulty using or reading regular print, the Deaf Literacy Center, Countywide Library Automation System support, and operating materials support.

STREET LIGHTING DISTRICTS

Department Purpose

Street Lighting services for property owners in unincorporated areas of Pinellas County are provided through neighborhood area self-funded districts. The Street Lighting Districts (SLD) are created in the unincorporated areas of Pinellas County when 60.0% or more of the affected property owners in a given area petition the Board of County Commissioners to form a district. Once a year all property owners in these districts are assessed based on their pro-rata share of the costs of operation and maintenance of the district's lighting system, with the costs being added as a non-ad valorem assessment to their tax bill. Pinellas County Public Works coordinates and arranges for lighting installation and provides the annual assessment roll, while lighting services are provided by Duke Energy Corporation.

FY23 Accomplishments

- Collaborated with the Office of Resiliency and Asset Management to identify approximately \$200,000 in cost savings through a Duke Energy program to convert all street light districts to light-emitting diode (LED) which will reduce energy consumption and save Pinellas County residents money on their annual assessment.

Budget Analysis

Pinellas County has over 300 Street Lighting Districts within the unincorporated areas where property owners within each district are separately billed on their property tax bill for their proportional share of costs as a non-ad valorem assessment. Actual costs within each district and the Duke Energy Corporation projected rate adjustments are utilized to determine the budgetary projections for each district.

The Street Lighting Districts Fund FY24 Budget reflects great change as compared to the FY23 Budget. Excluding reserves, total expenditures reflect an increase of \$225,020 (16.7%) to \$1.6M for FY24. This is due to increased energy costs that occurred during FY23 resulting in a spend down of reserve funds.

For FY24, a 5.0% rate increase was applied to the electricity costs when calculating the Street Lighting Districts' revenues. This rate increase was intended to increase the Street Lighting Districts' special assessments for property owners which will fund operations and reserves, heavily impacted by rising energy costs.

Reserves reflect a decrease of \$2,050 (14.2%) to \$12,390, budgeted at 0.8% of the Street Lighting Districts Fund's FY24 Budget. Due to the substantial increases in energy costs and low reserves, this fund will be monitored closely during FY24.

Budget Summary

Capital Improvement Program (CIP)

The Pinellas County Capital Improvement Program (CIP) is a comprehensive six-year plan of proposed capital projects intended to identify and balance the capital needs of the community within the fiscal capabilities and limitations of the County. It is primarily a planning document that is updated annually and subject to change as the needs of the community are defined. The CIP Plan is presented as a six-year plan, FY24 - FY29.

The first year of the program is the basis for actual appropriations authorized by the Board of County Commissioners for capital projects when adopting the annual budget. The remaining five years are a guide for the future development of the County's new and replacement infrastructure needs. The overall CIP schedule is formulated to reflect County priorities and needs by taking into consideration the County's goals and policies, the Pinellas County Strategic Plan, project urgency, the County's ability to administer the project, involvement of outside agencies, and the potential for future project funding. This includes developing a realistic fiscal impact on the operating budget once a project is complete. To facilitate multi-year budgetary planning, information on each project's estimated fiscal impact on future operating budgets is vital. Estimating the fiscal impact of each project provides for the thoughtful integration of the capital and operating budgets.

The CIP brings together needs identified through many capital processes. Projects are established in the CIP based upon input from citizen requests, public discussions, engagement with partners, safety needs, planned rehabilitation cycles, grant funding processes, County staff and Commissioners, as well as the County's Comprehensive Plan, Community Redevelopment Area (CRA) Plans, the Long-Range Transportation Plan, and other County master plans. While capital projects originate from a variety of sources, projects most often come forward through the sponsoring department that is responsible for their implementation.

The CIP is divided into two categories: Enterprise projects and Governmental projects. Enterprise projects support the Airport, Utilities systems of Water and Sewer, and Solid Waste. These areas are managed like businesses in which the revenues generated by these areas fully support their operations. These projects are funded by grants, airport fees, and user fee charges for water, sewer, and solid waste. All other capital projects such as roads, drainage, public safety, buildings, and park projects are included in the Governmental section of the CIP. Funding for the Governmental projects include the "Penny for Pinellas" (a 1.0% local option sales surtax), grants and reimbursements, local option fuel taxes, and the tourist development tax.

CIP Project Definition and Criteria

Capital projects are defined as activities that lead to the acquisition, construction, or extension of the useful life of capital assets. Capital assets include land, buildings, parks, streets, utilities, and other items of value from which the community derives benefit for a minimum number of years.

The following criteria shall be utilized in determining the appropriateness of capital improvement project requests:

1. All projects in the Capital Improvement Program (CIP) Budget must have a total cost of \$50,000 or greater and a useful life of five or more years.
2. Capital projects are considered to be one-time outlays which are non-recurring in nature. Purchases involving ongoing debt service or lease/purchase costs are typically not budgeted in the CIP Budget.
3. Capital projects must add to, enhance the value of, or extend the life of the County's physical assets. Major equipment purchases must be associated with a capital project and must meet the definition of a capital item to be placed in the CIP Budget.
4. County Fleet appropriations are to be budgeted in a capital outlay account within the Operating Budget. Although vehicles in general are not considered as a Capital Improvement Project, pursuant to Florida Statute 212.055, public safety vehicles such as a fire department vehicle, emergency medical service vehicle, or a sheriff's office vehicle are allowable Penny for Pinellas (Penny) infrastructure sales surtax expenditures within the CIP Budget.
5. Expenditures for maintenance, supplies and materials, or replacement items shall be budgeted as an operating item. These items may not be expensed in the CIP Budget.

CIP Objectives

The objectives used to develop the CIP include:

- Preserve and improve the basic infrastructure of Pinellas County through public asset construction and rehabilitation;
- Maximize the useful life of capital investments by scheduling renovations and modifications at the appropriate time in the life cycle of the asset;
- Identify and examine current and future infrastructure needs and establish priorities among projects so that available resources are used to the community's best advantage; and

- Improve financial planning by comparing needs with resources, estimating future borrowing needs, and identifying fiscal implications.

The Board of County Commissioners conducts a review of the program at public budget workshops as part of the annual budget development process.

CIP Goals

The following are the goals of the County in developing its annual capital budget and associated CIP:

- Identify and prioritize infrastructure requirements based upon a coordinated needs assessment methodology. The CIP is a comprehensive guide for the allocation of financial resources and provision of public service for a six-year period. The CIP serves as a “blueprint” for the future of the community. It is a dynamic tool, not a static accounting document. The CIP requires each department to look to the future, anticipate the need for projects, and justify that need. This requires the thoughtful integration of financial, engineering, and planning functions.
- Classify projects to ensure that those submitted for inclusion in the CIP are capital projects, not operating requirements. An accurate CIP relies upon the proper classification of projects. Requests which do not meet the specified criteria for a capital project should be considered in the operating budget.
- Develop a realistic funding scenario for the CIP that identifies resources on a project specific basis.

CIP Policy

It is the policy of the Pinellas County Board of County Commissioners to maintain a continuing Capital Improvement Program (CIP) that will, when implemented, provide physical assets that are:

- Responsive to the needs and demands of the public and county government;
- Supportive of the long- and short-range economic, social, and environmental development policies of the County aligned with the Board’s Strategic Plan;
- Necessary to achieve the level of service identified in the adopted Comprehensive Plan;
- Ensure asset preservation encompasses supportive infrastructure (processes and databases), intellectual capacity and effective use of human capital, as well as physical capital assets.

The Capital Improvement Program represents the planned implementation of various comprehensive plans that serve as a guide for future growth and development as adopted and amended by the Board of County Commissioners.

Pay-As-You-Go Approach

The CIP is currently funded on a “Pay-As-You-Go” basis. The “Pay-As-You-Go” approach is recommended as the most prudent way of financing capital projects. The benefits of this approach include:

- Being fiscally conservative helps avoid financing costs.
- A “pay-as-you-go” plan can be a positive factor in future credit analysis of the County and its long-term debt rating.
- Providing a deliberate approach to the implementation of projects in accordance with the priorities and needs of the community.
- Specific projects can be considered for stand-alone bonding if warranted based on the priority and cost benefit.

The proposed Sewer CIP Plan may require borrowing in FY26. Various funding options will be considered based upon comparing needs with available resources and identifying fiscal implications.

Project Portfolio Management

The County has adopted a “portfolio” approach to Capital Improvement Program projects. All departments are required to view their projects in a systemic and holistic manner. Projects will be prioritized that can provide the County with multiple benefits; for example, projects that will improve drainage, prevent stormwater/wastewater overflows, and provide infrastructure to support economic development.

The goal of CIP Project Portfolio Management (PPM) is to adopt a portfolio approach that uses identified needs to prioritize capital projects and improve the process for managing projects to enhance delivery, reporting, and data-driven decision support. The focus is on improving project coordination, prioritization, management, delivery, and reporting Countywide. PPM is essentially managing our portfolio of hundreds of projects across all departments.

PPM Implementation Goals:

- Prioritized list of County projects
- Formalize generally consistent processes for project delivery
- Provide tools and training for project managers to effectively manage projects
- Use a consistent project tracking tool
- Evaluate performance on project delivery
- Improve coordination with internal and external stakeholders

Projects submitted for review and approval are ranked by defined evaluation criteria as a tool to help prioritize projects. The evaluation criteria are: Asset Preservation, Criticality, Economic Outcome, Environmental Stewardship, Community Sustainability and Resiliency, Service Delivery, Project Coordination, Public Demand, Regulatory Requirements, Public Health, Safety, and Welfare, and Employee Health and Safety. Funding Criteria, including Funding Availability, Future Budget Outcomes (potential operating costs or savings in future years), and Cost of Project, are secondary to selecting priority projects.

When completing the Project Request Form (PRF), the project requestor selects a statement that describes the state of the asset being replaced or why the new asset is needed. For example, Asset Preservation, is one of the priority guidelines for the CIP – renewing or replacing our existing assets. The criteria statements allow the requestor to identify whether the asset is beyond or approaching the end of its useful life, or if it doesn't replace an existing asset. A score is applied in the background according to the respective statement selected. When viewing the completed form, each criteria has a score. The CIP review committees, Coordinating Committee (technical staff), Action Team (Directors), and Governance Committee (Administration), review what has been selected and can provide input. This provides for consistent consideration of all project requests for staff recommendation of which projects move forward for approval.

The CIP Project Portfolio Management Administrative Directive was issued in September 2019. Since that time, staff teams have led to successful efforts in GIS Mapping producing a public-facing map of projects and development of a Project Manager Handbook. These efforts are ongoing. Staff continues to build upon what has been developed and improving processes. Public Works is leading the effort to further develop the Project Manager Handbook with detailed procedures. Utilities led process improvements for project management technology. This has turned into a multi-department team working with a consultant to implement a Project Management Information System (PMIS) for CIP project tracking and reporting. The PMIS is scheduled to be fully implemented by year-end.

Penny for Pinellas

Penny for Pinellas (Penny) revenues are proceeds of an additional 1.0% Local Government Infrastructure Surtax on sales, pursuant to Section 212.055(2), Florida Statutes, imposed in Pinellas County. The Penny surtax is collected on the first \$5,000 of all purchases excluding groceries and medications. The authorized use of these funds is generally restricted to infrastructure projects only and cannot be used for ongoing operation or maintenance costs. As a sales tax, the Penny is sensitive to general economic conditions. The revenue assumptions for the Penny have been updated and are consistent with the State sales tax revenue projections. Following a reduction of (3.3%) in FY20, the FY21 revenue reflecting a post-pandemic recovery increased 18.0%. FY22 continued this recovery and reflected an increase of 13.8%. Current year, FY23, the Office of Economic Data and Research is projecting a reduction of (6.7%). However, FY23 actuals received through March are 4.6% higher than same time last year. FY24 is projecting a small increase of 0.3%. Thereafter, Penny revenue is projected to increase an average of 3.0% in FY25-FY30.

The Penny became effective February 1, 1990 for an initial period of ten years and has been extended by referendums in 1997, 2007, and 2017 for additional ten-year periods (until December 31, 2029). In accordance with statutory requirements and interlocal agreements with each municipality in Pinellas County for the Penny ending December 31, 2019, the County received approximately 52.3% of the total monthly collections generated by this tax, following the deduction of a dedicated amount to fund capital projects for Court & Jail facilities which provide a countywide benefit. Beginning January 1, 2020, the interlocal agreement sets aside 11.3% of net proceeds for countywide investments consisting of Economic Development Capital Projects and Housing @ 8.3% and Court & Jail facilities @ 3.0%. The County's percentage for Penny ending December 31, 2029, referred to as Penny IV, is 51.75%, after the countywide investment distribution. The balance of collections is distributed to the 24 municipalities using a population-based formula.

A Joint Review Committee (JRC) was formed during 2019 in accordance with the interlocal agreement to establish guidelines for the net proceeds dedicated to Economic Development Capital Projects and Housing. The JRC consisted of professional staff with subject matter expertise in economic development, planning, and/or housing representing the County and municipalities. The twelve-member JRC approved the Penny IV Affordable Housing and Economic Development Program Guidelines at its October 25, 2019 meeting. In December 2019, the Board of County Commissioners approved Resolution 19-99 "adopting guidelines for the expenditure of a percentage of the 2020-2029 Local Government Infrastructure Surtax for Affordable Housing and Economic Development Capital Projects."

Applications for affordable housing funding are accepted on an ongoing basis. Since the Penny IV program was initiated in 2020, approximately \$33.9 Million has been committed to support new developments that provide homes that are affordable to people at all income levels; 4 developments completed with 157 affordable units, 4 developments are currently under construction, including 213

affordable, 65 workforce units and 290 market rate units, and 7 developments approved for funding, including 571 affordable and 144 workforce units.

The Employment Sites Program has completed four rounds of funding providing conditional approval to 18 projects with a funding commitment of \$23,578,118. The 18 projects will produce over a million square feet of space that will accommodate an estimated 1,333 jobs at a total estimated cost of \$140.0M. Four projects have been completed and a total of \$5,085,469 has been disbursed from the program. Additionally, \$4.0M was awarded to the Tampa Bay Incubator project, estimated completion September 2023.

Without the Penny, the County's governmental capital improvements would require another funding source, potentially property taxes in the General Fund. It is estimated that property owners would have to pay another 2.2 mills on their property taxes to generate the equivalent funding, or many public projects would not be completed until years into the future or not done at all. Besides allowing for funding of capital projects without relying on property taxes, another benefit of the Penny is that non-residents pay about a third of the Penny, which relieves County residents of much of the tax burden. The Penny funds approximately 65% of the Governmental CIP.

During the 2017 Penny renewal education campaign, priority projects were identified. OMB has worked with the departments and agency partners to prioritize the identified projects, determine realistic schedules, and build in preliminary construction estimates in the CIP. Nearly all the projects on the "2017 list" are included in the CIP, with updated estimates. The exceptions are the Sheriff's vehicles and hazmat vehicles which have other funding sources, and three physical environment projects that are pending completion of project development studies. The projects are funded based upon current estimates and the Penny Ten-Year Plan is balanced within projected revenues.

The graphic below shows the Penny IV distributions by category. The table following is a comparison of the May 2017 projections prior to the approval of Penny IV, and current projections/ funded projects. Although the percentage of Penny for Community Vitality projects has decreased, these projects are still being completed but with alternative funding sources. Please note, this is the County's distribution of the Penny, after the distribution to the countywide investment categories of Economic Development Capital Projects and Housing, and Jail and Court Facilities.

	2017	2023
Roads, Bridges & Trails	45%	58%
Water Quality, Flood & Sewer Spill Prevention	20%	18%
Safe, Secure Community	10%	8%
Preserving Parks & Our Environment	7%	8%
Community Vitality	18%	8%

Other Revenues

The second largest source of revenue for Governmental CIP projects is grants. The CIP includes local, state, and federal grants from agencies such as the Southwest Florida Water Management District, Florida Department of Environmental Protection, and the Florida Department of Transportation. Grant revenues are highly variable. The CIP includes grants that have either been awarded or are highly anticipated to be awarded.

The County has received \$189.4M from the American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Fund (SLFRF), of which \$138.8M has been allocated to CIP projects. The ARPA funding will offset some projects that would have been Penny funded. It will also enable the county to complete other projects that weren't previously programmed in the CIP.

Other funding sources for Governmental CIP projects include General Fund transfers, Local Option Fuel Taxes, Tourist Development Tax, and Multi-Modal Impact Fees.

In FY24 and beyond, the General Fund transfer provides funding of \$650,000 for the Municipal Services Taxing Unit (MSTU) paving projects which began in FY14 to address the needs of secondary roads in unincorporated neighborhoods. In FY21 and FY22, the transfer also includes reimbursement for the purchase of the Mid-County Tax Collector Building, \$923,560 in FY21, \$2,942,690 in FY22. In FY23, the transfer includes \$950,000 for the renovation of the Mid-County Tax Collector Building. During the FY22 Budget Process \$60,177,100 was transferred for funding the South County Service Center's acquisition @ \$10,177,100, for the construction of the North County Service Center @ \$48,700,000, and the Pinellas Suncoast Fire Rescue (PSFR) Ladder Truck 28 @ \$1,300,000. During the FY24 Budget Process, a transfer of \$43,844,000 has been programmed into the CIP for Future Facilities.

The CIP includes Advanced Traffic Management Systems (ATMS) projects funded by Local Option Fuel Taxes (LOFT). Tourist Development Tax (TDT), approximately half of the net proceeds from one of the six percent of the TDT, provides funding for beach nourishment projects in the Coastal Management program. Multimodal Impact Fees (MMIF) contributes to the costs of authorized transportation projects in the 13 geographic multimodal impact fee districts of the county. Multi-Modal Impact Fees are collected throughout the county, thus assuring that new development bears a proportionate share of the cost of capital expenditures necessary to meet transportation needs of the county.

Enterprise projects support the Airport, Utilities systems of Water and Sewer, and Solid Waste. These areas are managed like businesses in which the revenues generated by these areas fully support their operations. These projects are funded by grants, airport fees, and user fee charges for water, sewer, and solid waste.

Overview of One-Year CIP Budget

The first year of the Capital Improvement Program, FY24, is the basis for actual appropriations authorized by the Board of County Commissioners for capital projects when adopting the annual budget. The total FY24 CIP budget is \$946.5M. This amount includes both Governmental and Enterprise projects as well as reserves.

FY24 CAPITAL IMPROVEMENT PROGRAM BUDGET (Includes fund balances and reserves) Total: \$946.5M

Where the Money Comes From

Pie Chart titled Where the Money Comes From. Enterprise Income \$354.1M, 37.4%, Infrastructure Sales Surtax \$373.7M, 39.5%; Grants \$125.4M, 13.3%, General Fund \$67.4M, 7.1%, Tourist Development Tax \$0.2M, 0.0%, Local Option Fuel Tax \$3.7M, 0.4%; Other Revenues \$22.0M, 2.3%.

Pie Chart titled Where the Money Goes. Public Safety \$21.1M, 2.2%; General Government \$87.5M, 9.2%; Economic Environment \$33.9M, 3.6%; Human Services \$17.0M, 1.8%; Physical Environment \$53.6M, 5.7%; Culture and Recreation \$33.4M, 3.5%; Transportation (includes Airport) \$172.2M, 18.2%; Governmental Reserves \$168.0M, 17.7%; Water \$51.8M, 5.5%; Sewer \$64.5M, 6.8%; Solid Waste \$28.0M, 3.0%; Enterprise Reserves \$215.5M, 22.8%.

FY24 Governmental CIP

The expenditure total (net of non-project items such as reserves) for the FY24 Governmental CIP is \$384.0M. The pie chart below shows the percentage distribution of expenditures among the functional areas of the CIP.

Pie Chart titled FY24 Governmental CIP net of reserves \$384.0M consisting of Culture and Recreation at \$33.4M, 8.7%; Economic Environment at \$33.9M, 8.9%; General Government at \$87.5M, 22.8%; Human Services at \$17.0M, 4.4%; Physical Environment at \$52.4M, 13.6%; Public Safety at \$21.1M, 5.5%; and Transportation at \$138.7M, 36.1%.

Governmental CIP projects scheduled for completion in FY23 (not all inclusive):

Jail & Court Facilities:

- 000895A Jail Campus Infrastructure Upgrade
- 001109C St. Pete Courts Consolidation
- 002590A Detention Perimeter Gates Replacement
- 003509A Jail Perimeter Road Modification

General Government:

- 004992A South County Service Center Purchase

Public Safety

- 000007B Public Safety Campus Repairs and Upgrade
- 003901A Radio Equipment Shelter Replacement at multiple sites
- 004185A Palm Harbor Fire Station 68
- 004186A Lealman Fire Station 19
- 004968A Public Safety Radio Compliance-Mutual Aid
- 004969A Public Safety Radio Sustainment- Hospital Microwave
- 004970A Public Safety Radio Sustainment North Zone & Astro Site Repeater (ASR)
- 005543A Pinellas Suncoast Fire Rescue (PSFR) Ladder Truck 28
- 005544A Pinellas Suncoast Fire Station 28 Mainland
- 006035A Squad 65 Emergency Rescue Vehicle (Palm Harbor)

Transportation:

- 000700A Westwinds Drive Bridge Replacement over Westwind Canal
- 000702A Crosswinds Drive Bridge Replacement over Crosswinds Canal
- 000967A Pinellas Trail Loop North Segment

001023A 131st Street N at 82nd Avenue N and 86th Avenue N Intersection Improvements
001031A ATMS Gulf Boulevard
001035A Oakwood Drive over Stephanie's Channel Bridge Replacement
001177B Lakeshore Estates Phase 2 Roadway and Drainage Improvements
001333A N. Highland Ave Road & Drainage Improvements Phase I
002600A ATMS 49th St - SR60 to 46th Ave N
002932A Crystal Beach Paving & Drainage Improvements
003775A ATMS Central Software Purchase
003776A Intelligent Transportation Equipment Installation and Replacement
004974C State Road (SR) 60 Smart Signal Corridor Project

Physical Environment:

000219A Upham Beach Stabilization
001177B Lakeshore Estates Phase 2 Roadway and Drainage Improvements
003810A Creek, Channel, Erosion Control Program
006028A Lealman Drainage Improvements

Culture & Recreation:

000929A Ft De Soto Bay Pier Replacement
002033A Turner Bungalow
002170A Taylor Homestead
004178B Philippe Park Living Shoreline Project
004451A Sand Key Park Paving
004452A Brooker Creek Boardwalk Rehab

Governmental CIP projects scheduled for completion in FY24 (not all inclusive):

General Government/Human Services:

County Justice Center Judicial Consolidation #001109A: Facility design, renovation, and construction to consolidate judicial functions at the County Justice Center. Total project estimate \$65.1M. funded by Penny.

Supervisor of Elections Tab Room #005736A: Supervisor of Elections Tab Room Construction. Total project estimate \$1.3M, funded by Penny.

Countywide Electric Vehicles Infrastructure Master Plan #006032A: This project is to develop an implementable plan to locate, design, permit, and construct depot-level electric vehicle (EV) charging sites to support County light vehicle electrification. Total project estimate is \$500,000, funded by ARPA.

Bayside Clinic Expansion Phase II, III #001475G: Bayside Clinic Phase II- converting existing office space into reconfigured office/workstation, III- 1,100 sq ft Dental and Service Space Expansion. Total project estimate \$1.0M, funded by Penny and Federal grant.

Culture and Recreation:

Heritage Village Improvements #002169A: Improvements to historic assets and infrastructure at Heritage Village. Total project estimate \$1.3M, funded by Penny.

Raymond H. Neri Park Phase 1 #002201A: Engineering, design, and construction of park enhancements at Ray H. Neri Park. Total project estimate \$7.9M, funded by Penny and ARPA.

Lealman Community Campus Courtyard Improvements #003505H: Lealman Community Campus Courtyard Improvements. Total project estimate \$557,000, funded by Penny and Federal grant.

Education Center Display Replacement at Nature Preserves #004174A: Project will provide the much-needed replacement of educational displays at our education centers at Brooker Creek and Weedon Island Preserves Centers. Total project estimate \$2.5M, funded by Penny.

Lake Seminole Park Trail Extension #006031A: This project will connect Park Blvd pedestrian traffic to the north loop trail in Seminole Lake Park. Total project estimate \$2.2M, funded by ARPA.

Physical Environment:

Weedon Island Preserve Salt Marsh Restoration #000083A: Removal of ditches will assist in restoring the coastal habitat to function more efficiently from a water quality and ecological perspective. Total project estimate is \$2.4M, funded by Penny, State grant, and local grant.

N. Highland Ave Road & Drainage Improvements Phase I #001333A: Correct flooding conditions on N Highland Avenue by construction of a roadside ditch and pipe outfall between Morrow Road and Riverside Ridge Road. Total project estimate is \$3.4M, funded by Penny.

South Myrtle Avenue Drainage Improvements from Clearwater Largo Road to Belleair Road #002434A: Drainage Improvements on South Myrtle Avenue. JPA with COC. Total project estimate is \$2.9M, funded by Penny and ARPA.

Mullet Creek Channel B Bank Stabilization #003894A: Repair and stabilization of banks, install erosion control measures along Mullet Creek near McMullen Booth Road and Cypress Trace Drive. Total project estimate is \$3.9M, funded by ARPA and Penny.

Philippe Park Seawall Replacement #004178A: Enhancement of existing sea wall and sidewalk in Philippe Park in conjunction with Environmental Management Shoreline enhancement project 004178B. Total project estimate is \$679,000, funded by Penny.

Lofty Pines Sewer ILA with City of Dunedin Pass Thru Grant FDEP #004518A: This is an interlocal agreement with the City of Dunedin to construct of a sanitary sewer collection system. Total project estimate is \$500,000, funded by State grant.

Public Safety:

Emergency Sheltering (including special needs shelters) #004180A: Project consists of enhancing existing Pinellas County School Board and Pinellas County Board of County Commissioner owned buildings in order to expand sheltering capabilities for both general and special needs population. Total project estimate \$9.2M, funded by Penny.

Jail F-Wing Cell Door Renovation #004234A: Renovation of the cell door operating mechanism to allow the doors to operate with the new system. Total project estimate \$4.3M, funded by Penny

Fire Training Facility Enhancements #006034A: Provide operational training facilities matched to the fire services needs based upon strategic plan for in-service and specialty training taking into consideration existing facilities operated by Fire Departments and the geographic location. Total project estimate \$1.5M, funded by ARPA.

Economic Environment:

STAR Center Chiller #2 Replacement #004082A: STAR Center Chiller #2 Replacement. Total project estimate \$1.2M, funded by STAR Center funds.

STAR Center AHU 1,3,9 Replacement #004565A: STAR Center Air Handling Unit Replacement of #1,3,9. Total project estimate \$838,000, funded by STAR Center funds.

STAR Center Roof Recoat 10 East, 27 #004946A: STAR Center Roof Recoat 10 East, 27. Total project estimate \$84,000, funded by STAR Center funds.

Transportation:

Mehlenbacher Road Sidewalk Improvements from Palm Avenue to the Pinellas Trail #001976A: Sidewalk Improvements on the north side of Mehlenbacher Road from Palm Avenue to the Pinellas Trail. Total project estimate \$4.2M, funded by Penny.

MSTU Paving Huston Lane and Pinecrest Drive #002086A: MSTU Paving Huston Lane from Bay Drive to Pinecrest Drive; Pinecrest Drive from Huston Lane to Hamlin Blvd. Total project estimate \$2.3M, funded by Penny.

42nd Avenue from 35th Street N to 46th Street N Drainage and Sidewalk #002128A: Drainage and sidewalk improvement project; replace deep ditches with shallow/piped collection systems. Total project estimate \$5.6M, funded by Penny and State grant.

Countywide Traffic Signalization Improvements #004183A: Program is established for the replacement of span wire signals with mast arm signals. Projects may include installation of mast arms and minor intersection improvements including new curb ramps and pedestrian signals. Total project estimate \$11.7M, funded by Penny and Federal grant.

Starkey Rd. Sidewalk from Ulmerton Rd to East Bay Drive #004229A: The project consists of the installation of five-foot sidewalk along both sides of Starkey Road between Ulmerton Road and East Bay Drive & installation of crosswalks and the provision of pedestrian signal heads at 126th Avenue N. Total project estimate \$3.4M, funded by Penny and Federal grant.

Grand Canal Dredging in Tierra Verde #004607A: Project includes the design, permitting, and construction of a dredging project to maintain navigational access in the Grand Canal in Tierra Verde. Total estimate is \$1.7M, funded by ARPA.

Guardrail along Keystone Road from East Lake Road to the Hillsborough County Line #005210A: Design and construction of guardrail for pedestrian and traffic safety improvements along Keystone Road from East Lake Road to the Hillsborough County Line. Total project estimate \$2.1M, funded by Penny.

MMIF St. Pete Dr. Martin Luther King Jr. St. N. Cooperative Funding Agreement #005747A: Multi-Modal Impact Fee funded Cooperative Funding Agreement with City of St. Pete and Power Design Inc to design and construct traffic signal at Dr. MLK Jr. St. N. and 116th Ave N. Total project estimate \$383,000, funded by Impact Fees.

Local Group-Taylor Lake, Ridgecrest, Oak Village Subdivisions #006020A: Paving, sidewalk, and drainage improvements for local group of Taylor Lake, Ridgecrest and Oak Village Subdivisions from 134th Ave N to Taylor Lake Place in Ridgecrest. Total project estimate \$1.8M funded by ARPA.

Local Group-Martin Terrace #006021A: Paving, sidewalk, and drainage improvements for Ridgecrest local group from 118th Street N to 116th Lane. Total project estimate \$633,000 funded by ARPA.

Local Group-Gulf Terrace and Rainbow Village Subdivisions #006022A: Paving, sidewalk, and drainage improvements for Ridgecrest local group from 20th Ave SW to 22nd Ave SW, and from Adams Circle W to Adams Circle E. Total project estimate \$368,000 funded by ARPA.

Local Group-Sunny Lawn Estates & Adjacent Subdivisions #006027A: Paving, sidewalk, and drainage improvements for Lealman local group from 40th Ave N to 60th Ave N. Total project estimate \$3.5M funded by ARPA.

Local Group-Various High Point Subdivision #006029A: Paving, sidewalk and drainage improvements for High Point local group comprising various subdivisions from Roosevelt Blvd to 150th Ave N. Total project estimate \$1.1M funded by ARPA.

Please see the "Revisions from Previous Year" section for complete information.

Overview of Six-Year CIP

In the CIP Six-Year work plan, only the first year, FY24, is appropriated. The remaining five years are a plan that is subject to change as the needs of the community become more defined and the adopted projects move closer to final approval. The total FY24 – FY29 CIP budget is \$2.9B. This amount includes both governmental and enterprise projects, as well as non-project items such as reserves.

FY24 - FY29 Governmental CIP

The expenditure total (net of reserves/non-project items) for the FY24 - FY29 Governmental CIP is \$1.4B. The pie chart below shows the percentage distribution of expenditures within the functional areas of the CIP.

Pie Chart titled FY24 to FY29 Governmental CIP net of reserves total \$1.4B. The pie chart shows the dollar amount and percentage distribution of expenditures within the functional areas of the Governmental CIP. Culture and Recreation at \$132.8M, 9.1%; Economic Environment at \$113.1M, 7.7%; General Government at \$144.9M, 9.9%; Human Services at \$81.3M, 5.5%; Physical Environment at \$256.5M, 17.5%; Public Safety at \$56.8M, 3.9%; and Transportation at \$679.0M, 46.4%

Major project highlights in the **Governmental Six-Year CIP** are listed below by functional area. The focus of this list are the projects that are scheduled for completion in the out years of FY25 through FY29.

Culture & Recreation:

High Point Community Park #002998A: Ten acres of land located between Pinellas Technical Education Center and High Point Elementary will be developed for an outside recreation facility. Total project estimate \$7.2M funded by Penny and ARPA.

Seminole Recreation Facilities in Unincorporated Area #004556A: Preliminary plan and design of a multi-faceted outdoor recreation complex with associated concession, office, and storage facilities. Total project estimate \$18.8M funded by Penny.

Ft. DeSoto Visitor Center #004560A: New visitor center; consolidating two smaller, outdated buildings to better support the public. Total project estimate \$2.5M funded by Penny.

Palm Harbor Recreation Center #004557A: New recreation center in Palm Harbor to replace existing building next to Centre on 16th St. campus. Total Project estimate \$11.0M funded by Penny.

East Lake Library Expansion Phase II #004559A: East Lake Library Expansion Phase II to expand the only community and cultural center for the East Lake communities and visitors. Total project estimate \$4.5M funded by Penny.

General Government:

Fueling System Retrofits #002153A: This project involves the design and retrofit of County fuel storage and dispensing systems to maintain fuel accountability and regulatory compliance. Total project estimate \$9.6M funded by Penny and ARPA.

North County Service Center Design and Construction #003904A: North County Service Center Design and construction to house the Tax Collector, Property Appraiser, and Clerk. Total project estimate \$52.0M funded by Penny and General Fund.

Economic Environment / Human Services:

Economic Development Capital Projects #004149A and Housing Projects Aligned with Economic Development #004150A: Economic Development Capital Projects and Housing Projects aligned with the 8.3% countywide investment for Economic Development Capital Projects and Housing per the Interlocal Agreement between the County and municipalities for the distribution of the Penny. Individual projects will be approved based upon the guidelines established by the Joint Review Committee per the Penny Interlocal Agreement with the municipalities. Total estimated funding per year on average is \$9.4M in each category, based on estimated Penny revenue.

Physical Environment:

Cross Bayou Estates Drainage Phase 1 #001328A: Phase 1 of drainage improvements to alleviate residential structural and street flooding in the vicinity of Cross Bayou Estates. Total project estimate is \$3.8M funded by Penny.

Cross Bayou Estates Drainage Phase 2 #001328B: Phase 2 of drainage improvements to alleviate residential structural and street flooding in the vicinity of Cross Bayou Estates. Total project estimate is \$4.5M funded by Penny.

Cross Bayou Improvements Phase 1 #002124A: Phase 1 to improve conveyance through Cross Bayou Canal and reduce duration of flooding. Removed material should be tested to account for pollutant removal. Total project estimate is \$13.3M funded by Penny.

Joe's Creek Greenway Trail and Stormwater Management #004116A: This project is for preliminary engineering, design and construction of the Joe's Creek Greenway Trail, adjacent channel, and implementation of other projects identified by Watershed Management Program (WMP). Total project estimate is \$56.4M funded by Penny, State and local grants.

Starkey Road Channel 5 Bank Stabilization Improvements #004135A: Bank stabilization and erosion control for approximately 2100' of Starkey Road Channel 5 from Starkey Road northeasterly to the CSX railroad crossing. Total project estimate is \$6.2M funded by Penny.

Public Safety:

New Jail Checkpoint Building and Parking #004179A: Construct a new jail checkpoint building and associated parking for visitors and staff on the Jail Campus. Total project estimate \$20.1M funded by Penny.

Redington Beach Rescue Station #002996A: Establish an EMS Rescue Station to serve the Redington Beach Communities. Total project estimate \$4.8M funded by Penny.

Transportation:

22nd Ave S - 58th St S to 34th St S Roadway Improvement #000087A: Sidewalk and roadway improvements along 22nd Ave S. Total project estimate \$7.1M funded by Penny and Impact Fees.

62nd Avenue N Roadway Improvement from 34th Street N to 49th Street N #000097A: 62nd Avenue N Roadway Improvement from 34th Street N to 49th Street N. Total project estimate \$23.9M funded by Penny, Impact Fees, and grant.

Old Coachman Road over Alligator Creek Bridge Replacement #001034A: Old Coachman Road over Alligator Creek bridge reconstruction/replacement. Total project estimate \$8.0M funded by Penny and Impact Fees.

San Martin Blvd. over Riviera Bay Bridge Replacement #001036A: San Martin Blvd. over Riviera Bay bridge reconstruction / replacement. Total project estimate \$21.0M funded by Penny.

Beckett Bridge Replacement #001037A: Design and construction of Beckett Bridge replacement after PD&E is completed. Total project estimate \$26.0M funded by Penny and Impact Fees.

Starkey Road Reconstruction & Widening from Flamevine to Bryan Dairy Road #002063A: Road reconstruction and widening from 4 lanes divided to 6 lanes divided. Pond construction, storm pipe upgrade, traffic signalization and pavement markings. Total project estimate \$21.5M funded by Penny.

Whitney Road and Wolford Road intersection and Roadway Improvements #002109A: Intersection and roadway improvements including major drainage work to address road subsidence and ditch erosion. Total project estimate \$11.9M funded by ARPA, Penny and Impact Fees.

46th Ave N from 49th St N. (CR 611) to 38th St N. Roadway Improvements #002131A: Design and construction of a sidewalk project within the Lealman Community Redevelopment Area. Total project estimate \$5.3M funded by Penny and ARPA.

102nd Ave from 137th St to 113th St Roadway Improvements #003880A: Roadway project to improve roadway, provide bike lanes and sidewalks. Enhance multi-modal transportation options. Total project estimate \$7.1M funded by Penny and Impact Fees.

54th Ave. N. Roadway Improvements from 49th St. N. to 34th St. N. #003882A: Design, and construction of a Complete Streets roadway improvement. Total project estimate \$8.4M funded by Penny.

Pinellas Trail South Gap - 126th Ave N to Ulmerton Rd #003883A: This Project consists of the design, permitting, and construction of Pinellas Trail Loop South Segment – Shared-Use Non-motorized. Total project estimate \$3.5M funded by Penny and State grant.

Pinellas Trail South Gap - Ulmerton Rd to Belleair Rd #003883B: This Project consists of the design, permitting, and construction of Pinellas Trail Loop South Segment – Shared-Use Non-motorized (SUN) Trail from Ulmerton Rd to Belleair Rd. Total project estimate \$11.6M funded by Penny and Federal grant.

Nebraska Ave Roadway Improvement from Alt US 19 to West Lake Blvd #004182A: Nebraska Ave improvements to include curb, gutter, sidewalks, storm drainage, and minor intersection improvements at certain cross streets with mast arms at Westlake Blvd. Total project estimate \$7.7M funded by Penny.

West Bay Complete Streets project from the Belleair Bridge to Clearwater-Largo Road #004540A: The two-mile corridor connects the beaches to the Pinellas Trail and toward downtown Largo. Stretching from Belleair Causeway to Clearwater Largo Road, the study area connects portions of Belleair Bluffs, the County and Largo. Total project estimate \$6.0M funded by Penny and Impact Fees.

Riviere Rd. from Tampa Rd. to Nebraska Ave. S/W Improvements #004616A: Design and construction for sidewalk needs along Riviere Rd (Tampa Rd-Nebraska Ave), filling in sidewalk gaps with drainage improvements. Total project estimate \$5.9M funded by Penny.

ATMS Pinellas County ATCMTD Connected Community Project #004974A: Planned system enhancements for the County's existing Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) include accelerating deployment of connected vehicle infrastructure along several key corridors. Total project estimate is \$4.9M funded by Federal and State grants.

Keystone Road and Eastlake Road Emergency Access Improvements #005208A: This project looks to improve emergency access along Keystone Road from Eastlake Fire & Rescue Station 58 to East Lake Road. Total project estimate \$1.2M funded by Penny.

Ridgemoor Blvd Access Management Safety Improvements from East Lake Rd to Pine Ridge Blvd #005209A: Improve the safety of Ridgemoor Blvd through access management and land reconfiguration to reduce conflict points. Total project estimate \$1.2M funded by Penny.

Bay Pines Blvd & 95th St N Intersection Improvements #005538A: Intersection improvements for Bay Pines Blvd. (US 19/SR 595) and 95th St. N. Conduct intersection study to identify needed functional and operational improvements to turning and ADA accessibility. Total project estimate \$1.5M funded by Penny.

Highpoint: Russell Ave Connection #006030A: This project will construct a pedestrian connection through Russell Avenue in the Highpoint Community. See attached for full description. Total project estimate \$964,000 funded by ARPA.

Safe Routes to School #006033A: This project prioritizes new sidewalk segments based on factors such as the population density served, ability to complete gaps. See attached for full description. Total project estimate \$5.9M funded by ARPA.

FY24 Enterprise CIP

The expenditure total (net of non-project items such as reserves) for the FY24 Enterprise CIP is \$179.0M. The pie chart below shows the percentage distribution of expenditures among the functional areas of the CIP.

Pie Chart titled FY24 Enterprise Funds net of reserves and non-project items \$179.0M consisting of Airport at \$34.7M, 19.4%; Water at \$51.8M, 29.0%; Sewer at \$64.5M, 36.0%; and Solid Waste at \$28.0M, 15.6%.

Enterprise CIP projects scheduled for completion in FY23 (not all inclusive):

Airport:

- 000035A Runway 18/36 Rehabilitation Airport
- 000037A Acquire Airport Rescue and Fire-Fighting Vehicles Airport
- 001064A Relocate Airfield Electric Vault
- 004351A Replace Passenger Portal Gates 7-11
- 004352A Installation of New Service Elevator
- 004910A Airport Cell Lot Restrooms

Utilities:

- 000702B - Crosswinds Dr. Bridge Replacement - Utility Relocations
- 001283A - Replanting of Pine Seedlings @ Cross Bar Ranch
- 001933G - Annual Sewer CIPP - Ridgewood, Oakhurst, Belleair Beach, N. Lake Seminole
- 002160A - Pump Station 016/Park Blvd Force Main to South Cross Bayou Replacement
- 002747F - Sanitary Sewer Interceptor Pipe Rehabilitation - Bee Pond Road
- 002747G - Sanitary Sewer Interceptor Pipe Rehabilitation - 109th St.
- 002747H - Sanitary Sewer Interceptor Pipe Rehabilitation -74th Ave
- 002747I - Sanitary Sewer Interceptor Pipe Rehabilitation -Lealman
- 002747J - Sanitary Sewer Interceptor Pipe Rehabilitation - Hamlin Blvd and 46th Ave
- 002944A - South Cross Bayou Grit Facility Improvements
- 003205A - Pump Station 079 Improvements (North Redington Beach)
- 003210H - Force main and ARV Replacement - Klosterman Road and Disston
- 003756A - SCB Plant Lighting Upgrades
- 003764A - Water Ground Storage Tank Rehabilitation
- 004071A - Rosery Road Phase I Water Main Relocation from Pinellas Trail to Missouri Avenue
- 004355A - S. K. Keller Polyphosphate Building Process Upgrades
- 004358A - South Cross Bayou Digester Gas Flowmeter Installation
- 004572A - Marlin Drive Utility Relocation for City of Belleair Bluffs Roadway Improvements

Enterprise CIP projects scheduled for completion in FY24 (not all inclusive):

Solid Waste:

Recycling Center Expansion Projects #002585A: Design appropriately size slab and ingress/egress modifications to facilitate the container pickup and placement for four containers slots. Total project estimate \$582,000, funded by Solid Waste enterprise funds.

Visitor Information Kiosks and Claw Monument 002586A: Engineering design of bucket mounting system and mounting bucket. Layout, concept, and construct Kiosks. Total project estimate \$554,000, funded by Solid Waste enterprise funds.

Industrial Waste Treatment Facility Clarifier #003347A: Replacement of the Industrial Waste Treatment Facility clarifier. Total project estimate \$13.7M, funded by Solid Waste enterprise funds.

Solid Waste Influent Pumping Station (Thirsty Duct) Improvements #005214A: The project improves a failed thirsty duct system (Influent Pumping Station). The current system is used to pump storm water/leachate to the industrial water treatment facility. Total project estimate \$4.1M, funded by Solid Waste enterprise funds.

Utilities:

Annual Sewer CIPP - Tarpon Springs, Palm Harbor, Curlew City #001933D: Rehabilitation of sewer lines using cured-in-place pipelining. Total project estimate \$2.2M, funded by Sewer enterprise funds.

Indian Rocks Sewer CIPP - Phase 1 #002346B: Rehabilitation of sewer lines using Cured-In-Place Pipelining. Total project estimate \$1.0M, funded by Sewer enterprise funds.

Indian Rocks Sewer CIPP - Phase 2 #002346C: Rehabilitation of sewer lines using Cured-In-Place Pipelining. Total project estimate \$1.0M, funded by Sewer enterprise funds.

Dunn Filtration and Disinfection Improvements #003122B: Upgrade W.E. Dunn Water Reclamation Facility plant disinfection and filtration systems. Total project estimate \$16.0M, funded by Sewer enterprise funds.

South Cross Bayou Fiber Optic Upgrades #004903A: Replace fiber optics throughout the South Cross Bayou Water Treatment Plant. Total project estimate \$1.7M, funded by Sewer enterprise funds.

South Cross Bayou Pelletizer Dust Hazard Mitigation #004904A: Installing explosion suppression protective equipment devices to reduce the risk of a fire event caused by flammable dust emitted during the palletization process. Total project estimate \$1.7M, funded by Sewer enterprise funds.

60" Transmission Water Main Line Valve at Keller Water Treatment Facility #005224A: The installation of a 60\201D transmission line valve at the Keller Regional Water Facility where the main meets the Tampa Bay Water 60\201D supply transmission main from the east and the 42-inch water transmission main to west. Total project estimate \$1.9M, funded by Water enterprise funds.

Transportation (Airport):

Cargo Apron Rehab and Runway 9/27 Conversion #000033A: Design and construction costs for new cargo apron and the conversion of old Runway 09/27 to a Taxiway. Total project estimate \$15.6M, funded by Airport enterprise funds, Passenger Facility Charges, and grants.

Upgrade Airport Lift Station Near Army Reserve Base #004350A: Upgrade the Airport's lift station that serves the tenants near the Army Reserve Base. Airport is currently servicing the lift station and the Airport wants Pinellas County Utilities to maintain it from now on. Total project estimate \$400,000, funded by Airport enterprise funds.

Distance Remaining Markers Runways 18-36 Replacement #006157A: Design and installation of eight replacement distance remaining markers on Runway 18-36. Total project estimate \$125,000, funded by Passenger Facility Charges.

Please see the "Revisions from Previous Year" section for complete information.

FY24 - FY29 Enterprise CIP

The expenditure total (net of reserves/non-project items) for the FY24 - FY29 Enterprise CIP is \$1.05B. The pie chart below shows the percentage distribution of expenditures within the functional areas of the CIP.

Pie Chart titled FY24-FY29 Enterprise Funds net of reserves \$1.05B. The pie chart shows the percentage distribution of expenditures within the functional areas of the Enterprise CIP: Airport at \$167.7M, 15.9%; Water at \$229.9M, 21.9%; Sewer at \$460.5M, 43.8%; and Solid Waste at \$193.1M, 18.4%.

Major project highlights in the Enterprise Six-Year CIP are listed below by functional area. The focus of this list are the projects that are scheduled for completion in the out years of FY25 through FY29.

Physical Environment (Solid Waste and Utilities):

Solid Waste:

Replace Scales #000842A: Replacement of scales due to heavy use. Total project estimate \$9.9M, funded by Solid Waste enterprise funds.

New Canopy at Solid Waste Scale House #003350A: Replace existing canopy over the scales and booths. Total project estimate \$3.9M, funded by Solid Waste enterprise funds.

Solid Waste On Site Net Metering #004916A: Project to route renewable energy generated by Waste to Energy Plant to existing retail power meters on Solid Waste Campus. Total project estimate \$8.9M, funded by Solid Waste enterprise funds.

Bulky Waste Processing Station at Solid Waste #004922A: Design and construction of a facility to process bulky portions of the MSW Waste stream to allow acceptance into the WTE facility. Total project estimate \$63.0M, funded by Solid Waste enterprise funds.

Utilities:

North County Force Main Improvements #003760A: Construction of approximately 3.6 miles of new 14" force main pipe along East Lake Road. Total project estimate \$9.2M, funded by Sewer enterprise funds.

Force Main Capacity Improvements - Highland Lakes FM 003761A: Construction of approximately 4.3 miles of new 24" force main near and through the Highland Lakes community area. Total project estimate \$9.7M, funded by Sewer enterprise funds.

Advanced Metering Infrastructure (AMI) Water Meter Replacement #001601A: This project includes converting analog meters (manually read) to an electronic meter network for the County's potable water system. Total project estimate \$66.0M, funded by Water enterprise funds.

Advanced Metering Infrastructure (AMI) Reclaimed Water Meters #003769A: This project includes the new installation of Advanced Metering Infrastructure (AMI) meters for our residential customers and converting commercial reclaimed analog meters (manually read) to an electronic meter network for the reclaimed water system. Total project estimate \$11.3M, funded by Sewer enterprise funds.

Logan Laboratory Improvements #002149A: Hurricane-hardened Water & Sewer System Monitoring & Administration Building to replace the aging facility currently sharing the Logan Pump Station building. Total project estimate \$12.9M, funded by Water & Sewer enterprise funds and State grant.

Logan Utilities Operations Center Building #005222A: This project includes the planning, design, and construction of a multi-purpose facility that will be located at the existing Logan Campus. Total project estimate \$5.5M, funded by Water & Sewer enterprise funds.

North Booster Pump Station Hardening #005218A: Increase resiliency at the North Booster Pumping Station by hardening the building to withstand either a Category IV or V storm. Total project estimate \$11.2M, funded by Water enterprise funds.

Building Hardening - General Maintenance Building South #004578A: The General Maintenance Building South recently was evaluated as to how much wind resistance the structure can carry. Results of the study is that there is insufficient wind resistance capacity in this building. Total project estimate \$1.4M, funded by Water & Sewer enterprise funds and State grant.

Manufactured Home Communities Wastewater Collection System Improvements #005015A: Project will include replacing up to fifteen (15) manufactured home communities wastewater collection systems in unincorporated southern Pinellas County. Total project estimate \$44.4M, funded by ARPA and Federal grants.

South Cross Bayou Aeration Improvements #002937A: Provide necessary improvements to the air header system. Improvements to include air flow meters, modulation valves and upgrade the micro air diffusers. Total project estimate \$8.2M, funded by Sewer enterprise funds & future financing.

South Cross Bayou Dewatering Improvements #002166A: Evaluate dewatering system and design and construct new upgraded system to replace the old equipment that has ended its useful lifecycle. Total project estimate \$13.7M, funded by Sewer enterprise funds and ARPA.

South Cross Bayou Denitrification Filter Rehab # 003408A: Rehabilitate South Cross Bayou denitrification filter to increase treatment. Total project estimate \$18.2M, funded by Sewer enterprise funds and ARPA.

Septic to Sewer Program Phase 1 #006052A: First phase in a multiyear septic to sewer conversion project that will extend Pinellas County Utilities' wastewater collection system into neighborhoods that are within PCU's service area but 100 ft away from the collection system. Total project estimate \$10.0M, funded by ARPA.

Pinellas Park Interceptor Collection System Improvements #003147A: Replace the existing 42-inch interceptor at 54-inch interceptor at 62nd Ave. Total project estimate \$16.2M, funded by Sewer enterprise funds and a Joint Participation Agreement with Pinellas Park.

Transportation (Airport):

Construct New General Aviation Taxiways and Roads Airport #000034A: Design and construction for the new general aviation taxiways and ramps for the AIRCO parcel. Total project estimate \$17.7M, funded by Airport enterprise funds, Passenger Facility Charges, and grants.

Multi-Level Airport Parking Garage #002877A: Multi-level parking deck to alleviate parking congestion on the east side of Roosevelt Blvd. Total project estimate \$33.0M, funded by Airport enterprise funds.

New Passenger Terminal Improvements # 003343A: Expansion and improvement of existing terminal. Total project estimate \$109.8M, funded by Airport enterprise funds, Passenger Facility Charges, and grants.

Pave Strawberry Parking Lot & Shuttle Road #004570A: The current "Strawberry" economy parking lot is unpaved and is lined with gravel. This project will pave the economy lot to help customers walk and drive easier through the economy lot. Total project estimate \$4.5M, funded by Airport enterprise funds and grants.

Airco Site Preparation #004571A: Facilitate the development of the Airco Property at the St. Pete-Clearwater International Airport by developing a portion of the stormwater infrastructure upfront. Total project estimate \$14.3M, funded by Airport enterprise funds and grants.

Replace Airport Terminal Carpeting #006041B: This project consists of replacing the carpeting in various areas throughout PIE's terminal. Total project estimate \$750,000, funded by ARPA.

Renovate Airport Terminal Restrooms #006041C: This project consists of replacing the terrazzo, toilets, sinks and toilet partitions in two restrooms in PIE's terminal near ticketing A and restrooms located in Gates 2-6. Total project estimate \$1.0M, funded by ARPA.

Terminal Mitigation of Water Intrusion #006041D: This project will replace skylights, roof membranes, and windows and surrounding sheetrock or window flashing. Total project estimate \$1.8M, funded by ARPA.

Overall, there are more than 350 projects or program areas that comprise the six-year CIP. A complete listing of CIP expenditure allocations is included in the "CIP Budget Report by Function & Program" within the Capital Improvement Section. A "Revisions from Previous Year" report between this year's CIP and last year's CIP is also included, as well as a report of the Operating Budget Impacts by project. The budget document will be posted on the County's website at: <http://www.pinellascounty.org/budget/>

Governmental Capital Projects by Program

Actual expenditures and budgets include only capital improvement projects

Advanced Traffic Management System				
Design and Construction of the Countywide Advanced Traffic Management System (ATMS)/Intelligent Transportation System (ITS) to maximize the capacity of the County transportation network				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Capital Projects	\$ 6,621,697	\$ 2,666,877	\$ 8,865,000	\$ 10,145,000
Program Total	\$ 6,621,697	\$ 2,666,877	\$ 8,865,000	\$ 10,145,000
Affordable Housing Land Assembly				
Land acquisition to assemble parcels suitable for affordable/workforce housing developments				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Capital Projects	\$ 54,280	\$ 2,596,859	\$ 0	\$ 0
Program Total	\$ 54,280	\$ 2,596,859	\$ 0	\$ 0
Arterial Roads Projects				
Improvements or reconstruction of county maintained arterial roads.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
American Rescue Plan Act	\$ 0	\$ 0	\$ 0	\$ 6,289,000

Capital Projects	0	0	0	15,000,000
Program Total	\$ 162,552	\$ 335,409	\$ 1,139,000	\$ 15,169,000

Governmental Capital Projects by Program

Actual expenditures and budgets include only capital improvement projects

Emergency & Disaster Projects				
Increase or enhance emergency shelter capacity by retrofitting, hardening, or contributing to the replacement of facilities that can be dedicated as emergency shelters.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Capital Projects	\$ 1,066,512	\$ 266,628	\$ 3,241,000	\$ 3,400,000
Program Total	\$ 1,066,512	\$ 266,628	\$ 3,241,000	\$ 3,400,000
Emergency Events				
Expenditures incurred during a disaster event to allow for accurate tracking of those expenses in support of reimbursement of eligible expenditures from the Federal Emergency Management Agency's (FEMA) Public Assistance Grant Program or other funding sources, as applicable.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 0	\$ 20,100	\$ 0	\$ 0
Program Total	\$ 0	\$ 20,100	\$ 0	\$ 0
Environmental Conservation Projects				
Improvements and restoration to natural resources in parks, preserves, and management areas.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
American Rescue Plan Act	\$ 0	\$ 0	\$ 0	\$ 1,000,000
Capital Projects	239,730	166,550	2,924,000	3,519,000
Program Total	\$ 239,730	\$ 166,550	\$ 2,924,000	\$ 4,519,000
Environmental Services				
Management, operation, and maintenance of the countywide stormwater conveyance system, permitting of docks, dredge and fill activities, removal of derelict vessels, placement and maintenance of aids to navigation in local waters, and coastal management activities.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
General Fund	\$ 50,538	\$ 54,260	\$ 0	\$ 0
Program Total	\$ 50,538	\$ 54,260	\$ 0	\$ 0
Extension/Botanical Gardens Projects				
Improvements, renovations, and restoration to the County Extension and Florida Botanical Gardens facilities and grounds.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
Capital Projects	\$ 0	\$ 149,061	\$ 0	\$ 0
Program Total	\$ 0	\$ 149,061	\$ 0	\$ 0
Flood Control Projects				
Projects to address flooding issues in Pinellas County.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
American Rescue Plan Act	\$ 0	\$ 0	\$ 3,704,000	\$ 4,687,860
Capital Projects	1,205,473	1,026,258	13,600,000	15,144,140
Program Total	\$ 1,205,473	\$ 1,026,258	\$ 17,304,000	\$ 19,832,000

Governmental Capital Projects by Program

Actual expenditures and budgets include only capital improvement projects

Industry Development				
Design, construction, and renovation of the Young-Rainey Science, Technology and Research (STAR) Center. The STAR Center aims to attract, develop, and retain high-technology employers.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
STAR Center Fund	\$ 987,827	\$ 1,078,311	\$ 3,528,000	\$ 1,696,000
Program Total	\$ 987,827	\$ 1,078,311	\$ 3,528,000	\$ 1,696,000
Intersection Improvements Projects				
Improvements or reconstruction of county maintained intersections.				
Fund	FY21 Actual	FY22 Actual	FY23 Budget	FY24 Budget
American Rescue Plan Act	\$ 0	\$ 0	\$ 0	\$ 1,500,000

Pinellas County, Florida

267-R

FY24 Tentative Budget

**Governmental Capital Improvement Plan
Revisions from Previous Year**

FUNCTION: CULTURE AND RECREATION

Program 1331 - Community Vitality & Improvement

003505H Lealman Community Campus Courtyard Improvements: Project increase due to change in scope required by permitting. Additional stormwater drainage needed.

Program 3002 - Boat Ramp Projects

000050A Sutherland Bayou Boat Ramp Driveway Improvements (Subproject of 000050A): Budget increase and schedule change due to addition of parking area and driveway paving within the park.

Program 3003 - Countywide Parks Projects

000043A Taylor Park Shoreline Restoration: Construction will follow Taylor Lake Seawall project. Schedule of shoreline restoration was shifted out until construction of seawall is complete (anticipated in FY25).

000064A Wall Springs Coastal Add III, IV Development: Outward shift in schedule as recycling and maintenance locations have not been determined and project scope is still under review.

000341A CW Park Utility Infrastructure: Budget increase based on completed scopes and updated estimates for proposed sub-projects.

000929A Ft De Soto Bay Pier Replacement: No change.

002033A Turner Bungalow: Increase to cover final costs to complete project in FY23.

002168A Environmental Lands Acquisition: No change.

002169A Heritage Village Improvements: Project is now a program project with outlined sub-projects and estimates. Refined estimates resulted in decreased budget need.

002170A Taylor Homestead: increase in cost due to change in design and current day pricing. Project to be completed in FY23.

002201A Raymond H. Neri Park Phase 1: Increase in cost due to more refined plans and current day pricing. Schedule was shifted outward to allow for rezoning and permitting.

002998A High Point Community Park: Increase due to current day pricing and addition of lighting.

003505H Lealman Community Campus Courtyard Improvements: Project increase due to change in scope required by permitting. Additional stormwater drainage needed.

003772A Renovation and Replacement of Park Structures: Budget reduction to reflect estimated activity of sub-projects within this program project.

004093A Countywide Park Roads and Parking Paving Areas: Budget reduction to reflect estimated activity of sub-projects within this program project.

004100A Government Facilities Remodel and Renovation: Budgeted program project for subprojects each year, budget updated accordingly.

004171A Park Playground Replacement- ADA/Inclusive: Increase due to addition of grant funding.

004172A Countywide Boardwalk and Trails: Cost increase due to more extensive rehabilitation needs than originally expected at several park locations.

004174A Education Center Display Replacement at Nature Preserves: Budget increase due to current day pricing and project needs have changed since original conception including latest ADA requirements.

**Governmental Capital Improvement Plan
Revisions from Previous Year**

- 004178B Philippe Park Living Shoreline Project: No change.
- 004451A Sand Key Park Paving: No change.
- 004452A Brooker Creek Boardwalk Rehab: Budget decrease due to less extensive replacement needed. Project to be completed in FY23, ahead of schedule.
- 004556A Seminole Recreation Facilities in Unincorporated Area: No change to budget amount but change in budget years to better reflect project schedule (which includes design and construction of 3 youth baseball facilities).
- 004557A Palm Harbor Recreation Center: Construction pushed out due to change in engineering services needed.
- 004558A Tierra Verde Recreation Center: Increase due to change in design estimate.
- 004559A East Lake Library Expansion Phase II: No change.
- 004560A Ft. De Soto Visitor Center: No change.
- 004561A Heritage Village Storage Facility: No change.
- 006024A Rehabilitation of 119th St Overflow Area-North Garden in Ridgecrest: Increased construction estimate based on unit prices from recent County bids. Budget includes first year of operations and maintenance of gas collection system.
- 006025A Dansville Community Park: No change in budget. Schedule accelerated to accommodate ARPA timelines for project completion.
- 006031A Lake Seminole Park Trail Extension: No change in total project estimate outward shift in fiscal years to reflect current project schedule.

FUNCTION: ECONOMIC ENVIRONMENT

Program 1904 - Economic Development Authority

- 004943A STAR Center Roof Recoat 14,15,16,32,40: Budget increased due to cost of materials.
- 004944A STAR Center Roof Recoat 11,12,31,32,33: Budget increased due to cost of materials.
- 004945A STAR Center Roof Recoat 10 West, 21: Budget increased due to cost of materials.
- 004946A STAR Center Roof Recoat 10 East, 27: No change.
- 004947A STAR Center Roof Recoat Building 100 22,23,24,20,39: Budget increased due to cost of materials.
- 004948A STAR Center Roof Recoat 18,19,34,35,37: Budget increased due to cost of materials.
- 004949A STAR Center Air Handling Unit 87,169,170 Replacement: Budget increased due to cost of materials.
- 004950A STAR Center AHU 30,110,161,162,171 Replacement: Project timeline shifted from FY25-26 to FY27-28.
- 005583A Toytown Remediation Phase 1: No change to project's budget.

Program 3004 - Industry Development

- 004081A STAR Automatic Transfer Switch #6-20 Replacement: Project completed in FY22.
- 004082A STAR Center Chiller #2 Replacement: Budget increased due to cost of materials. Construction completion moved up from FY25 to FY24.
- 004083A STAR Center Fire Alarm Replacement: Project scheduled to complete in FY23.

**Governmental Capital Improvement Plan
Revisions from Previous Year**

- 004084A STAR Fire Pump #1 Replacement: No change.
- 004085A STAR Center Switchgear Replacement & TX Tracking 137, 186, 347, 500: Budget increased due to cost of materials. Construction completion extended from FY26 to FY27.
- 004564A STAR Center AHU 138,154, 189 Replacement: Project scheduled to complete in FY23.
- 004565A STAR Center AHU 1,3,9 Replacement: Budget increased due to cost of materials. Construction completion extended from FY23 to FY24.
- 004566A STAR Center AHU 31,104,161,162 Replacement: Budget increased due to cost of materials. Construction completion extended from FY24 to FY25.
- 004567A STAR Center AHU 14,16,29,78 Replacement: Budget increased due to cost of materials. Construction completion extended from FY25 to FY26.
- 006156A STAR Center Building 400 East Re-Roof: New Project.

Program 3039 - Penny-Econ Dev&Housing (8.3%)

- 004149A Economic Development Capital Projects: Realigning expenditures in the six-year plan. Countywide investment penny revenues updated. Six-year plan updated accordingly.
- 004251A Tampa Bay Innovation Center Incubator: No changes to project. Project to be completed in FY23.
-

FUNCTION: GENERAL GOVERNMENT SERVICES

Program 3005 - Judicial Facilities Projects

- 001109A County Justice Center Judicial Consolidation: Project increased and pushed out a year to finish fire alarm upgrade. Increased was also caused by additional CEI and staff time needed.

Program 3006 - Other County Building Projects

- 002153A Fueling System Retrofits: Budgeted program project for subprojects each year; budget updated accordingly.
- 003505I Lealman Community Indoor Court Replacement: Project complete.
- 003904A North County Service Center Design and Construction: Project pushed out a year due to align with updated construction timeline. Construction estimate updated.
- 004100A Government Facilities Remodel and Renovation: Budgeted program project for subprojects each year, budget updated accordingly.
- 004142A Mid County Tax Collector Building Acquisition and Capital Improvement: Project's scope changed. Previously renovating common area. Renovation has grown beyond common area.
- 004176A Future Facilities: Project's allocation increased.
- 004177A Space Consolidation Projects: Project is no longer a need.
- 004992A South County Service Center Replacement/Purchase: Project pushed out one year, as department is finalizing contract to purchase property.
- 005736A Supervisor of Elections Tab Room: New Project.
- 005748A Clearwater Transit Center ILA with PSTA: New Project.
- 005753A SOE Bldg 1st & 2nd Floor Interior Renovations: New Project.

**Governmental Capital Improvement Plan
Revisions from Previous Year**

006032A Countywide Electric Vehicles Infrastructure Master Plan: Project pushed out a year due finalizing Master Plan contract.

Program 3038 - Penny-Jail & Courts Facil (3%)

001109C St. Pete Courts Consolidation: Project is delayed due to testing issues; so adding funds to cover additional CEI and staff time needed.

002880A Courts and Jail Projects: Budgeted program project for subprojects each year, budget updated accordingly.

FUNCTION: HUMAN SERVICES

Program 1123 - Emergency Events

001475G Bayside Clinic Expansion Phase II, III: Project schedule updated. Project no longer fully grant funded. Additional grant and penny funding added to the plan. Increase due to bid coming in higher than estimated.

Program 1569 - Pinellas County Health Prog

001475E Bayside Clinic Behavioral Health Expansion Phase I: No change.

001475G Bayside Clinic Expansion Phase II, III: Project schedule updated. Project no longer fully grant funded. Additional grant and penny funding added to the plan. Increase due to bid coming in higher than estimated.

Program 3006 - Other County Building Projects

004009A Animal Services Renovation and A/C Replacement in Buildings 200,300,400,600: Project's construction estimate increased due to bid coming in higher than engineer's estimate.

004562A Animal Services Vet Hospital: No change.

Program 3007 - Affordable Housing Land Assembly

001071A Affordable Housing Land Assembly Program: Penny III program to be completed in FY23.

Program 3039 - Penny-Econ Dev&Housing (8.3%)

004150A Housing Projects aligned with 8.3% Countywide Investment: Updated budget in the six-year plan to align with applications and approved project schedules. Six-year plan updated to reflect updated Countywide investment Penny revenue estimates.

FUNCTION: NON-PROJECT ITEMS

Program 1008 - Reserves Program

001247A Reserves-Fund 3001: Reserves updated each year to balance fund.

FUNCTION: PHYSICAL ENVIRONMENT

Program 2205 - Surface Water

002625A Surface Water Pipe Lining/Remove & Replace: Program project scaled back to remaining Corrugated Metal Pipe Program length that was previously approved for Surface Water Fee funding.

Governmental Capital Improvement Plan
Revisions from Previous Year

Program 3008 - Coastal Management Projects

- 000129A Coastal Research/Coordination: Estimates updated to reflect annual contract amount, resulting in a slightly reduced budget.
- 000139A Dune Construction & Walk-overs: Increase due to additional years added through duration of the Six - Year Capital Improvement plan.
- 000219A Upham Beach Stabilization: No change.
- 001516A Sand Key Nourishment 2023: Cost increase due to additional scope for monitoring. Outward shift in schedule due to lack of easements necessary to construction.
- 002573A Long Key-Pass a Grille Nourishment 2022: No change.
- 002574A Treasure Island Nourishment 2022: No change.
- 004487A Long Key-Upham 2024 Beach Nourishment: Budget increase to fund additional year of monitoring.

Program 3009 - Environmental Conservation Projects

- 000083A Weedon Island Preserve Salt Marsh Restor: Increased construction costs based on advanced design stage estimate and increase in recent construction pricing.
- 001008A 4 Lakes Hammock Public Use Infrastructure: Slight reduction due to removal of some amenities. Construction shifted out due to longer than expected permitting effort.
- 004178A Philippe Park Seawall Replacement: Cost reduction resulting from field design approach. Schedule shift due to evaluation of sidewalk alignment and stormwater treatment siting.

Program 3010 - Channel Erosion Projects

- 002109A Whitney Road and Wolford Road intersection and Roadway Improvements: Project estimate increased due to current market conditions and an escalation factor of 9%. Project's schedule updated.
- 002121C Bee Branch Phase 3 Erosion Control: Cost increase due to increased design costs and construction cost escalation. Scope was expanded to address drainage concerns.
- 003810A Creek, Channel, Erosion Control Program: Change in budget due to addition of projects to be completed under this program.
- 003894A Mullet Creek Channel B Bank Stabilization: Increased budget due to construction bids. Schedule shift due to coordination with City of Safety Harbor.
- 004135A Starkey Road Channel 5 Bank Stabilization Improvements: Budget increase due to increased consultant fees and construction escalation factor.
- 005587A Bee Branch Erosion Control - Omaha to Outfall: Budget increase due to addition of a consultant project manager (for coordination with 004121A Curlew Creek), other associated design costs, and current day construction pricing.

Program 3012 - Flood Control Projects

- 002119A Drainage Improvements in Pinebrook Canal between 142nd Avenue and Ulmerton Road: Schedule shifted outward to align with the City of Largo. Budget reduced to reflect the County's cost share.
- 002123A Roosevelt Creek Channel 5 Improvements: Cost increase due to increased design costs and construction cost escalation. Schedule was shifted outward to accommodate survey and plan revisions to reflect the first phase of work that was completed.

Governmental Capital Improvement Plan
Revisions from Previous Year

- 002124A Cross Bayou Improvements Phase 1: Increase in design costs for development of design-build RFP. Increased construction costs due to unit construction costs based on recent Pinellas County bids.
- 002124B Cross Bayou Improvements Phase 2: Budget increase due to increase in acquisition costs and construction estimates based on recent Pinellas County unit construction costs.
- 002227A N Rena Drive Drainage Improvements North of Ulmerton Road & West of 66th Street N: Budget added for potential easement acquisition needed for project to move forward.
- 002228A Taylor Lake Seawall Replacement: Budget increase due to current day construction pricing
- 003800A Flood Prevention Program: Budget reduction to reflect estimated activity of sub-projects within this program project.
- 003895A Chenango Ave - Sedeeva Street Drainage Improvements: Budget reduction due to change in scope and coordination with the City of Clearwater.
- 003896A Crystal Beach Drainage Improvements: Increased budget due to refined estimate and an escalation factor. Previous construction estimate was preliminary.
- 004116A Joe's Creek Greenway Trail and Stormwater Management: Schedule change due to environmental review required, increased budget due to current unit construction costs.
- 004117A McKay Creek Watershed-wide Flood Reduction Projects: Project scope reverted back to 2017 Penny List scope. Reduced budget to align with revised project estimate. Schedule pushed out due to acquisition phase.
- 004119A Starkey Road Channel 8 Drainage Improvements through Green Meadows and Twin Oaks: Budget increase due to escalated construction costs.
- 004121A Curlew Creek (Channel A Oro Dr to Wilshire Dr) and Smith Bayou (Lower Bee Branch Channel Restoration near Tampa Rd) Stormwater Conveyance Improvements: Project scope reverted back to 2017 Penny List scope. Reduced budget to align with revised project estimate.
- 004134A McKay Creek Operable Lake Controls and SCADA: Shift in schedule due to SWFWMD grant agreement. Construction cost increase due to unit values based in recent County bids.
- 005120A RESTORE SEP 16-3 Land Acquisition for Floodplain Restoration and Resiliency: No change in budget. Schedule shifted outwards due to delayed agreement execution
- 005541A Stevensons Creek Channel Reconstruction: Outward shift in schedule due to coordination with the City of Clearwater
- 005542A Spring Branch Floodplain Preservation and Habitat Improvement Area: Outward shift in schedule due to coordination with the City of Clearwater

Program 3013 - Storm Sewer Rehab Projects

- 001177B Lakeshore Estates Phase 2 Roadway and Drainage Improvements: No change. Construction will be completed in 2023.
- 001328A Cross Bayou Estates Drainage Phase 1: Construction increase based on escalation factor. Construction schedule pushed out to coordination with eastern phase of project.
- 001328B Cross Bayou Estates Drainage Phase 2: Increase in design estimate due to change in scope and increase of consultant fees and increased acquisition costs. Schedule pushed out due to acquisition phase.
- 001333A N. Highland Ave Road & Drainage Improvements Phase I: Budget increase due to current day pricing.
- 002064A Storm Sewer Pipeline Rehabilitation and CIPP: Increased budget due to additional needs budgeted in outer years.

Governmental Capital Improvement Plan
Revisions from Previous Year

- 002109A Whitney Road and Wolford Road intersection and Roadway Improvements: Project estimate increased due to current market conditions and an escalation factor of 9%. Project's schedule updated.
- 002115A Cherokee Drive (48th Avenue N) from 113th Street North to 112th Street North Drainage Improvements: Schedule shift due to restart of PER phase. Increase in costs due to increased data collection costs (survey, Geotech, etc.), inclusion of CEI, and current day pricing.
- 002434A South Myrtle Avenue Drainage Improvements from Clearwater Largo Road to Belleair Road: Project in construction, expected to be completed near the end of FY23. Slight reduction in budget due to use of bid pricing instead of engineer's estimate.
- 003897A Anclote Road Stormwater and Roadway Improvements: Project's allocation repurposed to fund PD&E and Design. Construction estimate will be revisited upon completion of PD&E.
- 003898A Lakeview and Keene Rd Drainage Improvements: Outward shift in schedule due to need for JPA and roadway transfers. Increased budget due to escalated construction costs.
- 003899A 98th Way - 100th Way Drainage Improvements: Budget increase due to increased design costs and construction cost escalation.
- 004207A Stormwater Infrastructure Program PIV: No change.
- 004518A Lofty Pines Sewer ILA with City of Dunedin Pass Thru Grant FDEP: No change in budget. Outward shift in schedule due to Dunedin's bid schedule.
- 005585A Sutherland Area Drainage Improvements: No change in budget, outward shift in project schedule.
- 006028A Lealman Drainage Improvements: No change.

Program 3014 - Surface Water Quality Projects

- 000157A Lake Seminole Sediment Removal: Outward shift in schedule due to unconsolidated sediments needing additional time to settle. Budget increase to capture full County match for grant agreement.
- 003001C Lealman Regional Stormwater Facility: Increase in expected construction costs due to change in treatment approach.
- 003435A Baypointe Stormwater Conservation Area: Increased design budget due to additional environmental/brownfield investigation. Increased construction budget due to current day pricing.
- 003900A Stormwater Starkey Facility M10 Modification: Budget increase based on Engineer's Estimate at 100% design phase. Outward shift in schedule due to permitting.
- 004116D Joe's Creek Phase 2 - Creek Restoration: New Project.
- 004126A Regional Stormwater Facilities: No change to budget. Schedule pushed out one year for additional site screening and evaluation.
- 004243A Palm Harbor Regional Stormwater Facility Improvements: No change.
- 004256A Interlocal Agreement between Pinellas County and Tampa Bay Estuary Program for FY2018-2023 Tampa Bay Environmental Restoration Fund: Budget added to additional fiscal years to fund the next agreement with the Tampa Bay Estuary Program.
- 004296A Stormwater Quality Program PIV: Budget reduction to reflect estimated activity of sub-projects within this program project.
- 005586A Pinellas Trail Green Infrastructure at Wall Springs Park: Project schedule shifted out due to delayed start on design phase.

**Governmental Capital Improvement Plan
Revisions from Previous Year**

FUNCTION: PUBLIC SAFETY

Program 3017 - Detention/Correction Projects

000895A Jail Campus Infrastructure Upgrade: No change

002590A Detention Perimeter Gates Replacement: Project increased due to structural modification requirements that were not included in original design. Project will be complete this fiscal year.

003509A Jail Perimeter Road Modification into ditch behind F-Wing: Project completed.

Program 3018 - Emergency & Disaster Projects

004180A Emergency Sheltering (including special needs shelters): Project's budget updated based on updated estimates.

Program 3019 - Other Public Safety Projects

000007B Public Safety Campus Repairs and Upgrade: Project is to be completed this fiscal year.

002996A Redington Beach Rescue Station: Pushed construction funding out due to cost coming in way over budget and going back to general contractor to value engineer.

003901A Radio Equipment Shelter Replacement at multiple sites: No Change.

004100A Government Facilities Remodel and Renovation: Budgeted program project for subprojects each year, budget updated accordingly.

004185A Palm Harbor Fire Station 68: Project in design phase. Amendment 1 executed Jan 21, 2023 adjusting cap to \$6M. No change.

004186A Lealman Fire Station 19: No Change. Anticipate final invoice in April 2023.

004968A Public Safety Radio Compliance-Mutual Aid: No change. Anticipate completion in FY23.

004969A Public Safety Radio Sustainment-Hospital Microwave: Anticipate completion in FY23.

004970A Public Safety Radio Sustainment-North Zone & Astro Site Repeater (ASR): Project will be completed in FY23.

005543A Pinellas Suncoast Fire Rescue (PSFR) Ladder Truck 28: Anticipate completion in FY23.

005544A Pinellas Suncoast Fire Station 28 Mainland: Levrum fire station planning study underway. Funding agreement with district will be forthcoming. Construction moved out to FY24.

006034A Fire Training Facility Enhancements: Engineering study has been completed. Operational needs study to be completed by July. Project schedule updated.

006035A Squad 65 Emergency Rescue Vehicle (Palm Harbor): Anticipate completion in FY23.

Program 3038 - Penny-Jail & Courts Facil (3%)

002590A Detention Perimeter Gates Replacement: Project increased due to structural modification requirements that were not included in original design. Project will be complete this fiscal year.

002880A Courts and Jail Projects: Budgeted program project for subprojects each year, budget updated accordingly.

004179A New Jail Security Entry Center (SEC): No change.

Governmental Capital Improvement Plan
Revisions from Previous Year

004234A Jail F-Wing Cell Door Renovation: Project cost increased based on additional scope of electrical work that was not included.

FUNCTION: TRANSPORTATION

Program 3020 - Arterial Roads Projects

- 000087A 22nd Ave S - 58th St S to 34th St S Roadway Improvement: Project's estimate increased due to current day pricing and an escalation factor of 6%.
- 000097A 62nd Avenue N Roadway Improvement from 34th Street N to 49th Street N: Project's estimate increased due to current day pricing and an escalation factor of 17%. Project's schedule updated; construction pushed to FY28.
- 002063A Starkey Road road reconstruction & widening from Flamevine to Bryan Dairy Road: Project's estimate decreased due to updated material quantities. Current day pricing and 9% escalation applied.
- 002105A Starkey Road roadway improvement from Bryan Dairy Road to Ulmerton Road: No change in project estimate. Traffic study planned to determine scope. No escalation factor applied due to unknowns surrounding project. Project's schedule updated; construction pushed out to FY31.
- 003877A Sunset Pt Rd from Kings Hwy to Keene Rd Roadway Improvements: Project's estimate decreased due to updated scope. Scope has been refined since original PER from 2009. Current day pricing and escalation factor of 17% applied. Project's schedule updated; construction pushed out to FY30.
- 003879A East Lake Rd (CR 611) from S of Curlew Road to N of Trinity Blvd. (CR 966): Project Development & Environment (PD&E) study added to project's estimate. Project's schedule updated; construction to begin in FY29.
- 003880A 102nd Ave N - (125th St N - 113th St N) Roadway, Drainage & Sidewalk Improvements - Design: Project's estimate increased due to current day pricing and an escalation factor of 14%.
- 003880B 102nd Ave (137th St N/Antilles Dr - 125th St N) Roadway, Drainage & Sidewalk Improvements: Project's design estimate increased due to current day pricing. Construction estimate removed from plan. Preliminary engineering report is needed to provide updated construction estimate.
- 004540A West Bay Complete Streets project from the Belleair Bridge to Clearwater-Largo Road: Project's estimate increased due to current day pricing and an escalation factor of 9%.

Program 3021 - Intersection Improvements Projects

- 000195A Traffic Safety Improvements: Program complete. Program being replaced by 005125A Traffic Safety Improvements PIV.
- 000958A 49th St N @ 38th Ave N and 30th Ave N, 58th St N @ 38th Ave N ADA Ramps Upgrade, Sidewalk, and Intersection Improvements: Project complete.
- 001023A 131st Street N at 82nd Avenue N and 86th Avenue N Intersection Improvements: Project's estimate increased due to issues with slopes that were constructed. Additional funding needed to complete the project.
- 002540A Belcher Road at Gulf to Bay Boulevard Intersection Improvements: Project's estimate increased to include acquisition and additional construction costs. Project's construction start date moved forward from FY29 to FY28.
- 003898A Lakeview and Keene Rd Drainage Improvements: Outward shift in schedule due to need for JPA and roadway transfers. Increased budget due to escalated construction costs.
- 004152A Intersection Program PIV: Additional FEMA funding anticipated for several intersection improvement projects within this program. Additional Penny funding needed to match.

Governmental Capital Improvement Plan
Revisions from Previous Year

- 004607A Grand Canal Dredging in Tierra Verde: Project's funding source changed from "To Be Determined" to ARPA.
- 005125A Traffic Safety Improvements PIV: Program's allocation reduced to support 005210A Keystone Guardrails increased cost estimate.
- 005208A Keystone Road and Eastlake Road Emergency Access Improvements: Project's schedule updated. No change to project's estimate.
- 005209A Ridgemoor Blvd Access Management Safety Improvements from East Lake Rd to Pine Ridge Blvd: Project's schedule updated. No change to project's estimate.
- 005538A Bay Pines Blvd & 95th St N Intersection Improvements: No change to project estimate. Escalation factor and current day pricing not applied due to project being in early planning phase.
- 005539A 49th St at 46th Ave N Intersection Improvements: Project's estimate increased due to current day pricing and an escalation factor of 15%. Project will be bid with associated project 002131A 46th Ave North Roadway Improvements.
- 005747A MMIF St. Pete Dr. Martin Luther King Jr. St. N. Cooperative Funding Agreement: New project.
- 005750A Signalization Improvements: New Project.
- 005751A 22nd Ave S. Signal Improvements: New Project.

Program 3022 - Local Streets/Collector Projects

- 002109A Whitney Road and Wolford Road intersection and Roadway Improvements: Project estimate increased due to current market conditions and an escalation factor of 9%. Project's schedule updated.
- 002131A 46th Ave N from 49th St N. (CR 611) to 38th St N. Roadway Improvements: No change.
- 002180A 62nd Ave. N. from 49th St. N. to 66th St. N.- Facilities Enhancements: Project's estimate increased due to current day pricing and an escalation factor of 17%. Project still in planning phase. Project's schedule updated; construction pushed to FY29.
- 002925A 126th Avenue N Improvements from 34th Street N to US Hwy 19: Project's estimate increased due to current day pricing and an escalation factor of 17%. Project's schedule updated.
- 003862A Belleair Rd Roadway Improvements from US Hwy 19 to Keene Rd: Project's estimate decreased due to refined scope. Project is mostly a trail project with some minor intersection improvements. Updated estimate with current day pricing and an escalation factor of 17%
- 003882A 54th Ave. N. Roadway Improvements from 49th St. N. to 34th St. N.: Project's estimate and schedule updated.
- 003884A Highland Ave (CR 375) from Belleair Rd (CR 464) to E. Bay Dr (CR 686) Roadway Improvements: Project's estimate increased due to current market conditions and an escalation factor of 17%.
- 003914A Forest Lakes Blvd Phase III - From Tampa Rd. to SR 580: Project's estimate increased due to current day pricing and an escalation factor of 17%.
- 004182A Nebraska Ave Roadway Improvement from Alt US 19 to West Lake Blvd: Project's estimate increased due to current day pricing and an escalation factor of 9%.

Program 3023 - Pinellas Trail Projects

- 000967A Pinellas Trail Loop North Segment: Budget reduction due to bridge portion of project being broken out. This phase is complete.

Governmental Capital Improvement Plan
Revisions from Previous Year

- 000967C Pinellas Trail North Gap - Tampa Rd to E Lake Rd S - Bridge over Lake Tarpon Outfall Canal (LTOC): Project's estimate updated with current day pricing and escalation factor of 6%. Project's schedule updated.
- 003682A Trail Projects: Program under reevaluation. Existing Pinellas Trail projects will complete the trail loop. Outer year allocations zeroed out.
- 003883A Pinellas Trail South Gap - 126th Ave N to Ulmerton Rd: Budget increased due to current market conditions and an applied escalation factor of 9%. Project's FDOT funding reduced to align with FDOT's work program. Penny funding added to project to compensate for FDOT funding reduction.
- 003883B Pinellas Trail South Gap - Ulmerton Rd to Haines Bayshore Road: Budget decreased due to updated engineer's estimate. Project's estimate utilizes current day pricing and a 9% escalation factor.
- 005752A Pinellas Trail Loop Phase 5 San Martin Blvd from Macoma Dr to Gandy Blvd: New Project.
- 006023A McKay Creek Greenway Trail: Project's estimate updated with current day pricing and a 9% escalation factor. Project's estimate decreased due to reduction in scope (some segments of trail already completed).

Program 3024 - Road & Street Support Projects

- 004183A Countywide Traffic Signalization Improvements: Project's estimate increased based on bids received. Bidding completed in March 2023. Additional grant funding anticipated.
- 004200A Gulf Blvd Improvements Penny IV: No change.
- 005210A Guardrail along Keystone Road from East Lake Road to the Hillsborough County Line: Project previously a sub project of 000195A/005125A Traffic Safety Improvements. Project being broken out from program. Funding for project estimate to come from Traffic Safety Improvement program projects.

Program 3026 - Sidewalks Projects

- 001976A Mehlenbacher Road Sidewalk Improvements from Palm Avenue to the Pinellas Trail: Project's estimate increased based on bid results. Current day pricing applied and an escalation factor of 9%.
- 002069A 62nd Avenue N & 25th Street N Sidewalk Intersection Improvements: Project's estimate is based on bid results and represents an increase from the previous year's budget. Increase is due to current day pricing.
- 002128A 42nd Avenue from 35th Street N to 46th Street N Drainage and Sidewalk: Project's estimate increased based on bid results.
- 002232A Indian Rocks Road Phase 2B - from Kent Drive to 8th Avenue Southwest - Sidewalk & Drainage Improvements: Project's estimate increased due to current market conditions and an applied escalation factor of 9%.
- 002927A 46th Ave. N. Sidewalk Improvements from 49th St. N. to 55th St. N.: Project's estimate increased to reflect bids received. Bids received are higher than anticipated due to current market conditions. Escalation factor of 10% applied.
- 003885A Virginia Ave. Sidewalk Improvements from CR 1 to N. Hercules Ave.: No change.
- 004144A Sidewalk and ADA Program PIV: No change.
- 004229A Starkey Rd. Sidewalk from Ulmerton Rd to East Bay Drive: Project's estimate updated based on bid results. No escalation factor used. Construction began in February 2023.
- 004539A 71st Street N Roadway and Sidewalk Improvement from 38th Ave. N. to 54th Ave. N.: Project's estimate increased due to current day pricing and an escalation factor of 9%.
- 004616A Riviere Rd. from Tampa Rd. to Nebraska Ave. S/W Improvements: Project's estimate increased due to current day pricing and an escalation factor of 14%.

Governmental Capital Improvement Plan
Revisions from Previous Year

006030A Highpoint: Russell Ave Connection: Project's estimate increased due to the addition of Construction Engineering Inspection (CEI). Estimates updated to reflect current day pricing and an escalation factor of 9%.

006033A Safe Routes to School: Project's scope reduced to align with allocated funding.

Program 3031 - Bridges-Repair & Improvement

000423A Dunedin Causeway Bridge Project: Project's estimate increased due to the addition of anticipated grant funding. Project's schedule updated.

000700A Westwinds Drive Bridge Replacement over Westwind Canal: Project is substantially complete.

000702A Crosswinds Drive Bridge Replacement over Crosswinds Canal: No change.

000971A 13th Street / Sands Point Drive Bridge Replacement: Project's estimate increased due to current day pricing and an escalation factor of 14%.

001034A Old Coachman Road over Alligator Creek Bridge Replacement: Project's estimate increased due to current day pricing and an escalation factor of 6%. Project's schedule updated.

001035A Oakwood Drive over Stephanie's Channel Bridge Replacement: Project's estimate increased due to additional Construction Engineering Inspection (CEI) needed.

001036A San Martin Blvd. over Riviera Bay Bridge Replacement: Project's estimate increased due to current day pricing and an escalation factor of 18%. Project's schedule updated.

001037A Beckett Bridge Replacement: Project's estimate increased due to current day pricing and an escalation factor of 9%.

002540A Belcher Road at Gulf to Bay Boulevard Intersection Improvements: Project's estimate increased to include acquisition and additional construction costs. Project's construction start date moved forward from FY29 to FY28.

003678A Madonna Blvd over Pine Key Cutoff Bridge #154700: Project's estimate increased due to current day pricing and an escalation factor of 14%.

003878A Indian Rocks Rd Bridge Culverts: Project's estimate increased due to escalation factor of 17%. Project's schedule updated; construction pushed out to FY30.

004125A Bridge Program PIV: Adjusted program's schedule. No change to program's estimate.

005749A Ridgemoor Blvd Bridge Replacement ILA with FDOT: New Project.

Program 3032 - Road Resurfacing & Rehabilitation

001177B Lakeshore Estates Phase 2 Roadway and Drainage Improvements: No change. Construction will be completed in 2023.

001333A N. Highland Ave Road & Drainage Improvements Phase I: Budget increase due to current day pricing.

003897A Anclote Road Stormwater and Roadway Improvements: Project's allocation repurposed to fund PD&E and Design. Construction estimate will be revisited upon completion of PD&E.

004192A Road Resurfacing & Rehabilitation PIV: No change.

005540A Fisher Rd Roadway Improvement from Curlew Rd to CR 39: Project's schedule updated. Design now estimated to begin in FY29. No change to project's estimate.

005700A Transportation Millage Capital Resurfacing Program: Updated FY24 based on estimated revenue from the additional transportation millage.

Governmental Capital Improvement Plan
Revisions from Previous Year

006020A Local Group-Taylor Lake, Ridgecrest, Oak Village Subdivisions: Work order project. Utilized work order agreement prices which caused project's estimate to increase. No escalation factor used.

006021A Local Group-Martin Terrace: Work order project. Utilized work order agreement prices which caused project's estimate to increase. No escalation factor used.

006022A Local Group-Gulf Terrace and Rainbow Village Subdivisions: Work order project. Utilized work order agreement prices which caused project's estimate to decrease. No escalation factor used.

006027A Local Group-Sunny Lawn Estates & Adjacent Subdivisions: Work order project. Utilized work order agreement prices which caused project's estimate to decrease. No escalation factor used.

006029A Local Group-Various High Point Subdivision: Work order project. Utilized work order agreement prices which caused project's estimate to increase. No escalation factor used.

Program 3033 - Advanced Traffic Management System

001031A ATMS Gulf Boulevard: Project completed.

001032A ATMS/ITS Regional Improvements: No change.

002599A ATMS St Pete Downtown: Project's estimate increased. Grant awarded at lesser than anticipated amount. Project's schedule updated.

002600A ATMS 49th St - SR60 to 46th Ave N: Project completed.

003775A ATMS Central Software Purchase: No change. Project substantially complete.

003776A Intelligent Transportation Equipment Installation and Replacement: No change.

004541A ATMS North County Phase 2: Project's estimate increased due to current day pricing and additional construction cost due to additional scope related to Honeymoon Island State Park and Curlew Road.

004542A ATMS Drew Street: Project's estimate increased due to current day pricing and an updated scope. Project's limits now extend past US19 to McMullen Booth Road.

004543A ATMS Alderman Road: Project's estimate increased due to current day pricing.

004544A ATMS 113 th Street: Project's estimate increased due to current day pricing.

004974A ATMS Pinellas County ATCMTD Connected Community Project: Estimate based on bids received. Project being broken into two phases (see 004974C for other phase).

004974C State Road (SR) 60 Smart Signal Corridor Project: Project broken out from 004974A ATMS Pinellas County ATCMTD Connected Community Project. No change to project's estimate.

Program 3034 - Railroad Crossing Projects

004189A Railroad Crossing Program PIV: Program estimate updated to fit program needs.

Program 3035 - Roadway Underdrain Projects

004216A Underdrain Program PIV: No change.

Program 3036 - MSTU Paving Projects

001817A Municipal Services Taxing Unit - Paving: No change.

002086A MSTU Paving Huston Lane and Pinecrest Drive: Project's estimate increased due to scope increase (project limits increased) and due to current day pricing and escalation factor of 9%.

**Governmental Capital Improvement Plan
Revisions from Previous Year**

002932A Crystal Beach Paving & Drainage Improvements: Project substantially complete. Estimate reflects year to date expenditures activity.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

FUNCTION: NON-PROJECT ITEMS

Program 1008 - Reserves Program

- 001251A Solid Waste 4023 Reserves: Reserves updated each year to balance fund.
 - 001252A Sewer 4052 Reserves: Reserves updated each year to balance fund.
 - 001253A Water ImpFee 4036 Reserves: Reserves updated each year to balance fund.
 - 001254A Water 4034 Reserves: Reserves updated each year to balance fund.
-

FUNCTION: PHYSICAL ENVIRONMENT

Program 2049 - Airport Capital Projects Program

- 004571A Airco Site Preparation: FDOT appropriation for \$2.5M received.
- 006157A Distance Remaining Markers Runways 18-36 Replacement: New project FY24.
- 006158A Perimeter Fence Improvements Phase 1: New project FY24-25.

Program 2223 - Recycling & Education Programs

- 002585A Recycling Center Expansion Projects: Construction completion extended from FY23 to FY24.
- 002586A Visitor Information Kiosks and Claw Monument: Construction completion extended from FY23 to FY24.

Program 2224 - Site Operational Programs

- 000731A Pavement Replacement Program: Program project to fund multiple subprojects. Funding extended to FY32.
- 000748A Side Slope Closures: No change.
- 000752A Bridgeway Acres (BWA) Landfill - Miscellaneous: Program project to fund multiple subprojects. Funding extended to FY32.
- 000752B Bridgeway Acres Class 1 Landfill Ditch Slope Reconstruction: Project completed in FY22.
- 000842A Replace Scales: Project timeline shifted from FY23-25 to FY25-27.
- 000854A Waste-to-Energy (WTE) Discretionary/Force Majeure Work: Program project to fund multiple projects. Budget increased due to cost of materials.
- 001057A General Upgrades to Supervisory Control and Data Acquisition (SCADA): Budget increased to reflect updated estimates. Solid Waste allocation increased to 6%. Funding extended to FY32.
- 002423A Industrial Waste Treatment Facility Improvements: Program project to fund multiple subprojects. Budget decreased as a portion of the work has been completed. Construction completion extended from FY23 to FY25.
- 003346A New Scale Lane: No change.
- 003347A Industrial Waste Treatment Facility Clarifier: Budget increased due to cost of materials. Construction completion extended from FY23 to FY25.
- 003350A New Canopy at Solid Waste Scale House: Project timeline shifted from FY24-25 to FY25-26.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

- 003363A Sod Farm Slurry Wall: No change.
- 004915A Waste to Energy Enhanced Metals Recovery: Budget decreased.
- 004916A Solid Waste On Site Net Metering: No change.
- 004918A Organics Processing Facility: No change.
- 004920A Solar Floating Array at Solid Waste: No change.
- 004921A Solar Panel Closed Side Slopes at Solid Waste: No change.
- 004922A Bulky Waste Processing Station at Solid Waste: No change.
- 004923A Traffic Improvements at Solid Waste Facility: No change.
- 005212A Waste to Energy Biomedical Waste Acceptance Modifications: No change.
- 005213A Solid Waste Class 1 Litter Fence and Deodorizing Mister System: Construction completion extended from FY24 to FY25.
- 005214A Solid Waste Influent Pumping Station(Thirsty Duct) Improvements: Budget increased due to cost of materials.
- 005215A Waste to Energy Pressure Parts Replacement: No change.
- 005537A Waste to Energy Structural Steel Replacement of Baghouses, Baghouses Outlet Ducts, and SDA Units: Budget increased due to expanded scope. Project management was assumed from Covanta, additional structural steel was determined to require replacement. Construction completion extended from FY25 to FY26.

Program 2321 - Water

- 000700B Westwinds Dr. Bridge Replacement - Utility Relocations: Project completed in FY22.
- 000702B Crosswinds Dr. Bridge Replacement - Utility Relocations: Project did not complete in FY22. Funding was carried forward to FY23. Project scheduled to complete in FY23.
- 000744A Facility Miscellaneous Improvements: Program project to fund multiple subprojects. Budget increased due to expanded scope including HVAC replacements. Funding extended to FY32.
- 000791A FDOT Relocation Projects Miscellaneous: Program project to fund multiple subprojects. Funding extended to FY32.
- 000791C Utility Upgrades SR 595 (Alt. US 19/Seminole Blvd.) Fr. N. of 101st Av. N. to East Bay: Project completed in FY22.
- 000831A Water, Sewer and Reclaimed Water Relocation Projects: Program project to fund multiple subprojects. Now includes relocation projects associated with Public Works projects under \$500K. Funding extended to FY32.
- 000971B Sands Pt Dr/13th St Bridge Water Main utility relocation (Subproject - 000831A): Project added for utility relocation associated with Sands Point Drive/13th Street Bridge replacement.
- 001035B Oakwood Dr. Bridge Replacement Utility Relocations (Subproject - 000831A): Project completed in FY22.
- 001057A General Upgrades to Supervisory Control and Data Acquisition (SCADA): Budget increased to reflect updated estimates. Solid Waste allocation increased to 6%. Funding extended to FY32.
- 001283A Replanting of Pine Seedlings @ Cross Bar Ranch: Replanting of pine seedlings completed in FY23. Maintenance planting will be budgeted in the Operating Budget.
- 001333B North Highland Avenue Water and Sewer Improvements Phase I (Subproject - 000831A): No change.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

- 001522A Utility Relocation for FDOT US 19 Main to Northside: Project construction delayed.
- 001523A Utility Relocation for FDOT US19 Northside to CR95: Project construction delayed.
- 001525A Future Supply & Treatment Projects: Program Project. Several subprojects were identified from the Master Plan. Funds for stand alone projects from the Master Plan were removed.
- 001528A Future Relocations and System Upgrades: No change.
- 001601A Advanced Metering Infrastructure (AMI) Water Meter Replacement: No change.
- 001817B Crystal Beach Water, Sewer and Reclaim Water Relocations Along Grace St., Seafford Ave., Disston St. and Florida Blvd. (Subproject - 000831A): Project completed in FY22.
- 002063B Starkey Road Utility Relocation from Flame Vine Ave to Bryan Dairy Road: Budget increased due to cost of materials. Project was delayed two years to address environmental issues.
- 002109B Whitney Rd- Wolford Rd Intersection Water Imp - (Subproject 000831A): No change.
- 002149A Logan Laboratory Improvements: Resilient Florida grant funding approved. Project completion extended from FY25 to FY26.
- 002150A Gulf Beach Pump Station Upgrades: Budget increased due to cost of materials and expanded scope. Construction timeline shifted from FY24-25 to FY26-28. Project has shifted from rehabilitation to replacement to address Flood Resiliency and Sea Level Impact Projection studies.
- 002232B Indian Rocks Road Sidewalk Improvements Phase 2B From Church Creek to 8th Avenue SW - Utilities Relocations (Subproject - 000831A): Schedule and budget adjusted based on updated information from Public Works.
- 002627A FDOT- Gateway Projects Utility Relocation: Project completed in FY22.
- 003562A Myrtle Ave Water Main Replacement (Subproject - 000831A): Schedule and budget adjusted based on revised information from Public Works.
- 003678B Madonna Blvd bridge over Pine Key Water Main utility relocation (Subproject - 000831A): Project completed in FY22.
- 003763A Utilities Facilities Security: Budget increased to accommodate anticipated expanded scope.
- 003764A Water Ground Storage Tank Rehabilitation: Scheduled to complete in FY23.
- 003765A Programmable Logic Controller Upgrades: Construction completion extended from FY24 to FY25.
- 003767A Water Facilities Annual Improvements: Program project to fund multiple subprojects. Budget increased due to cost of materials. Funding extended to FY32.
- 003768A Wholesale Meter Rehabilitation: No change.
- 003896B Crystal Beach Utility Relocation and Replacement Associated with Drainage and Roadway Improvements: Construction timeline shifted from FY23-24 to FY25-26.
- 004071A Rosery Road Phase I Water Main Relocation from Pinellas Trail to Missouri Avenue: Scheduled to complete in FY23.
- 004090B Cycle Springs Water Main Pipe Relocation (Subproject - 000831A): Schedule and budget adjusted based on revised information from Public Works.
- 004229C Utility Work - Starkey Rd Corridor sidewalk from Ulmerton Rd to East Bay Dr (Subproject - 000831A): Project added for utility work associated with Public Works sidewalk project 004229A.
- 004353A Replacement of the 10 Inch Water Main Subaqueous Crossing along 27th Ave and N. Tessier Drive: Completed in FY22.

Enterprise Capital Improvement Plan
Revisions from Previous Year

- 004355A S. K. Keller Polyphosphate Building Process Upgrades: Scheduled to complete in FY23.
- 004356A North Water Booster Station Variable Frequency Drive Modifications: Construction timeline shifted from FY23-24 to FY24-25. Budget increased due to cost of materials.
- 004572A Marlin Drive Utility Relocation for City of Belleair Bluffs Roadway Improvements: Scheduled to complete in FY23. Costs exceeded budget.
- 004573A Pass A Grille Way and Gulf Way from 9th Ave. to 22nd Ave Water Improvement Project: Construction timeline shifted from FY23 to FY24-25.

Program 2421 - Sewer

- 000702B Crosswinds Dr. Bridge Replacement - Utility Relocations: Project did not complete in FY22. Funding was carried forward to FY23. Project scheduled to complete in FY23.
- 000744A Facility Miscellaneous Improvements: Program project to fund multiple subprojects. Budget increased due to expanded scope including HVAC replacements. Funding extended to FY32.
- 000791A FDOT Relocation Projects Miscellaneous: Program project to fund multiple subprojects. Funding extended to FY32.
- 000831A Water, Sewer and Reclaimed Water Relocation Projects: Program project to fund multiple subprojects. Now includes relocation projects associated with Public Works projects under \$500K. Funding extended to FY32.
- 000847A South Cross Bayou Wastewater Treatment Facility Upgrades and Replacement: Program project to fund multiple subprojects. Funding extended to FY32.
- 000852A W.E. Dunn Wastewater Treatment Facility Upgrades and Repair and Replacement: Program project to fund multiple subprojects. Funding extended to FY32.
- 000964A Sanitary Sewer Pump Station Rehabilitation & Improvements: Construction timeline of several pump stations accelerated.
- 001035B Oakwood Dr. Bridge Replacement Utility Relocations (Subproject - 000831A): Project completed in FY22.
- 001057A General Upgrades to Supervisory Control and Data Acquisition (SCADA): Budget increased to reflect updated estimates. Solid Waste allocation increased to 6%. Funding extended to FY32.
- 001333B North Highland Avenue Water and Sewer Improvements Phase I (Subproject - 000831A): No change.
- 001523A Utility Relocation for FDOT US19 Northside to CR95: Project construction delayed.
- 001814A Sanitary Sewer Manhole Rehab Project: Program project to fund multiple sub-projects. Funding extended to FY32.
- 001814C Sanitary Sewer Manhole Rehabilitation FY22-23 (Subproject - 001814A): Program project to fund multiple sub-projects. No revisions.
- 001817B Crystal Beach Water, Sewer and Reclaim Water Relocations Along Grace St., Seafford Ave., Disston St. and Florida Blvd. (Subproject - 000831A): Project completed in FY22.
- 001933A Sanitary Sewer Cured In Place Pipe Lining: Program project to fund multiple subprojects. Funding extended to FY32.
- 001933D Annual Sewer CIPP - Tarpon Springs, Palm Harbor, Curlew City: Budget increased due to expanded scope and cost of materials. Construction timeline shifted from FY23-24 to FY24.
- 001933E Annual Sewer CIPP - Bardmoor, Kenneth City: Budget increased due to expanded scope and cost of materials. Construction timeline shifted from FY24 to FY25.
- 001933F Annual Sewer CIPP - Belleair, Belleair Bluffs: Budget increased due to expanded scope and cost of materials. Construction timeline shifted from FY23 to FY26.
- 001933G Annual Sewer CIPP - Ridgewood, Oakhurst, Belleair Beach, N. Lake Seminole: No change.
- 002063B Starkey Road Utility Relocation from Flame Vine Ave to Bryan Dairy Road: Budget increased due to cost of materials. Project was delayed two years to address environmental issues.
- 002069F 62nd Ave N & 25 St N. Intersection and Sidewalk Improvements Utility Relocations (Subproject - 000831A): New project for utility work associated with a Public Works CIP project 002069A; anticipated completion in FY23.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

- 002131B 46th Ave N Sidewalk Improvements from 49th St to 37th St Utility Relocation (Subproject - 000831A): Project added for utility relocation associated with Public Works sidewalk project 002131A 46th Ave N from 49th St N. (CR 611) to 38th St N. Roadway Improvements.
- 002149A Logan Laboratory Improvements: Resilient Florida grant funding approved. Project completion extended from FY25 to FY26.
- 002160A Pump Station 016/Park Blvd Force Main to South Cross Bayou Replacement: Project scheduled to complete in FY23.
- 002166A South Cross Bayou Dewatering Improvements: Sewer funds will be needed in addition to ARPA funds to complete construction due to cost of materials.
- 002346B Indian Rocks Sewer CIPP - Phase 1: Budget decreased due to constricted scope. A portion of the scope was transferred to 002346C.
- 002346C Indian Rocks Sewer CIPP - Phase 2: Budget increased due to expanded scope. A portion of the scope from Project 002346B was transferred to this project.
- 002747F Sanitary Sewer Interceptor Pipe Rehabilitation - Bee Pond Road: Project scheduled to complete in FY23.
- 002747G Sanitary Sewer Interceptor Pipe Rehabilitation - 109th St.: Project scheduled to complete in FY23.
- 002747H Sanitary Sewer Interceptor Pipe Rehabilitation -74th Ave: Project scheduled to complete in FY23.
- 002747I Sanitary Sewer Interceptor Pipe Rehabilitation -Lealman: Project scheduled to complete in FY23.
- 002747J Sanitary Sewer Interceptor Pipe Rehabilitation - Hamlin Blvd and 46th Ave: Project scheduled to complete in FY23.
- 002747K Sanitary Sewer Pipe Rehabilitation - Seminole By-Pass Canal 10": Project completed in FY22.
- 002927B 46th Avenue North Utility Relocation Sidewalk Design & Roadway Improvements From West Drainage Outfall Along 55th Street North R/W Corridor to 49th Street (Subproject - 000831A): No change.
- 002937A South Cross Bayou Aeration Improvements: Construction timeline shifted from FY26-28 to FY27-29. A portion of the project budget has been identified as future financing.
- 002938A South Cross Bayou Bio Solids Process Train Improvements: Construction completion extended from FY26 to FY29. A portion of the project budget has been identified as future financing.
- 002941A South Cross Bayou High Service Pump Improvements: Budget increased due to cost of materials and expanded scope. Construction timeline shifted from FY25-26 to FY23-28. Sea level rise and flood protection added to the scope.
- 002944A South Cross Bayou Grit Facility Improvements: Project scheduled to complete in FY23.
- 003122B Dunn Filtration and Disinfection Improvements: Budget increased due to cost of materials. Construction completion extended from FY23 to FY24.
- 003123J ARV Hamlin Road and Nearby Design: Project completed in FY22.
- 003147A Pinellas Park Interceptor Collection System Improvements: Budget increased to include the City of Pinellas Park's \$5M portion of construction costs. County costs increased based on most recent estimates. Construction completion extended from FY26 to FY28.
- 003204I Ridgewood Sewer Improvements: Construction timeline shifted to earlier in FY24.
- 003205A Pump Station 079 Improvements (North Redington Beach): Project scheduled to complete in FY23.
- 003210H Force main and ARV Replacement - Klosterman Road and Disston: Project is completed.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

- 003239A Pump Station and Collection System Odor Control Equipment: Program project to fund multiple subprojects. No revisions.
- 003325C Sanitary Sewer Cured In Place Pipelining - 2021-2022 Requests: Program to fund multiple subprojects. No revisions.
- 003407A South Cross Bayou Pavement Rehabilitation: Project timeline shifted from FY25-26 to FY28-29.
- 003408A South Cross Bayou Denitrification Filter Rehab: Construction completion extended from FY25 to FY27. Sewer funds will be needed in addition to ARPA funds to complete construction due to cost of materials.
- 003409A Dunn Electrical Upgrades: Budget increased due to cost of materials. Construction completion extended from FY25 to FY26.
- 003430A Dunn Dewatering Improvements: Budget increased due to cost of materials. Construction timeline shifted from FY25-26 to FY26-28. A portion of the project budget has been identified for future financing.
- 003431A Dunn Pond Liner Replacement: Construction timeline extended from FY25 to FY26. A portion of the project budget has been identified for future financing.
- 003432A Dunn Odor Control System: Project cancelled, media was replaced and is working well, BioAir units no more than 10 years old.
- 003605A Gravity Sewer Ductal Iron Pipe Rehab Program throughout the County: Budget decreased to reflect anticipated construction schedule. Funding extended to FY32.
- 003605B Gravity Sewer Ductile Iron Pipe Rehabilitation Lansbrook: Budget increased due to expanded scope and cost of materials. Construction timeline shifted from FY24 to FY25.
- 003746A WED Grit Capture System Improvements: Budget increased due to cost of materials. Construction shifted from FY26-27 to FY29-30.
- 003747A WE Dunn Offsite Reclaim Pump Station Improvements: Construction completion extended from FY25 to FY28. A portion of the project budget has been identified as future financing.
- 003750A WE Dunn Internal Recycle Pump Station Rehabilitation: Construction timeline shifted from FY26-27 to FY28-30. A portion of the project budget has been identified for future financing.
- 003756A SCB Plant Lighting Upgrades: Scheduled to complete in FY23.
- 003758A South Cross Bayou Influent Pump Station Improvements: Project timeline shifted from FY25-27 to FY26-29.
- 003759A South Cross Bayou Operations and Control Building Improvements: Budget increased due to expanded scope. Construction has been added to the project budget. Project timeline shifted from FY26 to FY28-30.
- 003760A North County Force Main Improvements: Budget increased due to cost of materials. Construction completion extended into FY27 from FY26.
- 003761A Force Main Capacity Improvements - Highland Lakes FM: Budget increased due to cost of materials. Construction timeline shifted from FY25-26 to FY26-28.
- 003762A Pump Stations Generator Improvements: Program project to fund multiple subprojects. Funding extended to FY32. An additional 200 pump stations have been identified as in need of improvement.
- 003763A Utilities Facilities Security: Budget increased to accommodate anticipated expanded scope.
- 003765A Programmable Logic Controller Upgrades: Construction completion extended from FY24 to FY25.
- 003769A Advanced Metering Infrastructure (AMI) Reclaimed Water Meters: No change.

Enterprise Capital Improvement Plan
Revisions from Previous Year

- 003896B Crystal Beach Utility Relocation and Replacement Associated with Drainage and Roadway Improvements: Construction timeline shifted from FY23-24 to FY25-26.
- 004143B Regional Resource Recovery Facility: Design schedule shifted from FY23-24 to FY25-26. No construction included.
- 004358A South Cross Bayou Digester Gas Flowmeter Installation: Scheduled to complete in FY23.
- 004359A South Cross Bayou North and South Train Primary Clarifier Improvements: Construction timeline shifted from FY26-27 to FY29-30.
- 004360A Pump Station 016 Improvements: Construction timeline shifted to earlier in FY26.
- 004361A WE Dunn Fall Protection Installation: No change.
- 004362A WED Operations Building Modifications: Budget increased due to cost of materials. Construction timeline extended from FY25-26 to FY25-29. A portion of the project budget has been identified for future financing.
- 004364A Chesnut Park Aquifer Storage and Recovery System Project: Grant for design from SWFWMD approved.
- 004365A Dunn Exploratory Well: Construction timeline shifted to FY28-30 from FY26-28. A portion of the project budget has been identified as future financing.
- 004368A South Cross UV Disinfection System Replacement: Construction timeline shifted from FY25-26 to FY28-29. A portion of the project budget has been identified as future financing.
- 004478G 3343 Crescent Oaks Blvd Gravity Sewer Main Replacement: Project completed in FY22.
- 004489A SCB Roofing replacements - Multiple Buildings: No change.
- 004495A 72nd Terrace Gravity Sewer and 70th Avenue Gravity Interceptor Upgrade: Construction timeline shifted from FY23-24 to FY25-26.
- 004532A CR 95 Force Main Replacement/Relocation: Project completed in FY22.
- 004540B West Bay Drive Utility Relocation and Replacement (Subproject - 000831A): New project for utility work associated with a Public Works CIP project 004540A West Bay Complete Streets project from the Belleair Bridge to Clearwater-Largo Road; anticipated completion in FY23.
- 004572A Marlin Drive Utility Relocation for City of Belleair Bluffs Roadway Improvements: Scheduled to complete in FY23. Costs exceeded budget.
- 004574A FDOT Utility Relocation US 19 From CR 95 to Pine: Budget increased due to cost of materials. Construction timeline shifted from FY25-28 to FY28-29.
- 004575A FDOT Utility Relocation US 19 from Nebraska Av to Timberlane Rd 433797-1: Budget increased due to cost of materials and accelerated timeline. Construction timeline shifted from FY30-31 to FY28-30.
- 004576A FDOT Utility Relocation US 19 from Timberlane Rd. to Lake St. 433796-1: Budget increased due to accelerated timeline. Construction timeline shifted from beyond FY35 to FY28-30.
- 004578A Building Hardening - General Maintenance Building South: Construction timeline shifted from FY23 to FY25-26. Resilient Florida grant approved.
- 004903A South Cross Bayou Fiber Optic Upgrades: Construction completion extended to from FY23 to FY24.
- 004904A South Cross Bayou Pelletizer Dust Hazard Mitigation: Budget increased due to cost of materials.
- 004905A Reclaimed Water Storage Tanks Rehabilitation: No change.
- 004906A South Cross Bayou Electrical Switchgear Replacement: Construction timeline shifted from FY24-27 to FY27-30. A portion of the project budget has been identified as future financing.

Enterprise Capital Improvement Plan
Revisions from Previous Year

- 004907A Force Main and ARV Replacements- 20\201D Force Main Camelot Court: Project cancelled.
- 004908A Force Main and ARV Replacements - 30\201D Force Main Pinellas Trail and Klosterman: Budget increased due to cost of materials. Construction timeline shifted from FY25-26 to FY26-28. A portion of the project budget has been identified as future financing.
- 004909A 62nd Street North Force Main Extension and Gravity Main Capacity Improvement: Budget increased due to cost of materials. Construction completion extended from FY23 to FY25.
- 004911A Bear Creek 14\201D Force Main Replacement Project: Construction completion extended from FY24 to FY26.
- 005015A Manufactured Home Communities Wastewater Collection System Improvements: Budget increased to reflect grant funding. ARPA funds reallocated from Manufactured Home Communities Potable Water System Improvements. RESILIENT Florida grant approved.
- 005015C Manufactured Home Communities Wastewater Collection System Imp-Canal Crossings: No change.
- 005217A North County Supplemental Reclaim Water Supply: New project FY24-FY26.
- 005219A Forelock/Mistwood Force Main Replacement from Lift Station 387: Budget increased due to cost of materials. Construction timeline shifted from FY24 to FY25-26.
- 005220A Utilities Generator Buildings Sprinkler Installations: Budget increased due to cost of materials.
- 005221A Pump Station 182 Rehabilitation: Construction completion extended from FY24 to FY25.
- 005222A Logan Utilities Operations Center Building: Budget decreased due to constricted scope.
- 005225A Find and Fix Pipe Lining and Private Sewer Laterals: Construction timeline shifted from FY23-27 to FY25-29. A portion of the project budget has been identified as future financing.
- 005226A South Cross Bayou Building Hardenings for the Operations Support Center and Dewatering Building: RESILIENT Florida grant approved.
- 005229A Pump Station 327 Rehabilitation: Budget increased due to expanded scope. Project has developed from a rehabilitation to a full replacement.
- 005582A 24 inch 53rd Avenue Force Main Replacement from Duhme Rd.to east of Seminole Blvd.: Construction completion extended from FY24 to FY25.
- 005584A Countywide Concrete Force Main Replacement: Program project to fund multiple subprojects. Budget increased due to expanded scope.
- 006052A Septic to Sewer Program Phase 1: No change.
- 006173A Pump Station 415 Force Main Replacement and Pump Station 323 Force Main Relocation: New project FY24-26.
- 006174A North County In-Line Reclaimed Water Booster Station: New project FY24-27.
- 006176A Alternative Wastewater Effluent Discharge Facilities: New project FY24-28.
- 006184A Area 6 Utility Relocation City of Madeira Beach Joint Project Agreement: New project FY24-26.

FUNCTION: TRANSPORTATION

Program 2049 - Airport Capital Projects Program

- 000033A Cargo Apron Rehab and Runway 9/27 Conversion: Increased PFC funding, decreased Airport funding.

**Enterprise Capital Improvement Plan
Revisions from Previous Year**

- 000034A Construct New General Aviation Taxiways and Roads Airport: Construction to begin in FY24 due to federal grant. Increase in FDOT and PFC funding.
- 000035A Runway 18/36 Rehabilitation Airport: Construction completion extended from FY23 to FY24.
- 000037A Acquire Airport Rescue and Fire-Fighting Vehicles Airport: Project scheduled to complete in FY23.
- 001064A Relocate Airfield Electric Vault: Project scheduled to complete in FY23.
- 002877A Multi-Level Airport Parking Garage: Budget increased due to cost of materials. Price per stall increased from \$20,000 to \$30,000. Project timeline shifted from FY30-32 to FY25-27.
- 003343A New Passenger Terminal Improvements: Budget increased due to expanded scope. Project timeline shifted from FY23-28 to FY24-31.
- 004350A Upgrade Airport Lift Station Near Army Reserve Base: Budget decreased.
- 004351A Replace Passenger Portal Gates 7-11: Project scheduled to complete in FY23.
- 004352A Installation of New Service Elevator: Project scheduled to complete in FY23.
- 004466A Canopy Passenger Walkway to Terminal Building: Project cancelled due to the cost and expected benefit.
- 004570A Pave Strawberry Parking Lot & Shuttle Road: Construction completion extended from FY24 to FY25.
- 004571A Airco Site Preparation: FDOT appropriation for \$2.5M received.
- 004910A Airport Cell Lot Restrooms: Project scheduled to complete in FY23.
- 005709A Runway Incursion Mitigation New Taxiway "N": New project approved off-budget cycle FY23-25.
- 006041B Replace Airport Terminal Carpeting: Budget increased due to cost of materials. Construction completion extended from FY23 to FY25.
- 006041C Renovate Airport Terminal Restrooms: Budget increased due to cost of materials. Project timeline shifted from FY24 to FY25.
- 006041D Terminal Mitigation of Water Intrusion: Budget increased due to cost of materials. Construction completion extended from FY24 to FY25.

Forward Pinellas (Pinellas Planning Council/Metropolitan Planning Organization)

Executive Director: Whit Blanton
727-464-8712
forwardpinellas.org

Department Purpose

Forward Pinellas is a land use and transportation planning agency. The agency is charged with addressing countywide land use and transportation concerns, as both the Pinellas Planning Council and Pinellas County Metropolitan Planning Organization. Forward Pinellas not only provides a forum for countywide decision-making on transportation and land use issues, but also assists Pinellas County's 24 cities and unincorporated Pinellas County with technical support, regional coordination and policy advice and guidance.

The Pinellas Planning Council (PPC) is a dependent special district of the Board of County Commissioners. The Board of County Commissioners approves its budget and certifies its millage. The Pinellas Planning Council has existed in some form since 1965. It was reconstituted in its current form in 1988 by a special act of the State Legislature (Chapter 88-464, Laws of Florida), and approved by countywide referendum as an amendment to the Pinellas County Charter. In September 2014, the Pinellas Planning Council (PPC) unified its membership with the Pinellas County Metropolitan Planning Organization (MPO), as stipulated by Chapter 2012-245, Laws of Florida. The merged board is charged with addressing both countywide land use and transportation concerns within the boundaries of Pinellas County, and it has re-branded itself Forward Pinellas. Both the PPC and the MPO continue to exist as regulated separate organizations. The agency's staff are PPC employees, and the PPC is reimbursed by the MPO for applicable operating costs and staff services.

The PPC annually adopts a countywide ad valorem tax, with the corresponding millage levy authorized by the Board of County Commissioners. The maximum tax levy authorized by the Special Act (Chapter 2012-245, Laws of Florida) is one-sixth of one mill (.1666), with the FY23 millage levy of .0210 mils at 12.6% of the authorized levy. For FY24, no millage change is proposed.

Forward Pinellas (Pinellas Planning Council/Metropolitan Planning Organization)

Budget Analysis

Excluding reserves, the FY24 Budget for Forward Pinellas reflects an increase of \$590,990 (15.0%) to \$4.5M from the FY23 Budget.

The Forward Pinellas revenues are supported by Ad Valorem Taxes. Ad Valorem tax revenues increase by \$259,300 (11.7%), which is consistent with countywide forecast assumption for FY24.

Personnel Services increase by \$274,220 (11.8%) to \$2.6M. The change to Personnel Services includes a general salary increase of 4.5% of salary, a state-mandated increase to retirement contributions, a 10.0% increase in employer-paid health benefits, an additional increase of up to \$600 to the base for all positions, a one-time payment of up to \$600 for eligible employees, and budgeted lapse savings. The County will also increase the lowest wage for County employees to \$18.00/hour beginning in FY24. The personnel increase also includes one additional Principal Planner FTE funded by MPO.

Operating Expenditures increase by \$316,770 (19.6%) to the total of \$1.9M as compared to the FY23 Budget, which is primarily attributed to the Multimodal Fee Study, a joint study with Housing and Community Development.

FY24 Tentative Budget

Operating Decision Packages

Department	Decision Package Name	Ref #	Summary of Request	Total Amount Requested *	Recurring/ Non-Recurring	Funding Status
Convention and Visitors Bureau	Chambers of Commerce Support	AUTO - 900	The CVB is requesting a 20% increase, or \$100,000, in recurring funding to support 13 participating chambers for visitor center promotions and to provide a one-to-one County match, to assist the chambers with visitor center staffing costs.	\$100,000	Recurring	Funded in FY24
Convention and Visitors Bureau	International Sales	AUTO - 901	The CVB is requesting a 1% increase, or \$7,500, in recurring funding to support current contracts with firms in the UK and Germany for public relations and marketing services.	\$7,500	Recurring	Funded in FY24
Convention and Visitors Bureau	Direct Sales Support	AUTO - 902	The CVB is requesting a \$1.401M increase in recurring funding for sales initiatives that support the CVB's mission to increase the economic impact of tourism to Pinellas County.	\$1,401,200	Recurring	Not Funded in FY24
Convention and Visitors Bureau	Training & Educations	AUTO - 903	The CVB is requesting an \$11,100 increase in recurring funding for additional training and education costs for the Executive Sales cost center.	\$11,100	Recurring	Funded in FY24
Economic Development	Front Desk Temporary Personnel Services	AUTO - 707	This request is for temporary personnel services when this position is on vacation or scheduled medical/personal leave. This would cover approximately 3.4 weeks of time off.	\$3,000	Non-Recurring	Not Funded in FY24
Economic Development	Workforce Development Manager	AUTO - 708	Request for a new FTE. This position would solely focus on the development and implementation of policies and specific activities related to the overall growth of Pinellas County's target industry employment and high-wage pipeline.	\$99,980	Recurring	Not Funded in FY24

Operating Decision Packages

Department	Decision Package Name	Ref #	Summary of Request	Total Amount Requested *	Recurring/ Non-Recurring	Funding Status
Economic Development	Transfer of STAR-TEC Funding Source	AUTO - 735	Realign the STAR-TEC funding agreement financial burden from STAR Center to General Fund. As the county-wide economic development incubation and acceleration services provider, it is more appropriate to fund STAR-TEC from a non-special revenue funding source. By moving this funding obligation to General Fund, STAR Center programming or its tenants will no longer be adversely impacted. The outstanding contractual obligation for the next three years totals \$400,000. In FY27 STAR-TEC is projected to be self-sufficient and will not require additional funding from the General Fund.	\$400,000	Recurring	Withdrawn
Economic Development	ESP Infrastructure Program Development	AUTO - 745	Request to engage a consultant to assist staff to create a fully developed Infrastructure grant program and process. The selected consultant will assist in the engagement with both County departments and City partners to determine how best to deploy funding for a CIP infrastructure program.	\$100,000	Non-Recurring	Withdrawn
Economic Development	New Facilities Support Equipment	AUTO - 746	Request to purchase a replacement forklift and replacement snorkel lift for the STAR Center Facility utilizing STAR Center operational funds.	\$128,000	Non-Recurring	Funded in FY24
Economic Development	ESP Annual Marketing Plan	AUTO - 751	Request to conduct a direct marketing and digital campaign to target industry businesses and promote the program through commercial development associations. In anticipation of having two funding rounds annually, a direct mail campaign would cost approximately \$34,000. Sponsorships and promotional activities would be budgeted at \$16,000. This would likely include sponsorships with organizations like CCIM, Bisnow Tampa Bay, and ULI/NAIOP.	\$50,000	Recurring	Withdrawn

Operating Decision Packages

Department	Decision Package Name	Ref #	Summary of Request	Total Amount Requested *	Recurring/ Non-Recurring	Funding Status
Emergency Management	Staff Request - Office Specialist 2	AUTO - 712	Department is requesting 1 new FTE at a salary of \$62,260 to realigned administrative responsibilities to deliver first class services by being responsible stewards of the public's resources.	\$62,260	Recurring	Not Funded in FY24
Emergency Management	Hurricane Ian After Action EOC Equipment Needs	AUTO - 731	Immediate need is \$50,450 of which \$7,200 would be recurring. Department was told in County Admin meeting to go ahead and put the \$7,200 in their budget and asked if they had the funding for the rest in FY23 which they do. We will be doing an CA budget amendment to transfer the \$43,250 to the correct cost center and budgetary control.	\$50,450	Non-Recurring	Funded in FY24
Emergency Management	Staff Request - Emergency Management Coordinator 2	AUTO - 733	Request for 1.0 FTE to realign the system recovery efforts to maximize partner relationships and public outreach.	\$103,278	Recurring	Not Funded in FY24
Housing & Community Development	Update to the Economic Impacts of Poverty Report	AUTO - 725	Request to obtain the services of a consultant to complete an assessment of progress in At-Risk Zones identified in the Economic Impacts of Poverty Report (published in 2012, updated in 2013).	\$90,000	Non-Recurring	Funded in FY24
Housing & Community Development	Update to the Multimodal Impact Fee Ordinance	AUTO - 726	Request to obtain the services of a consultant to complete the data collection and analysis needed to provide for a legally defensible update to the Multimodal Impact Fee Ordinance.	\$100,000	Non-Recurring	Funded in FY24
Human Services	Increase to Social Action Funding Allocation	AUTO - 741	Request is to increase social service support in the community with a 10% increase to funding to ensure public health, safety and welfare by being a facilitator, convener and purchaser of services for those in need.	\$155,100	Recurring	Funded in FY24

3. Meter Size 1-1/2"	\$8.00	\$8.00
4. Meter Size 2"	\$9.00	\$9.00
5. Meter Size 4"	\$44.00	\$44.00
6. Meter Size 6"	\$82.00	\$82.00
7. Meter Size 8"	\$85.00	\$85.00
8. Meter Size 10"	\$90.00	\$90.00

USER FEES SCHEDULE

Utilities - Water System	FY23 Adopted	FY24 Proposed
9. Meter Size 12"	\$95.00	\$95.00
10. Meter Size 16"	\$110.00	\$110.00
11. Meter Size 20"	\$133.00	\$133.00
12. Over 20", or other types	\$150.00	\$150.00
Unpaid accounts will become delinquent thirty (30) days after the date of billing.		
C. Meter Connections See resolution #87-371, Section XV, Part D		
D. Eligibility See resolution #87-371, Section XV, Part E		
XV. CONTRACTUAL CUSTOMERS		
A. Category A - Active Water Accounts	\$0.65 for each utility service	\$0.65 for each utility service
B. Category C - No Water Account (for first service)	\$0.65 for first service	\$0.65 for first service
XVI. MAILING / ONSSERT FEE		
A. Onsert fee - Includes the cost of PCU design, developing, and coordination required in getting the onsert to the mail house contractor for placement, testing, and distribution on the invoice.	\$0.07 per onsert	\$0.07 per onsert
B. Onsert fee - The requestor provides their own design and development of the onsert. PCU will perform the coordination required in getting the onsert to the mail house contractor for placement, testing, and distribution on the invoice.	At Cost	At Cost
C. If an insert goes out that causes the total weight of the mail package to exceed the standard first class mail rate, the organization that requested the insert pays the additional cost of postage.	At Cost	At Cost
D. Miscellaneous change order fee	\$4.25 per change order	\$4.25 per change order
XVII. UNSPECIFIED WORK	At Cost	At Cost
NOTE: "at cost" shall be calculated based upon actual material and labor costs plus overhead.		

USER FEES SCHEDULE

Utilities - Sewer System		FY23 Adopted	FY24 Proposed
I. Sewer Connection Fee			
A. Single Family Residence		\$2,060.00	\$2,060.00
B. Multiple Family and Mobile Home Parks			
1. Each Multiple Family Dwelling Unit		\$1,643.00	\$1,643.00
2. Each Mobile Home Space		\$1,540.00	\$1,540.00
C. Commercial, Industrial and Miscellaneous Buildings: Per gallon of flow *		\$10.98	\$10.98
* Fee amount will be determined at time application is made for sewer; said connection fee shall be based upon flow and demand made on the system.			
II. Industrial Wastewater Discharge Permit Fees			
A. Type I Industry			
1. One Year Permit		\$5,200.00	\$5,200.00
2. Two Year Permit		\$7,630.00	\$7,630.00
3. Three Year Permit		\$10,540.00	\$10,540.00
4. Four Year Permit		\$13,210.00	\$13,210.00
5. Five Year Permit		\$15,880.00	\$15,880.00
This type of industry may also be subject to a Special Industrial Surcharge Fee as provided in the Schedule of Rates and Fees for the PCSS.			
B. Type II Industry			
1. One Year Permit		\$3,040.00	\$3,040.00
2. Two Year Permit		\$4,960.00	\$4,960.00
3. Three Year Permit		\$6,870.00	\$6,870.00
4. Four Year Permit		\$8,790.00	\$8,790.00
5. Five Year Permit		\$10,710.00	\$10,710.00
This type of industry may also be subject to a Special Industrial Surcharge Fee as provided in the Schedule of Rates and Fees for the PCSS.			
C. Type III Industry (No Discharge Permit)			
1. One Year Permit		\$1,310.00	\$1,310.00
2. Two Year Permit		\$1,730.00	\$1,730.00
3. Three Year Permit		\$2,160.00	\$2,160.00
4. Four Year Permit		\$2,580.00	\$2,580.00

GLOSSARY

ACCELA CIVIC PLATFORM - The Accela Civic Platform enables the County to develop, maintain, and regulate a comprehensive, manageable, and sustainable land use plan, which serves to protect and enhance economic growth, land development, transportation impacts, property values, life safety, construction, and ordinance enforcement. This tool allows the County to better serve its customers and the public by creating a central data repository that functions as an enterprise-wide source of land management information. This central database allows the County's customers to access parcel specific information and obtain a wide range of project/permit/case history.

AD VALOREM TAX - A tax levied in proportion to the value of the property against which it is levied.

ADOPTED BUDGET - The financial plan for the fiscal year beginning October 1, required by law to be approved by the Board of County Commissioners (BCC) at the second of two public hearings.

ANNUAL MARKET SURVEY or **MARKET SURVEY** - Each year the Unified Personnel System (UPS), utilizes a rigorous method for collecting, analyzing, and reporting labor market data to ensure that the County's pay administration practices and salaries are reflective of changes occurring in the labor market. The annual market survey report draws upon a comprehensive array of data collected from numerous reputable salary data sources and wage growth indices representing both private and public sector industries. The UPS uses this data to examine trends affecting: salary increase budgets, pay structure adjustments, wage growth, and variations in the cost of labor, and to formulate recommendations for the County's compensation and pay range adjustments for the next fiscal year.

APPROPRIATION - The legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in the amount and as to the time when it may be expended. It is the act of appropriation that funds the budget.

ASSESSED VALUE - A valuation set upon real estate or other property by a government as basis for levying taxes. Taxable value is then calculated based on the assessed value. The assessed value is set by the County Property Appraiser, an independent elected official. See *also* **Taxable Value**.

BOARD OF COUNTY COMMISSIONERS (BCC) - The seven-member legislative and governing body for Pinellas County.

BOND - Written evidence of the issuer's obligation to repay a specified principal amount on a certain date (maturity date), together with interest at a stated rate, or according to a formula for determining that rate.

BUDGET - A financial plan containing an estimate of proposed revenues and expenditures for a given period (typically a fiscal year).

BUDGET AMENDMENT - A change to the adopted budget that does not increase or decrease the total amount of appropriations in a fund. The change must be approved by the BCC, although authority for some changes (e.g., within a department) has been delegated to the County Administrator. See *also* **Budget Supplement**.

BUDGET CALENDAR - Schedule of key dates in adopting and executing the annual County budget.

BUDGET HEARINGS - Public hearings conducted by the BCC to consider and adopt the County budget as required by Florida Statutes.

BUDGET SUPPLEMENT - A change to the adopted budget that increases the total amount of appropriations in a fund. The change must be approved by the BCC, generally in a resolution. See *also* **Budget Amendment**.

CAPITAL BUDGET - The financial plan of capital project expenditures for the fiscal year beginning October 1. It incorporates anticipated revenues and appropriations included in the first year of the six-year Capital Improvements Program (CIP), and any anticipated unspent appropriation balances from the previous fiscal year. The Capital Budget is adopted by the Board of County Commissioners as a part of the annual County Budget.

CAPITAL IMPROVEMENT PROGRAM (CIP) - A proposed plan, covering each year of a fixed period of years, for financing long-term work projects that lead to the physical development of the county.

CAPITAL OUTLAY or **CAPITAL EQUIPMENT** - Items such as office furniture, fleet equipment, data processing equipment, and other operating equipment with a unit cost greater than a prescribed amount. The capital outlay threshold is defined as \$1,000 by the State of Florida.

CAPITAL PROJECT - An improvement or acquisition of major facilities, roads, bridges, buildings, or land with a useful life of at least five years and a projected cost of \$50,000 or more.

CHARGE FOR SERVICES - Charges for a specific governmental service which cover all or part of the cost of providing that service to the user (e.g., building permits, animal licenses, park fees).

CONSTITUTIONAL OFFICERS - Persons elected to administer a specific function of county government and are directly accountable to the public for its proper operation. Constitutional officers include the Clerk of the Circuit Court, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector.

CONTINGENCY - Sometimes referred to as "Rainy Day Funds," these Reserves are set aside for emergency or unanticipated events during the fiscal year. *See also Reserves.*

COST CENTER - A budgeting entity which encompasses object level accounts (appropriations) that are used to monitor organization or program level expenditures.

DEBT SERVICE - The dollars required to repay funds borrowed by means of an issuance of bonds or a bank loan. The components of the debt service payment typically include an amount to retire a portion of the principal amount borrowed (i.e., amortization), as well as interest on the remaining outstanding unpaid principal balance.

DEBT SERVICE FUND - An account into which the issuer makes periodic deposits to assure the timely availability of sufficient monies for the payment of debt service requirements (i.e., principal and interest). The revenues to be deposited into the debt service fund and payments there from are determined by terms of the bond covenants.

DEPARTMENT - Organizational unit that is responsible for carrying out specific governmental functions or services, such as Emergency Management.

DEPENDENT SPECIAL DISTRICT - A special district, whose governing body or whose budget is established by the governing body of the county or municipality to which it is dependent.

DESIGNATED FUNDS - Funds that are set apart for a specific purpose to fund ongoing or one-time expenditures. Examples are bond proceeds, reserves for fund balance, reserve for contingencies ("Rainy Day Fund") and "pay-as-you-go" reserves for future facility renewal & replacement found mostly in the Enterprise Funds.

ELECTED OFFICIALS - Elected Officials include the Board of County Commissioners (BCC), the Judiciary, the State Attorney, the Public Defender, and five constitutional officers: the Clerk of the Circuit Court, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector.

ENTERPRISE ASSET MANAGEMENT GEOGRAPHIC INFORMATION SYSTEM (GIS) - Geographical technology that manages, analyzes, layers, and disseminates information about facilities, equipment, and natural resources as part of the many data sets needed to support and integrate County resources and operations.

ENTERPRISE FUND - A fund used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

EXPENDITURE - The use of funds financial resources for the cost of goods received or services rendered.

FIRE PROTECTION DISTRICT - A designated area in the county where ad valorem revenues are collected from property owners and distributed to local cities and other agencies to finance fire suppression services to the area.

FISCAL YEAR - A twelve-month period of time to which the annual budget applies. At the end of this time, a governmental unit determines its financial position and the results of its operations. The Pinellas County fiscal year begins on October 1 and ends on September 30 of the subsequent calendar year. Fiscal Years are generally referred to by the year in which they end; therefore, FY24 is the year ending September 30, 2024.

FULL-TIME EQUIVALENT (FTE) - Full-time equivalent positions listed in the budget documents equal the number of full-time positions (see following definition) plus the number of employees on part-time or seasonal schedules converted to a full-time basis. For example, if the standard work week is 40 hours, a position authorized for 20 hours a week would equal 0.5 FTE.

FULL-TIME POSITION - An authorization to employ a staff member for an entire year. In most cases, this consists of 40 hours per week for 52 weeks, or 2,080 hours per year.

FUND - An accounting entity with a complete set of self-balancing accounts established to account for finances of a specific function or activity. The resources and uses are segregated from other resources and uses for the purpose of carrying on specific activities or attaining specific objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE - Within a fund, the resources on hand at the beginning of the fiscal year, plus revenues received during the year, less expenses, equals ending fund balance. The **Ending Fund Balance** of one fiscal year becomes the **Beginning Fund Balance** in the next fiscal year.

FUNDING SOURCES - The type or origination of funds to finance ongoing or one-time expenditures. Examples are ad valorem taxes, user fees, licenses, permits, and grants.

GENERAL FUND - This fund accounts for all financial transactions except those required to be accounted for in other funds. The fund's resources, ad valorem taxes, and other revenues provide services or benefits to all residents of Pinellas County. Revenues and expenditures for the Countywide Municipal Services Taxing Unit (MSTU) are also included in the General Fund.

GOALS - Broad statements that communicate the long-term operational aspirations an organization hopes to achieve. The Pinellas County Strategic Plan has five goals.

GOVERNMENT ACCOUNTING STANDARDS BOARD (GASB) - An independent, private-sector, not-for-profit organization that establishes and improves standards of state and local governmental accounting and financial reporting. The federal government does not fund GASB, and its standards are not federal laws or rules. The GASB does not have enforcement authority to require governments to comply with its standards. However, Section 218.39(2) Florida Statutes requires the County to submit audited financial statements following rules established by the State Auditor General. The Auditor General's rules include generally accepted accounting principles (GAAP) compliance, and designate GASB standards as GAAP.

GASB 34 - A Statement issued by the Governmental Accounting Standards Board (GASB) in 1999. A significant provision of this standard includes the preparation of government-wide financial statements that summarize the information of the government as a whole using the accrual basis of accounting (in addition to the continuing requirements for fund financial statements using the modified accrual basis of accounting). The County has selected the "modified approach" for the accounting of these assets. Under the "modified approach," the County records infrastructure assets at estimated original cost, but does not record depreciation against these assets. Instead of recording depreciation, the County is committed to incur the maintenance expenses necessary to preserve its infrastructure assets at specified levels of condition. Infrastructure assets such as streets, bridges, and sidewalks are also to be included in the government-wide financial statements. There are also expanded disclosure requirements.

GASB 45 - A Statement issued by the Governmental Accounting Standards Board (GASB) in 2004. This standard addresses accounting and financial reporting for post-employment benefits other than pensions.

GASB 54 - A Statement issued by the Governmental Accounting Standards Board (GASB) in 2009. This standard redefined how Reserves (Fund Balances) are to be reported and changed the definition of Special Revenue funds and other fund types.

GOVERNMENTAL FUNDS - Funds generally used to account for "governmental" activities that are not fully supported by charges for the services received. Pinellas' governmental funds include the General Fund, Special Revenue funds, Debt Service funds, and Capital Projects funds.

GRANTS & AIDS - Contributions of assets (usually cash) for a specified purpose from one governmental unit or other organization to another.

HOMESTEAD EXEMPTION - Floridians are currently eligible for up to two constitutional benefits of \$25,000 to reduce the assessed value of their permanent residence. See *also* **Assessed Value**.

IMPACT FEES - Charges assessed by local governments against new development, generally at the building permit stage. Impact fees are a means for local governments to cover the cost of providing capital facilities to serve new developments. These fees are usually based on a formula (an amount per square foot of new construction), a land use criteria (different fees for single-family and commercial office construction), or a use-based criteria (water meter size). Impact fees are meant to assist in the construction or expansion of infrastructure to keep pace with new growth. Impact fees do not provide funds for public facility operating costs. Pinellas county adopted a countywide multimodal impact fee. This impact fee applies to all development activity that generates additional traffic and which require a certificate of occupancy, land use permit, or occupational license.

INDEPENDENT AGENCIES - A variety of agencies, councils, and other organizational entities responsible for administering public policy functions independently of the Constitutional Officers and County Administrator. These entities are subject to Board of County Commissioner (BCC) appropriation, but operate under the purview of a legislative/policy making body other than the BCC.

INFRASTRUCTURE - Infrastructure is a permanent installation such as a building, road, or water transmission system that provides public services.

INTERFUND TRANSFERS - See **Transfers**.

INTERGOVERNMENTAL REVENUE - Revenue collected by one government and distributed (usually through some predetermined formula) to another government.

INTERNAL SERVICE FUND - A fund established to finance and account for services and commodities furnished by one department to other departments on a cost reimbursement basis.

LEVY - To impose taxes, special assessments, or service charges for the support of County activities.

LINE ITEM - A specific sub-category of expenditure which is identified within an object category of a cost center for the purpose of providing additional detailed justification (e.g., Fuel).

MANDATE - A requirement imposed by a legal act of the federal, state, or local government.

MILLAGE RATE - A rate applied to a property's taxable value to determine property tax due. As used with ad valorem (property) taxes, the rate expresses the dollars of tax per one thousand dollars of taxable value (i.e., a 5 mill tax on \$1,000 equals \$5.00).

MISSION - A concise statement of an organization's fundamental purpose that communicates the reason the organization exist - what it does, why it does it, and for whom.

MUNICIPAL SERVICES TAXING UNIT (MSTU) - A special district authorized by the State Constitution Article VII and Florida Statutes 125.01. The MSTU is the legal and financial mechanism for providing specific services and/or improvements to a defined geographical area. An MSTU may levy ad valorem taxes without a referendum. An MSTU may also use assessments, service charges, or other revenue to provide its sources of income. In Pinellas County, the MSTU includes all unincorporated areas of the county. See also **Unincorporated Area**.

OBJECT or **OBJECT CATEGORY** - An expenditure classification, such as Personal Services, defined by the State Uniform Chart of Accounts for accounting and budgeting purposes. The Object Category is the level of budgetary control for the Pinellas County Operating Budget. Within certain defined limits, departments have the flexibility to expend dollars within a cost center's object category total without amending their budget.

OPERATING BUDGET - The operating budget includes appropriations for recurring and certain one-time expenditures that will be consumed in a fixed period of time to provide for day-to-day operations (e.g., salaries and related benefits, operating supplies, contractual services, and equipment).

OPERATING EXPENSES - Services provided to the County by private firms or other County departments (e.g., utilities, maintenance, legal services). Also includes purchase of materials and supplies (other than Capital Outlay).

PENNY FOR PINELLAS - The one-cent Local Option Sales Surtax for infrastructure was originally approved for a ten-year period by the voters of Pinellas County in 1989. The Penny has been extended for three additional ten-year periods, through 2030, by a 1997 referendum, a 2007 referendum and a 2017 referendum.

PERFORMANCE MEASURES - Data about an organization's efficiency and effectiveness in delivering a program or service. The major performance measure types are input, output, process, and outcome (or results) measures.

PERMANENT POSITIONS - Full-time staff positions listed in the budget. Permanent positions do not include part-time or seasonal positions. Partially funded full-time positions are included.

PERSONAL SERVICES - Expenses for salaries, wages, and related employee benefits provided for all persons, whether full-time, part-time, temporary, or seasonal.

PROGRAM - A budgeting entity which encompasses appropriations and expenditures associated with a defined set of services and results or outcomes that are strategically aligned and meaningful to policymakers and the public.

PROPERTY TAX - See **Ad Valorem Tax**.

PROPRIETARY FUND - Funds that are used to account for "business-like" activities that are supported by charges for the services received. Pinellas has two types of proprietary funds: Enterprise funds and Internal Service funds.

PRO-RATE - A budgetary convention (used in Community Development and Fire Administration) that allows for centralized departmental services to be budgeted in one cost center, with the actual costs being allocated to the specific users of the service in other cost centers. This is accomplished by appropriating a negative amount for the total central departmental service. An allocation of the central service's total appropriation is then budgeted in each of the user cost centers, thereby reflecting the total cost to that particular function.

PURPOSE – See **Mission**.

RESERVES - Included in this category are funds required to meet both anticipated and unanticipated needs; the balance of anticipated earmarked revenues not required for operation in the budget year; those required to be set aside by bond covenants; and accumulated funds set aside to finance capital construction on a pay-as-you-go basis. See *also* **Contingency**.

REVENUE - The amount estimated to be received from taxes, fees, permits, or other sources during a fiscal year.

REVISED BUDGET - The current year adopted budget adjusted to reflect all budget amendments and supplements approved by the Board of County Commissioners (BCC).

ROLLED-BACK RATE - As specified by the Truth in Millage (TRIM) Law, the "rolled-back rate" is that millage rate which, when applied to the total amount of taxable value of property (excluding new construction), would produce the same amount of tax dollars as the previous year.

SCHOOL DISTRICT - The Pinellas County School District is an independent taxing authority which encompasses the same geographic area as Pinellas County. The District is governed by an independently elected School Board.

SPECIAL ASSESSMENT FUND - A fund used to account for the financing of public improvements or services deemed to benefit the properties against which special assessments are levied.

SPECIAL REVENUE FUND - A fund used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

STATUTE - A written law enacted by a duly organized and constituted legislative body.

STRATEGIES - Brief descriptions of the direction in which the organization is headed. Strategies support each of the goals in the Pinellas County Strategic Plan and describe what success looks like.

SUPPLEMENTAL APPROPRIATION - See **Budget Supplement**.

SUPPORT FUNDING - Support funding is provided by the Board of County Commissioners (BCC) for those activities for which costs do not apply solely to any specific department's function, but are either applicable to the operation of County government as a whole, or are provided for the public good.

SOUTHWEST FLORIDA WATER MANAGEMENT DISTRICT (SWFMD or Swiftmud) - An independent taxing authority that encompasses the geographic area of Pinellas and other regional counties.

TAX INCREMENT FINANCING (TIF) - A geographically targeted economic development tool which captures the increase in property taxes, and sometimes other taxes, resulting from new development, and diverts that revenue to subsidize redevelopment, infrastructure, or other community-improvement projects.

TAXES - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit.

TAXABLE VALUE - The assessed value of property minus any authorized exemptions (e.g. agricultural, homestead exemption). This value is used to determine the amount of property (ad valorem) tax to be levied. See *also* **Assessed Value**.

TRANSFERS - Because of legal or other restrictions, monies collected in one fund may need to be expended in other funds. This is accomplished through Transfer-In (a source of funds) for the recipient fund and an equal Transfer-Out (a use of funds) for the donor fund. When this movement occurs between different funds, it is known as an **Interfund Transfer**.

TRUTH IN MILLAGE LAW (TRIM) - A 1980 Florida Law which provides specific requirements for local government budget and millage rate approval, including dates, times, and content of public hearings. The law was intended to keep the public informed about the taxing intentions of the various local taxing authorities.

UNIFIED PERSONNEL SYSTEM (UPS) - A program of public personnel administration for its members. The UPS was established in 1975 by a special legislative act to provide equal employment opportunities, efficiency, and economy in County employment practices. The UPS is composed of ten different members, or Appointing Authorities, including most constitutional officers except for the Pinellas County Sheriff's Office, which maintains an independent personnel system.

UNINCORPORATED AREA – The portion of the county that is not within the boundaries of any municipality. See *also* **Municipal Services Taxing Unit**.

VALUES - Core principles that guide an organization in delivering on its mission and moving toward its Vision. Values define what the organization believes in and how people in the organization are expected to behave.

VISION - A concise statement of the aspirational future state of an organization. The vision communicates what the organization hopes to achieve or become in the future.

WORK PLAN - A set of non-capital projects or initiatives, each with a defined objective and end date. Work plans may include policy and planning initiatives, process improvement projects, and other key department or agency commitments.
