

COSSUP GRANT | Overdose Fatality Review

OFR Committee Stakeholder Engagement

July 30, 2024 | 9:00-11:00 AM | Microsoft Teams | Project Director Dr. Joshua Barnett, PCHS

Microsoft Teams Meeting ID: 270 423 959 20

Passcode: uGSj9n

This discussion will review fatal drug overdose cases that have been investigated by the Pinellas County OFR Committee. Community and system stakeholders are invited to hear about these de-identified cases to inform the development of recommendations aimed at preventing future drug overdose deaths in Pinellas County.

- 1. Welcome Statement & Acknowledgement of OFR Committee**
- 2. Overview of Overdose Fatality Reviews & Past Stakeholder Engagement**
- 3. Benefits of System Stakeholders in the OFR Process**
- 4. Person-Centered Language, Respectful, & Systems-focused Discussion**
- 5. Presentation of OFRC's Findings & Discussion of OFR Cases**
- 6. Summarization & Development of Recommendations**
- 7. Self-Care**
